For Sale–Real Estate

Mrs. Franc Gillespie's Adv—

Have some choice places at very low figures.

Among them, the home of Halleck Wilson on Logan street. All modern, garage and in a fine location, only 1½ blocks from business section.

Another good buy gives you an all-modern home with big barn, garage and other out buildings, three blocks from Main four corners for only $3000. Think of it!

Then in farms, can show you a good line.

Have six lots in South Addition, two facing Evans Street which I can sell for from $75 to $150. Good locations for the homes you want to erect next spring.

The pleasant home of Mrs. Laura Cox in Holloway is a new one on my list. Large lot and going way down.

The John H. Bryan farm in Springville, 80a, part muck, silo and good buildings cut to a price to sell.

One of the nicest places in town, with three acres in fine neighborhood.

Brick cottage in best residence section, all modern, with garage, a good buy.

John Mull's two houses on West Kilbuck St. At a REAL bargain.

Harry Moore's home, all modern, garage is another real buy.

Insure anything, anywhere.

FOR RENT

Five rooms in the Wm. Bresie house in Brownville.

Down stairs flat in Mrs. Snell's apartment, corner of Evans and Logan. Partially modern.

Pastor's Car Meddled With.

Last week Wednesday when Rev. Grant was ready to go home after the evening services he found his car had been meddled with. Instead of being parked in the usual place, some rougish tricksters had moved it from the back of the church to the front and filled the tonneau with a lot of bags, boxes, and other things. Very wisely the Elder waited until reaching the parsonage in Ridgeway before unloading the car when he found the different packages filled with the goodies [illegible] to make up a regular Thanksgiving feast and then some. *Rev. Grant is still on the "fireing line."* Come and hear him the few remaining evenings of the revival meetings.

Christmas Party Now Being Planned

Will Be Given By Legion Auxiliary On Christmas Night, Dec. 25th. Details Are Being Worked Out By Committees. The Usual Brilliant Affair Is Planned. Money Goes To Help Soldier Boys.

This year the Christmas Party will be given by the Ladies Auxiliary of the American Legion on Christmas Night, Dec. 25th.

The affair will be held in Witherell Hall as usual and an excellent orchestra has been secured for the occasion. The proceeds from the dance will go towards helping the disabled soldiers at Camp Custer who are in the government hospital there and therefore it is for a most worthy cause. Just remember that these boys were once as healty as you and I. They were in the prime of life and health was glowing throughout their bodies. Everything was bright before them and life was just commencing to hold the dearest treasures for them. Then came that world upheaval and they went to stop the hordes of war-mad soldiers from over-running the earth. They stopped the enemy with their bodies and now they lie on hospital beds many slowly dying from the terrible effects of war's ravages.

We go and dance, make merry and enjoy life. That is right but it makes that dance hold much more for us when we know that every cent we spend goes to make more comfortable the life of these heroes who have lost their vitality for us. Go, why sure we will go. Every last one of us who can shake a foot and we'll dance with greater delight because we know these boys will also benefit by it.

That's the spirit. Come on everyone, lets pack that house full so full we can only stand and wiggle and laugh and be merry until the "we sma" hours of the morning for we know "The Boys' 'will get the benefit.

What care we for Fawncy dances or Kellys or party gowns set with diadems. We are full of Christmas spirit (not spirits) and we know that those who now lie on cots are dreaming of the days when they too went to Christmas parties and their young blood ran high—but now they are simply waiting for the Grim Reaper to carry them to the "Trail's End" where those immortal heroes like Teddy will welcome them into that everlasting life. We dance to make their last moments as happy as can be and give them every possible aid to regain health.

Coming? You bet you are. We will all be there until that old hall groans with its human freight and everyone will be happy whether he has one square foot of space or the whole hall. It's a wonderful chance to show our true Christmas spirit and we know Tecumseh will answer, "I'm here boys, may you quickly regain your health and be one of us again."

"On with the dance, let joy be unconfined" for we know its a cause we help as well as the pleasure of dancing with our best girls to the strains of syncopated melody. Come early and stay late is what we'll do so get set for a big crowd.

Committees were appointed as follows, Music, Mrs. Fred Marsh, Mrs. C. J. Horn and Mrs. W. L. Coller. Decoration, Mrs. C. J. Horn, Mrs. W. L. Coller and Mrs. Chas. Hanna. Lunch, Mrs. Elmer Honsinger, Mrs. Norman Taylor and Mrs. H. H. Hummel. The price will be $2.50 and the New Melody Orchestra of Adrian will furnish the music. Dance begins at 8:30.

K. OF P. ELECT OFFICERS.

The K. of P. lodge met for a supper Thursday evening at their lodge rooms, about eighty being served.

After supper second degree work was exemplified, Dr. C. E. Moorman being the candidate. Election of officers resulted as follows:

MUST HAVE BEEN SOME INDIAN.

Jas. Kennedy brought home a basketful of Indian bones which he discovered out in the gravel pit. Part of the leather straps and a piece of cloth were found in the grave. The cloth was almost intact showing the weave perfectly and it is quite wonderful that cloth buried in a shallow grave should endure so long.

The leg bone was over 18 inches long which shows that he must have been a long legged guy capable of getting over the road like a mustang. The bones showed he was powerful of build and doubtless roamed the country here fully a hundred years ago.

No tax receipts or other modern improvements were found on or about him but a peculiar trinket showed that he was a skillful workman and doubtless very popular with his tribe.

BIG CROWD PRESENT.

A big crowd was present at the party given in the I. O. O. F. Hall last week Wednesday when the ladies put on a dancing party.

Collers Orchestra furnished the music and everyone certainly had a good time. Over 80 couples attended and Clarence Alderdyce got the first prize for being the best masked. Mrs. John Wyrill for the ladies also drew first prize.

The party netted the ladies $35 and an abundance of entertainment which is primarily for what the parties are given. Another party will be given on the 20th at which a still larger crowd is expected.

ALFRED J. HEESEN DIES IN TOLEDO.

After quite a long illness, Alfred John Heesen died last Thursday at his home in Toledo, Ohio. Mr. Heesen was the youngest son of George and Angelina Heesen and was 52 years and six months old at the time of his death. He was born and raised in Tecumseh.

Early in life the deceased learned the jewelry trade with Adamson Bros. of Tecumseh and 32 years ago he went to Toledo where he has lived ever since. At the time of his death he was the proprietor of a large jewelry store in Toledo and by his straightforward dealings had made a host of friends.

Mr. Heesen was a 32nd degree Mason and the funeral was held at the Temple under the rites of the K. T. and Scottish Rite Masons. A wealth of flowers attested to his popularity among all classes of men, many pieces coming from New York, Chicago and other parts of the country. Ninety-seven pieces were sent as a silent testimony to the love and esteem in which the deceased was held by friends made in his short journey through this vale of tears. He was indeed a man among men and his going will leave a great sadness among business associates and friends as well as among the relatives.

He leaves one brother, R. A. Heesen of this city, and three sisters, Mrs. J. L. Trann, Mrs. Will Myers of Detroit, and Mrs. Nellie Adamson, beside two children, George, aged 21 and Alice, aged 10 years. Also the loving wife is left to mourn his untimely passing on. Burial was made in Toledo.

COZY CAFE OPENED.

Mr. and Mrs. Roy Prichard opened the new Cozy Cafe to the public by a dinner last Thursday evening which was served from five to ten o'clock.

The Cafe is luxuriant in appearance having been re-decorated throughout and completely refurnished with every modern convenience and all very tastefully arranged. The furniture is of a very pleasing and beautiful design and the Cafe was certainly very pretty last Thursday evening with flowers and music to help entertain the guests.

Over eighty were served to roast pig and roast chicken and the menu was thoroughly enjoyed by all. The service will be kept at a high state of excellence and those eating here will find they are bountifully supplied with choice eats at all times.

"FINE ARTS DAY" CELEBRATED BY THE MONDAY CLUB.

The Monday Club met in regular session Monday afternoon with the President, Mrs. H. S. Bredow, presiding.

At the business meeting, a letter was read in regard to Armenian Relief which has been so ably conducted by Mrs. Jennie C. Law Hardy of this place. The Tecumseh work was mentioned as an example of what should and could be done. The Tecumseh consignment of clothes was even taken special notice of in New York, so that we all have reason to be proud of the praise we have received. It was voted to have Miss Satenik Hatchadourian address the club on "The Armenian Relief," after the holidays.

The program for the afternoon was "The Spirit of Christmas in Literature and Art." Mrs. Perry Satterthwaite being chairman of the committee to arrange the program. Mrs. B. J. Pulver acted as leader for the afternoon. Mrs. R. S. Moore conducted the singing with Mrs. F. B. Wood accompanist.

The following program was given: Christmas Carol, "The First Noel;" "The Spirit of Christmas in Literature," Mrs. E. E. Brown; "The Spirit of Christmas in Music," Mrs. Maynard Mulvaney; Song, "It Came Upon the Midnight Clear;" two readings, "Twelfth Night" and "Joseph and Mary," Mrs. W. D. Reed; song, "O Little Town of Bethlehem;" at this point of the program three very beautiful solos were given, "Silent Night," Mrs. Eugene Rosacrans; "The Birthday of a King," Mr. John Keeney and "Mary's Manger Song" by Mrs. R. S. Moore, with only the dim lights of candles in the room one could almost see the scene so vividly impressive were the songs. Two hymns, "Come All Ye Faithful" and "Joy to the World" closed a most effective program. A number of very fine Madonna photographs were also enjoyed by the audience.

ENTERTAINS AT "500"

Mrs. Lester Rogers entertained five tables of guests at "500' Friday afternoon at her home on South Evans St. Potted plants and winter bouquets were used as decorations.

Mrs. Allyn Bell won first place and Mrs. Emma Kloffenstein was consoled. A two course supper was served after the games.

The section gang on the N. Y. C. has put down new approaches to the track where it crosses Chicago St. This will enable the motorists to make the jump with a little more ease. It is expected that the track will be lowered to the level of the pavement when the R. R. gets around to it, however, that is not definitely decided as yet.

INTERESTING INFORMATION.

Nearly one-half of the world's supply of peppermint and spearmint comes from Southeastern Michigan. This fragrant herb preserves the name of the beautiful nymph Mintha. The goddess Pers phone, so the old Greek myth runs, in a fit of jealous rage, turned her beautiful rival into the plant which is now so highly prized for its odor and flavor. These qualities are due to essential oils secreted in little glands in the leaves,, which, when distilled, give the flavor used so largely in candy, chewing gums, perfumes, medicines and cookery.

There are 12 species of mint growing in America. The most important are the spearmint or garden mint, used in sauces, and for flavoring chewing gum; peppermint, with which peppermint candy is flavored, and menthol prepared; pennyroyal, used in medicine; and bergamont, whose lemon-scented leaves give a fragrant oil much used in perfumes.

Compared with the United States, India has a smaller area and a much larger population. The area of India, including the semi-independent Indian states, is less than two-thirds of the area of the United States; but the population is three times as large.

It may reasonably be inferred that India is already overfull of human beings, writes Harold Cox, in Asia magazine. Yet social custom and religious creed still impose upon Indian parents the duty of begetting children, regardless of the means available for their maintenance, with the result that children are poured into the world even more rapidly than in Europe and in the United States. Roughly, one in four of the infants thus brought into being dies before it has ceased to be an infant. Others die in early youth or early manhood. The average duration of life in India is far below the average of Western Europe or America.

Beyond this is the final fact that the whole standard of life is lowered, because the resources of the country do not suffice for the adequate maintenance of the millions who are striving to live.

The Great Barrier Coral Reef of Australia is one of the wonders of the world. Its total length is 1,200 miles. The width of the reef, or series of reefs, varies in different districts. In some places the distance from the mainland to the outer edge measures 240 geographical miles. In other places it narrows down to 30 milee, and at one or two isolated places it measures but 10 or 12 miles.

The Great Barrier Reef hides within its coral caves many treasures which will never come to light. Among these are Capt. Cook's six guns, thrown overboard from the Endeavor when she was temporarily aground on a reef. The curious structure and vast extent of the Reef were first made known by Cook, the famous explorer. These guns are of classic interest to all Australians, and the supposed vicinity of the disaster has been searched with the aid of divers many times without success.

* * *

Ages ago the penguin, whose wings are short, paddle-like flappers, entirely useless for flight, could fly as well as any other sea-bird. Since the bird inhabits only remote lands in or near the Antartic Regions, where it has few human or animal enemies, it came to spend all its time on land or in the water. Generation after generations it failed to use its wings for flying, and so in the course of long evolution those wings became very small and stiff, and lost their feathers, until now they cannot be moved at the middle joint like the wings of flying birds.

But the penguins became wonderful divers and swimmers, using their wings one after the other as a man paddles a canoe with a double paddle, and steering with their feet.

M. and Mrs. Albert Gafner and Margaret were in Blissfield, Sunday, calling on Mr. Gafner's mother, who is in poor health.

Thieves visited the home of Mr. and Mrs. Charles Gafner one night during the week and stole about seventy-five chickens. The loss was not discovered until morning. Officers were called as soon as the theft was discovered but no trace has yet been found of them.

A little plant called the sundew, preys upon the insect world. It treacherously ensnares its victims. The upper surface of each leaf is covered with scores of hair-like projections or "tenta les," provided with glands which give out a sticky fluid attractive to insects. Each leaf seems to be covered with hundreds of glistening dewdrops—hence the name. If an insect touches the tentacles it sticks fast. Then all the other tentacles begin to bend forward toward the center of the leaf, rolling the leaf like a little closed fist. As soon as the prey is caught the fluid secreted by the tentacles becomes acid, containing digestive proprieties which make soluble all the nitrogenous parts of the insect.

When the insect is digested, after several days have elapsed, the tentacles all recurve, and the leaf trap is set for another victim.

In Portugal there is a plant related to the sundew which catches so many flies that the natives hang branches of it in their homes to rid themselves of the pests.

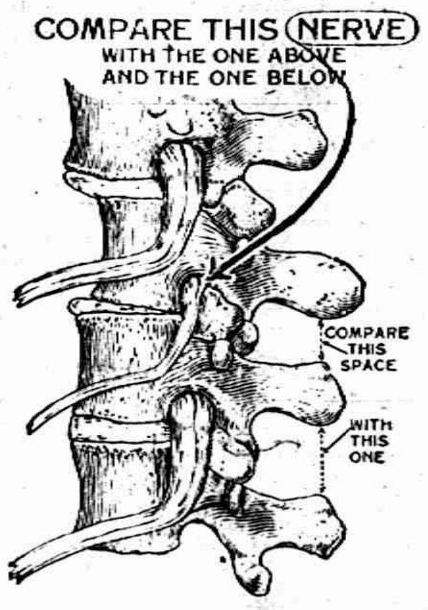
HEALTH

Nature's Way CHIROPRACTIC

COMPARE THIS NERVE WITH THE ONE ABOVE AND THE ONE BELOW



(Section of spinal column showing pinched nerve the cause of disease.)

You can get better service and longer life out of anything you possess by taking better care of it.

The same is true of the human body. It is your most precious possession. It occasionally needs repairs. If those repairs are not made just when needed, the usefulness, comfort and life of the body are to that extent injured.

When your car, or your watch, or other valued possessions go on the junk pile, you can buy new ones—provided you have the money. But when your body reaches that stage you can't go out and buy a new one no matter how much money you have. All the more reason then that you should take care of it while you have the chance.

Nature will provide you with plenty of warning signs when something is wrong with the body. It is for you to heed these warnings, and act in time, that you may preserve your body for a longer time, and for greater comfort during life.

Let us show you how the condition of your entire body depends upon the condition of your spine. Consultation and spinal analysis free. Convince yourself that our claims are well founded.

AT THE BRADLEY.

Old Superstition Proved True In Making This Film.

There is a superstition in the Vitagraph studios at Hollywood, California, that if W. S. Smith, the manager, appears somewhere in a feature, the success of the picture is assured. This superstition on the part of directors has never been proved wrong. For some time Mr. Smith humored the idea, but of late he has been too busy to comply.

However, when "The Son of Wallingford," which will be shown at Bradley Theatre on Sunday, Dec. 17th, was being filmed, the authors, Mr. and Mrs. George Randolph Chester, who were also directing the piece, persuaded him to appear in one scene of the special production.

"Fifty Candles"

In selecting the cast for his production of "Fifty Candles," which opens Saturday, Dec. 16th at the Bradley Theatre, Irvin V. Willat seems to have spared no time or expense in securing able and popular talent to represent the characters which become enmeshed in the tentacles of this gripping mystery story.

The leading role is enacted by Miss Marjorie Daw, a favorite with picture patrons for many seasons. Bert Grassby as Hung Chin-chung gives one of the best Chinese characterizations seen in recent pictures. George Webb as the satanic ship's surgeon and Eddie Burns as the hero are both familiar to screen audiences. Milton Ross, Gordon Mullen, Wm. Carroll, Wade Boteller, Aggie Herring and Ruth King, all artists of the first magnitude complete the cast.

ENTERTAINS CIRCLE NUMBER FOUR.

Mrs. John McIntyre and Mrs. Wm Chiverall entertained Circle Number Four of the Methodist Church at the home of the former, Friday afternoon.

A short business meeting was held at the beginning of the meeting after which Mrs. James Kent gave a reading. "A Small Boy's Version of the Night Wind," which was very much enjoyed.

The afternoon was spent in sewing and visiting and refreshments were served by the hostesses. Mrs. H. R. Conklin and Mrs. Myro Conklin will entertain the circle on January 18th.

CIRCLE NUMBER TWO.

Mrs. B. F. Fox and Mrs. Ed. Smalledge entertained circle number Two of the Methodist Church, Friday afternoon at the home of the former on South VanBuren street, twenty-four being present. A dutch lunch was served at one-thirty after which a short business meeting was held.

ENJOYS WONDERFUL TRIP.

Word reaches us that P. W. A. Fitzsimmons, our former townsman has just returned from a hunting and pleasure trip along the east coast of the U. S. in a palatial yacht owned by one of his friends.

In describing the trip, Mr. Fitzsimmons said:

"In reality it was a case of "ducking de luxe," for our headquarters was a private yacht and we shot over the blinds of all the famous clubs down along the North Carolina, South Carolina and Georgia rice marshes.

The weather was balmy and beautiful, consequently there were not as many ducks as might have been expected if the weather had been inclement in the North, and colder in the south.

However, we knocked down so many that we had to give scores away, and gathered in almost all of the best variety, such as Canvasbacks, Red-Heads, Mallards, Black Ducks, Sprigs, Teal and occasionally a festive goose.

We also bowled over a deer and a wild boar, so that taking it all in all, it was a most successful expedition.

My good old Smith trap gun did the business and when I see the clay rock shoot which you fellows are putting on at Tecumseh, I wish I might be present, even though I might be amongst the "also rans."

We are very glad to hear of such a royal hunting trip where the shooters "get their fill" and our readers will be interested to know of the excellent sport our east coast affords to the sportsmen. Also we would be very glad to have our good friend P. W. A. come up and shoot over our "blind" up on the park especially when the wind is making those sailors [illegible] semi-circles. Our readers will be glad to learn of the wonderful sport the east coast affords the shooters and many will read of Mr. Fitzsimmons' trip with growing interest. It surely must be the hunter's paradise when it comes to "ducking."

RUSSELL—CRAIG WEDDING.

A very pretty wedding took place on Saturday at the home of Mr. and Mrs. William Craig on North Union Street when their niece, Miss Gladys M. Craig, was united in marriage with Lavern J. Russell, both of Britton. Rev. J. F. Kiskaddon officiated. The house was daintly decorated in pink and white. At eleven o'clock the bridal party marched to the altar to the strains of the Lohengrin Wedding March, played by Mrs. Kiskaddon. During the ceremony she also played the "Bridal Chorus" from "The Rose Maiden." The ring service was used.

The bride was very charming in her gown of navy blue crepe de chine trimmed in silk roses and a girdle of silver ribbon. At noon a splendid dinner was served. The following guests were present: Mr. and Mrs. Tom Russell, Miss Lillian Russell, Mrs. Nancy McCarbery, Mr. and Mrs. Harry Craig and baby, Mr. and Mrs. William Craig and family. Amid a shower of rice and good wishes the young couple started on their honeymoon. On their return from their trip they will reside at the home place near Britton.

BRUSH LOADS.

Only eight more shopping days to Christmas. Do it now.

The educated are humble that they know so little. The ignorant are proud that they know so much. Selah.

What some folks have to tilt their head about is beyond us unless its rarefied air they're after.

Don't forget to come to the Xmas dance. Its for the benefit of the boys at Camp Custer who have been disabled in the line of duty for you and me.

A snob is a person who has rooms to rent in the upper story. They need sympathy for their emptiness of vision, and lack of opportunity to mix with real folks.

Get the Christmas spirit: "It is is more blessed to give than to receive." God hates a tight wad who draws his cloak about himself and passes by the ones in need. Look for a place to brighten someone's life during Christmas. Remember the poor, don't heap it all on your own family.

"Remember now thy Creator in the days of thy youth, when the evil days come not," must be taught more certainly to our growing generation if we would avoid national oblivion.

Our Almoner Circle does a real Christmas work and that all-seeing Eye does not fail to note every act of charity done by this group of ladies which reflects true Christianity.

Let's all pay and start the new year right. When one pays up everyone else can do the same thing. It's as catching as the measles and spreads like a prairie fire. It makes us all feel better and act more like honest folks. Whadda y say.

FORMER TECUMSEH BOY WRITES INTERESTING LETTER.

San Jose, Cal., Nov. 10, 1922.
Edwin T. Armstrong,
Tecumsh, Michigan.
Dear Sir:

A few months before you bought "The Herald" there appeared a letter in it from an old Tecumseh boy, Leon McNeil. He mentioned a number of the boys he used to chum with, and my name appeared among the rest. I answered the letter and indulged in some reminiscences of the days of long ago. I intended to follow it up with other letters but was too busy and it was only a few days ago when I received a big bunch of Adrian and Tecumseh papers from my sisters (Mrs. E. Pangle and Mrs. S. W. Cadmus) that I determined to write one more letter.

I am very much interested in all the happenings in the old town and glad to read of the paving and other improvements. It was thru the former letter that I located my old time pal (Geo. Failing) in Ft. Worth, Texas. I had not heard from him for nearly 15 years. We now correspond more or less regularly.

I noticed in one of the papers where Miss Alice Wimple gave a party or reception to some friends and it took me back to school days. "Dear Old Golden Rule Days." We thought Miss Wimple pretty cranky then but now as I look back, I don't think I blame her. I realize she was, and is a fine teacher. But what some of us boys did to make fun for each other, was a caution. I remember Al Heesen, Jim Bennett, Geo. Gainsley, Will Westcott, and myself, agreed to always make a mistake in reading or reciting if it were at all possible I recall one time while I was reciting in geography and telling what Illinois was noted for, I said among other things it was noted for the advance in agriculture and "infernal" improvements. The word I should have used was "internal" and I droned it out so innocently, that Miss Wimple shook with suppressed laughter as she corrected me. Another time, Miss Wimple sent Geo. Gainsley, Will Westcott and me to Prof. Hammond to be punished for some misdemeanor. After Prof. Hammond had talked things over with us a few minutes, he said, "Well boys, I'll give you your choice. I will punish you or you man punish each other. We thought it over a minute, and allowed we'd punish each other. So Prof. Hammond gave Will Westcott and myself each a strap or ruler(I am not sure which it was now) and had us face each other with the left hand on the other's shoulder and the strap or ruler held in the right hand. Then Prof. H. said Go to it," or something that meant the same thing. Will "radioed" a message to me which I interpeted as meaning, "make believe hit hard, but don't really hit hard." So we started that way, but the deception was so obvious that Prof. H. says, "Oh, that won't do, let me show you" and he did. Believe me, we signified our willingness to do better and started in again. Will hit me a smart blow and I reciprocated, and he came right back again and I did ditto. Prof H. was certainly foxy. It was easy to get results by getting us mad at each other. I know he sat there trying to keep from laughing outright. Pretty soon he called a halt, and then—he had Geo. Gainsley step up and go a few rounds with Will Westcott. After that, to make it even I had to go on again, with Geo. Gainsley Do you see what goofs we were? We didn't think far enough to know that being three of us instead of 2 or 4, we would have to take two whippings apiece. I'll bet Will Westcott will remember the affair. I don't think I'll ever forget it.

Some of the boys and girls who were my school mates then, beside those already mentioned were: Walt Fowler, Clarence Monaghan, John Primrose. Gus Cummins. Walt Powers. Ira Daglish, Lulu Jones. Maud Eccles, Julia Wyrill, Minnie Westcott, and Emma Sanford. I hope to be able to pay a visit to the old town sometime in the not too distant future.

I note with regret the passing of Jimmie Jones and Dr. Snyder. both good friends of mine. I will take occasion now to say "Hello" to all my friends back there which includes Capt. F. B. Wood, Jno. Freeman, the Satterthwaite Bros., Charlie Burridge, Dave Macham, Tom McCann, Billy Hicks, Levi Hayden and many more too numerous to mention.

Yours truly,
Geo. V. Schreder.

HILARITY CLUB.

The Hilarity Club went to Britton, Wednesday night and were guests of Mr. and Mrs. Faunt Lenardson. At 6:30 a delicious three-course dinner was served. Crysanthemums were attractively placed about the room.

DODGE BROTHERS SEDAN

Many women who could well afford more expensive closed cars prefer the sedan for their personal use.

They find it easy to drive, easy to park, economical to run, and comparable in the beauty and richness of its appointments with cars much higher in price.

The upholstery is done in genuine mohair velvet of a singularly rich and beautiful pattern. The seats are roomy and luxurious. The hardware and minor fittings reflect thoughtfulness and rare good taste.

Steel disc wheels (with cord tires) screen the under part of the car and harmonize in a most effective way with the new grace and smartness which Dodge Brothers have recently brought to the lines of the body.

A familiar burden in many homes.

The burden of a "bad back."

A lame, a weak or an aching back

Often tells you of kidney ills.

Doan's Kidney Pills are for weak kidneys.

Here is Tecumseh testimony.

Geo. Harriott, prop. of wholesale butcher business, 205 Oneida St., says: "I don't know of any remedy I could recommend more highly than Doan's Kidney Pills. My kidneys were weak and the secretions were unnatural. Backache was especially troublesome when I went to lift anything heavy as it caught me just over my kidneys. I started taking Doan's Kidney Pills, getting them from Wright & Son's Drug Store and they weren't long in curing me up in good shape. I have never been bothered since."

TEACHER PLEASANTLY SURPRISED.

Mrs. H. U. Abbott was very pleasantly surprised Tuesday evening, when her Sunday School class and their husbands, of the Methodist church came out to spend the evening.

Everyone came with well-filled baskets and the first number on the program was a pot luck supper, to which everyone did full justice.

A pillow contest and an auto guessing contest together with other stunts and games made the evening a jolly one as it was great fun watching some of the men put cases on their pillows.

The men of the crowd discussed organizing a brother class and a committee on organization was appointed as follows, Edward Braun, Wm. Routson and James Artman. They plan to meet each Sunday as a class and extend a cordial invitation to all men who are not affiliation with one of the other churches, to meet with them.

GOOD LADY PASSES ON.

Mrs. Janet McCullough Reattoire passed away, Wednesday, Nov. 29th, aged 69 years. She was born Aug. 22, 1853 and lived in this vicinity for many years.

Mrs. Reattoire was a woman of great love, being most amiable in disposition and very devoted to the home folks whom she loved deeply.

Though not identified prominently with lodges or public work she was most content to live a home life full of kindliness and devotion to the welfare of those she loved so well. Her passing greatly saddened those she left behind yet a time and by whom her memory will be keenly cherished.

Card of Thanks.

I desire to thank all those who so kindly assisted us during the sickness and death in my family, and also those whose acts of kindness helped make the burden lighter by the contribution of flowers, for the many words of comfort received, and for the assistance so freely given.

Geo. Reattoire.

FORMER RESIDENT DIES IN DETROIT.

Relatives received word here Thursday of the death of Calvin Lukins. It is reported that he dropped dead in the Crowley-Milner store, death being caused by hardening of the arteries. He was sixty-four years of age.

Mr. Lukins and family lived here six years ago, and he workd on the D. T. & I. railroad. Mrs. Lukins died while they were packing to move to Detroit, leaving a daughter, Miss Ethel, who is married and lives there.

The body was brought here last Monday for burial in Brookside.

BAPTIST CHURCH.

The Baptist Sunday School and church will have a Christmas tree and social time Saturday evening in the parlors at seven-thirty. Each class is to furnish some stunt to make up a program. All members are urged to come and are assured of a good time.

At the Sunday evening service, "The Story of the Nativity in Song," will be given by the choir, with special solo parts.

ST. PETER'S EPISCOPAL.

The children of St. Peter's Episcopal Sunday school are to be entertained at a chicken-pie supper at the Parish House at 5 o'clock, Saturday evening. A social time will be enjoyed and a Christmas tree for the children.

FIRE AT METHODIST CHURCH.

Defective furnace pipes caused a fire at the Methodist Church, Thursday afternoon about four o'clock.

The ladies were preparing to serve supper in the church parlors when someone told them the church was on fire. The call was sent in and the fire department was soon on the job. The hydrant was frozen so they could get no water and chemicals were used to put the fire out.

It was all in the northeast corner of the auditorium. The five seats and cushions and wainscotting being burned up entirely and the floor badly damaged. The heat blistered the varnish on the organ and the piano and the smoke blackened the walls. Several windows were also broken. The entire loss is covered by insurance.

WESTMINSTER GUILD.

The Westminster Guild met at the home of Mrs. E. C. Heilman on South Pearl St., Tuesday evening for their annual Christmas party.

Christmas bells and holly gave a real festive appearance to the rooms. Games, visiting and music were enjoyed during the evening.

A Christmas grab-bag was an interesting feature of the program, each gift having a verse on which added to the merriment.

Miss Geraldine Gillespie and Miss Alice Heilman served the refreshments to the guests who were seated at small tables, which were decorated with sprigs of holly. A fine time is reported by all who were in attendance.

JOLLY SIXTEEN CLUB.

Mrs. Guy E. Belding was hostess to the Jolly Sixteen Club, Tuesday evening at her home on West Kilbuck street. Christmas bells and holly made the rooms very attractive.

Ten games of progressive pedro were played, places being won by Mrs. Geo. Ziehr, Mrs. Martha Nye and Mrs. Ida Freeman, respectively.

A Christmas grab-bag was next, and everyone had a good time opening their packages. Refreshments were served by the hostess.

$175,000 Fire Perils School

Flames Wreck Robinson Hall, Main Building at Albion College. Museum Destroyed; Pres. Laird Leads Rescuers of Valuable Records.

Albion, Dec. 17—Fire which raged from Saturday midnight until dawn Sunday completely wrecked Robinson Hall, the largest and the oldest of the seven buildings on the Albion college campus, involving, according to Dr. J.W.Laird, president, a loss of $175,000.

Defective wiring is blamed. Earlier in the evening the fire department had been summoned to the building and had extinguished a small blaze in the Y. M. C. A. rooms, on the first floor. Later, flames suddenly burst out with great force in the biological laboratory, on the third floor, and spread with great rapidity.

Inadequate water pressure greatly handicapped the firemen. The Marshall fire department was summoned, and made a record run here in 23 minutes from the county seat.

The destroyed building was the most commodious and most used of any of the college buildings, occupying the central position of the campus. The cornerstone was laid in 1841. It had been frequently remodeled, and, in 1906, George O. Robinson, of Detroit, provided funds for the complete remodeling of the building and construction of an east wing. It housed the executive offices and those of the deans and the registar. Full half of the classes of the college met in the building, including the English department and the social sciences. It was also the headquarters of the college co-operative book store and the college Y. M. and Y. W. C. A.

President Laird estimated, Sunday that $150,000 would be necessary to replace the building, and that $25,000 would be required to replace the equipment. The loss is only partly covered by insurance. All college classes which were to have closed Tuesday, were cancelled, but arrangements have been made for the resumption of all work January 4.

SON ARRIVES FROM AUSTRIA.

Martin Vistula went to Toledo Thursday where he met his son and wife, Mr. and Mrs. Osvald Vistula, who just arrived from Chechoslovakia, Austria. They were twelve days on the water, a bad storm causing a delay.

Mr. Vistula served in the army five years, three years for the Austrian army and two years for the Chechoslovakia army. He was shot while serving in Italy and taken to the hospital at Vienna, where he stayed for three months. He received a medal while in the hospital, and after his discharge from the hospital he served another year in Russia and was cited a second time for bravery, receiving another medal.

They will make their home with his father and he will assist in the shoe repair work at the shop.

WILL PUT ON AN AMATEUR NIGHT.

The Bradley Theatre is planning on putting on an amateur night when local performers or those who suspect that talent lurks in their make-up will have an opportunity to do their stuff.

Prizes will be given to those who take part and their acts will be given in addition to the regular shows with no extra admission charge. Amateur night will be given on Wednesday nights, the first one being next Wednesday when several features will be put on.

Mrs. Graham-Thatcher, an artist of considerable reputation who is spending the winter here will assist in getting the local people prepared for their specialties. All in all it ought to afford considerable fun for both spectators and those taking part.

Mr. and Mrs. Harry Moore, Mr. and Mrs. Geo. Rathbun and Mr. and Mrs. R. K. Anderson will form the reception committee at the Christmas Dance Monday night. Mr. and Mrs. B. J. Pulver will lead the grand march. The march is scheduled to start at 9:00, according to the plans of the committee.

Christmas Time Is With Us Again

Most Joyous Season Of The Year For Those Who Live And Let Live. Spirit Of Fellowship For All Mankind Should Prevail Everywhere. Thousands Will Meet Their Creator Face To Face Ere Another Season Rolls Around.

Once again the joyous season of Christmas time is here and with it comes a feeling of fellowship for all mankind, a prayer that everyone may enjoy the time free from suffering, pain and woe.

Throughout the length and breadth of this land there is suffering of the keenest kind. War and pestilence, hatred, and suspicion have reaped their toll and scattered famine and despair broadcast. Millions of people are literally starving to death and slowly wait the time when the pangs of hunger will be stilled and their weakened bodies be numbed to death itself.

It certainly is awful to know that such conditions exist anywhere, that little helpless children and old people are walking the earth during these long winter nights freezing and starving while we sleep in warm beds and have plenty to eat and to throw away.

Yet these are the conditions and every person who believes in a great hereafter must think of the words of Him who came to prevent just such conditions and make us all of one brotherhood, each assisting the other to combat the rigors of winter, provide ourselves with ample shelter and drive physical suffering far from us. That is the Christian spirit and though many profess it, few there be who fully practice it.

Some day, every man will answer for the deeds of this life and a just and all wise Judge will render the verdict that carries a just reward or a relentless punishment for the voluntary acts of this life. Don't kid yourself into believing that somehow you will not be called to account for the deeds of this life. No man can glance at the stars, the flowers, the unending seasons or the certainty of daylight after darkness without knowing there is an eternal law which unerringly governs and whose word we have that every man must stand before the Throne and give an account of the deeds in the flesh. Its the certain truth and no man can escape.

This is a season when all men should think and act and then carry the true Christian spirit thro the entire year after the knowledge that he has of the brotherhood of man. Loud words, promises and religious ceremonies are no avail. You will be judged as you have lived and your sentence will follow as surely as day follows night. Let the true Christian spirit of brotherhood grip all men that war, pestilence, famine, hatred and all malevolent feelings which cause suffering shall be banished from the earth. That is the true Christian spirit that Christmas time should awaken in us.

Ben Haight of Milan was a Tecumseh caller Wednesday.

Mr. and Mrs. H. S. Temple and Mrs. G. A. Rathbun were in Adrian, Wednesday.

Mrs. Gettes of Chelsea came Wednesday to spsend the Christmas holidays with her daughter, Mrs G. A. Rathbun.

NEW PASTOR AND WIFE GIVEN A RECEPTION.

A very pleasing reception was given Rev. and Mrs. H. A. Buell at the Baptist church Friday evening, about one hundred members and friends being present. Henry Beard had charge of the following program: Piano solo, Miss Gertrurde Brooks; humorous readings, "Their First Quarrel" and "Freddie's Misfortune," Mrs. Ed. Hoag; remarks of welcome to pastor in behalf of the church, Alvin Brazee; violin solo, Paul Beard, accompanied by Rev. H. A. Buell. They responded to an enchore. Remarks of welcome in behalf of the churches of the town, by the Junior-Senior pastor, Rev. Edward Escolme. Rev. Buell then made a few remarks.

The pastor and wife and the deacons and their wives then lined up in front and the audience gave them the Tecumseh salute, after [illegible] with each and went to the parlor which was very homelike in appearance. Rocking chairs were placed in comfortable positions, and potted plants aided in giving it a home atmosphere.

A pleasant social hour was enjoyed and refreshments were served.

RADIO COMPANY DOING BIG BUSINESS.

The Universal Radio Co., organized here to build Radio Sets, is doing a splendid business judging from all reports and their sets are giving universal satisfaction wherevevr they are installed.

In many places the Indian Sets (which is the trade name of the local company) have displaced other makes because the Indian could get much better results due to certain parts which the local company has perfected and which gives a much wider range than ordinary sets of like power.

If you are thinking of Radio it will pay you to call on the local company in the Ford Garage Building and get first hand information on the different sets they build.

GIVEN A SURPRISE.

A party of friends and neighbors pleasantly surprised Geo. Cole, Monday evening, the occasion being his fiftieth birthday.

Progressive pedro was played during the evening, Mrs. Goldie Topps and Pliny Gratz winning first places and Mrs. Rollo Wilkins and Ernest Topps winning second places.

Refreshments were served after the games. Mr. Cole received many happy wishes and some gifts.

PLAN CHRISTMAS TREE FOR LITTLE FOLKS.

The Almoner Circle will give a Christmas tree and dinner to twenty-four little folks on Friday evening at the home of Mrs. Harry Moore.

An abundance of good things to eat will be on hand and each child will receive toys and some useful gifts.

The community at large has been very generous in sending in toys and many a little one will be very happy on Friday evening.

Mrs. Wilson Aldrich and son, Wilson Jr. are ill.

Lester Waring returned from Detroit, Wedneday night, where he underwent an operation, at Providence Hospital, on December 5th.

A SERIOUS SITUATION.

The Herald is reliably informed by two men connected with and thoroughly conversant with the situation that the water supply of Tecumseh is far from adequate with which to fight a large fire.

In fact these two men agree that if a fire broke out which required five or six leads of hose that we haven't water enough in the wells and stand pipe to fight the fire one hour.

This certainly is a most serious situation and we believe that when the people who own homes and down town property know this, they will say with one accord that the council should take immediate steps to provide an adequate supply of water for fire purposes.

This matter has been before the council but nothing was done and as much as everyone desires to be economical, this is a matter which is an emergency that requires action regardless of expense.

If the Methodist church fire that occurred last week had broken out in the night and not been discovered for fifteen minutes more than the headway it had, the whole business section might have been wiped out with a loss running into millions of dollars.

If it is true that we have not enough water to fight a fire for an hour with five leads of hose, Tecumseh should do something at once regardless of cost or we will pay an enormous toll for lack of giving such a matter prompt attention.

The Herald believes that every property owner in Tecumseh will back up the Council in providing a water supply that is fully up to the requirements of this village, regardless of high taxes or anything else. [illegible] of other places to economize that does not endanger the whole village.

Rates of insurance will take a stiff jump if the companies find out that such a situation exists in this village if indeed they are not cancelled altogether. The Herald is among many who hope that this matter may be taken care of at once. There are many ways to do it, one of which could be by installing a centrifugal pump at the river connected with the mains so that an abundance of water could be forced into them at a moments notice and thus afford all the water necessary for fighting a fire twenty four hours if necessary. There may be many others but some way should be provided at once for safe and sane fire protection.

Tecumseh has a good piece of apparatus and as gallant and prompt a fire department as ever rode a truck but they are as powerless as a bunch of babies without plenty of water with which to fight the fire.

We hope and believe the council will take prompt action to place the property here under adequate protection before we have an appalling loss.

BRUSH LOADS.

When you start out to knock the other fellow, just remember that the walls have ears and that the other fellow usually is on speaking terms with the walls.

Let the true Christmas spirit permeate every heart and home. Without the teachings of Christ this world would be an awful place for humans to dwell in.

If we could eliminate 75 per cent of the fads in our schools, the students would be able to figure up a bill of groceries after they graduate and get the right result.

If the farmers would stick together they could rule the world and come into their own. But they won't stick. Jealousy actively assisted by those who don't want them to stick, breaks up the meeting every time. When will they wake up and overcome that disease?

Reasoning with our prejudices instead of our brains is the basis of too many judgments to be of any value to anyone. Yes, and with green-eyed jealousy stalking around in supreme command, its dangerous to take an active part in anything or the old Demon will light on you with a vengeance.

As David Harum said, "There is just as much human nature in Editors as in other folks if not more so." They will boost every worthy cause and every person deserving it within reach of their pen and occasionally you will find one foolish enough to expect the same treatment in return. Verily this is becoming cosmopolitan world after all.

The way to get law enforcement is to make laws that are sane enough to appeal to a majority of the people as standing for the best interests of everyone, and then take enough interest in elections to come out to the primaries and nominate and elect officials who have the backbone to enforce them. Electing good fellows who are notorious do-nothings and willing to wear blinders is why the law is not enforced.

If about one-half the laws of the state were nullified. there would then be so many on the statute books that the average citizen couldn't go down town without breaking one. We are suffering from a multiplicity of fool legislation that is making every citizen in the land a law breaker and until that is remedied the respect for law will grow less at an alarming rate until we land in chaos. unless we wipe out the whole tangled mess and start over again soon.

In 1918 or just four years ago, it cost only 12 million to pay the entire state expenses. Now. Pres. Burton. the guy imported to run our university, says he must have 7½ million to run the U. of M. and Prof. Friday, Groesbeck's efficiency expert, says he must have 4½ million to run the M. A. C. In other words these two efficiency experts who pay little or no taxes at all and draw princely salaries, tell the people to cough up 12 million for their two schools alone and the Telegram says you can't reduce taxes. Of course we can't with this gang running things and until the people vote for someone who will fight it, they must pay the fiddler and keep paying until they lose the remaining little they now have.

BENEFICIAL EFFECT OF SULPHUR SPRAYS

Quick Results From Field Demonstration in New Jersey.

Returns From Potato Crop in New Jersey Had Been Greatly Reduced on Account of Scab—Crop Now Clean.

(Prepared by the United States Department of Agriculture.)

A good example of quick results in the improvement of a farm practice following demonstration work by the United States Department of Agriculture and the state was found recently on a New Jersey potato farm, where the returns from the crop in the last few years had been greatly reduced on account of scab. The department and the state put on a demonstration on this farm last year to show the beneficial effect of the use of sulphur in preventing this disease in this region. On one part of the field, according to the owner, where no sulphur was used the tubers were hardly good enough for hog feed.

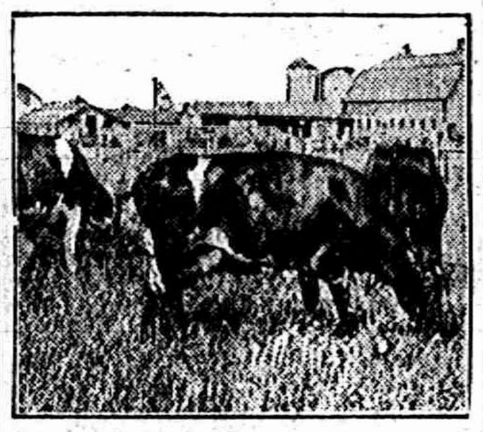
This year, as a result of the lesson brought out in the different parts of the field, the entire field produced a good clean crop. To be on the safe side the grower applied 600 pounds to the acre. Where the scab had been worst last year there was no disease at all and the yield, estimated by digging a large number of hills, was ascertained to be 300 bushels of clean potatoes to the acre.

In the demonstration conducted last year three different quantities of sulphur were used—at a rate of 150, 300, and 600 pounds to the acre. The first gave practically no control, the second about 60 per cent reduction, and the third practically complete. In this work flowers of sulphur, or sulphur dust, was used.

PROTEIN FEED IS ESSENTIAL

Alfalfa Is Especially Adapted to Profitable Flow of Milk From Dairy Cows.

Dairy cows require high-protein feed to give a profitable flow of milk. Alfalfa is especially suited to this and is much cheaper than protein concentrates fed with non-leguminous roughage. It is estimated that a dry cow will eat 20 to 25 pounds of alfalfa a day and a milking cow 25 to 30 pounds. Alfalfa is cooling, laxative, and very palatable. When alfalfa is used instead of concentrated feeds, the cost of production is cut down.



Alfalfa Is Very Palatable.

FILL SILO WITH BEET TOPS

Important That Dirt and Sand Be Eliminated—Well-Built Structure Is Safe.

A good crop of beets will yield from 3½ to 6 tons of processed silage. The average cost of gathering the tops and filling, packing, and finishing the silo is about $1 a ton. It is extremely important that the tops be gathered and put into small piles promptly after the beets are topped. The dirt may be easily shaken from the tops while the leaves are still fresh. It is imperative that dirt and sand be eliminated. The same structure that is commonly used for putting up corn silage may be used for beet-top silage. Because beet tops pack in a very dense mass, the structure will sometimes crack and spr[illegible] thus allow air to enter. A well built silo is reasonably safe.

FEED FOR FATTENING STOCK

Addition of Alfalfa to Ration for Cattle Gives Better and More Profitable Gains.

Experiments of the United States Department of Agriculture have shown that alfalfa added to a ration for fattening cattle or young growing stock gives better and more profitable gains. Compared with hay from sorghum and the grasses, alfalfa has consistently given the best gains. There seems to be little difference in the results given by the alfalfa or clover and other legumes, but alfalfa is more palatable and is more readily and completely consumed.

ESTIMATE MARKETING COST

Whether Sold Through Commission Man or Growers' Association There Is Expense.

Do not forget that it costs something to sell farm products. Whether you sell or your merchant, commission man or growers' association sells, there will be cost. You can't get service for nothing. Whatever your plan may be, estimate the cost and pay what is necessary for economical marketing.

MEXICO'S POTENTIAL WEALTH

Country's Resources, Known to Be Great, Are to Be Subject of Thorough Investigation.

In the state of Coahuila, Mexico, a wild plant is found growing, the leaves of which have long been used in boilers of engines to prevent the foaming of the water. Some years ago the manufacture of a boiler-compound of these leaves was carried on successfully, but the turbulent times caused the industry to be abandoned. It has been proposed that Mexico, instead of shipping its hides to the United States to be tanned and manufactured into leather, shall utilize the hides of its cattle and other animals at home. At present the leather industry is mostly carried on by crude processes of tanning and manufacturing, notwithstanding the fact that there exists in the country an inexhaustible supply of wild vegetation from which tannic acid for the manufacture of leather may be obtained at low cost.

It is to obtain some definite idea of the resources of Mexico in the matter of wild plants and shrubs and the products of forest trees, that the government now has under consideration plans for a careful and thorough survey of these native products of the soil. In connection with this investigation a laboratory will be installed where chemical analysis of specimens of plant life may be made with the view of discovering whether or not they may be made of commercial value.

CITY OF HOMER AND CROESUS

Unfortunate Smyrna Credited With Being the Birthplace of Two Great Men of History.

Smyrna, recently captured by the Turks, is both old and famous. It is the purported birthplace of Croesus and claims to be the birthplace of Homer. It was a city long before the days of Alexander the Great, who rebuilt it where it now stands, as he saw its strategic position as an extreme western port for eastern markets. In 23 A. D. Rome selected Smyrna from among many rivals for site of the great temple to be dedicated to the emperor.

This ancient city figures prominently in connection with early church history, observes the Detroit News. It is but 50 miles from Ephesus, where the ruins of that city with its famous temple are still to be seen. Smyrna itself is supposed to have been for some time the home of the apostle St. John, whose disciple, Polycarp, afterward head of the Smyrna church, was burned at the stake about 155 A. D. His tomb is still the outstanding sight of the city and is on the crest of the hill near the place of his martyrdom. Almost within sight of Polycarp's tomb, to the south, lies the isle of Patmos, to which St. John was banished, and where the Book of Revelation is supposed to have been written.

Swedish Peasants Adopt Motors.

All but one participant in a recent farmers' festival at Kalmar, Sweden, attended the event in motor cars. "In that particular section of Sweden," says a consular report to the United States Department of Commerce, "ox carts not long ago were the only means of communication. Peasants and small village functionaries, who formerly looked upon the auto with marked disfavor, have changed their attitude and view it as a sign of their country's prosperity, and are now doing their part in keeping the roads in some kind of order." Three thousand two hundred and thirty passenger cars and 798 motor trucks were brought to Sweden from foreign countries during the first six months of 1922, as compared with 2,634 cars and 548 trucks for the corresponding six months of 1921.

Summoned From the Vasty Deep.

Ghosts have made an appearance in the "agony column" of a newspaper. One morning an advertiser announced that he would be grateful for information of any old house reasonably close to Capetown, where a genuine specter, complete with clanking chains, head in arm, may be clearly seen by the naked eye. Later came another notice summoning "all specters of standing" to a meeting "to protest against the manner in which they are being commercially exploited." This from the "King of Specterland." His majesty stated that due notice will be given of "time and place," but the meeting has not yet been reported.—Natal Advertiser.

Harvester for Sugar Beets.

Harvesting sugar beets has been facilitated by the invention of an Illinois man, and consists of a machine that tops, digs and boxes the product, according to the October Popular Mechanics Magazine. In operation, two shoes slide along the surface of the ground and carry a cutter which cuts the beet top at the required heights, throwing the severed portion to one side. Following the topper, comes a digger, or uprooter, which removes the beet from the ground and carries it to the rear, where it is deposited in a box or basket.

Real Carefulness.

A St. Louis girl who went to Meramec highlands for a swim was seen to stand on the end of the diving board and assume the correct position for a dive when she noticed that she had forgotten to remove her wrist watch. She stepped back, took off the timepiece, placed it in the pocket of her bathing suit and plunged into the water.

BOWLERS KNOCK 'EM OVER.

At the second meeting of the American Legion bowlers held Friday eve on the Smoke House alleys, a very marked improvement in the bowling was noted over the first. Sides were chosen by Drewyor and Blesing, the latter's getting a big start of 120 pins in the first game. By good consistent bowling in the second and a whirlwind finish, in the third, Drewyor's "Six" were returned the winners for the evening by 27 points, chiefly through Hanna's 202 and 199 games.

The feature of the evening was in the warming up fracas when Curtis turned in a 230 total and Brown getting 191.

There will be no bowling this week owing to a meeting of the Legion members on Friday. By the following Friday all teams will be organized and then "watch 'em go."

Scores for the evening:

HIGH SCHOOL NOTES.

The Juniors have chosen their play, which is, "Nothing But the Truth." The cast has not yet been selected.

The Junior and Senior Domestic Science classes prepared a Business Men's Luncheon, Tuesday, which was served by the tenth grade class.

Miss Dean was absent from school Monday on account of illness.

The French club, "Le Cercle Francais," was entertained by Thos. Mead last Wednesday evening. The evening was spent in games, at the close of which Mrs. Mead served refreshments.

Miss Tulledge was absent from school last Thursday and Friday on account of illness.

Three of the high school classes enjoyed parties Friday evening. The Freshmen, numbering thirty-five met at the gym and spent a pleasant evening with games and music. Refreshments were served. Supt. E. E. Crampton and Miss Martha Caldwell chaperoned the crowd.

The Junior class surprised their classmate, Miss Margaret Turner at her home on West Chicago St. After supper, games and stunts made the evening pass all too quickly. Miss Mildred Boyce and Miss Sena Gribbin were present as chaperones.

The Seniors went to the country home of Norman Long. A pleasant evening was spent in games and music after which refreshments were served. Mr. McNeil was the chaperone.

Mr. and Mrs. Harold McClure and son Robert of Detroit, will sspend Christmas with his parents, Mr. and Mrs. Henry McClure.

OBITUARY.

Death, the unwelcome guest, came suddenly and unexpectedly Friday to the Curry home and took for its victim, the mother, Mary Curry, into that unknown land.

Mrs. Curry's death was due to heart failure, that was partly brought about from grief caused by the loss of her companion whose death occurred the 23rd of last March.

Mary Darrah-Curry, daughter of John and Mary Darrah (both deceased) was born in Antrim County, Ireland, May 2, 1859 and departed this life Dec. 8, 1922, at the age of 63 years 7 mo. 6 days.

She came to America when 15 years old and settled in Tecumseh. On March 18, 1882 she was united in marriage to Wm. Curry and together for over 40 years they worked side by side, as only pioneers can work, clearing the land and erecting their happy home, where they lived until two years ago when they moved to Britton, and where their family group of four children, namely, Mrs. Amanda Price, Theresa Cheever, William H. and Edna who has always lived at home were born and raised. These together with [illegible] grandchildren and a large circle of friends are left to mourn her departure. She was a kind indulgent mother whose chief joy was in service especially in matters pertaining to her home and family. She was a member of the L. O. T. M. order and carried an insurance in that organization and her death, also, casts a gloom over her sisters of that order. The funeral services were held Monday morning at 10:30 at the home, Rev. J. C. DeRemer officiating. The pall bearers were W. B. Swick, E. H. Oliver, Charles Downing, Chas. Myers, W. H. Underwood and Andrew Cheever. Burial was made in Ridgeway cemetery.

Those from away attending the funeral services were H. H. Temple, Miss Edith and John Temple, Mrs. Andrew Johnson and Miss Jennie Curry of Detroit; Mrs. Cyrus Underwood of Ann Arbor; Mrs. Walter Rawson of Bridgewater; Mrs. John Stewart, Mrs. Will Stewart of Clinton; Mrs. John Schreder, Mr. and Mrs. Fred Anderson, Mr. and Mrs. Will Anderson, John Anderson and daughter Frances, Mr. and Mrs. Clarence Graham and childen and Wm. Fielder and daughter of Tecumseh and Mr. and Mrs. George Rider of Dundee.

Card of Thanks.

We wish to extend our heartfelt thanks to our neighbors and friends who so kindly assisted us at the time of the death and burial of our beloved mother, for the beautiful floral pieces, also Mr. Palmer for singing and Rev. J. C. DeRemer for his comforting words.

W The children.

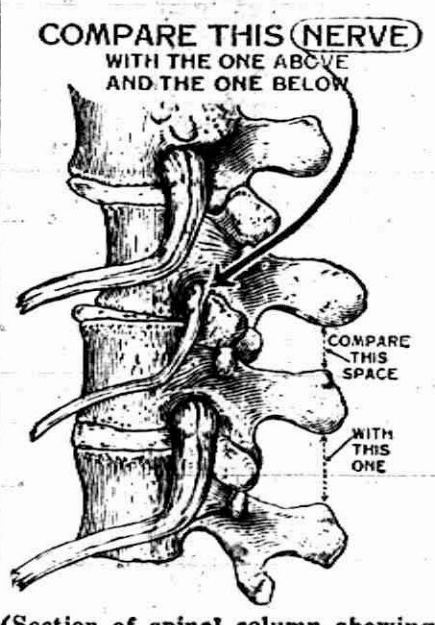
HEALTH
Nature's Way
CHIROPRACTIC



(Section of spinal column showing pinched nerve the cause of [illegible]

You can get better service and longer life out of anything you possess by taking better care of it.

The same is true of the human body. It is your most precious possession. It occasionally needs repairs. If those repairs are not made just when needed, the usefulness, comfort and life of the body are to that extent injured.

When your car, or your watch, or other valued possessions go on the junk pile, you can buy new ones—provided you have the money. But when your body reaches that stage you can't go out and buy a new one no matter how much money you have. All the more reason then that you should take care of it while you have the chance.

Nature will provide you with plenty of warning signs when something is wrong with the body. It is for you to heed these warnings, and act in time, that you may preserve your body for a longer time, and for greater comfort during life.

Let us show you how the condition of your entire body depends upon the condition of your spine. Consultation and spinal analysis free. Convince yourself that our claims are well founded.

IS POPULAR ROUTE.

The Interurban Auto Transit Company which runs automobiles from Detroit to Adrian, has been taken over by Tecumseh business men who have made some changes in the route now going by Monroe instead of Carleton, eliminating a lot of short corners, but is a concrete road all the way.

The schedule has been changed somewhat in order to render better service and to get our people in Detroit earlier in the day.

All cars have been equipped with large heaters and heavy curtains in order for passengers to ride in comfort.

Getting to Detroit and back the same day has been needed for Tecumseh people for some time and we wish all kinds of success to the line as it means a lot to people on the line.

FILM CALLED HIT OF YEAR BY CRITICS.

"The Storm," the Universal-Jewel attraction which has won widespread commendation as the outstanding screen success of the year, comes to [illegible] Opera House on Sunday and Monday, Dec. 24 and 25, for an engagement of two days. An all-star cast, headed by House Peters, makes the screen version of Langdon McCormick's world famous play, an artistic triumph that holds the spectator spellbound. Virginia Valli and Matt Moore play the chief supporting roles. In fact this stellar trio carry the burden of the majority of the scenes.

With the action of the storm laid in the northern Canadian woods, exceptional opportunities were offered for intense dramatic scenes, and Director Reginald Barker took full advantage of each chance to build up the suspense element. The forest fire scene, in which the flames sweep along in leaps and spurts, is magnificent and exceeds the thrilling mechanical forest fire given in the stage presentation.

Photoplay critics in New York, Chicago, and other metropolitan cities have been unanimous in their praise of the greatness of this Universal-Jewel and Manager Guy of the Bradley Theatre is to be congratulated upon showing it here.

Restore Health and Vigor

Foley Kidney Pills relieve the unpleasant symptoms that cause backache, swollen joints, rheumatic pains and urinary irregularities.

FOLEY KIDNEY PILLS

are made of pure materials, tonic in action, quick to give good results. They have been used for years and have, according to the testimony of many sufferers, proved a great benefit in disordered kidney functions.

"I could not bend down for some years as I can now. My wife had many a time to put on or off my shoes. I obtained relief with Foley Kidney Pills. I feel now as if I were 10 years younger."

MYSTERIOUS PAINS AND ACHES

Make Life Hard to Bear For Many Tecumseh Women.

Too many women mistake their pains and aches for troubles peculiar to the sex. More often disordered kidneys are causing the aching back, dizzy spells, headaches and irregular urination. Kidney weakness becomes dangerous if neglected. Use a time-tried kidney remedy — Doan's Kidney Pills. Hosts of people testify to their merit. Read a Tecumseh case:

Mrs. E. H. VanVleet, 204 N. Pearl St., says: "I had an attack of lumbago and my back was lame and painful and I was always worse when stirring around. My kidney's weren't acting regularly and in other ways showed signs of disorder. A friend advised me to try Doan's Kidney Pills, so one of the family got me a box at Wright & Son's Drug Store and I began taking them. It wasn't long before I got relief. The pains through my back eased up and my kidneys became regular in action. I take pleasure in recommending Doan's Kidney Pills."

The Kindly Spirit of Old St. Nick Is Our Ever Present Guide

TO our clients and others, whom we trust it will some day be our pleasure and privilege to serve, we take this opportunity of extending the Compliments of the Christmas Season.

In addition to that message of good-will we want to impress upon the mind of every user of our Electric Service that in all of our business dealings we are actuated by none but the highest motives.

Every day, every hour, throughout the year we endeavor by every means known to us to live up to a policy of good-will and peace by the service we render in this community.

Wherever Electric Service is used from our Central Station (or Stations) for heat, light or power, satisfaction on the part of everyone and the highest standard of service possible must be the every day test of good-will. Nothing else will do.

On this basis, at this time, therefore, our Seasonal Good Wishes are extended.

"THE STORM" DREW BIG CROWD.

A packed house came out last Sunday and Monday nights to see that wonderful picture, "The Storm," put on by Manager Guy of the Bradley.

The autos were lined up for two blocks on both sides of the street beside the hundreds who came from the city to see this picture and they were one and all of the opinion so far as we could learn, that it was one of the best pictures ever put on the silver screen.

We are not a picture fan but this kind of a picture would soon make us one if we could see very many of them for it certainly was one that held the big audience in breathless suspense as the play unfolded itself on the screen before them. To say it was wonderful is putting it mildly and the Manager is to be congratulated for putting on such a production.

ROYAL NEIGHBORS ENTERTAIN CHILDREN.

The Royal Neighbors met in regular session at their hall Wednesday evening, after which the children were entertained at a Christmas party.

A very merry time was enjoyed by the little folks in playing games after which sacks of nuts, corn and candy were passed. The ladies exchanged gifts and a pleasant time was enjoyed around the Christmas tree, eighty being present.

GIVEN A SURPRISE.

Wilfred Waldron was pleasantly surprised Tuesday evening when a party of old time Grange friends dropped in to spend the evening.

Music, stunts and games were enjoyed during the evening. Refreshments were served. Mr. and Mrs. O. W. Laidlaw of Ypsilanti were present.

STATE NOW RAISES OWN ALFALFA SEED.

East Lansing, Dec. 28.—With the production of a dozen carloads of alfalfa seed during the past season, Monroe County has taken rank as one of the leading alfalfa seed producing counties of the country, according to Prof. J. F. Cox, head of the farm crops department at the Michigan Agricultural College, who has just completed a survey of seed production in this section of the state.

Demand for hardy, adapted strains of alfalfa for planting in the state makes the Monroe County source of more than 8,000 bushels of home-grown seed of importance to Michigan farmers generally, and points to development of the alfalfa seed producing industry in the state.

As more is understood of alfalfa seed production in Michigan, says Professor Cox, it is likely that this industry will increase. When the state produces a large percentage of her own seed, the alfalfa crop will be on a much safer basis. The achievement of the Monroe County farmers this year indicates the possibilities along this line.

The seed being produced in this section practically all traces back to an original strain grown by Clement LeBeau more than 37 years ago. For three years the farmers of the territory, mostly in three townships in the northeastern part of the county, have been producing seed in considerable quantities for commercial sale and the favorable 1921 market resulted in a very large crop this season.

Much of the seed will be available for Michigan farmers, the State Farm Bureau Seed Department and several large Michigan seed companies having secured several thousand bushels for distribution in the state.

GAVE FINE PARTY.

One of the prettiest Children's Christmas parties ever given in Tecumseh was held Friday evening when the Almoner Circle entertained twenty-six little folks at a chicken dinner at the home of Mrs. Harry Moore.

The children were seated at tables which were lighted with Christmas candles and the dinner was a real Christmas one.

Following the dinner a beautiful Christmas tree lighted and adorned with all the things so dear to the childish heart was enjoyed. There were gifts in abundance for all besides a well filled stocking.

It was one of the happiest scenes that those who had the privilege of seeing will possibly ever witness, and too great a credit can not be given to Mrs. Moore who extended the hospitality of her lovely home to the entertainment of the little ones, nothing being considered too good for them.

The circle is very grateful to all those, both in and out of town, who contributed so generously to the work.

WEEK OF PRAYER TO BE OBSERVED.

The Tecumseh churches will observe the Week of Prayer by a series of appropriate services held in the M. E. church during the week beginning Jan. 7th. In view of the good done by these services in past years, church people and friends of the churches are urged to keep this week free from other engagements.

GIVEN A SURPRISE.

Miss Marion Harrington was pleasantly surprised Thursday evening, by a party of friends who came in to spend the evening.

A pleasant time was enjoyed playing cards and dancing. A Christmas Tree was one feature of the evening and much laughter was caused by the opening of the gifts. Refreshments were served.

Thomas G. Meade Dies Suddenly

Prominent Citizen Found Dead In Bed Friday Morning. Death Due To Heart Disease. Was A Man Of Splendid Attainments And A Most Exemplary Citizen.

The village of Tecumseh was shocked Friday morning to learn that one of its most highly esteemed citizens had died suddenly the night before and was found dead in bed by his son early that morning.

Thos. G. Meade was born in the state of New York and came to Michigan with his parents when quite a young man, settling on a farm in the Valley where Mr. Meade spent most of the active years of his life. He was known [illegible] wide as a man of kindly ways, a splendid citizen of the highest type and *a man of sterling* character who lived quietly, devoted to the interests of his family and those of the community where he lived. He was 75 years of age.

For many years Mr. Meade was on the directing board of the Raisin Valley Seminary, an institution which had a long and very prominent career, shaping the destinies of some of the best men in the country who now occupy places of great importance among the affairs of men. Mr. Meade gave the best years of his life to assisting every worthy movement that could better the conditions in the school or among those with whom he was associated as friend, neighbor and counsellor, and everyone who knew him loved him for his kindly and manly ways.

Indeed a good man has gone to a just reward for the good works he has done. His memory will be honored and cherished by a host of friends as well by those who were nearer and dearer to him.

The deceased leaves two children, Richard Meade of this place and Mrs. Oliver Bartholomew of Royal Oak, beside two grandsons to mourn their loss. The funeral was held Sunday afternoon at the home of his son, R. T. Meade, with burial in Raisin Valley Cemetery.

WILL GIVE NEW YEAR'S DANCE.

The Ladies Auxiliary of the American Legion will give the New Year's dance at Witherell Hall on Monday night, Jan. 1st.

Bracey's Orchestra of five pieces will furnish the music and a good time is in store for everyone who goes. The Cozy Cafe will keep open and serve lunch at intermission.

The bill is $1.25 per couple and everyone is assured of a fine time, Come and bring your friends.

ENJOYS BIG TRADE.

Tecumseh merchants are smiling the smile of satisfaction these days because they have one and all enjoyed one of the largest Christmas trades ever experienced in the history of Tecumseh.

One prominent business man said this morning that his firm had the biggest and best Christmas trade they had ever experienced and they have been in business here many years.

Others state with one accord that the trade was much larger than they had expected and that they were more than satisfied with results. This speaks well for our enterprising city and soon they will be having still better trade when our road system gets completed next summer. We can look for a big increase, for those who get their car on this federal highway will come to Tecumseh before stopping is our opinion and that of many others.

TURNER—ARNER.

Miss Charlotte Arner and Chauncey Turner, both of Detroit, were united in marriage Christmas day at Cambridge Junction by Rev. Frederick Hewitt.

Mrs. Turner is the grand-daughter of Mr. and Mrs. Wm. Barrett of this place. She made her home with them, and attended high school here three years ago, and made many friends among the younger set who will be pleased to hear of her marriage.

The young couple left Tuesday morning for Chicago to spend the week with her aunt and uncle, Mr. and Mrs. Anderson.

OBITUARY.

Melissa C. Russell-Packard was born in York State, Ajril 7, 1838, and Departed this life December 27, 1922, at her home in Tecumseh, at the age of eighty-four years.

She came to Michigan when but a small girl and has made her home here ever since living in this place the past fifty-two years.

She became the bride of Abijah Packard and this union was blessed with five children, Mrs. Chas. A. Page and Chas. Packard of Tecumseh and Mrs. A. A. Bangs of Spartanburg, Pa., one son and one daughter and the husband having preceded her to the great beyond.

She has been an invalid for several years and even though a great sufferer, was always kind and patient. She was ill but a few days with pneumonia.

The funeral services will be held at the home of Mrs. Chas. A. Page, Friday morning, at ten-thirty, Rev. H. J. B. Marsh officiating, with burial at Brookside.

FATTENS 'EM UP ON 8 CENT MEAL.

An article taken from the Detroit News shows that the sheriff at Ann Arbor has succeeded in feeding the prisoners in the Washtenaw jail for 8 cents per meal during the time he has been sheriff.

The article is respectfully referred to the Lenawee Supervisors for careful consideration but with a firm belief that it will not change matters at the Lenawee Jail where the sheriff is allowed six times as much to feed the prisoners.

Also compare the whole expense of operating the sheriff's office with what it costs in Lenawee, and Washtenaw Co. has a trifle larger population than Lenawee Co. And be it remembered that the local conditions in Ann Arbor are not so different than in Adrian and if the sheriff there can feed the prisoners good enough on 8 cents per meal, the Lenawee sheriff certainly ought to be able to do as well on twice that amount at least. Anyway we hope that some supervisor who has an eye to saving a bit will look into the matter and bring it before our board at no distant future. Following is the article.

ANN ARBOR, Mich., Dec. 24.—Sheriff Ambrose C. Pack, of Washtenaw County is about to retire, with a distinction that has never before been gained in this county. He succeeded during his four years in office in feeding prisoners for 8 cents a meal, and, what is more, those who stayed a long time grew fat.

Pack's fame has spread through the state. Numerous supervisors have written asking about his system. It is all so easy, Pack says, that it seems a shame to take credit for having accomplished such a simple stunt.

On New Year's Day, Sheriff Pack will trade positions with his under-sheriff, James W. Robinson, who becomes sheriff.

During the last year Sheriff Pack has served 12,418 meals to 612 prisoners and 2,115 "overnight visitors" at an average cost of .083 and has run the entire sheriff system in the county for $17,911.82, including officer's salaries.

HOLD CHRISTMAS REUNION.

The home of E. B. Anderson of West Chicago St. was the scene of a happy reunion Christmas Day when twenty members of the family gathered together to enjoy a Christmas dinner and tree.

The guests of honor were Mr. and Mrs. Kenneth Anderson of Bogalusa, Mississippi, a bride and groom, who were on their honeymoon trip; Mr. Anderson being a nephew of the host.

Covers were laid for Mr. and Mrs. Clyde Barber and three children, Mr. Buford Anderson, Mr. and Mrs. J. H. Anderson and family, Mr. and Mrs. A. W. Anderson and son, Miss Mary Anderson, Mrs. Julia Anderson and Mr. and Mrs. Kenneth Anderson.

DERMYER—MITCHELL

Miss Gladys M. Mitchell and Kenneth F. Dermyer were united in marriage by Rev. Earl R. Rice of Adrian, Saturday afternoon at 2:30 o'clock. They were attended by Miss Elsie Teske and Edward Underwood.

They went to Jackson for a visit with relatives immediately after the ceremony and on their return, will make their home with his parents, Mr. and Mrs. Fred Dermyer at Adrian.

The bride is the daughter of John Mitchell of Birdsall. She was born in Tecumseh and has always lived here, and attended Tecumseh High School.

The groom has lived in Adrian for some time, being employed by the Adrian Wire Fence Co.

They are both popular young people and have a host of friends who will wish them much happiness.

Christmas Party Brilliant Affair

About Forty Couples Enjoy Dancing To Strains Of Exceptionally Fine Music. Hall Is Beautifully Decorated. Everyone Pleased At Good Time Provided.

One of the prettiest Christmas Parties ever given in Witherell Hall took place Monday night when about forty couples enjoyed the pleasure of dancing until a late hour to the strains of most excellent music provided by the Nu-Melody Orchestra of Adrian.

Witherell Hall had been elegantly decorated for the occasion by the ladies of the Legion Auxiliary under whose auspices the dance was given and never looked prettier than it did last Christmas night with its decorations in keeping with the spirit of the night and the occasion.

Added to this were handsome gowns and handsomer ladies which together with the grace of the gentlemen who were dressed in the conventional evening dress made the hall a place of elegance and grace that filled the heart with joy and the feet with that syncopated rhythm which so highly entertains the ardent dancer.

Refreshments were served at the proper hour and everything povided to make the evening one long to be remembered as a party where enjoyment reigned supreme and everyone had his fill of dancing and entertaiment. Those present voted it one of the prettiest parties ever given in the hall.

HIGH SCHOOL DANCE WELL ATTENDED.

The dance held at the high school last Friday night was well attended, about 75 couples being present. The hall was beautifully decorated, the work of Lester Heesen and his corps of able assistants. Evergreens were very artistically arranged about the gym while large arches beautifully designed in red and green gave the room a very homey and artistic appearance.

Suspended from the ceiling was a large box which at the proper moment unloaded its favors upon the waiting throng. A pull of the string and down came the favors in a shower which was a unique and very pleasing part of the program.

Prof. Wilcox, assisted by Morris Celler, Ed Perry and Mrs. A. J. Weir, furnished the music. It was a very pretty party and greatly enjoyed by all present.

ALUMNI GAME.

A large crowd was present to witness the two alumni games played by the boys and girls Tuesday evening at the high school gym. This is reported to be the next to the fastest game ever played on the floor.

The scores were girls, 13 to 4 in favor the high school girls; boys 14 to 13 in favor of the alumni.

NOTICE.

The Presbyterian Missionary Circle will meet at the home of Mrs. F. D. Rector, Friday, Dec. 29th at 2:30 p. m.

MRS. JOHN WILSON PASSES AWAY.

Miss Lucy Ingersol was born September 23, 1865 at Tecumseh and passed away December 26, 1922 at the Bixby hospital at Adrian at the age of fifty-seven years.

She was the daughter of Mr. and Mrs. Isaac Ingersol of Britton where she spent her girlhood days and attended school.

On November 14, 1888 she was united in marriage to John G. Wilson and they made their home on the farm west of town, where their present home is.

To this union were born two sons, Robert of DeLand, Fla., and Amos of Blissfield and one daughter, Mrs. Chas Spreeman of Ridgeway.

Mrs. Wilson has been in failing health for some time and was taken to Bixby hospital Sunday, December 24th and underwent a very serious operation Tuesday morning. She did not rally from the operation and passed away at 10:30 Tuesday night.

She was a kind and loving wife and mother, always mindful of the comfort of others. She was a member of the Friend's church, ever faithful in attendance and a great worker in the activities of the church.

Robt. Wilson will arrive Friday morning from Florida and the funeral services will be held at the Friends church at 1:30 Friday p. m., Rev. Edward Escolme officiating. One hour before the service, the body will lie in state at the church, where friends may go to view it.

MRS. WM. BEEVERS PASSED AWAY.

Mrs. Wm. Beevers aged 75 years passed away last Tuesday night at her home seven miles southeast of Tecumseh.

Mrs. Beevers was sick only about one week and her passing is mourned by many friends as well as by her children of whom she leaves seven to miss that place which no one else can fill but mother.

The deceased had lived practically all her life in this vicinity and was well known. Beside the children, the aged husband is left to mourn his loss. Funeral announcements are not know at this time.

WINCHESTER CONTEST.

Spitler & Horn Hardware Co. who recently ran a contest to see how many words could be made from the letters appearing in the words "Winchester," created a lot of interest and following is the list of the winners and others participating.

Embert Pocklington, 506, first prize; R. R. Hunt, 463, second prize; Bernard Williamson, 430, third prize. Others entering the contest were Parke Nye, Raynor Hagadorn, Gerald Allen, H. H. Hanna, Lawrence Harrington, Aruthr Hodges, Ralph Hodges, Arthur Price, Chester Hoekstra, Max Walton, Raymond Nobles, Bess Spayde, Tracy Arnold, Gerald Lewis, Raymond Kempf, Mildred Maynard, Jim E. Allison, J. G. Hastings, W. W. Tyron, Jim Ferguson, Leora Service Lyell Gregg and Ralph Helzermon.

The judges in the contest were F. C. Snell and George Isaacson.

Miss Eleanor Schroeder of Toledo is spending a few days with Miss Alice Hardenburgh.

The real trouble with E[illegible] the fact that aethist F[illegible] Red Russia and [illegible] a[illegible] rest of that seething [illegible] of rotten intrigue [illegible] of forsaking [illegible] run governme[illegible] is of men alone[illegible]

The true O[illegible] on- esty, peace [illegible] our neighbo[illegible] supplanted [illegible] olen- motives of [illegible] to- gues and [illegible] Satan, and it has led exactly where the good book says it will lead to destruction and damnation, and Europe is fast getting to that point and trying in every way possible to drag the U. S. down with it.

Many of our vacant headed st[illegible]smen have forgotten or else [illegible] knew that Geo. Washington told us plainly when he left matters in the hands of future sons that we must keep out of Europe and absolutely free from her centuries of rotten intrigue, false standards and malevolent jealousies that would wreck this country if we took hold of, but the lure of gold and the demand of big bankers who wanted to lend money at enormous rates to foreign countries and then have the U. S. collect it for them has been too strong for us to deny hence we see ourselves being drawn into that whirlpool of destruction by the greed for gold which will wreck this country sure unless some of the level headed ones put the clamp on and drives our foreign policy back to the standards of Washington and Lincoln with a Christian God as the guiding spirit of all laws and all conditions of life.

If there ever was a time when our representatives should pray for Divine guidance and weigh their responsibilities as they do their life, it is right now, and if the citizenry of the country keeps on staying at home and taking little or no interest in what our representatives do or say, then we will hasten the day that the same awful conditions that are driving Europe into a crazy house of carnage, starvation, death and disease, will stalk aboard in this fair land reaping the same awful toll.

Its the same identical and awful penalty that was paid by the cities and provinces which forsook God in the days of the prophecy and it will be as surely exacted from us as from them unless we get closer to the teachings of Christ and stop listening to the flattery of the Devil and his angels who would destroy us body and soul. It is up to the platform and pulpit, the schools and press to preach this truth daily and fervently as we see the crisis approaching. Anything else is shirking our duty to our country, our families and ourselves. Will we do it?

SOUTHERN MUSICAL COMPANY WINNING PRAISE FOR ARTISTIC PROGRAM OFFERED

Edward Stallings, Violinist, Heads Exceptional Music and Entertainment Trio—Costumed Numbers Featured.

SOUTHERN MUSICAL COMPANY.

The Southern Musical Company renders a program beautiful and unusual in every way, consisting of violin, 'cello, piano, songs, pianologues, readings, in ensemble and solo numbers, both classical and popular.

Much of the program is given in costume.

Mr. Edward Stallings, violinist, is worth going a long way to hear. Mrs. Stallings is a pianiste, soloist and entertainer of note. Miss Hardy, 'cellist, singer and reader, completes the trio, which for variety and charm of entertainment is quite unapproached. Many years of platform experience on the most pretentious courses have won them an enviable reputation.

MASH INCREASES EGG PRODUCTION

Beltsville Farm Obtains Best Results With Meat Scrap, Ground Oats and Wheat Bran.

FOWLS KEPT IN CONDITION

Gluten Meal Seems to Be Best Among Vegetable Proteins for Poultry—Tests Show Fish Meal to Be Particularly Good.

(Prepared by the United States Department of Agriculture.)

The best mash for stimulating egg production in hens of the general-purpose breeds, such as the Plymouth Rocks and Wyandottes, according to experiments carried on by the United States Department of Agriculture, is one that is not so rich in cornmeal and meat scrap as those frequently fed to Leghorns. On the department's poultry farm at Beltsville, Md., the best results with general-purpose hens were obtained with a mash containing only 18 per cent of meat scrap with considerable ground oats and wheat bran. The entire mixture is made up in the proportion of three parts of corn meal, one part of bran, one and one-half parts of meat scrap, one part of middlings, two parts of ground oats, and 5 per cent of linseed meal. As a result of using this feed the hens produced a good yield of eggs, but did not become overfat and were in good breeding condition.

Early Hatched Plymouth Rock Pullet.

Ration for Leghorns.

Leghorns and other breeds of the same type can use a heavier and more stimulating ration without endangering their physical condition and the hatching quality of the eggs. The mash that has been giving the best results with the department's Leghorn flock is made up of four parts bran, four parts middlings, 66 parts corn meal, and 26 parts of meat scrap. Barred Plymouth Rock pullets fed on this heavy mash laid a few more eggs than pullets of the same breed fed on the first mash, but they suffered in health and their eggs were lower in fertility.

Vegetable Proteins.

Among the vegetable proteins fed to poultry, the department has found that gluten meal seems to be the best, although cotton seed and peanut meal are very satisfactory if supplemented with animal protein in the form of meat scrap, tankage, fish meal, or milk, and with mineral salts. For good results the vegetable proteins should not exceed 10 per cent of the total mash. Tests have shown that a good grade of fish meal is practically as good as meat scrap or high-grade tankage.

TUBERCULOSIS ON DECREASE

Prospect for Ultimately Ridding Country of Disease Looks More Promising Than Ever.

The plan for eradicating tuberculosis in cattle from entire areas, such as counties, is daily growing in popularity, according to reports coming to the United States Department of Agriculture. The idea has taken hold in Michigan and is spreading rapidly. Already five counties have been freed of the plague and reports from the inspector in charge for the government show that the boards of supervisors have appropriated money and made provision for co-operating with state and federal forces. When one county joins the ranks for eradication its action stimulates others to follow. The prospect for ultimately ridding the country of the disease never looked so promising as at present, say those in charge.

FEEDING VALUE OF ALFALFA

Surpasses Cowpeas, Soy Beans, or Clover, Partly Because It Is More Palatable.

Well-cured alfalfa has a higher feeding value than hay from any of the grasses. It has a greater feeding value than cowpeas, soy beans or clover, partly because it is more palatable. Experiments have shown that it is nearly equal to wheat bran and an economical substitute for high-priced protein concentrates. Hay made when the alfalfa is in full bloom is best for cattle, sheep and horses, but hogs and poultry find it too coarse and make considerable waste unless fed on hay cut in the earlier stages of bloom when stems are finer.

MAKING MISTAKES.

Just prior to the New Year when we are all supposed to review the mistakes of the past year and make a bundle of resolutions for the new one, it occurred to the editor who helps to get out the village weekly, that there is really a vast difference in who makes mistakes.

When the editor makes a mistake. it is down in black and white for the critical eyes of 4.000 people to survey and it is sure to be discovered and talked about, because if there is anything that people love to talk about it is a mistake. No matter how much is accomplished that is correct, and right in every detail. that is not interesting, it is when the eye catches a mistake that joy reigns supreme, Whoop. I have found it. What? A mistake, praise the Lord. ain't that glorious, etc. etc.

Now when a Doctor makes a mistake. it is quietly and reverently buried in the cemetery where no one can see or find it out and Doc goes serenely along, never making a mistake of course.

When a preacher makes a mistake, it don't count for much anyway and as nearly everyone is at the [illegible] house there is but little fuss made about that one. and the divorce court will correct the bad ones in short order.

When a lawyer makes a mistake, the jury finds in his favor and he is heralded far and wide as a man of wonderful ability whose legal mind tears the opposition to shreds and lays bare the facts in such a convincing manner. that even the Judge is astounded at his brilliance or the client is immensely tickled that he got only fifteen years when he should have had life. Anyway, he beats the game and never makes a mistake.

When a merchant makes a mistake. all he gets is a short snappy calling from the housewife and the rest of the world knows nothing of it. if indeed. he does not escape with placing the blame on the man higher up. Even the coal man never gets his weights questioned though the rock he sells may pile mountain high. He bought it for coal and must sell it the same and of course scales are liable to get out of balance though it is mighty seldom they ever give over weight for some reason known only to the good Lord and his angels. Anyway, he seldom makes a mistake and no one ever finds it out when he does.

Even the bootlegger never makes a mistake for you can be 100% sure if the stuff he sells you don't kill you now it will later so there is only a delay and not a mistake in his dealings.

But after all, this is a glorious place to be and we wouldn't change places with the nicest little angel that ever tickled a harp for we would rather stick around in this cold old world and make mistakes than sit in Kingdom Come with never a chance to make one. Now, wouldn't you? You bet we would and so say all of us. Let the mistakes come and we will take our share even if the whole world does read 'em, it furnishes them with the amusement they most enjoy, by Heck.

MYSTERIOUS PAINS AND ACHES

Make Life Hard to Bear For Many Tecumseh Women.

Too many women mistake their pains and aches for troubles peculiar to the sex. More often disordered kidneys are causing the aching back, dizzy spells, headaches and irregular urination. Kidney weakness becomes dangerous if neglected. Use a time-tried kidney remedy — Doan's Kidney Pills. Hosts of people testify to their merit. Read a Tecumseh case:

Mrs. E. H. VanVleet, 204 N. Pearl St., says: "I had an attack of lumbago and my back was lame and painful and I was always worse when stirring around. My kidney's weren't acting regularly and in other ways showed signs of disorder. A friend advised me to try Doan's Kidney Pills, so one of the family got me a box at Wright & Son's Drug Store and I began taking them. It wasn't long before I got relief. The pains through my back eased up and my kidneys became regular in action. I take pleasure in recommending Doan's Kidney Pills."

5,285 INSPECTIONS PER CAR

The faithfulness of performance so universally remarked in Dodge Brothers Motor Cars, is due, in no small part, to the thoroughness with which each unit is inspected during the process of manufacture and assembly.

A trained staff of 1100 experts is employed in this work alone, and approximately 5,285 inspections are made on each car.

So exacting and rigid are the standards applied to these inspections that the slightest variation, either in workmanship or material, is sufficient cause for immediate rejection.

Dodge Brothers are almost over-scrupulous in their constant aim to make each car as sound and perfect as is humanly possible.

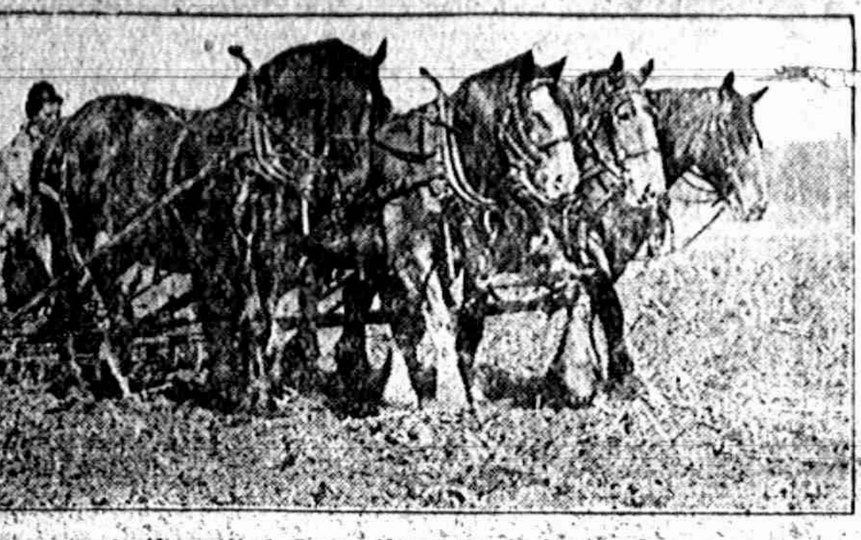
WINTER SHOULD BE RESPITE OF FARM ANIMALS FROM PARASITES



Draft Animals of This Kind Doing Hard Work During Summer Season Are Entitled to Some Care During Winter.

(Prepared by the United States Department of Agriculture.)

Most of the domestic animals that are kept on pastures during the summer collect a wide assortment of internal parasites that spend part of their life cycle within the animal and part of it outside. The infection, says the United States Department of Agriculture, usually takes place in warm weather, as at that time there are proper conditions of moisture and temperature for the development of the organisms. In some cases there are insects that act as intermediate hosts for certain parasites and of course during the winter such hosts are not active. Some parasites of horses and cattle are carried by biting insects that introduce them into the blood stream of the animal. Several species of parasites spend part of their life cycle in dung beetles and through these beetles are taken in with grass and get into the digestive tract of the animal. The ordinary house fly is a carrier for one of the stomach worms of the horse. Various kinds of tape worms of poultry spend a period of their existence in house flies, snails and other lower animals. All these worms require also proper conditions of warmth and moisture for their development.

Get Rid of Parasites.

From these facts about the habits of some of the well-known internal parasites of domestic animals it is plain that fall and early winter is the most opportune time to rid the animals of them, and give them a chance to recuperate. Such an interior clean-out also reduces the number of chances of reinfection on the pastures the following spring. Winter is a rest from reinfestation, but because animals have to resist adverse weather conditions it is doubly advisable to get rid of all parasites, to give the animals an opportunity to use their feed in maintaining body temperature and in putting on fat or producing milk.

There are probably hundreds of treatments recommended by various persons for worms, bots, and other parasites, most of which are useless or very nearly so. However, there are certain treatments that have been proved by experiment to be effective for certain parasites. It has been found that bots can be removed from horses by the use of carbon bisulphide. It is given in six-dram doses, in capsules, and a purgative is unnecessary. The horse is usually kept off feed for 24 hours before the capsule is given. This treatment will also get the big round worms that frequently infest the small intestine. To get rid of the round worms that are found in the large intestines, use oil of chenopodium (oil of American wormseed) in doses of 4 to 4½ drams, with a quart of raw linseed oil or an aloes ball.

So far veterinarians have very little to say about the treatment of internal parasites in cattle. Not a great deal of work has been done along this line, but copper sulphate has been found of some use as a treatment for stomach worms.

Control Stomach Worms.

This copper-sulphate treatment for stomach worms is very effective in the control of stomach worms in sheep. A 1 per cent solution in water is the strength usually employed. Three fluid ounces of the 1 per cent solution is sufficient for yearlings and older sheep, and 1½ ounces for lambs three months old and older. At the bureau of animal industry farm at Vienna, Va., this treatment is given once a month through the year, and the treated lambs have made better growth and grown more wool than lambs that were not treated. At the age of one hundred and twenty days, treated lambs have averaged 60 pounds each. Other worms of sheep are hard to get rid of, but carbon tetrachloride gives promise of being effective for many of them.

In the case of swine, oil of chenopodium in doses of one dram for 100-pound pigs, and other doses in proportion, will remove the large round worms from the small intestine. A dose should be accompanied with one to four ounces of castor-oil. This treatment is given with a dose syringe. Although worm treatments are given to hogs in a great many cases in capsules with a capsule gun, there is considerable danger that, owing to the peculiar anatomy of the pig's pharynx a capsule will be put in the wrong place. A great many hogs, say veterinarians in the Department of Agriculture, have been killed in this way.

Treatment for Poultry.

A treatment frequently used for round worms in poultry is made up by soaking a pound of finely chopped tobacco stems in water for two hours and then mixing the stems and the water with half the usual mash ration. This amount is for 100 birds. The feed which is mixed with the tobacco is given after fasting the birds for 24 hours, as usually they will not eat it otherwise. So far no recommendation can be made for ridding hens of other intestinal parasites.

A word of caution is necessary as to the use of remedies for parasites which applies as well to medicinal treatment generally. Medicinal treatment for parasites and other conditions should be given only by or under the direction of properly qualified and competent persons, otherwise serious damage may be done to valuable animals and little or no benefit result from the treatment.

FREEZING POINTS OF MANY GARDEN CROPS

Object of Special Studies in Bureau of Plant Industry.

Experiments Being Conducted With Various Fruits and Vegetables Liable to Freezing in Handling or on Market.

(Prepared by the United States Department of Agriculture.)

The freezing points of a large variety of vegetables and fruits, which are likely to be subjected to freezing conditions during harvesting, handling, or marketing, have been the object of special studies in the bureau of plant industry of the United States Department of Agriculture. Between 15,000 and 20,000 determinations have been made, including the freezing points of 25 varieties of apples, 22 kinds of strawberries, 18 varieties of potatoes, 19 different types of sweet potatoes, 19 tomato varieties, and many varieties of cherries, grapes, peaches, plums, blackberries, raspberries, cranberries, and some cut flowers, particularly peonies, roses, and lilies. Besides this general study, the work is being continued with the principal fruits and vegetables which are liable to be in danger of freezing either in transit or on the market. In this work the methods of detecting freezing injury, the rate at which fruits and vegetables freeze in constant low temperatures are determined.

The freezing points were determined for 18 standard varieties of Irish potatoes, grown under the same cultural conditions, harvested at the same time and stored at the same temperatures. The freezing point apparently varies with the variety and shows a tendency to vary with the family group. It has been shown that potatoes can frequently be exposed to temperatures much below their freezing points if they are not disturbed until the temperature is again above the freezing point. This is an important consideration to potato growers and handlers.

PERMANENT SOIL FERTILITY

Use Limestone and Phosphate and Plow Under Green Manure, Especially Clover.

Produce your own nitrogen for fertility instead of buying it. Do this by using limestone and phosphate and by plowing under green manure, especially sweet clover, red clover or winter vetch. This is the basis of the Illinois system of permanent soil fertility. A. L. Whiting and W. R. Schoonover, at the Illinois station found that such crops plowed under in April or May decompose with sufficient rapidity so that their nitrogen becomes available for corn or other crops the same year. Temperature and moisture determine the time when nitrate production in the soil will take place. The amount of nitrate that can be produced in the soil depends upon soil treatment. The decomposing sweet or red clover may furnish as high as 96 pounds of nitrate nitrogen per acre, or twice as much as corn may take up in its critical growing period between June 25 and July 15. "Stable manure does not furnish nitrate so rapidly nor in such large amounts as green manure, and should be applied as near as possible to corn planting time."

VALUABLE LIVE STOCK FEED

Silage Is Well Suited for All Kinds of Farm Animals, Especially for Dairy Cows.

Silage is well suited for feeding to all live stock. Dairy cows need it perhaps more than other classes of animals, because the succulence it supplies is very necessary for large milk production. It is a cheap and economical feed for beef cattle, from breeding cow to fattening steer. Sheep like it and it is well suited to their needs. Even horses and mules may be fed limited quantities of good silage with good results.

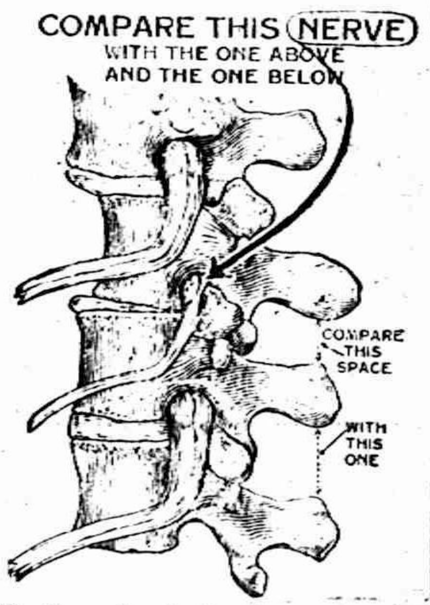
HEALTH
Nature's Way
CHIROPRACTIC



(Section of spinal column showing pinched nerve the cause of disease.)

You can get better service and longer life out of anything you possess by taking better care of it.

The same is true of the human body. It is your most precious possession. It occasionally needs repairs. If those repairs are not made just when needed, the usefulness, comfort and life of the body are to that extent injured.

When your car, or your watch, or other valued possessions go on the junk pile, you can buy new ones—provided you have the money. But when your body reaches that stage you can't go out and buy a new one no matter how much money you have. All the more reason then that you should take care of it while you have the chance.

Nature will provide you with plenty of warning signs when something is wrong with the body. It is for you to heed these warnings, and act in time, that you may preserve your body for a longer time, and for greater comfort during life.

Let us show you how the condition of your entire body depends upon the condition of your spine. Consultation and spinal analysis free. Convince yourself that our claims are well founded.

DAIRY HINTS

SECRETS OF DAIRY SUCCESS

Two Big Things Are Proper Care and Feed, Says Specialist of Oklahoma College.

"Two great secrets in dairying which have been the reason for the success of thousands of dairymen are proper feeding of cows and proper care of cows," says A. C. Baer, head of the Dairy Husbandry department of Oklahoma Agricultural and Mechanical college.

"Thousands of cows would be profitable and good cows if they were given a chance; if they were properly fed, housed, and cared for.

"Good feeding means to give cows enough feed to produce milk and the right kind of feed to produce milk. Most of the feed for cows ought to be grown on Oklahoma farms. Alfalfa hay is the best dairy cow feed which can be grown. Corn and sorghums, such as kafir and darso, can be grown for the silo. [illegible] dairy farm or any farm where *dairy cows* are kept provides succulent feed and is indispensable.

"Most of the grain for cow feeding can be grown on the average Oklahoma farm. A good grain mixture for milk cows is as follows: 4 parts ground oats, 3 parts bran or alfalfa meal, 3 parts ground kafir, 1 part cottonseed meal.

"A dairy cow needs about one pound of grain for three or four pounds of milk produced. Dairy cows should be fed grain individually according to the amount of milk for growth if immature and at times to produce gain in weight.

"Dairy cattle will respond to good care. Every Oklahoma farm where cows are kept should have at least a cheap shed to protect the cows from bad weather and cold winds. A blanket in very cold weather will pay for itself in a very short time. Every dairy cow should be cleaned and brushed regularly. It helps to keep her in better health."

DAIRY COWS RETURN PROFIT

High-Producing Animals Are Usually Most Economical in Matter of Food Consumed.

(Prepared by the United States Department of Agriculture.)

High-producing dairy cows are nearly always economical producers, says the United States Department of Agriculture in replying to an inquirer who asked for a comparison of purebred and grade cows as to economy of production. If a herd of purebred cows has greater ability to produce milk and butter fat than a herd of grades, it will return more milk and butter fat for the feed consumed. As a rule purebreds are bred for high production, and just to the extent that they are higher producers than the grades they may be expected to return more for the feed they use. But purebreds are not always high producers.

Scrub Cows Are Not Worth Their Keep.

The ratio is not constant between the quantity of feed consumed and the quantity of milk produced. The records of cow-testing associations show that the cows that produced 10,000 pounds of milk a year ate only 55 per cent more feed than those that produced 5,000 pounds of milk a year. The cows that made 7,500 pounds of milk a year ate only 21 per cent more than those that made 5,000 pounds of milk a year. These figures are based on thousands of records.

GRAIN BOOSTED MILK FLOW

Large Increase Obtained by Minnesota Community by Feeding While on Pasture.

Twenty-one dairy herds in the Blue Earth County Cow Testing association averaged 7,120 pounds of milk and 285 pounds of butterfat per cow in 1920. Nineteen herds in the same association averaged 8,500 pounds of milk and 345 pounds of butterfat per cow in 1921. The percentage of gain in milk in 1921 over 1920 was 19.3; in butterfat, 21. The tester in charge in his annual report to University farm says:

"I attribute this gain to better care and feeding. The cows were fed a grain ration the year round, thus keeping up the production during the late summer months when it usually drops because of short pastures."

Value of Boarder Cow.

Saving $55 or $60 worth of feed for a boarder cow added to what she'll bring as dressed meat means maybe a hundred dollars in the pocket, which isn't a bad price for a cow that's no good anyhow.

Get Cow Into Shape.

In order to get the cow into the best physical shape for the calving time, it is advisable to feed her some linseed oil, a quart of the raw product per dose, as this will clean out her digestive tract.

"Getzit"

Oscillating

Copper Tank

Electric

Washer

We built this beautiful economical Electric Washer so that every woman who likes clean clothes could enjoy the "GETZIT." When the "GETZIT" enters your home, care, worry and laundry expenses are gone forever.

Here is a solid copper tank electric washer built in a cabinet that you have long waited for, at a price less than $100.00 It is THE SURPRISE AND WONDER OF EVERYONE WHO HAS SEEN IT. It is TWICE AS EASY to operate—it is TWICE AS EASY to keep in order.

The "GETZIT" washes all of your clothes from your daintiest baby clothes, finest linens to the heavier garments. It does it just as thoroughly as you could wash them with your own hands. That is the ideal way to wash clothes, and it is just the way the "Getzit" does it. It dips the clothes up and down in the water without any rubbing or wear.

AVOID DISAGREEABLE SMELLS

Unless Scrupulous Care Is Taken Unpleasant Odors Are Likely to Hurt Products.

In winter smells are apt to find their way to milk and butter quite as readily as in summer. Now these products must be kept in the house, and some artificial heat must be used to keep them from freezing. This close confinement is very apt to bring an unpleasant smell or taste to milk and butter unless the most scrupulous care is taken. Milk ought never to be kept anywhere near the kitchen. If it is, some bad smells will surely be imparted to the milk and cream.

CHARCOAL GOOD PREVENTIVE

Has Great Purifying Effect in Absorbing Noxious Gases—Aids Digestive Disorders.

The value of charcoal can scarcely be over-emphasized, and it should be fed to fowls of all ages as a preventive of bowel disorders and disease. It is best to keep it before the fowls at all times, as there is no danger of them eating too much. Charcoal has a great purifying effect in absorbing noxious gases, and will correct many digestive disorders.

GOOD DAIRYMAN IS DEFINED

Among Other Things He Should Meet and Know Other Men Who Can Handle Cows.

To be a good dairyman you must meet and know other dairymen who know how to handle cows. Read the agricultural papers, and the paper devoted to your breed. Be familiar with the weak and strong points of each animal in the herd and strive to prevent a recurrence of the weak points in the offspring by skillful mating.

HERDS HEADED BY PUREBREDS

Cow Testing Associations in West Reach Mark of 100 Per Cent—Disgrace to Use Scrub.

One—two—three! One cow-testing association in Washington, two in Colorado, and three in Idaho have reached the mark of 100 per cent of their herds headed by purebred bulls. This was the count in the spring of 1921 in the territory of the western office of the dairy division of the United States Department of Agriculture. In the fall of this year one-third of the associations in the western states were 100 per cent in their use of purebred bulls. In some localities it is coming to be considered a disgrace for anyone to use a scrub bull.

BUYING SUITABLE CHICKENS

Possible for City Man to Select His Pullets From Live Poultry Shipped to Town.

Where a town man has no time to go into the country to buy his pullets it often is possible to choose suitable birds among the live poultry shipped into the city markets. The advice of some experienced person should be obtained before buying, says the United States Department of Agriculture. Local poultry associations are glad to help prospective poultry keepers by putting them into touch with members having stock for sale. The board of trade or the chamber of commerce often can bring poultry raiser and buyer together.

ESSENTIALS FOR DAIRY BULL

Future Development of Herd Depends Largely on What Calves Inherit From Him.

Too often the bull is housed in a dark, dirty stall and receives but little attention. Remember the bull is half the herd and that the future development of the herd depends largely upon what the calves inherit from him. The bull at all times should have proper feed and plenty of exercise.

The young bull should be fed rather liberally as this is the only means of getting his full size developed and an undersized animal is always looked upon unfavorably.

RAISE CALVES SUCCESSFULLY

Feeder Must Have General Knowledge of Subject and Then Apply It in Practical Manner.

In order to raise calves successfully the feeder must have a general knowledge of the subject, and then apply his knowledge in a practical manner. It is highly important, also, that sanitation be considered one of the most important factors involved in the raising of calves; that all milk must not be lower in temperature than the body heat of the animal, and that all feeds be increased very gradually in amounts.

GIVE BIRDS PLENTY OF GRIT

Good Plan to Dump Supply of Sharp Sand Near Henhouse for Fowls to Work Over.

See that your hens get plenty of grit, either in the form of sharp sand, which can be dumped near the henhouse for the birds to work over, or in the form of a good commercial sandstone grit which has been washed and graded to the right size.

INTERESTING INFORMATION.

A farmhouse of the modern Icelander consists of a small number of small cottages joined together, Sometimes the walls are composed of driftwood, but usually they consist of immense blocks of lava laid upon one another. The holes or cracks are stopped up with moss or earth. Some of these houses have the usual sort of rafters, but the majority of them have whale ribs instead. These are covered with brushwood, on top of which turf is heaped. The turf bears a good crop of grass, which is carefully cut for hay.

The houses have no chimneys, and a fire is never kept in any room except the kitchen, even in the coldest weather. The smoke passes out through a hole in the roof. The only windows are pieces of glass or thin skin, four inches square, which are placed on the roof. No attention is given to ventilation, and the atmosphere of the house is almost unendurable to a foreigner. The natives' sense of smell is deadened by the universal habit of taking snuff.

* * *

very unlike the little fresh water *sunfish is the* true sunfish, an immense creature who gets his name from basking on the surface of the ocean in the hot light of noon.

His shape is like a watermelon seed, and he appears to be all head. Above and below the part that would correspond to the neck are two big triangular fins, and just at the place where he should begin to widen out into the shape of a regular fish, he abruptly stops.

The ocean sunfish is a stupid creature, and will allow men to approach quite close to him before he dives out of reach. For this reason he is easily harpooned. When captured he puts up a tremendous fight, lashing the water with his two big fins, and dragging the boat of his captors at great speed.

This dumbbell of the fish tribe is caught only for the oil that his abbreviated body produces.

Ford

INTERESTING FACTS
106,327 Ford Cars and Trucks Retailed in November

Approximately the same number scheduled for delivery this month

What Does This Mean?

This volume of deliveries to actual owners is entirely unprecedented for this time of the year—

It has taxed the manufacturing ability of the Ford plants working at full capacity—

It indicates a volume of business during the rapidly approaching months of "heavy demand" which will be far beyond the maximum production schedule which the Ford Motor Company has set—

And that means a Ford shortage even more acute than the one which existed last Spring and Summer.

Dealers' stocks all over the country are low—there are no reserves to draw upon to meet the demands for delivery—

There is no way in which dealer reserves can be built up, as deliveries have been made to customers as fast as Cars could be manufactured last April.

The only way you can protect your desire to obtain prompt delivery of a Ford even at this time is to place your order immediately.

This emphasizes more strongly than anything we could possibly say the necessity of your making prompt arrangements with a Ford Dealer for the listing of your order, particularly if you are contemplating the purchase of a Ford Car or Truck for use this Spring or Summer.

We believe you are entitled to know these facts as they actually exist.

OBITUARY.

George Rendel, son of David and Elsie Rendel was born January 5, 1871 in Milan township, Monroe County, Michigan and departed from this life at his home in Tecumseh, Mich., on December 23rd, 1922 at the age of fifty-one years, eleven months and eighteen days.

He was united in marriage to Mabel O. Allen on June 24, 1896, and to this union were born six children, Mrs. Elsie Perry, Allen, Kenneth and David Rendel of Ann Arbor, Gladys of [illegible] who preceded him in death seventeen years ago. Besides these he leaves two sisters, Mrs. Harriett Kempf of Milan, Mich.; and Mrs. Minnie Kempf of Cone, Mich., one uncle and a number of cousins, nephews, nieces and four grandchildren, to mourn the loss of a kind husband, father and brother.

After his schooling at the State Normal and Cleary's Business College, he began teaching at the age of nineteen, which he continued for over thirty years.

He was always a faithful and ambitious worker until four years ago he was injured, while working on a farm near Chelsea. From this he never fully recovered and in the past years he was a great sufferer but always bore his burdens so patiently.

The last week those who were with him could see that he was failing and death came as sleep during the night.

"Beyond the doubts and hopes
and fears,
Beyond the cares and joys and
tears,
Beyond the waking and [illegible]
sleeping,
Beyond the parting and the
weeping,
Our loved one rests in slumber
deep,
In silent and eternal sleep."

The funeral was held from his late residence at Tecumseh, Tuesday at one o'clock and from the M. E. Church at 2 o'clock at Macon, with burial in the Macon cemetery. Rev. Bragg of Rea delivered the comforting words, and Mrs. Leon Exelby of Britton sang.

Relatives from away who attended the funeral were Mr. and Mrs. O. H. Perry, Mr. and Mrs. A. D. Rendel, Mr. and Mrs. K G Rendel, David W. Rendel, Mr. and Mrs. C. F. Allen and Harley of Ann Arbor; Mr. and Mrs. L. B. Skinner and Bernard and Mr. and Mrs. W. C Allen of Ypsilanti; Mr. and Mrs. Walter Kempf, Mr. and Mrs. Harry Kempf of Stony Creek; Mr. and Mrs. Theodore Kempf, Carl and Inez, Mr. and Mrs. [illegible]ten, Mr. and Mrs. Willis Culver, [illegible] Rendel, Mrs. Caroline Ren[illegible] Miss Lena [illegible] of Milan; Mr. and Mrs. Lant Auten and Morris of Dundee; Mr. and Mrs. Gus. Kempf and family, Mr. and Mrs. Iller and family of Cone; Mr. and Mrs. Wm. Rendel and family of Britton; Mr. and Mrs. Fred Heienger of Ypsilanti.

The Standard of Comparison

Driving Comfort in Winter

The Buick "Model 45" Six Cylinder—$1195

As complete as has been the development of the enclosed car, Buick designers have not neglected to improve the open type of car, building into it a measure of comfort, convenience and weather protection surpassed only by the more expensive closed vehicle.

Protection against wind and snow is assured by the snug-fitting storm curtains that open with the doors. The Buick design of storm curtains with a special weather strip provides a coziness, comparable to that of any closed car, while windshield wiper and tight fitting windshield, adjustable from within, make driving safe and comfortable.

Added to this, and equally important in winter driving, is the splendid performance that a Buick car always produces—its constant and surplus power—its roadability and perfect balance and its unquestioned dependability.

For cold weather driving there is no superior to the Buick open cars.

The Buick Line for 1923 Comprises Fourteen Models:

Fours—23-34, $865; 23-35, $885; 23-36, $1175; 23-37, $1395; 23-38, $1325. Sixes—23-44, $1175; 23-45, $1195; 23-41, $1935; 23-47, $1985; 23-48, $1895; 23-49, $1435; 23-50, $2195; 23-54, $1625; 23-55, $1675. Prices f. o. b. Buick factories. Ask about the G. M. A. C. AT THE BRADLEY.

Once in a while a story is written, a play produced or a picture filmed, which rises so far above teh common creations of art as to stand alone in teaching great neglected truths about life. "Les Miserables." "Vanity Fair"—these were such stories. "Human Hearts," written by Wallace Reid's father, Hal Reid, was such a play, and "Human Hearts," the picture carries forward onto the screen the great facts of the play. The photoplay is a Universal-Jewel, starring House Peters, directed by King Baggot. It was considered such a worthy epic when completed that the executives of Universal classed it as one of the three biggest productions ever made by that company, associating it in this respect with "Foolish Wives" and "The Storm." It comes to the Bradley Theatre next Sunday and Monday, Dec. 31st and Jan. 1st.

In spite of missionary teachings, the men of Samoa still tattoo their bodies from the hips down to the knees. A tattooer's profession is very lucrative. His instruments resemble combs, and are made of human bones of different sizes. The operation takes from two to three months, during which time the patient remains in some retired place. All this time the relatives of the young person bring mats, money and food, but if the quantity does not suit the tattooer, he "goes on strike," refusing to proceed until sufficient liberality is displayed. The requisite gifts are sure to be brought, for no Samoan could endure going half tattooed.

Dr. Hess Poultry

PAN-A-CE-A

Makes Poultry Healthy-Makes Hens Lay

What your poultry will do for you depends on what you do for them. Keep them in health—in condition. Dr. Hess Poultry Pan-a-ce-a is a tonic, not a stimulant—gives help which works permanent good for fowls of all ages. This scientific preparation prepared by Dr. Hess contains Iron, to enrich the blood; Quassia, an appetizer; Nux Vomica, nerve tonic; Carbonate of Lime, shell former. Internal antiseptics that destroy germs of disease that may be lurking in the system. These ingredients, properly compounded, keep poultry healthy, enable fowls and chicks to convert their food into bone, muscle, feathers and eggs.

Cost is only a trifle compared with the good it does. A penny's worth is sufficient for 30 to 60 fowls a day.

Pan-a-ce-a for Eggs in Winter

Pan-ace-a keeps the "laying disposition" in hens. It simply helps nature. The tonic properties keep hens in pink of condition. It tones up the dormant egg organs, consequently a larger per cent. of food is turned into eggs, and you see the results in the egg basket all winter long.

GAVE EXCELLENT CONCERT.

The Southern Musical Company was the third number on the Lyceum Course which is being put on by the Seniors at the High School Auditorium. This number was given Tuesday evening, a large audience greeting their appearance.

The company was composed of Edward Stallings, violinist, Elisabeth Stallings, pianist and Hildegarde Berthold, 'cellist. Edward Stallings, violinist, headed the company and lived up to his reputation as one of three best violinists in the Lyceum. His tonal production was marvelous and it was a pleasure to listen to him. He pleased the audience greatly with his impersonation of a colored servant at the phone, who, after considerable conversation, informed his mistress "That was what I called up for, to have you send a wagon to hitch this *mule to, since* the fire we put under the mule burned up the other wagon, when he moved forward a little."

"Each member of the company is a thoroughly experienced artist and the music was all of a high class. Miss Berthold was exceptionally fine on the cello and her part on the program was much enjoyed. She was also very pleasing with her readings, both as a modern girl attending the movies and as a gypsy.

Mrs. Stallings, as accompanist was fine and her piano solo work and readings were very pleasing.

The Seniors are to be congratulated on their efforts in providing this excellent course for the people.

ANOTHER TEACHER BADLY NEEDED.

The first grade of the public schools is so badly over-crowded, there being now 57 pupils enrolled, that the Parent-Teachers' Association took up the matter with Supt. Crampton who said he could not recommend the addition of another teacher until a place was provided for her to work.

Parents who have children in the first grade are very much concerned as it is a well-known fact that no teacher can accomplish very much with so many children in the first grade where they need personal attention in order to understand their work.

Such over-crowding is recognized among parents and teachers as putting a severe handicap upon the little folks who are thus denied a good start in school work and sent along poorly prepared. *It stunts their mental growth and* sends many of them through school always backward and denied a chance to get a real education. Of course those who have no children in the first grade may not feel the personal loss, but to deny our children a fair chance to get an education is a serious thing and should receive the vigorous attention of the Supt. whose sole business is to see that every child is given every chance possible for a first class education.

The Parent-Teachers' Association is becoming active on this question and hope to get the matter properly adjusted in the very near future. Some of the mothers are very much in earnest about this sad defect and are urging that another teacher be provided at once. It seems plain that one is urgently needed and especially in this vital room where the child gets its start, is this essentially true. The mothers have great hopes that more assistance will be provided and the number of children in this grade be reduced to normal in order that the children may get what they should have—a fair chance to become educated.

Miss Brainard, the teacher, is reported to be very excellent in her work but of course cannot do the impossible and 57 children means that none of them get anywhere near the attention necessary to prepare them for the next grade, which is practically denying them an education at all.

We seem to have plenty of room for basketball and sports together with domestic science and art and all the other fads which though good in their place, are not to be compared to the proper education of 57 youngsters who must go through school handicapped with a poor start in their education which means a poor education all through. It is expected that this matter will be given prompt attention and the proper assistance provided.

GOLDEN ROD CHAPTER O. E. S. HERE THURSDAY.

The Golden Rod Chapter O. E. S. of Clinton were guests of the Tecumseh Chapter O. E. S. Thursday evening, thirty-five being present. A bountiful supper was served after which the Clinton ladies put on the work for the four candidates, Mrs. Sam Reed, Miss Ruth Reed, Miss Katherine Reed and Miss Ellen Smith, in a very exemplary manner.

GALLUP APPOINTED DEPUTY.

F. Clark Gallup, proprietor of Gallup's Garage, has been appointed Deputy Sheriff for Tecumseh by Sheriff Beasley.

Mr. Gallup is well known here and has every qualification for a first class officer. He very reluctantly accepted the place and did so only after considerable pressure had been used by his friends to get him to accept the place.

GOING BACKWARD.

The annual report of village clerk, W. L. Coller, shows there were 37 births and 44 deaths in the village of Tecumseh for the year 1922. At that rate we will be extinct in 2282. Something more to worry about.

Please Look

at the date after your name stamped on this paper. If it is past due will you not call and set it ahead soon. Our paper contracts are due this month and we must have the money to meet them. Print paper is still over three times as high as formerly and they demand the cash so we must get it.

We greatly appreciate our big family of readers and don't want anyone to miss a single copy but all 1922 papers will be stopped Feb. 1st as we cannot afford to send them longer.

We wish you all a Very Happy New Year.

HOLDS WATCH SERVICE.

The Young People's Societies of town held a watch night service at the Baptist Church parlors, about thirty being present.

With Rev. Buell at the piano, a very pleasant time was enjoyed in singing. During the question-box period, many helpful questions were brought up and discussed, and many interesting resolutions were made.

The following program was given:

Reading—Mrs. Ed Hoag.

Community Singing.

Duet—Russell Comfort and Edward Escolme.

Reading—Mabel Lockwood.

Solo—Helen Sheldon.

Duet—Bert and Gordon Johnson.

Rev. Escolme gave a short talk, urging us to make our *lives count* form uch this coming year, to put our energy and our time to the right use.

Rev. Buell then gave an interesting talk on "Habit," using five cards with the letters on it. A habit once formed is hard to break, take away h and you still have abit; take away a and b and you still have it, take away i and you have left, t, or by a slight change, the cross, the only remedy for bad habits.

During the closing moments of 1922 a prayer service was conducted by Rev. Escolme, after which each wished the other a Happy New Year to the tune of the church bells and the blowing of the factory whistles.

ENTERTAINS AT WATCH PARTY.

Miss Gladys Morrison entertained fourteen friends at a watch night party New Years eve at her home west of town. The hours were spent in music and games until mid-night when a pot luck supper was served.

The rooms were attractively decorated with red and green crepe paper and Christmas bells, making things very home like. Everyone reports a splendid time.

CELEBRATES ANNIVERSARY.

On Friday, December 29th, a large company of friends and relatives celebrated the 25th wedding anniversary of Mr. and Mrs. Jesse Frost of Macon.

The day was also the 47th anniversary of the bride's mother, Mrs. Sarah Hiddle.

The house was prettily decorated in green and white. Relatives from Jackson, Ypsilanti, Saline, Tecumseh, Clinton and Britton were present, making in all a company of fifty.

One of the sumptuous dinners for which the family are noted. was enjoyed by all. A substantial gift of money and other gifts, were presented along with the good wishes of the friends.

NOTICE.

During the past week, nearly every person in Tecumseh has received a card with a return stamp on it offering them a certain Motor Stock on the installment plan.

Every year many thousands of dollars are taken out of Tecumseh by smooth talking strangers who are selling investments of three sorts—good, bad and indifferent.

The thing to do is to investigate before you invest. The Lilley State Bank will gladly do this for you without charge and you are invited to consult our officers at any time. If we haven't the information relative to the particular investment in which you are interested, we will get it for you.

HARVEY S. STARKEY PASSES AWAY.

Harvey S. Starkey, age fifty-nine years, passed away Monday evening at seven o'clock at his home at Holloway after an illness of three weeks. He leaves a wife and eight children to mourn his going.

Funeral services were held Wednesday at two o'clock at the home, with burial at Holloway.

WEEK OF PRAYER SERVICES.

Beginning Monday, January 8th, and continuing until Friday, Jan. 12th, the Tecumseh Churches will observe the Week of Prayer by a series of services held in the M. E. Church, at 7:30 each evening. Plan to attend.

S. C. Taylor returned to the Soo, Tuesday, after spending the holidays with Mr. and Mrs. Tom W. Mingay. Mrs. Taylor and son remained for a longer visit.

Mrs. Alva Knight received a box containing fifteen dozen oranges from Yalaha, Florida, from Mrs. Mrs. Rolland James, who was her room-mate when at Washington D. C.

Mrs. W. H. Meyers of Elkhart, Ind. and Elidger Ingersoll of St. Johns, Mich. and Ray McDonald of Waterloo, Ind. were New Years guests of Mr. and Mrs. Chas. Cornell.

E. C. Cook, Division Passenger Agent at Toledo, E. R. Bissell, Division Superintendent and Mr. Kean, Division Freight Agent were in town last week, going over the N. Y. C. service with the agent, Floyd S. Bell.

TRAIN NARROWLY MISSES CAR.

Had it not been for the watchfulness of the engineer on the north bound freight last Wednesday morning another autoist would have registered in at Heaven's gate for his engine went dead on the track and the freight stopped about one foot from said fliver on the Chicago St. crossing.

A few minutes later as if to complete the thrills of the morning two flivers came past the corner at Chicago and Evans St. and each tried to take the space the other car was on with the result that both cars were badly dented up. Walter Miller of Macon had one fender badly bent and Sam Flowers of Tecumseh had his front axle badly bent and a front light put on the blink.

No one was hurt but a lady coming across the street narrowly missed being struck by [illegible]ing cars. Hit 'em up gents around the corners and remember there are no ordinances enforced in Tecumseh on how fast you drive or where or how you send 'em along. Its wide open here and everyone drives to suit himself and parks thes ame whether it be against a fire hydrant or in front of the alley entrance. We are what you call liberal in the enforcement of the traffic ordinances so just take your own chances that's all.

GOOD OLD DAYS AT THAT.

Fulton McLain dropped into the office last week and renewed his subscription to the Herald and also for a friend to whom he has sent the paper for many years. Mr. McLain is the grandson of a pioneer who came to Tecumseh in 1828, the same year that the Editor's grandfather came here and took up land from the government. Both men came from Genesee Co., N. Y. and were the early settlers in these parts, hewing out their homes from the solid forest primeval. They didn't have autos, radio, etc., in those days but they did have barn "raisins," turkey shoots and a wholesome neighborliness that gave them a mighty lot of good entertainment. We guess they were as happy a we are if they didn't have the inventions.

DAVID YOUNG PASSED AWAY.

David Young, [illegible] son of James and Ellen Young was born in County Antrim, Ireland in 1853, and came to this country in the year [illegible], locating in Tecumseh. February 22, [illegible] he was united in marriage to Miss Anna J. Lowry. To them were born four children. They, with their children, moved to Macon in the spring of 1891, where Mrs. Young died February 9, 1896 On October 26, 1898 he married Miss Catherine Wallace.

He passed away December 29, 1922 at his home where he had resided thirty-one years. Of the immediate family the wife and one daughter survive.

Funeral services, were held at the home at one-thirty Sunday afternoon with Rev. Edward Escolme officiating. Burial was made at Brookside.

BEASLEY—SMITH.

Mrs. Florence Smith and Wm. Beasley were united in marriage at Rea, Mich Sunday afternoon at three o'clock by Rev. Charles Bragg.

Mrs. Beasley is Claud Gray's mother and Frank Kennedy's sister. She lived here most of her life and is well known here, having many friends who will be glad to hear of her marriage. Mr. Beasley has lived at Britton most of his life and was elected sheriff last fall. They will be at home to their friends at Adrian.

OFFICERS ELECTED.

A special meeting of the Tecumseh Beers Auxiliary was held Tuesday afternoon and the following officers were elected for the coming year:

President—Mrs. Laban B. Wood.

Vice President—Mrs. Nancy Thompson.

Chaplain—Mrs. Amenzo Van-Valkenburg.

Secretary—Mrs. Watt Shurtz.

Treasurer—Mrs. Mary Belding.

Guide—Mrs. Charlie Skinner.

ANNUAL DONATION CHICKEN PIE SUPPER.

The Ridgeway M. E. Church is holding its Annual Donation Supper this year on Friday, Jan. 12th from 5:30 to 8:00 p. m.

A pleasing musical program will be rendered during the supper.

Every hungry mortal in Lenawee County is invited to fill up on chicken pie. Come.

CARD OF THANKS.

We desire to thank all of our friends and neighbors who so kindly assisted us during the sickness and death of our wife and mother. Also those who contributed flowers, the singers and Rev. Escolme for his comforting words, also those who so kindly contributed the use of their cars.

MRS. GERTRUDE McINTYRE PASSES AWAY.

After an illness of four months duration, Mrs. Gertrude McIntyre passed away December 28th, 1922, at the home of her parents, Mr. and Mrs. Henry J. Sweet.

She was operated upon for Saracoma the 16th of last Aug. at the U. of M. Hospital, but the operation was of no avail, and death came as a welcome release to the patient sufferer. Gertrude Sweet was the youngest daughter of Henry and Sarah Sweet. She was born in Tecumseh, October 5, 1878.

She was married to John Grover McIntyre of Detroit, Nov. 23, 1907. To this union was born one daughter, Emily, aged 5 years.

Mr. McIntyre preceded his wife to the great unknown, May 16, 1921.

Besides the little daughter she leaves to mourn her untimely death, her aged parents, Mr. and Mrs. H. J. Sweet, two sisters, Mrs. E. Zimmerman and Mrs. Ethel Mathias of this place, one brother, Earl Sweet of Anecortis, and three nieces, Mrs. Earl Butler, Anecortis, Wash., Mrs. Lewis Hopkins of Detroit and Miss Ella Mathias of this place.

The funeral services were held at her father's home, Saturday p. m. with the Rev. H. A. Buell of the Baptist Church officiating. Mrs. R. S. Moore sang two beautiful selections. The pall-bearers were Messrs Earl Haughn, James Elliott, Wm. Gibson, Ernest VanVleet, Donald Blesing and Charles Walton.

She was laid to rest by the side of her husband in beautiful Brookside.

Card of Thanks.

To all the friends and neighbors who assisted us during our loved one's long illness; to those who made our Christmas so bountiful; to the many who sent the beautiful flowers; to Mr. Kiskaddon for his calls and comforting words; to Rev. Buell for his kind words of sympathy; to Mrs. Moore who sang so beautifully and to the pall bearers and all we wish to extend our sincere thanks.

Mr. and Mrs. Henry Sweet
and family.

IMPORTANT NOTICE.

To Our Correspondents:

A very Happy New Year with good health and prosperity in abundance is the wish of the Herald.

Also to make our work just a little better for the coming year will you Please write the long way of the paper. And spell names out very plainly in full as it is impossible for us to guess at them. This is very essential in order to get our copy correct. Also do not abbreviate words. Spell every word used out in full. And please keep your pencils sharp so you can write very plainly. All this will help us immensely and be very greatly appreciated.

The Herald congratulates its correspondents upon their splendid work and we believe we have the best in the County and with just a little more pains, their work will be as nearly perfect as can be.

—The Herald.

HELD ANNUAL MEETING.

The annual meeting of the Tecumseh Club was held last Tuesday evening and a Board of Governors elected as follows, W. F. Fisher, W. E. Barrett, R. J. McCoy, H. H. Hanna and H. S. Temple.

The officers elected were W. F. Fisher, president; H. S. Temple, Secy-Treas.

The Club is arranging to broaden its work so as to make it more of a city club and new members are signifying a desire to join in and make this a place of recreation and a reading and lounging rom similar to the clubs in larger cities. Considerable interest is being manifested in the new movement.

GAVE VERY SELECT PARTY.

Atty. Geo. Rathbun, Wm. F. Fisher and H. S. Temple entertained their special friends at a very select party given at the Cozy Cafe two nights last week.

The first party was given on Thursday night at which thirty of their friends were invited and the second party was given on Friday night to a like number. Dinner was served from 7 until ten.

Miss Alice Owens returned Tuesday from a few days visit in Detroit.

GRANTED 30 YEARS EXTENSION.

The Lilley State Bank has just received the approval of the State for an extension of their corporate existence for thirty years more.

The Lilley Bank has been in existence since 1855 in the same room where they are now doing business. This is a long time (68 years Jan. 25 next) to have served the public from the same location and the Bank is to be congratulated upon its splendid record thus made.

But few banks in this part of Michigan have had a longer and more successful career than this institution and the extension above noted is the result of keeping steadily at it and serving the public faithfully and well.

MISS KYLE'S CLASS MEETING.

Mrs. S. C. Cutting was hostess, Tuesday evening, to the members of Miss Kyle's Sunday School class of the Presbyterian Church. Miss Kyle had charge of the devotionals, after which a short business session was conducted by the president.

A pleasant time was spent in singing hymns after which Lester Waring entertained the ladies with several vocal and piano solos.

The next meeting of the class will be held on February 6th, and will be a Valentine party.

SAFETY + SERVICE

An Investment With the Risk Left Out.

Thrift demands that money which is not needed for a time should be put where it will earn interest; but it also demands that the investment should be absolutely safe and the interest absolutely certain.

Our Certificates of Deposit are safe because they are backed by the entire resources of this 67 year old state supervised bank. The interest is definite and certain; the rate being 4% on certificates running six months; 4½% for one year.

How many dollars have you that might be earning this interest?

NINETEEN TWENTY-THREE.

Millions of words will be written concerning the New Year. Much advice will be given and many admonitions propounded.

All we have to say is that we hope the New Year will give you health, the greatest blessing possible to enjoy. We hope that misery and suffering will be kept to the lowest possible degree and that the whole human family may go through the coming year enjoying life at its very best.

We know this cannot happen to all of us. Much suffering must come and many there be who will find the cup of sorrow full to the brim. Why this all is we cannot say, only can we hope and offer a silent prayer that the All-wise Creator may keep pain and sorrow away and send pleasure and enjoyment in abundance for everyone.

Its true we are largely creatures of our own building but again it often seems that those who live uprightly and honest, who obey the commandments and carry out the teachings of God, are made to suffer the most. Its all a mystery to us, but some day we believe the curtain will be lifted and we will understand the reason for what is now unfathomable to our weak minds. Until that time we must abide in faith that all is well.

GEORGE WASHINGTON FAVORED PUREBREDS

Sires of Good Quality Are to Be Used for All Stock.

Enrollment of Owners of Estate, Latane Brothers, Regarded as of Particular Interest to Breeders of Live Stock.

(Prepared by the United States Department of Agriculture.)

Wakefield farm, Westmoreland county, Virginia, has been enrolled in the "Better Sires-Better Stock" movement conducted by the various states and the United States Department of Agriculture. This is the farm where George Washington was born in 1732, and the present occupants, Latane Brothers, come from straight Washington stock. It is noteworthy that purebred sires of good quality are henceforth to be used for all classes of live stock raised on this farm which is famous as the birthplace of the Father of His Country. The stock on the historic estate include cattle, horses, swine, sheep and poultry. All sires are now purebred; the females are purebred, crossbred, and grade, and are to be gradually improved.

County Agent L. M. Walker, Jr., interested Latane Brothers in the nationwide movement for improved live stock, and John R. Hutcheson, director of extension for Virginia, regards the enrollment as of particular interest since George Washington was a good farmer and a lover of good stock.

QUAIL DEVOUR MANY BUGS

Bob-White Is Particularly Fond of Beetles or Adults of Pestiferous Corn Rootworm.

(Prepared by the United States Department of Agriculture.)

The bob-white eats the adults or beetles of the corn rootworm which lay the eggs that later become larvae or worms and infest the corn. As many as 12 of the beetles, according to the bureau of entomology of the United States Department of Agriculture, have been found in the stomach of one bob-white. The red-headed woodpecker, nighthawk, cardinal, kingbird and phoebe also eat the beetles and reduce the damage done by the corn rootworm.

Bob-White Relishes Corn Rootworm.

WEED SEED IN SCREENINGS

Feed for Chickens Should Be Cracked Up So That Germinating Power Is Destroyed.

In many cases weeds are spread about the farms due to the failure of farmers to grind screenings that are to be fed to chicks. Screenings for chicks are valuable as feed, but they often contain many seeds of noxious weeds. Unless the seed is cracked up so that the germination power is spoiled trouble results. In one case they found that wild oats, common mustard, ragweed, corn cockle, European vetch and cowherb resulted from the use of whole screenings. Not only need the screenings be ground, but they ought to be watched, as often they contain poisonous weeds such as corn-cockle seeds.

WIRE PARTITIONS NOT GOOD

Drafts Permitted Which Are Bad for Young Pigs—Do Not Give Sows Needed Seclusion.

In carrying on experimental work in swine breeding the United States Department of Agriculture has found the use of wire partitions in farrowing houses undesirable and is replacing them with solid wooden divisions about 32 inches high. The wire-fencing partitions permit drafts, which are bad for the comfort and health of the young pigs. Open partitions also permit sows to notice anything going on in adjoining pens, which often causes them to become nervous and irritable, and sometimes to try to fight each other. Sows at farrowing time must be kept as quiet as possible.

DESTROY WEEVILS IN BEANS

Carbon Bisulphide Will Kill Insects if Placed in Tightly Covered Vessel Over Night.

Weevils can be killed in beans and peas by the use of carbon bisulphide. To treat these put them in a jar, tub or other vessel which can be covered tightly. Put into a glass about one teaspoonful of carbon bisulphide for each ten gallons of space in the enclosure and place the glass in with the beans. Allow them to remain in the fumes of the carbon bisulphide over night, then take them out and place in dry storage quarters. Do not take lamps or lighted matches near the material, and do not breathe the fumes.

MYSTERIOUS PAINS AND ACHES

Make Life Hard to Bear For Many Tecumseh Women.

Too many women mistake their pains and aches for troubles peculiar to the sex. More often disordered kidneys are causing the aching back, dizzy spells, headaches and irregular urination. Kidney weakness becomes dangerous if neglected. Use a time-tried kidney remedy — Doan's Kidney Pills. Hosts of people testify to their merit. Read a Tecumseh case:

Mrs. E. H. VanVleet, 204 N. Pearl St., says: "I had an attack of lumbago and my back was lame and painful and I was always [illegible] stirring around. My kidney's weren't acting regularly and in other ways showed signs of disorder. A friend advised me to try Doan's Kidney Pills, so one of the family got me a box at Wright & Son's Drug Store and I began taking them. It wasn't long before I got relief. The pains through my back eased up and my kidneys became regular in action. I take pleasure in recommending Doan's Kidney Pills."

MOTOR CAR

Winter never fails to bring this car renewed praise.

It is because the starting system and carburetor seem to be almost immune from cold weather troubles. The response is prompt, even on the coldest mornings.

The cord tires, with their safety tread, are also particularly desirable in winter. They not only act as a safeguard against skidding, but greatly reduce the possibility of having to change tires under disagreeable weather conditions.

Close fitting curtains, which open with the doors, enable the owner to drive in comfort the whole year round.

Mr. and Mrs. Sam Rottman went to Chicago, Saturday, after spending a few days with his parents.

Mrs. Leon Fagan returned to her home in Flint, Saturday, after a few days visit with her parents.

Misses Grace and Jennie Gillespie were guests of Mr. and Mrs. Geo. H. Stacy at Toledo over New Years.

Robert Collins, Lawrence Gray and Lawrence Harrington spent Friday with Mr. and Mrs. LaMonte Harrington at Manchester.

Mr. and Mrs. C. N. Graebner spent Sunday and Monday with relatives at Toledo.

Clark Gallup was in Flint Friday after Chevrolet cars. He brought home five and will return for more this week. These popular cars are certainly becoming plentiful in this vicinity due to their low price and splendid construction.

When it comes to painting an auto, E. O. Hill is certainly there with the goods. We just saw a job that he turned out with only two coats of paint and it looked better than it did when it came out of the factory. If you are interested in getting a new car out of an old one as far as looks goes, just ask Hill about it.

HOLLOWAY.

A Christmas Cantata, "The Light has Come," was given at the church on Tuesday evening. It was enjoyed by a very large audience.

The "Winners" Sunday School class were entertained Wednesday evening at the home of Miss Edna Hedrick.

The "Leaders" Sunday School class was entertained at the home of Merle Kerr on Friday evening. Progressive games were played during the evening. New officers were elected for the coming year, namely: President, Miriam Sudborough; Vice President, Robert Chandler; Secretary, Ruth Holloway; Treasurer, Karthyn Calhoun. Refreshments were served.

School in distict No. 3 closed school for the holiday vacation with appropriate exercises in the afternoon and a Christmas tree. Gifts were exchanged. Miss EdithHaviland is the teacher.

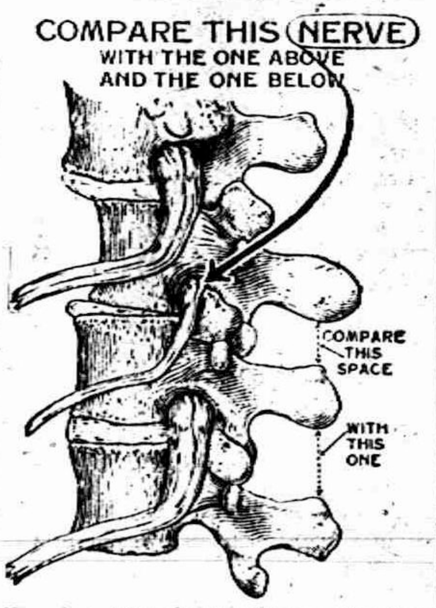
HEALTH
Nature's Way
CHIROPRACTIC



(Section of spinal column showing pinched nerve the cause of disease.)

You can get better service and longer life out of anything you possess by taking better care of it.

The same is true of the human body. It is your most precious possession. It occasionally needs repairs. If those repairs are not made just when needed, the usefulness, comfort and life of the body are to that extent injured.

When your car, or your watch, or other valued possessions go on the junk pile, you can buy new ones—provided you have the money. But when your body reaches that stage you can't go out and buy a new one no matter how much money you have. All the more reason then that you should take care of it while you have the chance.

Nature will provide you with plenty of warning signs when something is wrong with the body. It is for you to heed these warnings, and act in time, that you may preserve your body for a longer time, and for greater comfort during life.

Let us show you how the condition of your entire body depends upon the condition of your spine. Consultation and spinal analysis free. Convince yourself that our claims are well founded.

STOCK CLEARANCE

The Biggest Buying Opportunity in Tecumseh's Mercantile History

In spite of the fact that the tariff has raised the price of wool fabrics and with the certainty that clothes will be higher next season, we are holding our Annual One-quarter Off Sale to carry out the policy of this store never to carry merchandise from one season to the next, we have decided to cut our already low prices for the next 16 days to an extent never before attempted by us in order to clean up and make room for new spring goods.

A McCann & Bowen sale always has been and always will be, an EVENT UNUSUAL. There will be other "specials" arranged later. Come in each day and let us show you what they are. We have always sold for strictly one price and every article will be discounted from the original marking. We will make anyone a present of $100 who finds anything in this store marked up for this sale.

BUICK SERVICE

"Main Street" or Broadway—

Buick Authorized Service Maintains Buick Dependable Performance

The blue and white emblem of Buick authorized service is always a guarantee of adequate facilities for maintaining Buick dependable performance.

On an imposing building in the biggest city, or on a cross-roads garage, it marks the place where Buick owners may obtain mechanics skilled on Buick cars, where they will find genuine Buick factory made parts, and where they will receive courteous, conscientious and helpful assistance in the continued perfect operation of their Buicks.

Buick owners have come to regard "Authorized" Buick service, no matter where they see it, with the same confidence and satisfaction that they have in any motor car that bears the Buick name.

Dr. Hess Poultry
PAN-A-CE-A
Makes Poultry Healthy-Makes Hens Lay

What your poultry will do for you depends on what you do for them. Keep them in health —in condition. Dr. Hess Poultry Pan-a-ce-a is a tonic, not a stimulant—gives help which works permanent good for fowls of all ages. This scientific preparation prepared by Dr. Hess contains Iron, to enrich the blood; Quassia, an appetizer; Nux Vomica, nerve tonic; Carbonate of Lime, shell former. Internal antiseptics that destroy germs of disease that may be lurking in the system. These ingredients, properly compounded, keep poultry healthy, enable fowls and chicks to convert their food into bone, muscle, feathers and eggs.

Cost is only a trifle compared with the good it does. A penny's worth is sufficient for 30 to 60 fowls a day.

Pan-a-ce-a for Eggs in Winter

Pan-ace-a keeps the "laying disposition" in hens. It simply helps nature. The tonic properties keep hens in pink of condition. It tones up the dormant egg organs, consequently a larger per cent. of food is turned into eggs, and you see the results in the egg basket all winter long.

Facts About Optometry

By

KARL A. BRAMAN

The word Optometrist has in recent years largely displaced the better known word Optician.

Strictly speaking the words have different meanings.

An Op-tom-e-trist (accent on the second syllable) is a person who has passed the examination required by the optometrical law, and has been issued a certificate permitting him to practice his profession.

The work of the Optician is largely mechanical. He prepares lenses, adjusts frames, etc.

A person who studies Optometry usually qualifies in both the professional and mechanical branches so the average practioner is both an Optometrist and an Optician.

JAMES POCKLINGTON PASSES AWAY.

James Pocklington was born in Stackhouse, Yorkshire, England, December 22d, 1834, and died Sunday January 7th, 1923, age eighty-eight years.

He came to America with his parents when he was a young boy and the family settled in this vicinity. Mr. Pocklington learned the miller's trade and worked at the Globe Mill for more than sixty years, retiring ten years ago when his health failed.

His wife, who was formerly Miss Hannah Wiggins, died a few years ago and Mr. Pocklington has since made his home with his sister, Mrs. J. C. Mahaney.

He leaves one sister, Mrs. Mahaney of this place, John Pocklington of Britton, two sisters of Jonesville and Arthur Pocklington a grandson, to mourn his death.

Mr. Pocklington was a veteran of the Civil War, having served in the Sixth Michigan Heavy Artillery.

He was always a kind and loving father and a good friend and will be greatly missed by all who knew him.

The funeral services were held Tuesday afternoon at two o'clock at the home of Mr. and Mrs. J. C. Mahaney, Rev. Edward Escolme officiating. Hymns were sung by Mrs. R. T. Mead and Mrs. Ella Hodges. The bearers were Hugh Hoyt, Wm. Adams, Grant Schreder, Charles Wilson, Charles Bennett and Charles Hooten. Burial was made at Brookside.

Those from out of town attending the funeral were Mrs. Ida Babcock and son Ford of Detroit; Mr. and Mrs. Joseph Wiggins, Mr. and Mrs. Wm. Swick, Frances Wiggins and Mrs. W. Exelby of Britton; Mrs. Sam Gibson and son William of Macon; Mrs. Henry Pocklington of Jackson; Mr. and Mrs. Chas. Sloan of Adrian; Mr. and Mrs. Smith Pocklington and Mr. and Mrs. Lafe Pocklington of Ridgeway.

Card of Thanks.

We desire to thank our friends and neighbors who so kindly assisted us during the sickness and death of our father, for the flowers, the singers, and Rev. Escolme for his comforting words.

Mr. and Mrs. J. C. Mahaney,
A. L. Pocklington.

MANY RESPONDED.

We are gratified at the large number of subscribers who read their labels on the paper and dropped in and renewed for another year. We have never failed yet to receive a hearty response to this request and we have nearly enough to take care of our large paper bills that will put us across for another year.

Now will YOU not please look at your label and if it says 1922 just send along a renewal for another year. Thanks, I knew you would and by this means we can all enjoy 1923.

Dr. and Mrs. Conklin, Mrs. H. S. Waring and son Lester, Mr. and Mrs. S. Wyman and Mrs. Wilfred Waldron attended th second concert given by Paderewski at Detroit, Tuesday evening.

BAPTISTS HOLD ANNUAL MEETING.

The Baptist church held their annual meeting Thursday evening at the chapel. A pot luck supper was enjoyed by a large number of members, after which Jay Morse led in a song and prayer service.

Rev. Buell called the meeting to order after which the reports of the secretary and treasurer were given and accepted.

Ballots were cast for trustees and resulted as follows: Ira Ashley to succeed himself and H. D. Beard was elected in place of Ernest G. Harris.

The Sunday school treasurer's report was given by Mrs. Jay Morse; the Ladies Union by Mrs. Bertha Hoag; the Ladies Missionary Society by Mrs. Stahler; the Church Missionary Society by Mrs. Jay Morse; The Sick and Needy by Mrs. Carrie Bryan, and The Financial Secretary by Mrs. Norman McConnell, all reports being accepted.

Mrs. Jay Morse gave an interesting report on the New World Movement, and reported thirty-five dollars collected by the Boy Scouts.

The pastor requested that the Lord's Supper be observed the first Sunday in each month and that every other collection taken go to the Minister's Aid Fund. This request was granted.

The election of the Sunday School officers followed and resulted as follows:

Superintendent—Jay Morse.
First Assistant—Alvin Brazee.
Second Assistant—R. S. Moore.
Secretary—Mrs. Jay Morse.
Treasurer—Bessie VanAntwerp.
Chorister—J. W. Camp.
Chief Usher—H. D. Beard.
Church Chorister—Mrs. R. S. Moore.

WIT AND WISDOM CLUB.

The Wit and Wisdom club met with Dr. and Mrs. Conklin, Tuesday evening at their home on East Chicago street. The subject of the evening was "Radio," and the following program was given:

"The History of Radio"—a paper by E. E. Crampton.

Vocal solo by Prof Wilcox, accompanied by Webster Conklin.

"Scientific Features of Radio"—a paper by Mrs. H. S. Waring.

Piano solo—Mrs. Wilfred Waldron.

Victrola number, "His Own Nocturne" by Paderewski.

The roll call was given by the secretary, each member responding with some current event. A social time was enjoyed and refreshments were served.

The club will meet again in two weeks with Rev. and Mrs. Kiskaddon, for a Musical Evening.

MAKING SKATING POND.

Through the efforts of Ivan Spitler and others a skating rink is being made down in the citypark. Snow from the streets had to be hauled away and the plan was worked out to use it in making a bank around a space in the park which if flooded would freeze over and make the kiddies a fine and very safe place to skate.

The rink is being banked up and the city will furnish the water to flood it so that as fast as it becomes cracked up, it can be put in shape again. This should keep many a youngster from skating on the river where it is dngerous and give them a fine place to exercise.

MONDAY CLUB.

The Monday Club resumed their meetings this week after a vacation during the holidays. In the absence of the leader, Mrs. Ira Rogers, the president, Dr. Pauline Bredow had charge of the meeting.

Two very interesting papers were given, "Pampas and Cattle Raising" by Mrs. Warren Jones and "Cities and Politics" by Mrs. H. D. Beard. The subject was, "The Argentine" and Mrs. Mary Ives brought some pictures of the Argentine which were very helpful in the study of the subject.

The next meeting will be musical day in charge of the committee on music.

GRAVEL CO. ELECTS OFFICERS.

The Lenawee Sand & Gravel Co. held their first annual stockholders' meeting, Tuesday afternoon. H. H. Russ, E. L. Thompson and Chas. Park of Adrian, Pearl Ash of Ridgeway and Fred J. Blouch, Sam P. Wilson and S. J. Wilson of Holloway were present.

The Board of Directors were reelected as follows: Elmer L. Thompson, H. H. Russ, Ira W. Ashley, Fred J. Blouch, S. J. Wilson, Wm. P. Rainey and Fred C. Livesay.

After the stockholders' meeting the board met and elected the officers of the company as follows:

President—Fred C. Livesay.
Vice President—H. H. Russ.
Secretary and Treasurer—Ira W. Ashley.

Arrangements were completed Wednesday for the railroad siding and this work will be started in a week or ten days and rushed thru.

The big well which will be used for washing the gravel, will be started next week. As soon as the track is laid and the well completed, foundations will be laid for the main screener and the plant will be rushed to completion for business next spring.

Co-Operation Is Coming For 1923

Biggest Asset Of Any Community Is Unselfish Co-operating Says Babson. Enterprise Must Have Hearty Support Of Everyone. Cutting Corners And Selfish Motives Kill Business.

Babson says, "The greatest asset to any community is unselfish co-operation." The emphasis seems to be on the word unselfish. Everyone will co-operate with any scheme that brings immediate returns to themselves but that is not unselfish co-operation, it is selfish co-operation.

The business of any community depends today upon the publicity given it and the way in which it fills the needs of that community. The best business on earth will wither and die unless the public is kept informed on the merits of the business and the way in which it meets the demands of the public. This is essentially a day of publicity. In politics it is called propaganda and it is a most efficient weapon to move the people to action.

Every modern business is built on publicity. The people are intelligent readers of great capacity and they do read and understand everything put before them. The people buy their needs from the lists of articles that are meritorious enough to be presented to them through newspapers and pamphlets sent to them.

Today every article worthy of the confidence of the makers or sellers is put before the people fully and honestly as a guarantee that the makers and sellers believe in the articles themselves and know they will fill the needs of the people. An article that is not given publicity is indeed looked on with disfavor. The homes of the people of this community are flooded with literature from foreign sources which will inevitably draw a large trade and a corresponding large amount of money from this territory unless it is counteracted by HOME PUBLICITY.

The small town merchant has the best opportunity in the world to reach the people through the medium of their own HOME TOWN newspaper which is read from headline to foot rule because every line therein is about the HOME folks, their comings, goings and doings. It is the greatest opportunity to bring the business of the home community before the people that can possibly be imagined.

Like the water in the well, this wonderful opportunity to build up business is sometimes overlooked because of non-progressive habits or the belief that the home folks will trade with US anyway. This is the most deceptive belief and deadly policy that ever laid hold of any business. The home people will buy from those who invite their trade and explain the merits of their business to them just the same as the foreign houses are doing. The home people will trade with the live-wire progressive home merchant every time, but they will not trade with the selfish, grabbing merchant who tries to turn everything to his own use and failing to do so will "knock" other business interests that he should be boosting.

What every town needs as Babson says is unselfish co-operation. That means that every worthy home enterprise must be boosted by everyone whether it directly serves your interests or not, because every worthy enterprise is good for us all and we need it at all times.

Right here in Tecumseh we have splendid Doctors, the best in the country. We have two as good lawyers as ever [illegible] judge and the amount of work these good men do for the public without a thought of remuneration is beyond belief. They are always boosting for the good of the community and though probably the people appreciate it, still we do not express it often enough or loud enough to properly compensate them for the splendid work they do. It is a wonderful asset to this community to have these good Doctors and Lawyers among us looking after our needs and desires. Great credit is due them and in this humble way the old HOME PAPER desires to say that the Home Folks sure do appreciate it.

We have two most excellent flour mills and these institutions are of the utmost value to the people here and around here. Thousands of bushels of grain are brought here and paid for by these mills. These dollars are spent here and the money for building these mills and operating them is left here and thousands of dollars are earned by workmen employed here. We wish esnecially to call attention to the Gratz Grain & Milling Co. which has spent $50,000 in rebuilding their new mill and which deserves the hearty support of every individual in Tecumseh and vicinity for the most excellent way in which they have built for the growth and development not only of the flouring business but for the community at large. Few people have said anything about this splendid institution though doubtless hundreds greatly appreciate it. This big new mill is a great asset to this village and community and being

CHURCHES OBSERVE WEEK OF PRAYER.

The churches of the town united in a series of union services to observe the week of prayer, meetings being held each evening at the Methodist Church.

The opening service, Monday evening was very well attended, each church being well represented. Rev. Marsh gave the sermon, urging us to be thankful to God for all His many blessings and favors to us. We are dependent upon God for all things, and realizing this we should be more careful to give thanks in all things. Our failures are given us for lessons and we should profit by them. There are great things ahead for each one of us and we should look to Him to lead us.

Rev. Escolme had charge of the service Tuesday evening, having as a subject, "The Church Universal," basing his remarks on Ephesians 4:1-16. He said we should be thankful for Christian unity and spoke of the need of the church to speak out on such questions as the strife between capital and labor and law enforcement. As members of the church universal we should pray that we may manifest the victorious life and that the principles of Christ may be applied to the various phases of life.

Rev. Kiskaddon preached Wednesday evening on the subject of "The Christian Home and the Education of Youth," using as the scripture, Luke 2:40-52. Religion was originally a family institution and religious training as well as other education was taught in the home. Even though there are many influences that tend to break down the religious character of the home, religion still persists in ideal and practice, more than a great many utterances would lead us to believe. Some things such as social and business habits have a tendency to overthrow the real home and a return to old fashioned home life is needed.

The meeting tomorrow night will be an illustrated missionary lecture, conducted by Rev. Buell. Everyone is urged to be present, as this will be of special interest to church people.

The meetings have been well attended and the sermons have been of practical value.

SIMMONS-CHEVRIE

[illegible] interest was [illegible] Simmons, twin daughter of Mr. and Mrs. J. O. Simmons, and Lester Chevrie of Lansing. The ceremony took place at high noon in the presence of about fifty guests, Saturday, Dec. 30, in the home of the bride's parents in Armada. Rev. Chas. Meeker, of the Congregational church, officiating.

The bride, who was given in marriage by her father, wore a gown of white satin and lace, and carried a shower boquet of valley lillies and roses. The bride's attendents were her twin sister, Miss Mildred Simmons, as maid of honor, and Miss Margaret Talfree of West Branch as bridesmaid. The twin sister wore a gown same as the bride, while Miss Talfree was gowned in blue lace over gold. Both carried boquets of roses and narcissi. Mr. Chevrie was attended by his brother, Stanley Chevrie, as best man. Before the ceremony, Miss Dorothy Simmons of Romeo, cousin of the bride, played a violin solo, "Tromeri," which was followed by the wedding march played by J. D. Simmons, Jr. Doris Goodell and Margaret Rogers acted as ribbon bearers and John Nolan, nephew of the groom, was ring bearer. The house was prettily decorated with roses and ferns. After the ceremony, a luncheon was served directed by Mary Jeffrey and D'Esta Boice. Dorothy Frost, Frances Kesner, Dorothy and Jean Hagaman, Vernice and Virginia Allen acted as waiters.

Out of town guests were Mr. and Mrs. C. J. Cudworth and daughter, Mr. and Mrs. B. C. Wilder Jr., Mr. and Mrs. Walter Simmons, of Detroit; Marion Bradley, Alma; Dorothy Simmons, of Romeo; Stanley Hirt and Dorothy Simmons, of Richmond; Mrs. F. Chevrie and daughters, Hazel, Mildred Maxine and son Stanley, of Lansing, and son, Joseph, of Leslie.

Mr. and Mrs. Chevrie will be at home after January 6th, at 113 Kilbuck, Tecumseh.

WHICH SHALL IT BE?

It has been called to our attention that some of the school children take their rubbers in the room and place them near their seats so that they will not get lost. This may prevent them from getting lost but as the floors are well oiled, it will also spoil the said rubbers in a single day as oil, kerosene, gasoline, greese, etc. is deadly on rubbers and rots them to pieces in no time. Better take a chance on losing them than be sure to ruin them on the oiled floors.

ENTERTAINS BRIDGE CLUB.

Mrs. R. N. Lowe was hostess last Thursday to her bridge club at her home on West Chicago St. Five tables were filled for the games and a very delightful afternoon was spent. At six o'clock a delicious supper was served. Mrs. Bert Myers of Atlanta, Ga. was an out of town guest.

TECUMSEH DEFEATS CLAYTON.

The first basket ball game of the season was played on the home floor at the high school gym last Friday night between Clayton and Tecumseh fives. The game resulted in a victory for Tecumseh 24 to 11. As an opening game the girls team defeated a faculty team 20 to 2. The second boy's team went to Monroe and were defeated 14 to 16. The stars of the boys game here were Anderson and Sager who played a fast heady game throughout and have the making of good players with a little more experience.

The boys team has some good material and should give a good account of themselves before the season is ended. The following is the line up:

Tecumseh		Clayton
Aylesworth	R.F.	Baker
Collins	L.F.	Lyons
Anderson	C.	Pelham
Sager	R.G.	Wirick
Brown	L.G.	Burger

Field goals—Baker 2, Lyons, Wirick, Collins 2, Aylesworth 2, Anderson 8. Foul goals Pelham 3.

Tec. Girls		Faculty
Barber	R.F.	Slough..
Crampton	L.F.	Wolf
VanWinkle	J.C.	Crockett
Crittenden	R.C.	Brainerd
Turner	R.G.	Gribbin
Daisher	L.G.	Kilburn

WHERE IT GOES.

If you will take a look at your tax receipt you will notice that just a little less than two-thirds of your taxes in the townships outside of the village is for road tax in one form or another.

Good roads are becoming the element of taxes that will soon take the real estate of the country if not soon reduced. When two-thirds of your tax load is spent for good roads that are ripped up and thrown over the fence by the autos and trucks as fast as they can be laid, it is time to take a sober second thought before we petition for more roads. Your tax receipt should be studied for the exact and undeniable information it contains. Its not theory or politics but lamentable facts that are recorded on this paper. Study it.

NEW FOUNTAIN PURCHASED.

The merchants in the east-end clubbed together and purchased a new drinking fountain to be installed where the old one was, on the corner by John Snow's grocery.

It was the plan to put the old one back but the merchants, feeling a new one would be more attractive, purchased one. It is a most excellent idea.

NO NAME CLUB.

Mr. and Mrs. Lester Rogers entertained the No Name Club Tuesday evening at their home on East Pottawatamie street, this being the first meeting after the holidays.

A two-course dinner was served at six-thirty after which the six tables of members enjoyed the evening playing progressive pedro, Mr. and Mrs. Guy E. Belding carrying off first honors.

The club will meet again in two weeks with Mr. and Mrs. John Heesen.

LAWRENCE LANGTON PASSES AWAY.

Lawrence Langton was born at Dundee, Mich., June 18, 1886, and died January 5, 1923, at his home in Toledo, at the age of thirty-seven years.

Mr. and Mrs. Thos. Langton moved to Tecumseh in 1890 where they remained until Lawrence was fifteen years old, when they moved to Toledo. The parents returned later to make their home in Tecumseh, but the son remained in that city.

Mr. Langton had been in failing health for a year and had doctored with many physicians who were unable to diagnose his case.

The father and mother, wife and two brothers, Frank of Toledo and Harry of Tecumseh, remain to mourn his untimely going.

The body was brought to the Langton home on West Chicago street Friday and services were held Saturday afternoon, Rev. J. F. Kiskaddon officiating. Burial was made at Brookside.

Mrs. B. G. Swift spent last week with her son in Madison.

The Tecumseh De Molays will meet Monday evening, January 15. Be present.

Mrs. Halleck Wilson and Miss Ethel Garlinghouse will entertain at bridge at the home of the former on West Logan St., Friday afternoon.

GUILD MAKING SURGICAL DRESSINGS.

Mrs. H. W. McClure and Miss Alice Owens were hostesses for the Westminster Guild, Tuesday evening at the McClure home. The ladies filled the hours making surgical dressings for a Presbyterian hospital in Cuba, after a short business meeting. The Guild are indeed fortunate in having as a member Dr. Pauline Bredow who superintends these hours of work and this society is gaining some record in this Presbytery for this work.

The hostesses served most delicious refreshments.

SUNDAY SCHOOL OFFICERS ELECTED.

The Friends Sunday School elected the following officers to serve the coming year:

Superintendent—L. D. Kenyon.
Assistant Superintendent—Elwood Comfort.
Secretary—Martha Comfort.
Treasurer—Sayson Henson.
Organist—Mabel Lockwood.
Chorister—Eyrcil Van Winkle.
Superintendent Primary Department—Mrs. Elwood Comfort.
Superintendent Junior Department—R. R. Van Winkle.
Superintendent Cradle Department—Mrs. Ada Lockwood.
Superintendent Home Department—Miss Anna Satterthwaite.

The Men Behind Your Bank

A bank's strength is shown just as truly in the character of the men who direct its affairs as in the resources which appear in its statements of condition.

The officers and directors of the Lilley State Bank are men you know—home people who are familiar with the needs of Tecumseh and vicinity. They are men of wide business experience, and men whose own financial standing is unquestioned.

These men are ready to serve you. Why not drop in this week.

SOME POLICY.

The fellow who obeyed the law and got his Auto Title Certificate before Jan. 1st must forthwith get his license and put it on his car before Jan. 1st or get pinched and fined. That is one thing.

The fellow who disobeys the law and does not get his Title Certificate by Jan. 1st, can have until Feb. 1st to run around on his old license and make snoots at the fellow who obeyed the law and got pinched for doing it.

Some policy we say, but about what the "powers" are noted for and just the kind of a deal the people are getting all around. Well we haven't much of a kick at that for only one-third of the voters had enough interest to come out and vote at the last election. When will we wake up?

WHY NOT BUY THE LAKE ALSO.

Our dear Governor is reported to have asked the Legislature to pass a law enabling the state to buy **the Isle Royale in Lake Superior** for 3 or 4 million dollars of the tax payer's money. He thinks it should be made into a park **for 3 or 4 million, etc.**

The Isle Royale is 550 miles from Detroit, 75 miles from the nearest point in the Upper Peninsula and can only be reached by small steamers in the summer time. Likely to be a great resort but not for the 99% of the taxpayers who are asked to furnish the money to buy it.

Just another one where the people foot the bill and someone will get the dough. Why not buy Lake Superior and make a skating rink out of it in the winter and a home for blind ducks in the summer. At least we could make use of it twelve months in the year and a few people could certainly get pleasure out of that 3 or 4 million it would cost the taxpayers. Better watch and see how Evans and Frees and Horton vote on it. Also see how these gentlemen vote on the 7 million asked for the University and the five million asked for the M. A. C. If you will keep track of these gentlemen and how your representatives vote, maybe you will have interest enough to come out and vote next election also. It might be a mighty good tonic for you and give you actual strength enough to get to the polls next election.

FOR FEAR?

That is the whole story of why we are just where we are when it comes to seeing a favored few run the whole shebang while the rest of the people are fast being reduced to serfdom by a system of extortionate taxation and a set of tariff laws that allow the manufacturers to charge just what they please for their product and we can pay it or go without.

Likewise the coal barons have frozen poor people to death and caused hundreds of poor families untold suffering and sorrow as poor mothers have sat by a fire long since gone out and watched the life slowly ebb from the child she loves as well as you do yours.

Think of coal being sold out to the poor of our cities at the rate of $2[illegible] as reported in some of our papers. If this is true and is being practiced while our Fuel Administration sits idly by and lets it go on, then it is time for the leaders or someone else to step in and hold an interview with someone in position to put a stop to it.

For fear, has kept hundreds of good men and women from lifting their voice against all manner of evils because they were afraid they would lose a nickle or a friend who was interested in the game.

For fear, has no place in the honest man's make-up and the man who dares not stand for the best in legislation, in community life, in church affairs, in lodge matters and in business, is a moral coward who is submersing his manhood to the grabbing of nickles or for personal popularity. For fear, has placed our representatives and legislators and those in authority in exactly the position you find them today and the laws they make and the way extortion is practiced along nearly every line by the higher-ups is the direct result of For Fear as practiced by the people.

Laxity of law enforcement and failure of officials to do their duty for fear, is exactly why the Ku Klux is fast coming to the front and taking the law enforcement into their own hands. It may not be the best way but it certainly is growing and we have no one to blame but ourselves because we have been shirking our duties and responsibilities FOR FEAR.

When will our courage return and the people wake up to the fact that in our great and glorious country the WHOLE RESPONSIBILITY is on the people themselves who must vote and talk out loud as they pray in secret. When will moral courage again be at a premium and people honor the man who will make a personal sacrifice to stand for what is right regardless of FOR FEAR When it does our problems will be solved in a hurry, and until it does we will find that conditions in this country will approach dangerously near a national calamity.

CHANCERY NOTICE.

Facts About Optometry

By

KARL A. BRAMAN

The first optometrical law was passed in the state of Minnesota many years ago. Every year since then other states have recognized the value of Optometry to the public, and have enacted similar legislation, and at present all the states have optometrical laws.

These laws protect the public first, by requiring every Optometrist to give proof of his ability to detect and correct all errors of vision. Secondly, by preventing incompetent persons from invading the field.

An Optometrist uses no drugs in his examinations, depending for his findings on many ingenious instruments, that have been devised and perfected in recent years.

For that reason the results which the Optometrist secures are singularly exact.

To be continued next Thursday.

Chicago Daily Tribune
THE WORLD'S GREATEST NEWSPAPER
Announces
A BIG REDUCTION IN SUBSCRIPTION RATES
For the Benefit of Readers Receiving The Tribune By Mail

THE CHICAGO TRIBUNE, realizing that its phenomenal success is due in a large measure to the fact that for seventy-five years it has numbered among its readers a large proportion of the residents of farms and small cities who receive The Tribune by mail, announces for their benefit a big reduction in subscription rates effective January 15th, 1923.

The reduction ranges from 1/3 to 1/2 below former rates

In 1917, as a war measure, Congress passed a bill providing for four annual raises in Postal Rates for newspaper subscriptions. As The Tribune had, for many years before, sold its paper to out-of-town readers at less than cost, it felt compelled to add a portion of these postage increases to its subscription rates.

For the past three years The Chicago Tribune has been leading the fight to obtain a reduction in second-class postage rates so that it could reduce to pre-war prices its subscription rates to residents of farms and small cities.

Although every one of the other ten taxes established by the war revenue act of 1917 has been reduced, Congress has not seen fit as yet to reduce the tax on second-class postage.

At the present Postal Rates it costs The Tribune from $3.20 to $6.79 a year *for Postage alone* to send the paper to each subscriber in the States of Illinois, Indiana, Iowa, Michigan and Wisconsin. In many instances this is more than The Tribune's entire subscription price—without considering the cost of the product.

Many of our farmer friends have stated that it required from 10 to 12 bushels of corn to pay for a year's subscription to The Chicago Daily Tribune. The Tribune is anxious to remedy that fact.

Therefore, without waiting further for Congress to act, The Tribune announces a reduction in subscription rates ranging from ⅓ to ½. This cut in rates will cost The Tribune approximately $200,000.00 each year, but The Tribune will pay the bill in the interest of its many country readers.

New subscriptions to The Chicago Daily Tribune, starting on and after January 15th, 1923, will be accepted at the following rates:

THE CHICAGO DAILY TRIBUNE
[By Mail, Six Days a Week]
These Rates Apply Only to Subscriptions in States of Illinois, Indiana, Iowa, Michigan and Wisconsin. [Cities, Towns and Rural Routes included.]

Period	*Old Rate*	*New Rate*
1 Month	$1.00	$ .50
3 Months	2.50	1.25
6 Months	3.75	2.50
12 Months	7.50	5.00

The Chicago Daily Tribune today enjoys the largest circulation in its history and the largest morning circulation in America—*averaging over 530,000 copies daily.* It will readily be seen, therefore, that the reduction is not made primarily to secure more circulation.

If you wish to receive The Chicago Daily Tribune—with its many wonderful features—regularly, take advantage of these new, low rates now. Mail subscription coupon below. Note that $2.50 will now bring you The Chicago Daily Tribune by mail for six months, or $5.00 for a whole year.

For the benefit of its country readers The Tribune will continue its fight for fairer postage rates.

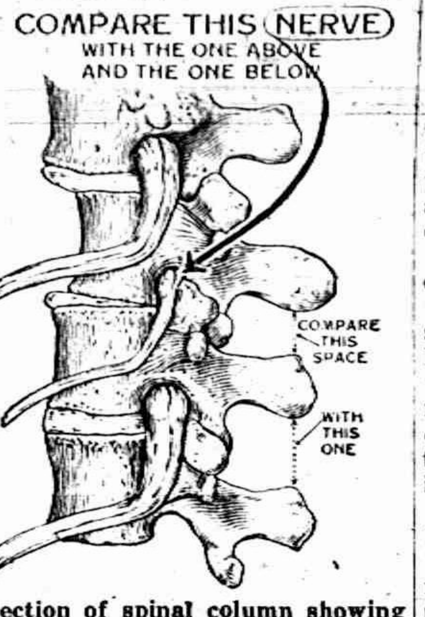
HEALTH
Nature's Way
CHIROPRACTIC

COMPARE THIS NERVE WITH THE ONE ABOVE AND THE ONE BELOW



(Section of spinal column showing pinched nerve the cause of disease.)

You can get better service and longer life out of anything you possess by taking better care of it.

The same is true of the human body. It is your most precious possession. It occasionally needs repairs. If those repairs are not made just when needed, the usefulness, comfort and life of the body are to that extent injured.

When your car, or your watch, or other valued possessions go on the junk pile, you can buy new ones—provided you have the money. But when your body reaches that stage you can't go out and buy a new one no matter how much money you have. All the more reason then that you should take care of it while you have the chance.

Nature will provide you with plenty of warning signs when something is wrong with the body. It is for you to heed these warnings, and act in time, that you may preserve your body for a longer time, and for greater comfort during life.

Let us show you how the condition of your entire body depends upon the condition of your spine. Consultation and spinal analysis free. Convince yourself that our claims are well founded.

OWOSSO C. OF C. SEEKS TO SAVE SHADE TREES.

Owosso, Mich., Jan. 2—The Chamber of Commerce, Tuesday, took steps to prevent so-called butchering of shade trees in Owosso, and to secure the hiring, by the city of a trained forester to care for the trees.

Owosso's trees, it is claimed, are worth more than a million dollars, and the chamber takes the position that an expenditure of $5 000 or $6,000 a year by the city to save them is justified.

Robert Linton, agricultural teacher in the city schools, told the chamber that the trees were threatened with destruction by rot, caused by improper trimming.

o

ELECTS OFFICERS.

Here is a Big Opportunity For Some Good Business Man In This Community

Within the next sixty days we will appoint an Oakland dealer in this town. We are looking around for the best man to handle our proposition. Naturally, we have got to be particularly careful whom we choose, because an Oakland dealership carries with it such great possibilities that we need a big, broad [illegible] man with vision and resources who is able to make a real success of this real opportunity.

Just what an exceptional opportunity an Oakland dealership offers, is perfectly apparent when you consider these important facts:

1 We are a permanent division of General Motors.
2 We are pioneer builders of light sixes.
3 We build a high grade six which sells at a low price.
4 We specialize on one perfected engine and chassis.
5 We give a 15,000-mile engine performance guarantee.
6 We provide seven distinctive body types.
7 We write an extremely fair selling agreement.
8 We offer the liberal G. M. C. A. plan to finance time paymentss.

Never before has the selling and servicing of motor cars offered such opportunities. 1922 has been a record breaking year and 1923 promises to surpass it.

If you are the right man, we can prove to you how this connection will be permanently profitable and satisfying to you. Write us and we will give you full information, or if you prefer we will send a man directly from the factory.

LOW WAISTLINE EVENING GOWNS

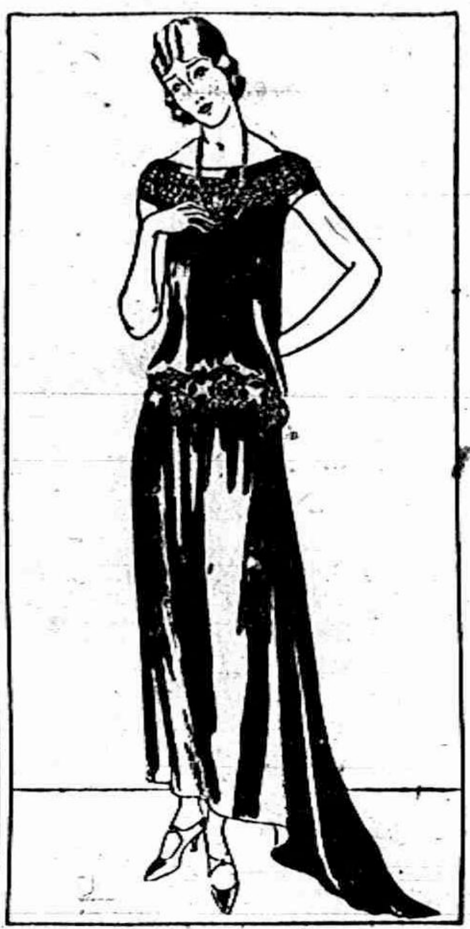
Paris Fashion Writer Cites Noticeable Changes in the Newest Apparel.

MODELS LONG AND STRAIGHT

Slender Lines Prevail in Favorite Dresses From France—The Decolletage Becomes More Modest This Season.

From a cursory glance one gains the impression that there is little difference between this winter's evening dresses and those of last year, but let one of each season appear side by side and last year's gown will seem decidedly old-fashioned, notes a Paris fashion correspondent in the New York Tribune.

In recent times the changes in fashions have been so slight and so gradual that we were scarcely conscious of them. Innovations are brought about gradually. This method is infinitely better than the old-time one of causing an upheaval which meant forcing styles so startling that none but the extremist adopted them.



An Interesting Model of Black Chiffon and Jet.

We have been talking of longer lines in dress for so long a time that the subject seems a very old one. But the lengthened lines we talked and wrote about two years ago are short in comparison with those of today. Last winter no dressmaker placed the waistline as low down on the hips as it is now. Then there is the skirt, the hem of which almost touches the ground doing its part in producing a longer and slimmer effect. These skirts are better suited to evening dresses than to any other costumes.

Loose Models for Uncorseted Figure.

French gowns are of the long, straight sort. This is the type of evening dress most in use. While there are many models with tight bodices and full skirts they are in the minority. The appeal of the picturesque, which the latter possess, is not strong enough to compete successfully with its long graceful skirt and its simple bodice hanging loosely from the shoulders and blousing around the hips.

One reason why the evening dress with tight-fitting bodice and full skirt is not eagerly accepted is because it is not suited to the uncorseted figure. The loose, and in some cases rather untidy appearing dress, is in accord with present-day fashions, keeping pace as it does with progress and with the emancipation of women in dress as in other lines. No woman wants to return to Civil war times in her dress any more than she wants to revert to any phase of life peculiar to those days.

If we realized how closely dress is and always has been connected with history we would be more successful with it and would desist from all attempts to march it into any other than the natural channels.

Decolletage Becomes More Modest.

Evening gowns, except for the most formal occasions, are less decollete this year. Some have draped skirts, the foundation skirt being about seven inches from the floor, while the various ways of hanging panels, points and drapery from the low waistline to several inches below the skirt, give a most fascinating line.

In evening dresses Jenny features flowing side panels which are a continuation of the sleeve. She introduces an ingenious effect by arranging the panel on one side of the dress so that it falls from the front of the sleeve and that on the other from the back. She further accentuates this reverse treatment by making the panels of a contrasting material. Two wedding dresses from this maker, one in white satin and another in silver lace, show interesting and novel trains which are a continuation of panels.

Fabrics are sumptuous and colors are brilliant. An abundance of sheer silver tissue is used for scarfs and trains, as well as tissues of gold and silver shot with beautiful colors, notably red and violet hues.

Metal brocades, soft velvets and satins, and beautifully patterned silks are used profusely. Several models exploit lace in various ways. Drecoll makes beautiful lace dresses of a very stately type cut on the Italian Renaissance lines. Especially lovely are those combining silver and black lace.

Many dressmakers of importance still favor black, but the pendulum is swinging rapidly toward bright colors. A number of white crepe dresses are veiled with black lace. Frequently a black and white dress, or the all black or all white costume, has a girdle of bright-hued flowers placed about the hips.

In evening toilettes the dress with wrap to match is important. Velvet gowns in high colors have matching coats or capes. Japanese effects are introduced in several of the evening dresses, with accompanying wraps, many of them worked out in black and gold brocade.

Novelties of this season are the evening dresses of duvetyn in high colors. These should prove successful for the half-ceremonious restaurant or informal dinner dress.

Scarves of Sheer Metal Cloth.

A charming example of the use of sheer metal tissue with a bright color is a Madeleine et Madeleine model, developed in sapphire blue and silver brocade. The long scarf attached to the shoulders and again to the wrists by a novelty bracelet is of a very sheer silver cloth.

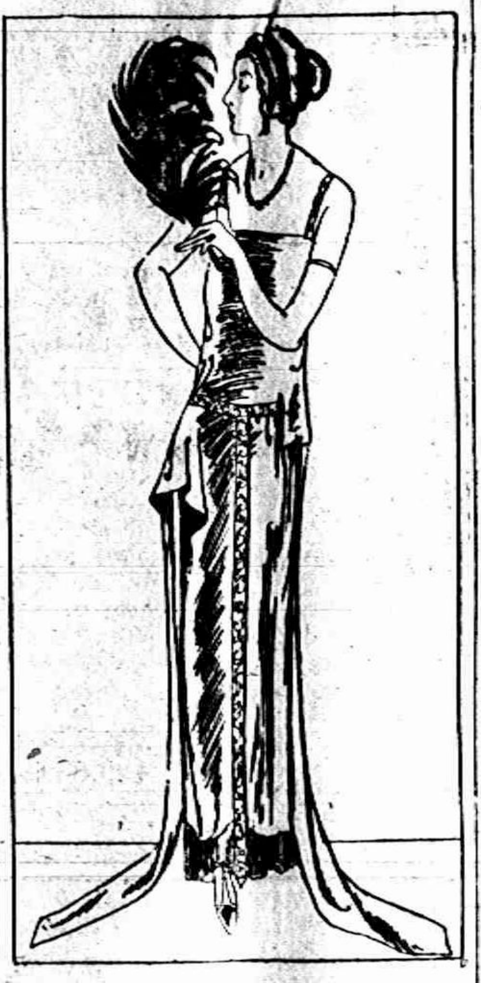
Brick red satin and silver are strikingly combined in a Charlotte model. The satin is interwoven with silver threads. An underskirt of silver lace hangs several inches longer than the dress. A band of satin embroidered in silver encircles the hips and extends down the front. A ragged appearance is given to the bottom by the silver petticoat hanging below the skirt, the embroidered band longer than the petticoat and panels at either side trailing on the floor.

Ornamented With Lace and Flowers.

Mme. Jenny created a decided sensation by her frocks in fuchsia colorings shading from pinkish mauve to the deepest fuchsia blue. These are of silk, trimmed with metal lace and flowers, each one having a matching wrap of velvet with a big ruch collar made of flowers. They are charming from the color standpoint.

A few brown and beige tones make their appearance in the evening. Martial et Armand have a model called Mieribade developed in beige satin with an apron tunic and scarf sleeves of lace in matching shade. The tunic is mounted in a novel way to a girdle of brown velvet placed low on the hips and is arranged so that the dress may be worn without the apron.

An interesting model from Jean Patou, called Conchita, is developed in a novelty printed silk. At the sides are long panels of ivory lace. Rows of ivory insertion trim the lower half of the skirt. At each side, heading the lace panels, is a huge artificial rose of red silk.



Winsome Brick-Red Satin Interwoven With Silver Threads.

Picturesque Shoe of Colonial Days.

If one is of the picturesque type and has a taste for the picturesque in dress, it is difficult to reckon shoe buckles among the non-essentials for they are essential to the completion of the most picturesque shoe that ever has been worn. The Colonial shoe with its huge buckle has returned. Extremely effective are the large velvet tongues in either brown or black that serve as a support for buckles that may be either square or oval. Frequently brown velvet tongues are used on black shoes.

Hatpins have been absent from fashions for so long a time that it is pleasing to see pin cushions on dressing tables of fashionably dressed women bristling with pins of jade, jet and glistening stones. They may have long dangling pendants or be in ring or oval form to match earrings.

Jewelers have had their eyes on the length of sleeves for the last year and a half to ascertain whether or not the bracelet will continue its prosperous way. Apparently the advent of the long sleeves has not had the effect on the use of bracelets that was expected, for although many long sleeves are worn the vogue for the bracelet is undiminished. Among the recent models are bands of pearls clasped with snakes' heads in platinum studded with diamonds.

CONSTITUTION SAVES US.

The report that the committee seeking something else to tax to provide more of the people's money for the spenders has mentioned turning over the primary school money to the general fund in the state, and the propaganda is being spread that this will relieve all property tax for state purposes.

In all our life we have never heard of anything so vicious as this proposal, and thank Heaven the constitution will save us until the constitution is amended, and we believe it will be many years before the people change a line of that precious document in order to give the public spenders any more money to handle. At any rate beware of propaganda setting forth that if we will amend the constitution so as to give the Lansing bunch the Primary money, they will see that our other taxes are reduced.

Do you for one minute believe that if all of our primary money was turned over to this bunch that they would reduce our taxes? If you do you better think a little bit about the past and see what they have done to you.

Have you heard about our friend Ev. [illegible] picture in the state papers recommending anything about reducing EXPENSES? If you have just show it to some-one else so we all know about it. But the report of the tax commission does show a mad effort to find something else to tax to bring in more millions for the bunch to spend.

No wonder Lenawee County went against that crowd together with many more where the population is a thinking class not voting as they are told.

And now comes the powers according to reports with a plan to start a new book-keeping department but they are uncertain of Fuller and don't know just whether the people will stand for his elimination or not as the said people have come to know that Auditor Fuller is an absolutely HONEST MAN and has the entire confidence of the people.

Wouldn't that be easy going to have the Primary money that has saved the education of the people's children ever since Michigan was a state and then get rid of Auditor Fuller and put in a new book-keeping department under Groesbeck's direct control? What do you think of it good people?

Are you asleep or bound to party ties that you cannot think about the past or dare not do your duty to yourself and your family? We do not believe for one minute the people will ever change one line or word of the great constitution, our only protection at this time. Neither do we believe that anyone in Lansing dare disturb Auditor Fuller in his great work of honestly keeping the constitution in force. But watch the rest including our representatives to see how far they will support the gang seeking something else to tax. Your homes and the education of our children depend upon it.

OFFICERS INSTALLED.

The Rebekahs installed the following officers Friday evening:

specific or antidote for these poisons and does it in two to three days. And what is of more importance these poisons do not come back, they do not break out again as is usually the case, as the action of the remedy appears to utterly destroy the nature of the poison. This is remarkable as thousands suffer year in and year out, in fact it is held that the poison will return for seven years. It is generally conceded that much of the itching eczemas on hands and face are nothing but ivy or sumach poison. Whitmarsh Blood Elixir is guaranteed to clear away these vegetable poisons in two to three days. Get a $1.00 bottle today and try it. If it fails take the bottle back and get your dollar. Whitmarsh Blood Elixir is prepared only by Hart-Shaw-Miller Drug Co., Adrian, Mich., and if your druggist cannot supply you it will be sent prepaid on receipt of price.

A USEFUL PAIN

Tecumseh People Should Heed [illegible] Warning.

Have you a sharp pain or a dull ache across the small of your back? Do you realize that it's often a timely sign of kidney weakness? Prompt treatment is a safeguard against more serious kidney troubles. Use Doan's Kidney Pills. Profit by a Tecumseh resident's experience.

John B. Smith, farmer, says: "I suffered from pains in the small of my back. When I had an attack it was all I could do to go about my work. When bending I was seized with dizzy spells, causing spots of fire to pass before my eyes and at night I rolled and tossed in bed and woke up in the morning feeling unrefreshed. I used other kidney remedies but received no permanent benefit. I heard of Doan's Kidney Pills and was induced to try them. After taking a few more boxes I was completely cured."

CO-OPERATION IS COMING FOR 1923

(Continued from Page One)

one of the most modern mills in this county, it turns out a product that is second to none in value and fills the needs of the community for a high grade flour and the by-products that naturally go with it. Mr. Gratz is to be highly commended for his efforts and his belief in Tecumseh by spending so much money to build a new modern mill of the latest type and highest efficiency to serve the public here. He deserves the heartiest "unselfish co-operation" that we can give him.

The new factory that is starting here deserves the same co-operation and every other enterprise does likewise. The merchants every year are doing their utmost to serve the public with every means at their command. They invest hundreds of thousands of dollars and their entire lives are spent right here in this village endeavoring to serve the every wish and need of the people who dwell here and around here. Were it not for these industrious men who are the highest [illegible] our community would not be worth mentioning and every man of them deserves the most zealous support we can give them.

The other factories here are just as much a part of our community as those mentioned and because they are here is no reason why we should not give them the most hearty support and encouragement. "A bird in the hand is worth two in the bush" directly applies here. The factories that are here are worth many times what those we hope to get are, and "in every way, every day" we must show these men that their work and efforts are thoroughly appreciated. The H. Brewer & Co., the American Steel & Wire Co., Heesen Bros., and the Quaker Oats Co. are all most substantial and highly appreciated plants and the men who manage them are deserving of every bit of support we can give. This makes for better plants and a better community all around.

And we must not forget our public service corporations. We have had quite a wide experience with these folks and it is a great pleasure for us to say right out loud that we have never received such excellent light and power service at such low rates as we get from the Tecumseh Electric Co. The people of this community who have not resided elsewhere have no conception of the most excellent service we get right here in Tecumseh from the Electric Co. It is so superior to what others get elsewhere and so much cheaper, that it is to us a puzzle and we wish to publicly say that this company certainly is entitled to the best support the people can give them for the excellent service they are giving. It is simply a case of giving a public service corporation just a simple word of appreciation for doing the right thing by the people in a full measure.

And what we have said about the Electric Co. applies to the splendid efforts of Manager Pruyne at the Telephone Office. No man has ever put forth more energetic measures than Mr. Pruyne to develop the best possible telephone service for the people of this community. He has worked early and late and put in extensive improvements that have been costly and which took mighty hard work to accomplish but he has never faltered in an effort to give the people a modern telephone exchange that will serve their interests in the most approved manner. Mr. Pruyne deserves the hearty and "unselfish support" of the entire community and he will get it we feel very sure.

And in conclusion we ask what about the HOME PAPER? Well, we may not please everyone and in fact we know we don't but we do know that the Herald is becoming mighty popular with the people for the stand it takes on questions of public importance where the people are vitally interested and we have tried to give the people all the news that's news without hurting the feelings of anyone. That is why the Herald is rapidly growing in circulation and popularity. The editor is not noted for his good looks or his graceful form but he does honestly try to give "unselfish support" to every worthy enterprise and we believe those who use the columns are appreciative of our efforts though the flowers may not be many and the words of encouragement few. We don't expect such but we do expect the hearty and "unselfish support" of the community and we are getting it in a full measure. The old Home Paper is filling its place with a heaping measure and it offers the greatest opportunity ever known to man to get YOUR publicity before the people, so if you fail to take advantage of your opportunity or set about using some other medium which costs far more and does not reach the people half as well, you are not acting in the best interests of either yourself or the community and the people will soon find you out, for when a person or business acts from a selfish motive instead of a broad community booster spirit, the people are not slow to catch on and the result is usually a reaction that says we support only boosters in our community.

Tecumseh is the "Biggest little town on earth" and the best place on earth to live so lets get behind everything worth while during 1923 and make this the banner booster year for OUR HOME TOWN. All set? GO.

ADVANCES PRICES.

Reliable reports state that Sears Roebuck & Co. have advanced their prices nearly ten per cent along all lines. This is due to the advancing costs caused by the operation of the new tariff and other forces that have combined to send up the prices. Merchants will have to do likewise in a very short time as costs are soaring all the time. Better take advantage of every sale and stock up on the necessities as they will sure cost more later on.

HAS NEW RADIO SET.

Floyd Russell has installed a new Indian Radio set in his pool room and it is attracting much attention. Concerts are easily obtainable from Dallas, Texas; New York and all intermediate points where broadcasting is sent out. The Universal Radio Corp. installed the set.

A Nation's Tribute to Buick

There is an inspiring tribute to an industry in the universal recognition annually accorded the National Automobile Shows.

Thousands come to these exhibitions from every section of the continent and from foreign lands as well, and their advent is widely heralded the world over.

In the twenty-third National Automobile Show, just opening in New York, and later in Chicago, the nation is provided with a display of its chief means of personal transportation. This display is so complete and so magnificently set forth that all who come may easily carry away a perfect picture of the latest accomplishments in motor car building.

Year after year the national shows receive the homage of the entire country. Year after year they mark by their own increased magnitude and splendor, the increased growth of the automobile industry.

In occupying first place at both national shows for the fifth consecutive year, Buick continues the position in the industry awarded it by universal public opinion. D-15-24-NP

When better automobiles are built, Buick will build them.

HAS A HOST OF FRIENDS.

Mrs. Lloyd Sager, wife of the proprietor of the Purity Bake Shop, certainly has a host of friends these days and they never fail to be on hand to enjoy her genial hospitality these cold wintry mornings when the snow covers the earth with a heavy mantle of white.

Her special friends are a flock of doves that feed on the pavement in front of the Bakery where Mrs. Sager every day deposits a bountiful supply of crumpled bread and corn to make these feathered friends happy and well fed. It certainly is commendable and thoughtful to feed these poor birds which would have a hard time getting food while the earth is covered deep with snow unless someone fed them.

HELD ANNUAL MEETING.

The annual meeting of the Tecumseh State Savings Bank was held last Tuesday and the following directors and officers elected:

Directors—Edward Frensdorf, Jos. Smith, John McIntyre, A. C. Aylesworth, Guy E. Belding, Thos. McCann, B. J. Pulver and J. R. Nyland.

Officers—Pres.. Jos. Smith; Vice Pres., Edward Frensdorf; Cashier, F. C. Snell; Asst. Cashier, George Isaacson.

WAS AN EXCELLENT PROGRAM.

(Communicated)

In the rush of the Christmas season and the extra work attendant on the closing of the years work, "The Herald" neglected to mention the school entertainment given at high school auditorium just before the Xmas vacation.

We believe that an effort of this nature deserves special commendation from the public for the teachers who did the training and planning, and [illegible] the pupils who practiced faithfully and made every effort to make the program a success.

The first section of the program was given by the children of the West Branch under the direction of Miss LaPointe, Miss Brainerd, and Mrs. Julia Ketcham. Their program consisted of songs, dialogues and recitations and pleased the audience very much.

"The Doll Shop," a short playlet was presented by the pupils of the third and fourth grades under the direction of Miss Sutherland and Miss Kilburn. The children showed much talent as actors and actresses and were given much applause.

"The Calendar of the Seasons" was next given by the pupils of the fifth and sixth grades, Miss Crockett, Miss Slout and Miss Openlander having charge of this pleasing part of the evening's entertainment. The representation of the different months of the year was well carried out. Mrs. F. B. Wood was at the piano during the entire entertainment.

The proceeds of the evening amounting to over $40 were turned over to the Parent-Teachers' Association by the teachers to help pay for some good lectures in the near future.

Tecumseh should feel that she is favored in having a corps of grade teachers who responded so willingly to Supt. Crampton's suggestion that a school entertainment might be the best means of putting a little money in the treasury of the Parent-Teachers' Association. It certainly shows their interest in the welfare of the community. We believe these teachers deserve special credit. Tecumseh people have reason to be proud of their schools. Show your appreciation by co-operating with the teachers. Visit the schools and let the faculty know you are interested.

(The full program of this entertainment was printed in the Herald of Dec. 14th. together with an invitation to the people to come out and hear it but we did not print a report of it afterward, through an oversight as stated, and we are pleased to print the above communication giving an account of it.—The Editor.)

A GENUINE HUMDINGER.

The annual donation chicken-pie supper is confidently expected to eclipse all records in attendance and enjoyment this year.

The good people of Ridgeway Methodist church are generous enough to extend an invitation to everybody in Lenawee County.

The supper committee is planning to provide enormous amounts of chicken-pie and other good things with a musical program during supper as an appetizer. "Eat and be merry."

Writing Paper
That Makes "Writing" Easier

Stationery is one of the ear marks of good breeding, we are judged by the letters we write and the paper they are written on.

How often letter writing is made unpleasant by stationery that is unreceptive both to your pen and to your thoughts.—But what a pleasure it is to write on good paper. Let the purchase of your next box bring you this pleasure by selecting it from our stock—with the newest of envelopes and flaps—dainty boxes of exquisite design—colors and styles that belong to NOW.

You can afford to use this splendid stationery—prices are just as pleasing as the unusual quality and make.

Regular 50c quality for 29c a box.

Just what you want at prices from 50c to $2.00 per box.

CHALIAPIN, THE GREAT RUSSIAN BASSO TO BE HEARD IN TOLEDO, JAN. 22nd.

The Civic Music League of Toledo, Ohio, is again fulfilling its purpose to bring the "best music for the greatest number of people at the lowest possible cost." Feodor Chaliapin, the most popular singers since Carusa, will be heard at the Coliseum, Monday evening, January 22nd, at 8:15.

According to the interest already shown in this concert, Toledo will have a capacity house to greet him upon his first appearance here. He will be assisted by Max Rabinowitsch, pianist, and Nicholas Levinne, Cellist, both artists of high standing.

This will not only be one of the biggest musical event in the history of Toledo but will be rather unique inasmuch as Chaliapin does not use a printed program. With the program of the other numbers, books are included in which will be found English texts of all the songs in his repertoire, and the singer anounces his numbers as the concert proceeds.

Orders for tickets addressed to the Civic Music League, 240 Summit-Cherry Bldg., will receive prompt attention.

AT THE BRADLEY.

Gayest Broadway in "Broadway Rose"

With Mae Murray in the stellar role of "Broadway Rose," which comes to the Bradley Theatre on Sunday and Monday, Jan. 14th and 15th, motion picture fans will see the beautiful Metro star in an elaborate production which is said to surpass even "Peacock Alley" and "Fascination."

As in the latter pictures Miss Murray is provided with a role which gives prominence to her ability as a dancer and affords opportunity for striking costumes in great profusion.

"The U. P. Trail"

Tom Persse, the actor who plays "General Lodge" in Benjamin B. Hampton's powerful photoplay of the Zane Grey novel, "The U. P. Trail," released beneath the Hodkinson banner and delighting thousands at the Bradley Theatre on Wednesday Jan. 17th is a military genius and statesman. Consider—he has been seen as Abraham Lincoln, General Grant, Stonewall Jackson, Robert E. Lee and General McClellan!

Mrs. Carl Schneider has recovered from her illness and taken up her duties as teacher of Domestic Science at the high school which is good news to her pupils and friends.

"COLDS IN THE HEAD"

is an acute attack of Nasal Catarrh. Those subject to frequent "colds" are generally in a "run down" condition.

HALL'S CATARRH MEDICINE is a Treatment consisting of an Ointment to be used locally and a Tonic, which acts Quickly through the Blood on the Mucous Surfaces, building up the System, and making you less liable to "colds."

Sold by all druggists for over 40 years.

TECUMSEH CLUB ENTERTAINS NEW MEMBERS.

The Tecumseh Club gave a feed and entertainment for the new members just taken in at a meeting held last Thursday night.

Fifty-eight new members have joined the Club as organized and the old members certainly did themselves proud in entertaining the latest arrivals at a sumptuous six-thirty dinner held in the K. of P. dining room.

After the feed, Atty. Geo. A. Rathbun was called on and explained the purpose of the Club together with an interpretation of the rules for the guidance of the new members. Several men who have just moved into the community together with one which has just taken unto himself a bride were asked to stand so as to make the members personally acquainted with them. All complied very gracefully and made the proper bow.

The boys then adjourned over to the Club rooms and entertained themselves in various ways with the billiard and pool tables and pedro players occupying the center of attraction.

The Club now has over eighty six members and it certainly is a grand thing for the men to get together informally and rub elbows and talk over business matters that will boost the old town.

W. F. Fisher, Pres. of the Club, told the members that this was their club and that so long as any member was a gentleman he was just as welcome as any other member. That the aim of the Club was a genuine good fellowship that represented the best there is in life and he urged the members to come to the Club rooms and enjoy the reading tables, pool tables and help make it an atmosphere of good will and good fellowship. His talk was greeted with vigorous applause and without doubt the Club will be a splendid thing for the city.

IMPORTANCE NOTICE.

We have had a splendid response to our request for paying up on the Herald. It is very gratifying to us to hear the good words spoken about the paper and to have our list so nearly paid up in full. We certainly appreciate it and thank you heartily therefor. However, there are quite a few who have neglected or forgotten to call in and set the date ahead. We are glad to extend the time to those unable to pay right now, but we sincerely hope all those who can possibly spare the money will call and set your date into 1923 if it is not already there. We must have the money to buy print paper for the coming year before Feb. 1st or lose an opportunity to get it at anywhere near a reasonable figure. Will not you look at your date and make it 1923? Many thanks to those who have and those who will.

NOTICE.

The regular Presbyterian Church supper will be held Thursday, Jan. 25th from 5:30 p. m. until all are served, at 35 cents per plate.

MRS. JAMES COLE PASSES ON.

Viola J. Zeluff Cole was born in Utica, Michigan, December 19th, 1858 and died in Tecumseh Michigan, January, 12th, 1923 at the age of sixty-four years and twenty-three days.

In 1861, when she was about three years old, her parents moved to Ridgeway township where they lived until 1875, moving to Tecumseh about that time. Here she devoted many years to the care of an invalid father, mother and uncle.

On December 19, 1910 she was united in marriage with James Cole in Denver, Colorado. They lived in Salida, Colorado until the fall of 1921. After spending the winter in Florida they returned to Michigan in the spring of 1922, settling in the home which they had previously bought and in which they resided when Mrs. Cole was summoned by the call of death.

She lived a christian life which was marked by great kindness and devotion to those who needed her care. She was an active member of the Order of the Eastern Star. Since her return to Tecumseh she was associated with the Pesbyterian church and a member of its Sunday school.

"Jesus, while our hearts are bleeding
O'er the spoils that death has won,
We would at this solemn meeting
Calmly say, 'Thy will be done.'
By Thy hands the boon was given,
Thou hast taken but thine own:
Lord of earth and God of heaven,
Evermore 'Thy will be done.'"

The funeral services were held at the home on West Pottawatamie street, Monday afternoon, Rev. J. F. Kiskaddon officiating. Burial was made at Brookside. Vocal selections were given at the funeral by Mrs. R. T. Mead and Mrs. Ella Hodges. The pallbearers were nephews of the deceased, Wm. Pocklington, Earl Pocklington, Garfield Grey, Fenton Smith, Cass Zeluff and Walter L. Exelby.

Those from out of town attending the funeral were, Mrs. Clara Brown of Hastings; Eugene Zeluff of Toledo; Mrs. Sholtz of Dunbraska; Jasper Cook of Idaho, Nebraskao Jasper Cook of Dundee; Mrs. Eliza Zeluff, Mrs. Serene Gibson and son, Mr. and Mrs. Cass Zeluff, Mr. and Mrs. Garfield Grey, Mrs. Vie Zeluff, Mr. and Mrs. Ford Exelby, Mrs. Amos Underwood, Mrs. Arthur Underwood, Mrs. Henry Bachman and Mrs. Tina Smith of Britton; Mrs. Sarah J. Avery of Battle Creek; Mr. and Mrs. Fenton Smith and son and daughter, Mr. and Mrs. Earl Pocklington and daughter of Adrian; Will Pocklington of Detroit; Mr. and Mrs. David Boyce and daughter of Brooklyn and Will Boyce of Jackson.

Card of Thanks.

Through the Herald we wish to thank the friends and neighbors for their many acts of kindness during the long illness of our beloved one. We also appreciate the beautiful flowers sent by the Presbyterian Sunday school class, O. E. S. and many others. Especially do we thank Rev. Kiskaddon for his comforting words and the singers for their selections.

WILL MAKE EXTENSIVE REPAIRS.

A meeting of the members of the Methodist congregation and the official board were held Monday evening at the church parlors, with an attendance of thirty.

A contract was let to O. G. Covert & Co., Ft. Wayne, Ind. for the decorating work and the contract for the carpenter work and the repairing of the windows and the other damage done by the fire was let to the M. K. T. Co. of Tecumseh.

It was decided to install a steam heating plant, but no contract has been let. According to agreement, the work is all to be finished by Easter, if possible.

The Ladies' Aid Society have taken upon themselves, the purchasing of a floor covering for the main auditorium.

A committee to arrange for the repairs was appointed as follows: Rev. H. J. B. Marsh, Mrs. Guy E. Belding, Homer Whaley and Dr. E. D. Brown. The finance committee was composed of C. E. Williamson, James McCoy, Arthur Harding, and Earl Updyke. Another committee to prepare the basement for the installing of the furnace was appointed as follows: Wilfred Waldron, James Mark, Alfred Wright and J. O. Eaton.

After this meeting, the official board met and confirmed the action as taken above.

It was too bad the fire had to happen, but the Methodist Church will be very modern and very pretty when all the repair and redecorating work has been completed.

IN MEMORIAM.

In loving memory of Foster J. Johnston, who fell asleep in Jesus, January 19, 1912. "Blessed are the dead that die in the Lord," Rev. 14:13. We would not bring you back, beloved, to the wilderness. We will meet you soon at the pearly gates.

Everybody Gives Up One Day In Six, Roger Babson Estimates. Britain Alone Exceeds America In Costly Government, He Declares.

Wellesley Hills, Mass. Jan. 18—How much of your productive time during 1922 was used in paying taxes?

Roger Babson, the statistician answered the question Saturday in a statement that shows the equivalent of one day each week spent to meet the direct and indirect taxes that nation, state, county and city levy.

"One hour and twenty minutes of each business day—or one entire day each week—is demanded of every able-bodied person in the United States to maintain government," says Mr. Babson. "That is the lesson of a recent analysis showing that one-sixth of our national income goes for taxes, federal, state and local. The amount divides almost equally between national taxation and the expenditure for state and local purposes. The question is not, therefore, one of any particular party politics.

Waste is Deplored.

"This habit of 'getting the government to do something about it' is one of the most costly and wasteful ideas that we Americans have developed. It has grown upon us since the war. We became accustomed to things then that would not have had consideration before. Now we are exceeded by one nation only, Great Britain, in our cost of being governed. There the 'unemployment doles' and other legislation put forward by a stronger labor vote have exceeded anything attempted here as yet. But this tendency must be checked abruptly if American business is to survive in the competition which it faces over the next five or ten years.

"Because any one individual does not see the tax collector, he thinks perhaps that he does not pay, but he does pay just the same. Taxation costs represent an item of overhead in everything that any one buys, consumes, or uses in process of working up to a finished product. The tax burden is inevitable. There are a certain number of potential labor hours represented in the individuals making up any community. The number of these labor hours which it takes to protect his property, make safe his home and educate his children are just so much taken away from the possibility of establishing that surplus of wealth upon which the community thrives.

SCHOOLHOUSE IS ROBBED.

Sometime during the night on Tuesday, January 9th, a car drove up behind the Culberson schoolhouse and shortly thereafter the room was broken into and pictures torn off the wall and taken away. Books were thrown out of the desks and some of the library books were taken as was some of the canned food which has been collected for lunches.

Things were quite generally disarranged and the culprits left the same way they came. It looks very much like local talent and there is a gang around here that will bear watching and the sooner some of them get sent over the road the better for the community.

The officers investigated the matter but have not located the miscreants as yet. However, a sharp lookout is being maintained and they may be apprehended before long.

ENJOY AN AUTOMOBILE PARTY.

The Christian Endeavor of the Friends' church met Tuesday evening for their regular monthly business meeting and social, at the home of R. R. VanWinkle on West Kilbuck St.

A short business session was held after which the social committee held a novel Automobile Party. The "Drive" and "Changing a Tire" were especially enjoyed, and when the "Filling Station" was reached, everyone was ready to do justice to the refreshments.

MRS. ROBERT CROSBY.

Mrs. Robert Crosby died at Rome, New York, Thursday at the home of relatives, where she was spending the winter. She was eighty-seven years of age.

Mrs. Crosby was a former resident of this place, leaving twelve years ago to live with her only son, Joseph Crosby and family at Detroit.

The body was brought here Saturday and services were held at the Belding Funeral Home, Rev. Marsh officiating. Burial was made in Brookside. Mr. and Mrs. Joseph Crosby of Detroit accompanied the body here.

INFANT SON DIES.

Louis Junior Smith, the beloved son of Mr. and Mrs. Louis Smith was born October 30th, 1922 and died January 14th, 1923 at their home in Tecumseh, at the age of two months and fourteen days.

Funeral services were held at the home of Mr. and Mrs. Harry Creger on North Union Street, Rev. Escolme officiating. Burial was made at Azalia cemetery.

ANNUAL MEETING IS NEXT TUESDAY.

The annual meeting of the Commerce Club will be held next Tuesday, Jan. 23d at the high school. A good speaker will be provided as well as the usual supper at 6:30 at the usual price.

Everybody come whether you are a member of the Club or not. The president, W. L. Jones, urges that everyone in the community come out to this meeting and enjoy the good time provided. Also take part in the deliberations and help make this big club a success in every way.

The year 1923 should be a banner year for Tecumseh as we have our paving all down in the business section and the boulevard is in as far as the Hayden Mill hill on the east side. As soon as the weather permits a force of workmen will lay the boulevard in the west part of town and other crews will put in the connecting links east and west of the city. This work will be done in the early spring and by early summer the whole pavement will be ready for use. This will give a solid concrete or macadam road from west of Tipton clear through to Monroe with a splendid gravel road from west of Tipton to Jackson.

Tecumseh is the only town of any size on this road between Monroe and Jackson. The nearest to us will be Brooklyn and Dundee, both small towns and we believe Tecumseh will experience a splendid growth in business. Everyone should become active to cultivate this trade territory and make all roads to lead to Tecumseh. By a strong united booster spirit that works for the interest of everyone, and the complete elimination of short sighted policies, this town and community is destined to become a splendid trading center but it can just as easily be killed as encouraged unless a genuine booster spirit is developed that take in everyone and every business on the same level and develops a complete union of forces. Let's go out to the Commerce Club dinner and start the ball rolling for a united booster spirit that will put us across in a big way.

JUNIOR AND SOPHOMORES ENJOY SLEIGH RIDES.

The Juniors met at Geraldine Gillespie's, Wednesday evening and Henry Ruesink and Lillburn Burleson took them in bobs to the home of Large Edwards at Tipton, about thirty [illegible].

Games and [illegible] made the evening a pleasant one and dainty refreshments were served.

The Sophomores met at the home of Frances Gillespie, Saturday evening and went in bobs to the home of Melvin Langton, Howard Truesdale and Stewart McLain taking the loads.

A bountiful pot luck supper was served after which music, games and stunts were enjoyed. Prof. C. D. Wilcox chaperoned the party of twenty-five.

LADIES' BAND ELECTS OFFICERS.

At the meeting of the Ladies' Band held Monday evening, W. L. Coller was elected President, Mrs. Chas. Deery, Vice-President; Mrs. A. E. Foster Secretary, and Clare Camburn, Director.

The band played at twenty affairs last season and the outlook is good for at least thirty-five this season. Several outside parties have already written for dates next summer. The band certainly is a great attraction everywhere they go and is one of the best organizations that Tecumseh has. They deserve our loyal support.

ENTERTAINS AT "500"

Mrs. C. H. Williamson delightfully entertained a large number of friends at "500" on Wednesday afternoon at her home on Chicago Street.

Six tables were filled for the games and a very pleasant afternoon was spent in playing. At the end high scores were held by Mrs. E. E. Hendershot and Mrs. H. S. Temple and low by Miss Ethel Garlinghouse, Mrs. C. N. Graebner and Mrs. Witherell. In cutting Mrs. Hendeshot and Mrs. Witherell secured the coveted honors. A delicious two-course supper was served at six o'clock.

Mrs. Williamson is hostess again this afternoon to a company at Bridge.

BUSINESS MEETING HELD.

The B.Y. P. U. of the Baptist Church held their regular monthly business meeting Friday evening at the country home of Miss Flora Rentschler.

A business session was held and officers were elected to serve the coming year as follows:

President—Mina Lamkin.
VicePresident—Doris Hoag.
Secretary—Helen Sheldon.
Asst. Secretary—Silas Berry.
Treasurer—Gordon Johnson.

A pleasant time was enjoyed in playing games after which doughnuts and coffee were served.

George Hawkes of St. Johns is a guest of Mr. and Mrs. Roy Mark.

Nelson Freeman of Ypsilanti is a guest of his daughter, Mrs. Ernest VanVleet and family.

Gene Zeluff of Toledo came Monday to attend the funeral of Mrs. James Cole and was a guest of Mr. and Mrs. John Orr.

MUSIC COMMITTEE GIVES EXCELLENT PROGRAM.

The Monday Club met in regular session on Monday afternoon at the club rooms with a large attendance. The president, Dr. Bredow, presided.

At the business meeting it was voted not to serve refreshments at any of the meetings during the remainder of the year but to assess those who did not serve on the first committee the usual fee of fifty cents. This action was taken because the club has grown too large to serve in such small quarters.

The program for the afternoon was in charge of the Committee on Music, composed of Mrs. F. B. Wood and Mrs. R. S. Moore and was one of the most charming ever presented by those music lovers who give so much of their time and talent to the public-at-large, and especially to the club.

The program varied in range from simple ballads to grand opera and the numbers were announced by Mrs. Moore as follows:

Piano duet, "The Awakening of the Lion" (DeKontski)—Mrs. Edward Harper and Mrs. Wilfred Waldron.

Solo, "Bird of Love Divine" (Hayden Wood)—Mrs. Maynard Mulvaney.

Tenor solo, (a) "Homing" (Teresa del Rego; (b) "Old Fashioned House"—Mr. Fred Dickinson.

Solo. (a) "At Parting" (Rogers) (b) "Annie Laurie"—Miss Edna Taylor.

Piano solo, "Prelude" (Kachmaminoff)—Mrs. Wilfred Waldron.

Solo, (a) "Since You Went Away; (b) "The Boat Song—Mrs. E. C. Heilman.

Tenor songs, (a) "Sunrise and You" (Arthur Penn); (b) "Mother O'Mine" (Frank Tours)—Mr. Seymour Babcock.

Solo (a) "Where the West Begins" (Frank LaForge); (b) "The Bluebell"—Mrs. R. S. Moore.

Reading—Mrs. Burnett.

Solo from French Opera—Miss Lancaster (of Clinton) accompanied by Miss Doris Kennedy, also of Clinton.

Mrs. F. B. Wood, Mrs. F. C. Dickinson, Miss Edna Taylor accompanied the different numbers.

AMERICAN LEGION HANDICAP.

A small but enthusiastic crowd of bowling fans attended the American Legion Handicap, Monday evening on the Smoke House alleys.

Scores were fair, but except in a couple of instances were not up to the standards maintained thus far this season. Harry Chiverell took the lead for the first week, principally through his closing game of 207. Ernest Church rolled a 195 score for the second highest game.

All Legion men desiring to enter will please be on hand Monday evenings. A way will be offered them to make up the games they are behind.

Following are the scores:

				Total
Chiverall	143	167	208	518
Larsen	197	156	153	506
Bowen	188	130	184	502

HELD VERY INTERESTING MEETINGS.

The illustrated lecture given by Rev. Henry A. Buell, Thursday evening at the M. E. Church, in connection with the week of prayer services, was exceptionally fine.

They were of the work of the Baptists among the criminal tribes of India. The caste system in India is such that a child follows the profession of his father. If a blacksmith, silversmith, merchant or thief, the child must be the same. The missionaries have been able to teach the children of thieves honest professions and the out look for them is a bright one. A collection was taken for this work.

Owing to the illness of Rev. Preston, Rev. Marsh took charge of the meeting Friday evening. A trio composed of Rev. Marsh, Rev. Kiskaddon and Rev. Escolme favored the audience with a selection which was much enjoyed. Rev, Marsh spoke of the various countries of the world and mentioned that the crowned heads were not on the popular list.

Miss Jennie and Allie McCowan received a telegram last Wednesday morning announcing the death of their uncle, D. E. Soper at Chattanooga, Tenn. Mr. Soper was a former Tecumseh boy.

GRANGE TO INSTALL OFFICERS, JANUARY 20th.

Tecumseh Gange No. 166 will install its officers next Saturday, January 20th and everyone is invited to attend.

Following are the newly elected officers which will be duly installed at that time:

Master—Lloyd Hanford.

OUR JUDGE.

It is very gratifying to the general public to learn through newspaper reports that Judge Burton L. Hart will again be a candidate for the office of circuit judge.

We believe that he will not have any opposition for this high post as the Judge is universally conceded to be one of the very best that has ever honored the bench.

Judge Hart is eminently fitted for this high calling, being a man of sterling integrity, brilliant legal, learning, absolutely just, a very hard worker and withal intensely human. We know of no man who is better able to fill this post than Judge Hart.

His decisions are upheld by the Supreme Court almost to the point of universality and litigants and attorneys of every creed and political following thoroughly agree that when Judge Hart presides justice reigns supreme. Strict to the point of severity when it is necessary for the good of the community, the Judge is most merciful to those of the younger ones who come into his court for the first time and who hold a possibility of reformation.

The wisdom, justice and mercy of this court has spread afar and Judge Hart is known as one of the ablest and best jurists that ever sat upon the bench, and Lenawee County is certainly to be congratulated upon the fact that the Judge will again preside over our court.

TOO MUCH GOVERNMENT.

The U. S. right now is suffering with a serious ailment which is nothing more than too much government. When we say U. S. of course we mean the people.

Just refer to the statement of Roger Babson, the statistician, elsewhere in this paper and you will learn to your amazement that Great Britain is the only government in the world that is more costly to the people than the U. S.

Think of sixty days' work being required of every adult in the U. S. to run the government. That means one-fifth of our entire working time is devoted to taking care of the government. Entirely too much. Ten times too much for the good of everyone.

How did we get that way? Easy enough. This is a political government and when we elect someone to office he is besieged by a host of friends (who claim to have helped him get elected) for a nice fat office where the work is light and the pay big. He gets it and others right back of him demand consideration along the same lines and jobs are created by the hundreds of thousands to reward the faithful, their poor relatives and incompetents that can't earn a decent living working for themselves.

Ten times too much government is running us ragged today and still it grows. Those who provide the funds to keep this expensive government going are at their wits end to find something else to tax. They grab at every thing imaginable that will bring a few dollars into the treasury and still they can't provide enough for those who want jobs, etc.

Is it serious or just a pipe dream? Well it is quite serious to those who pay the bill especially the farmer and the home-owner who has everything in sight and gets the full benefit of the taxation. It is quite serious when such men of international fame as Roger Babson says it is a growing menace to our government and predicts that inside of five years business will be in a mighty bad way unless it is corrected.

It isn't at all serious to the barrel-head politician or the fellow who is inside or has some relative who is. It isn't serious to the short sighted politician who gets slapped on the back and told he is a great leader or something else that swells him up like a poisoned toad, but it is serious just the same and wholly uncalled for. But it will continue to grow steadily worse until the people wake up and go to every election and VOTE and at least vote OUT of office every office holder who has helped to put us where we are. In this great country the people are supreme and the ballot is their only weapon. To sit down and say we can't correct it is to admit our form of government is wrong. That is [illegible] Our form of government is the best ever devised by men and when the voters attend to their duties as they should, the evils that have crept into our glorious government will rapidly disappear and again we will find ourselves free from this ailment and back to the good old times when we had just ENOUGH government.

The people are to blame themselves and no one else. Every time some club gets together, they suggest some legislation as a fitting way to imropve something or someone. It may be an improvement but if the cost is not commensurate with the results, then it should not be attempted. However, it is this incessant demand for stone roads, public improvements, and the necessity for making a place for politicians demanding it that has put us where we are. You must not expect the newspapers, preachers, etc., to correct it. They are utterly powerless and should be. They owe it to themselves and to you to give the VOTERS all the light they can on the work of your public servants and the conditions as they exist, but the VOTERS must correct every evil by means of the ballot. for that alone was the weapon given every man for exactly that purpose.

If you don't vote at every election, then you are a shirker and are not entitled to relief for you have utterly ignored your patriotic duty to your government, to your family and yourself. This may be a strong indictment but we believe there can be no other interpretation placed on such a vital neglect.

It has become virtually a fact that men of the best caliber and who would make the very best type of representatives, refuse to run for office because of the mud slinging tactics of theprofessional politician who seeks to have his man elected. It reallly takes courage to run or an office and no person with a good business can afford to do so because the people have seemly taken delight in seeing our highest type of citizens daubed with mud slung viciously and stealthfully from ambush by political brigands who want them defeated because they can't handle them.

As long as the people like such work, they must pay the bill and put in their SIXTY DAYS' WORK digging up the taxes for the gang to use. When the people come out and stand squarely behind the man who will fight for their benefit and keep him supplied with ammunition to man his batteries, then conditions will quickly assume the normal condition of just ENOUGH government. When will YOU take your stand and repudiate those who have put us where we are? When will you actively support the man who will fight such conditions and demand that only such be elected regardless of party creed or faction. When you do, you will get just what you have been praying for, viz: the good old fashioned government that stands for the interest of the masses instead of the politician and the favored few. Just then and never until then.

Big Bear Killed in Pennsylvania

This is one of the largest bears ever killed in the country, and certainly the largest in Pennsylvania.

AT THE BRADLEY.

Splendid Romance Is "The Prisoner of Zenda"

"The Prisoner of Zenda," which has thrilled thousands who have read the book or seen the play, has been made into a photoplay by Rex Ingram, the man who leaped into the front rank of motion picture directors by his production of "The Four Horsemen of the Apocalypse." This Metro picture, which comes to the Bradley Theatre on Jan. 21-22 preserves all those elements which made the Edward Rose stage version of the novel by Anthony Hope, on which the photoplay is based, so popular.

It is a story of the adventures of Rudolf Rassendyll, a young Englishman who for a time became the king of the mythical country of Ruritania and who won the love of the Princess Flavia, after a series of plots and counterplots during which he is compelled to fight for his very life. Beautiful settings, gorgeous costumes, and an exceptional cast contribute to make this romance one which will be talked about by all lovers of good pictures.

Facts About Optometry

By
KARL A. BRAMAN

The studies which an Optometrist must master comprise the anatomy, physiology and pathology of the eye, which include its construction, the functions of the organ, and its importance as an indicator of the general health of a patient—

The detection of the many deviations from normal of the eye which prevent its proper functioning—

The form and character of the various lenses which when placed before the abnormal eye cause it to function as nearly as possible normal[illegible]

The preparation of these lenses and their accurate adjustment to the features of the patient.

So it will be seen that the profession of Optometry is one that is distinctly valuable to the public, both from a health and an economic standpoint.

FOLEY'S HONEY AND TAR

5,285 INSPECTIONS PER CAR

The faithfulness of performance so universally remarked in Dodge Brothers Motor Cars, is due, in no small part, to the thoroughness with which each unit is inspected during the process of manufacture and assembly.

A trained staff of 1100 experts is employed in this work alone, and approximately 5,285 inspections are made on each car.

So exacting and rigid are the standards applied to these inspections that the slightest variation, either in workmanship or material, is sufficient cause for immediate rejection.

Dodge Brothers are almost over-scrupulous in their constant aim to make each car as sound and perfect as is humanly possible.

Here is a Big Opportunity For Some Good Business Man In This Community

Within the next sixty days we will appoint an Oakland dealer in this town. We are looking around for the best man to handle our proposition. Naturally, we have got to be particularly careful whom we choose, because an Oakland dealership carries with it such great possibilities that we need a big, broad guage man—a man with vision and resources who is able to make a real success of this real opportunity.

Just what an exceptional opportunity an Oakland dealership offers, is perfectly apparent when you consider these important facts:

1 We are a permanent division of General Motors.
2 We are pioneer builders of light sixes.
3 We build a high grade six which sells at a low price.
4 We specialize on one perfected engine and chassis.
5 We give a 15,000-mile engine performance guarantee.
6 We provide seven distinctive body types.
7 We write an extremely fair selling agreement.
8 We offer the liberal G. M. C. A. plan to finance time paymentss.

Never before has the selling and servicing of motor cars offered such opportunities. 1922 has been a record breaking year and 1923 promises to surpass it.

If you are the right man, we can prove to you how this connection will be permanently profitable and satisfying to you. Write us and we will give you full information, or if you prefer we will send a man directly from the factory.

OKLAHOMA BEAUTY

Helen Heckman of Muskogee, Okla., is discovering New York with her mother and sister Mildred. The prize winning Oklahoma beauty, in spite of the fact that she is deaf, is talented beyond most people. She sings, plays piano and dances in a way that has attracted the attention of theatrical producers. She is taking in all concerts and shows, and being an expert in "hearing" through sound vibrations, as well as lip reading, she gets the import of everything that is going on. Miss Heckman owes her unusual development to her mother who began her training at the age of thirteen.

CHARLES H. BARRETT PASSES AWAY.

Charles H. Barrett, son of the late William and Sally Ann Barrett, was born in Macon township December 26, 1848 and departed from this life in Ridgeway, January 10, 1923, at the age of seventy-five years and fifteen days.

He was united in marriage to Miss Henrietta Gregory, December 6, 1873 and to this union were born five children, Mrs. Ella Milligan of Detroit, Edward Barrett of Macon, Horace Barrett of Monroe, Mrs. Viola Mark of Tecumseh and Mrs. Myrtle Smith of Adrian.

Besides these he leaves one brother, William, of Ridgeway, and a sister, Mrs. Viola Helm of Toledo, nine grandchildren and two great grandchildren and a number of nieces and nephews to mourn the loss of a kind husband, father and brother.

He spent his whole life in Macon and Ridgeway townships and was always a hard and faithful worker. He was always a kind and loving father and a man who dearly loved his own home. He has been in failing health for about a year, but never took to his bed until New Years day and since then had been slowly and peacefully sinking, until the end came Wednesday evening at seven-thirty.

Funeral services were held on Sunday afternoon at the home at Ridgeway, Rev. Grant officiating. Burial was made at Ridgeway cemetery.

Those from away attending the funeral were, Mr. and Mrs. Henry Orr of Toledo: Walter Beach and son of Grand Island, Nebraska; Obed Beach of Omaha, Nebraska; Mr. and Mrs. Geo. Kempf and family and Mr. and Mrs. Roy Mark of Tecumseh, and George Hawkes of St. Johns, Michigan.

Card of Thanks.

The family of the late Charles H. Barrett desire to hereby express their sincere thanks to the friends and neighbors who so kindly assisted during our recent bereavement, to Mr. Francis Stone and Mrs. Daisy Barnes for the music, and for the floral offerings, and to the pastor for his comforting words.

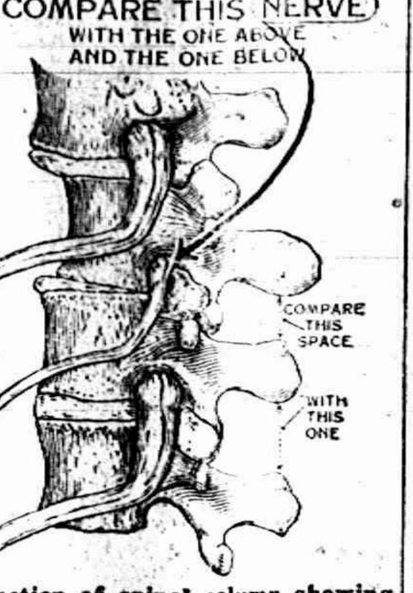
CHIROPRACTIC
COMPARE THIS NERVE
WITH THE ONE ABOVE
AND THE ONE BELOW



(Section of spinal column showing pinched nerve the cause of disease.)

You can get better service and longer life out of anything you possess by taking better care of it.

The same is true of the human body. It is your most precious possession. It occasionally needs repairs. If those repairs are not made just when needed, the usefulness, comfort and life of the body are to that extent injured.

When your car, or your watch, [illegible] valued possessions go on the junk pile, you can buy new ones—provided you have the money. But when your body reaches that stage you can't go out and buy a new one no matter how much money you have. All the more reason then that you should take care of it while you have the chance.

Nature will provide you with plenty of warning signs when something is wrong with the body. It is for you to heed these warnings, and act in time, that you may preserve your body for a longer time, and for greater comfort during life.

Let us show you how the condition of your entire body depends upon the condition of your spine. Consultation and spinal analysis free. Convince yourself that our claims are well founded.

MRS. MARY STELZER PASSES AWAY.

Mrs. Mary Stelzer died at three o'clock Thursday afternoon at her home on South Ottawa St. at the age of eighty-one years. She had been in failing health for the past eighteen months, influenza being the immediate cause of her death.

Miss Mary Ann Kramer was born in Bavaria, Germany, October 29, 1841 and came to America when she was a young girl, her parents settling in Ohio. On June 24 1861 she was united in marriage to Frank J. Stelzer and they made their home at Deerfield until ten years ago when the family moved to Tecumseh.

To this union were born fifteen children. Amelia Stelzer died when nine years of age, and Fred Stelzer died September 14, 1922, leaving thirteen children, Wm. Stelzer and Mrs. Wm. Perry of Loraine, Ohio; Joseph Stelzer of River Rouge, Mich.; Raymond Stelzer of Aurora, Ill.; Frank Stelzer of Joliet, Ill.; Walter Stelzer of Cairo, Mich.; Jack Stelzer of Cleveland, Ohio; Albert Stelzer of Harvard, Ill.; Mrs. Rose Price of Clayton, Mich.; Mrs. Ada Sova of Elyria, Ohio; Misses Elizabeth and Gertrude Stelzer and Robert Stelzer of Tecumseh, beside twentytwo grandchildren and four great-grandchildren.

The funeral services were held Monday morning at nine o'clock at St. Elizabeth's church, Father W. J. Rottach of Manchester officiating. She was laid to rest at the Summerfield cemetery at Deerfield, Mich., the Deerfield priest performing the last rites.

Those from away attending the funeral were a brother, Frank Bettner and daughter Anna, Jack Stelzer and Charles Stelzer of Cleveland; Mr. and Mrs. Albert Yeager, Wm. Stelzer and Mrs. Wm. Perry of Loraine, Ohio; Mrs. Rose Price and son Earl of Clayton, Mich.; Mrs. Ada Sova of Elyria, Ohio; Mr. and Mrs. Joe Drulia of Detroit, Mich.; Raymond Stelzer of Aurora, Ill.; Alfred Stelzer of Harvard, Ill.; Frank Stelzer of Joliet, Ill.; Joseph Stelzer of River Rouge, Mich.; Walter Stelzer of Caro, Mich.; Edward Forche, Sr., Mr. and Mrs. Edward Forche Jr. and son Henry and Mrs. Raymond of Detroit, Mich.; Mrs. Adam Anglemire, Mrs. Wm. Tired of Being an Outlaw

By MORRIS SCHULTZ

Carney had had enough. He was going back to take his medicine. He was tired of being an outlaw; he wanted to see his people again, take what was coming to him and feel free. Those six months had been terrible ones.

He knew no other job than banking, and he had been out of work nearly all the time; he had been in the bread line; at last he got a porter's job and saved up the fare back to New York to face the music.

He reviewed the circumstances in the train. He had determined for a long time to get away with a few of those stacks of bills that were thrust into the bank's vault on Saturday morning. He had made up a parcel of dummies. He planned to walk out of the bank with the real bills; Kate Egan would meet him at the corner of Broadway and Dey, and he would hand them to her.

Kate was to meet him an hour later at the station, and they were to travel separately to San Francisco. Nobody knew Kate, and even if they caught him, the money would not be found.

Carney carried out his program. At twelve o'clock he walked out of the bank, with the packages in his bag. Kate was waiting for him at the rendezvous. He beckoned her around the corner, stepped into a recess, and handed it to her.

"The 1:15, Kate, old girl," he said.

Kate nodded and left him. An hour later he was pacing the waiting room, looking about him anxiously for Kate. She was nowhere to be seen.

He bought his ticket and went on the platform. From there he scanned all the arriving passengers. Still no signs of the girl.

"Hurry up, sir!"

The train was about to start. Carney entered, and walked through from one end to the other, inspecting everyone aboard. Kate was not there.

She had fooled him! Hot indignation filled him. Kate, whom he had always trusted!

The day after his arrival he got a letter from her at the post office He tore it open eagerly.

"You poor mutt," it ran. "I guess you're feeling sick and sorry for yourself now, aren't you? When you get tired of traveling you needn't come back to me, because I'm through with you."

That was all, and six months of hell had followed, rendered worse—if they could be worse—by the contrast between that outcast life and the life they had planned to lead in the South Seas.

However, Carney read nothing about the theft in the papers. Probably it was not worth reporting in San Francisco. He took a room at a cheap lodging house, and turned round in the streets to see if he was being followed.

* * * * * * * *

So he was going back to take his medicine. When the train rolled into the New York terminal he felt an elation that had not been his for all the period of his absence.

When he went into the bank next morning they stared at him as if he had come back from the dead.

"Why, Carney, where've you been?" demanded the cashier sarcastically. "We've all been wearing crape for you."

"Can I see the manager?" asked Carney quietly. He resented the cashier's insult. He glanced back and saw the porter following him slowly, ready to intercept his flight.

"I guess so. Walk right in," said the cashier, grinning.

The manager looked up from his desk, where he was dictating letters to his stenographer. He gave a slight start. "Just a minute, Carney," he said briefly.

Carney stood, looking at him. Mr. Meeson had always had the reputation of kindliness. But the bank had lost several thousand dollars; and the best thing that he could hope for was a couple of years up the river.

"Thank you, that will do, Miss Burroughs." The manager turned to Carney. "Well, Carney, where have you been? You left us in a very unceremonious manner."

The baiting was more than Carney could stand. "I've come back to take what's coming to me," he said, "but I don't want to be kicked." Then, as Meeson looked at him in inquiry, he began to detail the happenings of the six months He told him about Kate.

"I'm ready for the detective," he said. "Please make it brief. I'm not going to make any trouble."

Mr. Meeson smiled. "I'd steer clear of that woman if you run up against her again, Carney," he said "I see you haven't found out yet?"

Hope leaped into Carney's eyes Something, some imperceptible gradation of humor in Meeson's expression encouraged him to hope.

"I didn't know of it till two minutes ago. We didn't know that anything was wrong, Carney. It was evidently the dummy package you took with you."

Advice From the "Spirit"

By EDWARD LEVINE

"Say, Milly, you remember that rich old sucker I was speaking to you about?" asked Harper. "Been having sittings with the slates, you 'member, for three weeks on and off. Crafty old boy. Swallows everything, but won't give his name. Says the spirits will have to tell him who he is before he's sure. Well, he's coming to our seance tomorrow night.

"You remember my telling you about him, Milly. He's got the kale, and we're going to trim him. I've brought him to the point where he's willing to endow a college for psychical research, if we'll tell him who he is.

"That don't bother me none. We can get around that. I followed him home yesterday, and the rest's going to be simple. Well, he's looking for his daughter. Sure you remember, Milly. The girl left his home years ago—went to the bad or something, and he's been hunting for her ever since. Blames himself. He's sorry. You know the type. Soft. Pulpy. Like a sponge. Wow, how we'll squeeze him!

"You'll be the daughter in Summerland, of course, and you'll materialize in the dim religious light. I'll keep the old music-box going pretty loud so as to help out. Gee, there ought to be a mint of jack in it for us!"

Harper and Milly had been associated for three years in their fake medium game. During that period they had been partners in many cities. They had been exposed, moved on, arrested scores of times, but they had done well out of it.

This, however, promised to be a record killing. The old man's identity would be revealed shortly, when Harper prosecuted his inquiries, and he had as good as promised that donation of ten thousand dollars to the imaginary college. Harper and Milly were in high spirits the following evening

One by one the guests drifted in. It was an ordinary back parlor, with a cabinet placed against the folding doors. Within the cabinet sat Milly, dressed in white, ready to go into a trance.

Last of all came in the old man. He took his seat in a shadowy corner of the room. Harper stepped to the cabinet and passed Milly the word.

"Did you lamp the old gink?" he asked. "Looks like easy money. You play the game and we'll sure trim him tonight!"

They sang "Shall we gather by the river?" They ceased. Out of the darkness came the faint tones of the music-box.

"That's Joey!" whispered Harper. "Well, Joey, how's things?"

"Oh, all right, all right!" came Joey's voice. "Say, bo, there'll be somethin' doin' tonight!"

"Dear Joey's always a trifle vulgar. He was a bartender in life, you know," whispered a stout lady to her neighbor.

"The Queen of Sheba," announced Harper.

The Queen of Sheba came out of the cabinet, floated round the room, bestowed her blessing, and disappeared again.

After her came Queen Victoria and Mary Queen of Scots, Lucrezia Borgia and Julius Caesar. These historical characters having played their role, deceased friends of those present materialized one by one. At length Harper stepped up to the old gentleman.

"Your daughter's sent word she's coming," he whispered.

With tremulous footsteps the old gentleman made his way to the front of the cabinet, and tried to recognize the lineaments of the figure in front of him.

"You—you're dead, Esther?" he stammered.

"I passed on five years ago," whispered the figure.

He clapped his hand to his breast. "I'll never forgive myself, darling, Esther," he moaned.

"Oh, that's all right, father dear. Everything is forgiven when one gets over here."

"Are you happy, Esther?"

"Yes, Dad. Do you want me to tell your name?"

"No, no!"

"Or how I used to call you Charley?"

"Esther, I believe, I believe, I wanted you back so much, but you always were proud. I always used to say I'd rather see you dead than dishonored. You always ran straight, dear girl?"

"Yes, Dad." There was a sob in the voice. "Dad, listen! Don't give your money to that college. The spirits don't want you to. The advice was given Harper by thoughtless spirits. Give it to—to a home for fallen girls."

"I will, I will, Esther!"

* * * * * * *

Harper faced Milly after the sitting, livid with fury. "You—you—say," whatcher mean?" he stammered.

"I mean I'm through with you and your snide tricks, Harper," said Milly calmly. "And I'm going out now to look for a job."

ENTERTAINS AT BRIDGE.

Mrs. H. E. Wilson and Miss Ethel Garlinghouse entertained a large number of friends at Bridge, on Friday afternoon at the home of he former on West Logan St.

The rooms were very attractive with potted plants and baskets of winter flowers. Eight tables were filled for the games, at the close of which high and low scores were held by Mrs. R. N. Lowe and Mrs. J. W. Beardsley respectively, and they were presented with dainty prizes. At six o'clock a delicious two-course supper was served.

Mrs. Wilson who with her family leaves soon for Detroit to reside will be missed by a large circle of friends and many regrets were expressed at their leaving.

SAVE MONEY, IT'S WELL EARNED.

Those of our readers who care todo so can easily save considerable money by watching the advertisements of the local mrchants in this paper.

It is a fact that the merchants who advertise in this paper do so to inform the buying public concerning the quality, kind and uses of the merchandise they carry and the prices thereon.

These printed statements from the merchants constitute a very valuable source of information which if taken advantage of will save the buyers many dollars and often show them where they can do much better than they can by buying without being informed concerning the articles they need.

It is a sure fact that the people in this vicinity will buy from our advertisers when they can find what they want, and the merchant who is progressive and who keeps an up-to-date stock of goods, will naturally tell the people about it through the medium of The Herald. If he feels that he is not pleasing the home people and must get his trade from farther away, he will doubtless advertise elsewhere and not here.

The merchant who believes in his own goods and who always has a reliable up-to-date stock that he can sell at a right price will not hesitate to tell the people about it in The Herald for this good old family paper goes into nearly every home in this territory and we are growing rapidly solely because we give the people all the news in a reliable manner and we stand for the best interests of the common people regardless of consequences. The people appreciate this and we have had a great many compliments therefor with the further assurance that those who try to cut our corners for giving the people a square deal will find the aforesaid people will have something to say themselves some of these days.

The times are rapidly growing into very peculiar conditions and it is not certain just where we are headed for but one thing it true that merchants can and should hold the attention of the people in business by informing them through the columns of The Herald just what excellent trade opportunities can be had in their lines. The people look for it in The Herald and if it is not there, they naturally question why? The merchants of all communities know that the people are educated on the subject of buying and that they buy intelligently and carefully. That is why every merchant who carries a reliable line that is dependable, fillls the needs of the community, and is sold at a right price, should advertise the fact to the people through his sales talks every week.

Good people trade with our advertisers. They are community builders and will give you reliable, dependable goods at the right price. We thoroughly believe this and we have yet to know of any article advertised in The Herald that did not stand up to every claim made for it or was not promptly made good. And remember that the Herald is fighting your battles for lower taxes and better living conditions everywhere. If you appreciate this you will be doing us a favor by trading with our advertisers whom we know will give you the best of goods at a right price and they stand right back of them making the word SERVICE mean just what it says. Again we earnestly invite you to read all the advertisements and trade with our advertisers as you are thus helping The Herald as well as yourself and keeping active a newspaper that will fight your battles every week in the year. That is the only way we can ever hope to get relief from our unjust burdens.

FARM BUREAU GIVES 1922 WOOL RESULTS.

The Michigan State Farm Bureau has paid members of its 1922 wool pool in full account of the sales made in 1922 and has announced the average prices received by the wool poolers. The 1922 pool paid the farmer an average net price of 39.14 cents a pound for the five best grades of wool and an average net price of 34½ cents a pound for all 13 grades of wool including discounts, according to the announcement from the State Farm Bureau office at Lansing.

According to local crop reporters' advices to V. H. Church, U. S. Crops Estimator at Lansing, the average price paid farmers for wool by local dealers during the 1922 season was 13½ cents a pound up to Nov. 1 last.

The Bureau has a number of letters from its 1922 wool pool members. F. E. Terrill of Charlotte, Eaton County farmer, said that he was offered 34 cents a pound locally when he put his clip of 1564 pounds into the Farm Bureau's pool. The first week in December the Farm Bureau pool returned him an average of 38.08 cents a pound for his clip, or an additional return of $63.81.

Farm Bureau officials declare that the direction and sales service of the 1922 pool effected considerable savings over previous pools. Preparations are well under way for the Farm Bureau's 1923 wool pool.

Ivy Poison Returns Yearly

Most Eczemas and Skin Rash Are But the Annual Return of the Ivy Poison of Youth

Are you sure that those eczema rashes and scales or those red itching patches that come back to bother you are anything more than ivy poison that attacked you when young? In many sections where they use Whitmarsh Blood Elixir they pay no more attention to poison ivy, oak or sumach than to a rosebush as this remedy is a specific for those poisons. Its action is wonderful. In two or three days at the most, the itching is gone, the red spots are dried up, the poison has been driven from the system and it doesn't come back. It is the most remarkable blood remedy ever discovered and clears away eczema that no kind of ointment or other treatment could touch. It finds its way to the source and is certainly specific in its action. Get a $1.00 bottle today and try it. If it fails get your dollar back. Whitmarsh Blood Elixir is prepared only by Hart-Shaw-Miller Drug Co., Adrian, Mich., and if your druggist cannot supply you it will be sent prepaid on receipt of price.

A USEFUL PAIN

Tecumseh People Should Heed Its Warning.

Have you a sharp pain or a dull ache across the small of your back? Do you realize that it's often a timely sign of kidney weakness? Prompt treatment is a safeguard against more serious kidney troubles. Use Doan's Kidney Pills. Profit by a Tecumseh resident's experience.

John B. Smith, farmer, says: "I suffered from pains in the small of my back. When I had an attack it was all I could do to go about my work. When bending I was seized with dizzy spells, causing spots of fire to pass before my eyes and at night I rolled and tossed in bed and woke up in the morning feeling unrefreshed. I used other kidney remedies but received no permanent benefit. I heard of Doan's Kidney Pills and was induced to try them. After taking a few more boxes I was completely cured."

Rest assured of this: The greater your chances of gain on any investment, the greater your chances of losing all that you have invested.

This is a poor time to speculate. Good investments usually bear a low rate of interest. That's why the rate is low on farm loans, Liberty bonds, municipal bonds and other like securities. The safer your investment the lower the rate. It pays to be on the safe side, even if the income is low. Our Bank buys and sells bonds, mortgages and other reliable securities in which your surplus funds may be safely invested. Ask us about them.

By ANTHONY REIMERT

Old Smithson was an institution at Parker & Hornby's. He had been there thirty years, but he was not so very old for all that, for he had come in as an office boy.

Parker & Hornby had changed hands. The new owners were aggressive, hustling, in contrast with the old, easy-going ways. There was a general stir throughout the office. Retirements and discharges were mooted. New men were being brought in, and the force was being gone through with a fine comb.

Smithson was in the exporting department. None knew better than Smithson that the exporting department had always been conducted laxly. But Rogers, the chief, was one of the original employees of the firm. Old Mr. Parker would have preferred to have suffered considerable losses rather than have let Rogers go.

For years Smithson had been dinning into Rogers ways of improving the department. But Rogers was too easy-going. Smithson's protests had fallen on deaf ears. At last Smithson had given up and confined himself to the routine of his duty.

And now the blow was about to fall. Smithson knew that on account of his age, if for no other reason, he would be one of the first to go. "Young men" was the slogan. Already Greggs the new manager, had been looking about the export department. Greggs had made inquiries of Rogers. They had put their heads together and both looked at Smithson.

Smithson had a wife, also a daughter, in the high school. They lived in a suburb of New York—one of those frame houses on streets bordered by trees that all look very much alike. The people inside them are all more or less alike. Smithson was a good average American, and anxious for his wife and daughter.

"I do hope you'll be promoted," sighed his wife. "You deserve it, if any one does, after so many years' service. If Mr. Gregg is as discriminating as you say, he'll have had his eye on you already."

Smithson said nothing, but he felt an awful sinking at the heart. That was just like Mary; she was one of those wives who believe in their husbands, and she had always thought him wonderful. So did Elizabeth. Elizabeth smiled across the table.

And Smithson, looking at them in despair, knew that it would not be long before this house ceased to be his.

It was not long before the blow fell. The new owners had struck with a vengeance. Head after head was falling, and always with the most uncanny precision. The new man, Gregg, never blundered. He had uncanny insight. It was always the incompetent, the lazy, who were discharged.

Smithson felt the grievous injustice of the summons to the manager's office. He was only forty-three. Forty-three, and alive as ever. If Gregg only knew how hard he tried—once—to stir Rogers up!

But Rogers had no doubt put the blame upon Smithson, in order to save himself. Rogers must have known that Gregg would not stand for his easy-going ways. Smithson had overheard the expression "gingering up" when the two men put their heads together and looked at him.

He went into Gregg's room, and stood looking at the manager, whose eyes met his own impartially. Gregg was a sleek, sandy-haired man, clean-shaven, suave, though a very demon of energy.

And Smithson had to restrain an insane desire to dash his fist into Gregg's face.

"Mr. Smithson, you have been here a good many years," said Gregg. "You know, of course, that we are making a good many changes in the firm. We are trying to introduce modern methods. Many of those who have fallen into a rut have had to go. It's unfortunate, but we have always stood for business efficiency."

He looked at Smithson sharply. "The conduct of the exporting department has been particularly slack," he said. "In fact, the condition of affairs there has caused me a good deal of concern. You have been there ten years, Smithson, and know the ropes thoroughly."

Smithson began to stammer some exculpation as he thought of his home, his wife and daughter. Some incrimination of Rogers. Then he stopped. What was the use?

"We've done our best according to conditions," he said.

"Exactly. But those conditions have to be changed," replied the manager. "Mr. Rogers is resigning, and I want you to take charge. Do you think you can ginger it up a little?"

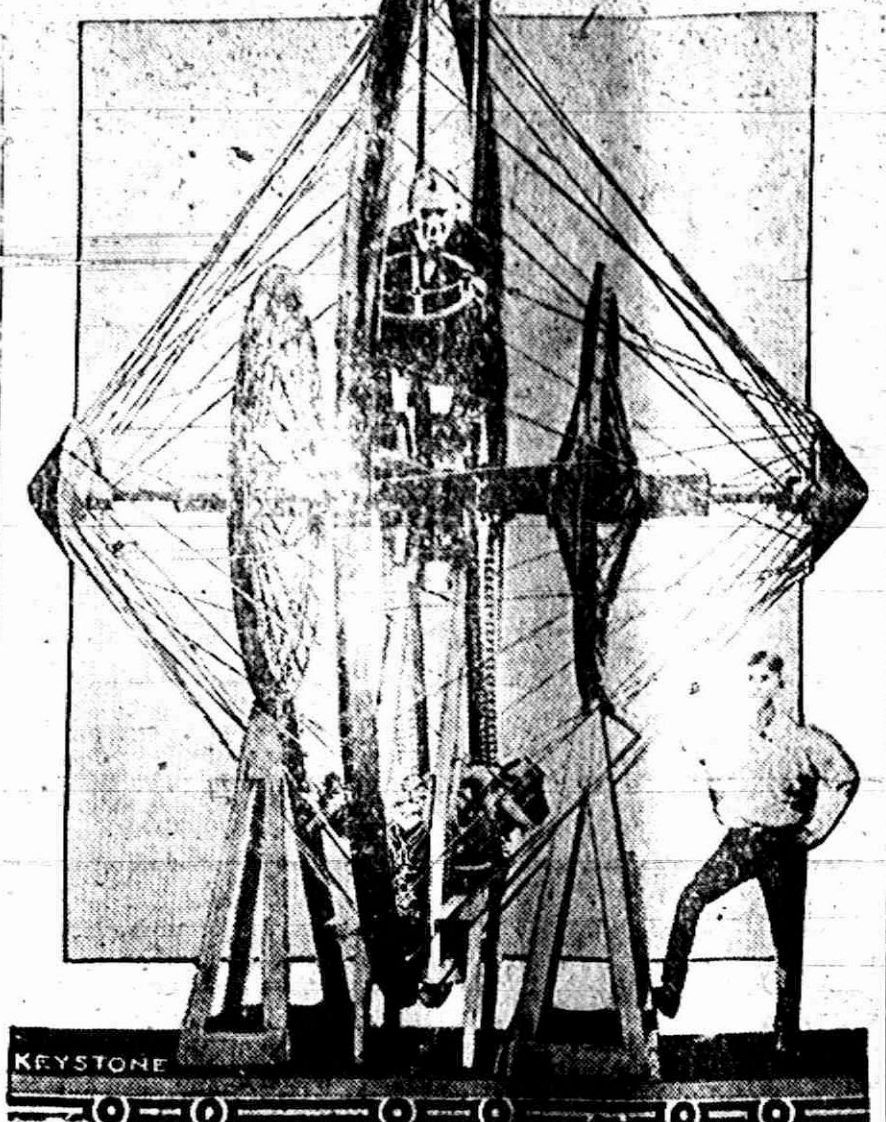
Hopes to Travel 250 Miles an Hour



If the expectations of the inventor, Prof. E. J. Christie of Marion, Iowa, designer of the gyroscope unicycle now in the course of construction in Philadelphia, come true, methods of transportation ultimately will be revolutionized, especially as regards speed. The above 14-foot model is now under way at his shop and may be finished during the winter. Mr. Christie is positive in his prediction it will develop a speed of at least 250 miles an hour. The design is simply that of a giant bicycle wheel with an exceptionally wide axle, controlled and operated like an automobile. The model weighs 700 pounds, is stabilized by two gyroscopes, runs on one rim only and will not upset.

BIRTHDAY PARTY.

Mrs. Floyd Williamson gave a very pretty party Monday evening in honor of the twelfth birthday of her daughter, Miss Louise, at their home on West Chicago St.

The nineteen friends present enjoyed a very happy time in playing games and doing various stunts. In the peanut contest, Jack Beardsley won the prize and James Temple came the nearest to pinning the head on the boy.

At six o'clock the little folks found their way to the dining room which was attractively decorated in a color scheme of pink and white, dainty favors marking each place. A delicious two-course dinner was served the happy crowd.

Covers were laid for Catherine Jean Wood, Jack Beardsley, James Temple, Doris Van Doren, Phyllis Bradley, Edwin Williamson, Elizabeth Snow, Burford Barber, Margaret Murphy, John Anderson, Grace Mary Ketcham, Eleanor Reed, Virginia Wilson, Thelma Priestap, Catherine Heesen, Sylvia Sanderson, Barbara Williamson and Miss Crockett.

Miss Louise received many pretty gifts and many wishes for more happy returns of the day.

Solo, "Necklace of Love"—H. J. B. Marsh.

Vocal duet, "Oh That We Two Were Maying"—Mr. and Mrs. F. S. Dickinson, accompanied by Rev. Buell.

Dainty refreshments were served by the hostess, after which Miss Marion Whelan recited "The Night Wind." Rev. Marsh then gave a humorous story which pleased the club.

Supt. and Mrs. Crampton will entertain in two weeks, February 5th.

KNOCK 'EM OVER.

Members of the American Legion met in the second set of their Handicap tournament Monday eve on the Smoke House alleys. Plenty of "wood" was gathered by some, others showing a reversal of their previous form.

Will Jewell, with a handicap of 25 per game, and by rolling a couple of good games, 208 and 181 pulled out in front, being closely followed by Chiverell and Blesing, both scratch men. The difference from top to bottom being only 153 pins, so upsets can be looked for at any time. High scores for the evening were Jewell 208, Blesing 207, Chiverell 201, Carlton 187, Curtis 186 and Crocker 181.

The standings for men with six games are: Jewell 1054, Chiverell 1041, Blesing 1008, Brown 974, Church 955, Bowen 940, Kent 932, Curtis 912, Crocker 906. Others are: Carlton, 5 games, 8 8; H. Hanna, 5 games, 740; Braman, 3 games, 516; Larsen, 3 games, 506; Drewyor, 3 games, 469.

Other members wishing to enter contest will please get in touch with Blesing or C. Hanna. Those behind in their games can easily catch up by getting down early. Bowling every Monday evening at 7:30.

NEW ENGLAND SUPPER.

A Donation Supper will be given at the Methodist Church, Thursday February 1st.

The menu will be roast pork, mashed potatoes, gravy, baked beans, fruit jello, rolls and brown bread, doughnuts, cheese and coffee.

Interesting Lecture At Monday Club

Given by Naturalist Elmer Lockwood Before Monday Club on "Birds and Animals of South America."

One of the most instructive meetings of the season's work of the Monday Club was that of last Monday afternoon when Elmer Lockwood, Tecumseh's naturalist, was the speaker.

During the business meeting preceeding the study session, the names of Mrs. H. R. Buell and Mrs. Floyd Totten were voted into the club.

Owing to the absence of the leader, Mrs. Hoyt Whelan, the president, Dr. Pauline Bredow, introduced the speaker with a very complimentary speech. He illustrated his lecture with some well drawn maps showing the birds' flights and the formation of the same in their travels from the cold north to the warmer regions of South America. Mr. Lockwood is a great student of bird life and told much of the habits of our feathered friends here and in our sister country. Much of this was new to the members and hence very interesting. The facts the speaker advanced on the birds and animals of South America proved that he had studied much on his subject and was so interested in it that the audience were inspired with the beauty of the inhabitants of the air also. His descriptions were graphic in the extreme and when he was through he left the message of the duty of the people of a more thorough study of the little people around us.

The club are this year studying South America and this feature of the year's work will remain only in their memory.

After the lecture Mrs. Whelan announced a vocal solo, "The Seasons" by Mrs. E. N. Billings who was accompanied by Mrs. Edw. Harper, and a reading, "The Night Wind," by Miss Marion Whelan.

The program for February 5th will be given next week. The subject is "Chili" and Mrs. Mary Ives will act as leader. Papers will be given by Mrs. S. W. Wyman, Mrs. J. O. Eaton and Mrs. Andrew Wilson.

KAISER—IVES.

Miss Leora Ives, daughter of [illegible] R. A. Kaiser of Adrian, were united in marriage Monday morning at the rectory of St. Joseph's Catholic church, by the Rev. Father Stephen A. Wittliff. They were attended by Miss Josephine Symonds and Edward Kramer of Adrian.

The bride is a graduate of Adrian high school and has been employed at the Bazley Market since that time. She has many friends and relatives around here who will be pleased to hear of her marriage.

The groom is also a graduate of Adrian high school. He served overseas during the World War and for the last few years has been employed at the Adrian State Savings Bank.

They left for a short trip to Cleveland and on their return will make their home at Adrian.

WESTMINSTER GUILD ELECT.

Miss Ethel Keyser opened her home Tuesday evening for the Westminster Guild annual meeting. Mrs. J. L. Coller and Miss Edith Gray assisted Miss Keyser.

The officers were re-elected as follows:

President—Miss Grace Gillespie.
Vice President—Mrs. F. C. Dickinson.
Secretary—Mrs. Floyd Russell.
Treasurer—Mrs. E. C. Heilman.

Later "The Women Who Do Things in India" was discussed by Mrs. Franc S. Gillespie and Miss Marion Bills.

The balance of the evening was spent in making surgical dressings under the supervision of Dr. Pauline Bredow. The hostesses served an elaborate lunch.

ENTERTAINS SUNDAY SCHOOL CLASS.

Mrs. Harry Abbott's Sunday School class of the Methodist church, were entertained at the beautiful country home of Mr. and Mrs. Floyd Smith, north of town, Friday evening, thirty being in attendance.

The time was spent in social visiting after which the following very interesting program was given:

Mrs. Wyman at the piano played a miscellaneous group of songs, the ladies singing and the men whistling, which caused a great deal of merriment.

Reading—Dr. C. E. Moorman.

Trombone solo—Wilfred Waldron, accompanied by Mrs. Waldron.

Reading—Mrs. Wyman and as an enchore she gave a musical reading.

A mouth organ solo by Walter Abbott, who played his own accompaniment on the piano.

With Mrs. Waldron at the piano, a pleasant time was spent in singing McComb-Clase songs. The children present did their part on the program at this time, Miss Vivian Abbott singing a solo.

Games and stunts were enjoyed during the remainder of the evening and refreshments were served.

SPLENDID TRIBUTE PAID TO FORMER SUPERINTENDENT.

The Mason, Mich. News has the following to say concerning the work and worth of Supt. Reed of the city schools. Supt. Reed was formerly head of the Tecumseh Schools and many people will read of his splendid success in our neighboring city with much satisfaction and personal pride. Following is the article:

Supt. Reed came to Mason from Tecumseh, Michigan, in 1919, and is serving his fourth year as head of the Mason public schools. Mr. Reed formerly was head of the schools at Blissfield for 10 years, and six years at Tecumseh. In both of these Michigan towns new school buildings were constructed during his administration. During the past two years he has been of great assistance to the school board because of his former experience. Mr. Reed's one fault—if it can be termed a fault—is a disinclination to make himself prominent in the community. He devotes his entire time to his job. Under his management the affairs of the school run along quietly and efficiently. He enjoys [illegible] pupils alike. Even under the adverse conditions which the school has been conducted here during the past two years, the discipline maintained was remarkable. He is an extraordinarily successful school man and he is wrapped up in his work, and this probably explains why he has little inclination or time to devote to activities outside his work Mr. Reed, himself, is inclined to give Principal Van-Putten much credit for school management. "Van," in turn, will tell you that Supt. Reed is one of the best "school men" he ever knew. The NEWS believes that both are mighty good men and they work together in perfect harmony—and the pupils and patrons of Mason public schools are getting the benefit.

MEETING OF GRANGE.

The Tecumseh Grange will hold their first regular meeting under their new master, Lloyd Hanford, at the Grange Hall, Saturday. A pot luck dinner will be served at noon after which the following program will be given at 1:30 o'clock and the public is invited.

Singing by the Grange.

Piano solo—Miss Gwendolyn Boltz.

Reading—selected.

Piano duet—Mrs. Wilfred Waldron and Mrs. J. F. Kiskaddon.

Talk, "The Relation of Birds to Man, from the Standpoint of Dollars and Cents"—M. E. Lockwood.

As this is the first meeting a good attendance is desired.

CAR TURNS OVER, ARM BROKEN.

Last Tuesday while on their way to Jackson, Mr. and Mrs. Forest Mossing of Metamora accompanied by Mrs. M. E. Pruyne, met with a bad accident near Napoleon.

The car struck a very icy piece of road and went into the ditch, turning over. Mrs. Mossing received a broken arm and the others were badly shaken up. No further damage resulted but several cars have gone into the ditch at this place which shows it to be a very bad stretch of road.

CIRCLE ONE ENTERTAINED.

Mrs. F. S. Turner, assisted by Mrs. Floyd Heesen, Mrs. James Updyke and Mrs. Thurman, entertained Circle Number One of the Methodist church, Friday evening at her home on West Chicago St.

A short business session was held, after which a social time was enjoyed . Refrehments were served.

GAVE A FINE LECTURE.

Dr. J. B. Hartzog of Mason, Mich gave a very interesting lecture on "The Threat of the Turk," at the Baptist church, Friday evening. Rev. Buell pleased the audience by playing on the saw and the men's quartette sang a very much appreciated selection.

Commerce Club Enjoys O'Brien

Eighty Members Present To Hear One Of Best Speeches Yet Given. Supper Served By Rebekah Lodge In Elegant Style. Everyone Has Good Time.

One of the best speeches yet given before the Commerce Club was given by "Soap Box" Johnny O'Brien last Tuesday night when eighty members of the club listened intently to his oratory.

The usual six-thirty dinner was served by the Rebekah lodge and it was a very sumptuous affair and right on time with as fine a service as could possibly be found anywhere. There was not only a splendid variety cooked to the queen's taste but it was served so nicely as to command the pleasure of the gentlemen thoroughly. The good ladies and their assistants are to be congratulated upon the success of their part (and a vital part) of the program. Pres. W. L. Jones then introduced the speaker, "Soap Box" Johnny O'Brien, and he certainly gave as true-blue an American talk as was ever heard in these parts. His style was forceful, pointed and his arguments were unassailable as he plead for everyone to stand squarely for the great American institutions and our glorious government.

Mr. O'Brien did not try to cover up or condone the mistakes made by those in authority but, he did show that our form of government and our development under it was the most wonderful and the nearest in perfection ever devised by man during the centuries. He showed conclusively that every line of our great constitution was for the benefit of all mankind and that by standing squarely for this document, we worked out our own freedom to the highest point ever attained in human government.

It was a powerful, eloquent oration that drove [illegible] conviction and sent every [illegible] a stronger and better American. Mr. O'Brien did not [illegible] the socialists but very [illegible]lly pointed out the absolute [illegible]es of that doctrine wherever [illegible] been tried, and he very [illegible] contrasted this with the [illegible]ent success of our government [illegible] of which brought vigorous applause from his listeners.

After [illegible] of this [illegible] Marsh was [illegible] address of great merit. Mr. Marsh is a very pleasing sincere speaker whose words caried deep conviction and brought a hearty applause from his listeners.

Atty. Rathbun in his usual brilliant way gave a very forceful talk illustrated in such a pointed manner that everyone present resolved then and there to take up his future responsibilities with a view to keeping an "eagle eye" on every transaction where it is humanly possible to do so lest we make serious mistakes. His address brought forth a burst of applause that showed his remarks would not soon be forgotten.

Pres. W. L. Jones then took charge of the singing and after a song fest, the meeting adjourned to meet again in February when the annual meeting will be held. Lester Waring also greatly assisted in the program by singing two selections which were received with great pleasure. Mr. Waring is a splendid singer and his efforts are always greatly appreciated. It was an old time meeting full of pep and good will with a dinner and a message that makes an evening well spent.

ICE IS GOOD CROP.

Tecumseh folks will have splendid ice next summer to cool their refrigerators and make ice tea, etc. for both the ice companies here have packed their ice houses to the roof with the finest ice that has ever been harvested from the local ponds.

The ice is as clear as a crystal and from ten to twelve inches thick which is the ideal size to handle and give the housewife the best there is for home use.

WINS FIRST PRIZE.

Several young people of the Presbyterian Church entered a contest to write essays on "Stewardship." The winners were announced Sunday morning as follows: Miss Geraldine Gillespie, first prize; Miss Mary Pennington, second; John Anderson, third and Ralph Helzerman, fourth.

Miss Gillespie's prize was five dollars, each of the others also received a prize of money. The essays showed thought on the part of the young people and the winnersr will now compete for a prize that is offered by the state.

SLOAN—BOWEN.

Mrs. Florence Bowen and Lester J. Sloan were united in marriage Tuesday evening at the Baptist parsonage, by Rev. Henry A. Buell. They were unattended and will make their home in Tecumseh.

Bertha LaPointe Is A Candidate

Will Try For Office of County Commissioner of Schools. Is Most Excellent Teacher And Splendid Executive. Is Graduate of State Normal And Especially Well Qualified.

It should be good news to the rural school patrons to learn that Miss Bertha LaPointe, principal of the West Branch School, has announced her candidacy for the office of County Commissioner of Schools on the Republican ticket subject to the will of the voters at the Primary to be held in February.

Miss LaPointe has lived in this county fifteen years, has taught four years in the rural schols, seven years in the Tecumseh schools and one year in the Adrian city schools.

Miss LaPointe is a graduate of the Michigan State Normal College and is considered one of the very best teachers Tecumseh ever had. She is all that a teacher should be. Capable, well educated, thoroughly acquainted with the best methods of instruction and a splendid executive, she at all times has the highest respect of her pupils and succeeds in getting their very best efforts carefully directed.

It should be the pleasure of every person in Tecumseh and in the rural schools of this county to get out and work for this young lady, who if elected, would give this county one of the best administrations it ever had. Miss LaPointe is a member of the Methodist church and a worker for everything that stands for community excellence.

The Herald is pleased to know Miss LaPointe is to be a candidate and we invite every Republican in the county to assist her in securing the nomination and election which will mean that Lenawee County schools is in charge of an experienced, capable educator that will bring them up to a high standard. Ask for a petition and help get it filled with names, it's your duty and privilege to take an active part in electing a most capable County Commissioner.

PLEASE TAKE NOTICE.

Almost all of our subscribers have set their date around into 1923. That's fine and we hope that the rest will do so this week. If you haven't two dollars to spare, give us a dollar and set it ahead six months and if you haven't that to spare right now, call in and tell us you will be in soon and set it ahead. Those who do not do one of these, may expect their paper to stop with this issue and same will be billed for amount past due the same as any other account. We hope these will be few but Print is so high that we must know where we stand and hence this notice. Please be as fair with us as we have been with you. Remember the Herald is fighting your battle against extortionate taxation and you should give us the very best support in return, and two dollars is royal good support. What do you say?

A GOOD PLAY.

A picture show of unusual worth was presented to the public this week when Manager Guy presented to the screen loving public "The Prisoner of Zenda," one of Rex Ingram's best productions.

The scenery and costuming were both on a magnificent scale and the special music added [illegible] to the evening's pleasure. Watch for the next big production.

HILARITY CLUB.

Mrs. Norman Taylor was hostess to the Hilarity Club, Wednesday evening at her home on East Chicago street.

The time was spent in playing progressive "500," Mrs. Faunt Lenardson receiving high score and Mrs. James M. Artman was consoled. Refreshments were served at the close of the games.

ROOF FIRE.

The fire department was called to the home of Wm. F. Raymond on North Oneida street, Tuesday morning. The roof caught fire from the chimney but was put out before much damage was done.

At noon another alarm was sent in, fire at James Steele in Brownville. A coat caught fire in the hall, but was extinguished before any damage was done.

SAFETY + SERVICE

Houses Without Roofs

What would you think if you were to walk along the streets of Tecumseh and see, every few rods, a house without a roof?

Absurd, of course! And yet many people start to build a savings account and then abandon it; and an unfinished savings account offers no greater protection against misfortune than a roofless house offers against the weather.

If YOUR savings account has been neglected, start now to build it up. Put a roof on your house!

MAIL ORDER HOUSES.

There never would have been a mail order house in existence if the merchants in the small towns had advertised their goods and invited the people to buy from them.

The people very naturally would rather buy from a home concern than send the cash in advance to some mail order house for goods they have never seen. It is the extreme of irony that people who would hardly trust their local merchant to send them a monkey wrench without examining it carefully, will send $10 to a mail order house for something they have never seen EXCEPT in the advertising of that house.

The home merchant used to go on the plan that everyone knew him and would trade with him anyway and he went on that plan until the mail order house grew into a national institution of huge proportions taking hundreds of thousands of dollars out of our county every year and the mail order house did it by ADVERTISING ALONE.

With all the prestige of personal service, personal acquaintance and personal favors wholly in favor of the home merchant he allowed the mail order house to take away the business that rightfully belonged to him, because he neglected to ADVERTISE. It was a plain case of not seeing the power of ADVERTISING and ere he was aware, the people all over the county have been educated to buy unsight and unseen from the mail order house and pay the cash in advance.

It was hardly believable but it has been demonstrated thoroughly and positivelly that the mail order catalogue though the most expensive way of advertising in the world has PROVED ITS VALUE as a business getter. It costs over one dollar to put a mail order catalogue in the home of any one person and that means the mail order house spends as many dollars as there are families for his advertising. Expensive it is but it must bring good results or it would not be done.

As soon as the progressive home merchant himself started to advertise, he found immediately that the people responded and that he could sell much more and better goods and carry an up-to-the-minute line of merchandise by keeping the people informed on his line of goods.

ADVERTISING has built up home business for the home merchant and as soon as he commenced to use modern merchandising methods, he found the people ready to receive it and glad to trade at home. Advertising pays BIG BUSINESS handsome returns though they must use the most expensive methods. It pays the home merchant just the same and he has the advantage of the cheapest and most effective advertising on earth, viz: by using the columns of the old home paper.

Are you using the space you should to boost your business? If in doubt think of the thousands made by mail order houses advertising right here in the territory that ought to trade with you. Don't dam the mail oder house—use his methods and you win.

SNOBS.

A snob is an ignorant, uncouth, uncultured, ludicrous hypocrite who has scercely been out of the township and who through these qualifications imagine they are leaders and much better than their neighbors.

It is the most ludicrous expression of mental deficiency and lack of common courtesy that can be met with and affords the rest of the community loads of fun as they note the efforts of the aforesaid snob to "show off."

The snob in a community is just the same to the common follks as the "court fool" used to be—viz: to furnish amusement for royalty and the common people are as far above the snob as royalty is above the "fool."

Its a picture of human frailties worth seeing to meet one coming down the street with their nose tilted at 45 degrees and assuming an air of "how superior I think I am," they pass their neighbors without even a courteous good morning.

However, they should not be criticised because they have either had no cultural advantages or have had just enough so that their egotism was abnormally developed and someone jokingly told them they were upper-crusters and like the court fool, they believed it.

Sympathy of the broadest kind should be extended them for their mental weakness and the joke of their existence passed by as lightly as possible. However, for being genuinely ludicrous there is nothing equal to the snob.

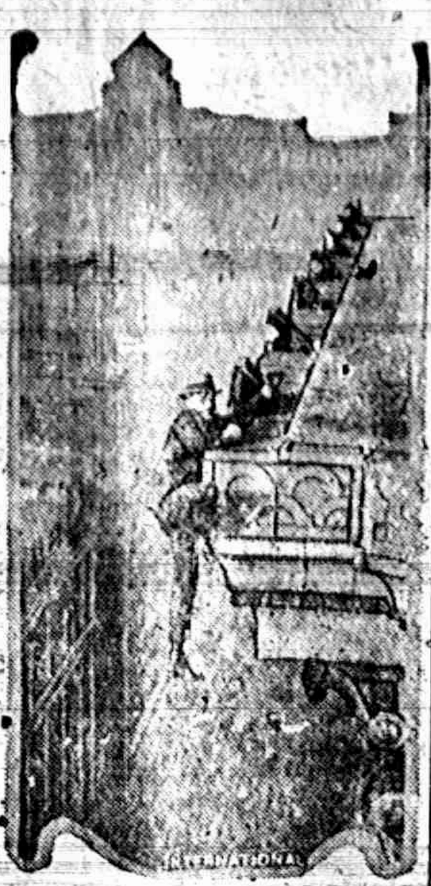
FEAT OF HUMAN FLY



The Nobodies in Society

By MYRA CURTIS LANE.

"We've struck the wrong town, my dear," said Edwin Long to his wife, Ray. "Of all the God-forsaken places—"

"I didn't know there were such towns in America," said Ray desolately.

Not a soul had come to her reception. Why? It was a garrison town, and the officers' wives formed a little set among themselves and ruled the roost. Not to hold commissioned rank in the army was to be a social outcast.

But there was worse for the Longs than that. Long was the local representative of a certain proprietary medicine—Popham's pills. It was one of the standard remedies of the country. A very good pill it was, curing headache, neuralgia, weakness, backache, and a half a dozen other ailments to which humanity is subject.

A pill representative! Who was going to call on the wife of a pill representative? Every aristocratic nose was turned up at the Longs.

Especially that of Mrs. O'Dowd, whose husband, the colonel, was expected daily back from the Rhine, bearing his blushing honors thick upon him. The doughty colonel had killed four men in a heroic hand-to-hand encounter. His fame had been sung everywhere.

O'Dowd came home. There was a procession of veterans to meet him, bearing flags. O'Dowd made a speech from the porch of his house. Everybody yelled. Mrs. O'Dowd's social leadership was established forever. The Longs were altogether out of it. People were very polite to Mrs. Long on the street, including Mrs. O'Dowd—only they weren't invited.

"How do you do, Mrs. O'Dowd," said Ray Long as she met the colonel's wife coming out of the department store.

"Not very well, my dear," answered the society leader. "I'm afraid I've been overdoing it a little with those receptions for the colonel."

Mrs. O'Dowd was worse than she had known. Within a week she was in bed, helpless. Within two weeks specialists, gathering from all parts of the land to attend the hero's wife, admitted that her disease appeared beyond their control.

She was paralyzed from the waist down, she was tortured with headaches, she had no appetite—in fact, as Mrs. Long said to her husband, she had just those symptoms that Popham's pills were guaranteed to alleviate.

"Nonsense," said Long. "There's nothing to 'em but a little calomel and a good deal of faith curing."

Ray Long believed in Popham's pills. Had they not cured her of that backache which two doctors couldn't alleviate. Ray was good-hearted. She sought an interview with the invalid.

"Dear Mrs. O'Dowd, if you would only try Popham's," she said. "Do let me send you a box. One three times a day, after meals, with a little water to follow."

Mrs. O'Dowd allowed herself to be persuaded. She was in a mood to do anything. The box of Popham's came.

Now, whether it was the virtue in the pills, or faith-cure, within two weeks Mrs. O'Dowd was out walking. Everybody was amazed. Sales of Popham's pills increased a hundredfold in the town.

"A wonderful remedy, sir," said the colonel, shaking Long by the hand. "It's cured my wife completely. I'd never have believed it. Amy says that in future she'll never be without a box of Popham's in the house."

Praises showered on Ray as she went down the street. Everybody had suddenly become friendly. The local newspaper, which ran a back page advertisement of Popham's devoted a column to explaining why Popham's had cured Mrs. O'Dowd. Popham's sent down a representative from headquarters, with orders to secure a signed statement from Mrs. O'Dowd and her photograph.

Ray gave another reception about this time. She had three visitors—Mrs. O'Hara, the wife of the fire insurance man; Mrs. James, whose husband was in an office, and Mrs. Blenkins, the widow of a lumber merchant. But there was no sign of the military. Ray wept.

"It's no good, Edwin," she said to her husband that night when he called home. "Socially we'll always be nobodies. I did so hope that Mrs. O'Dowd would show a little gratitude at least. Why is it?" She clung to him, weeping.

"I think the explanation isn't difficult," answered Edwin. "You see, you only saved a life, and Colonel O'Dowd—well, he took four lives with his own hand."

BASKET BALL GAMES.

Last weekend was a busy and victorious one for the local basket ball teams. The girls first team went to Battle Creek, Friday where they won by a score of 42 to 4. Those going were Owens, VanWinkle, Crittenden, Wilson, Crampton, Turner and Daisher. Supt. Crampton and Miss Wolff accompanied them.

The boys first team played the Adrian Baptist team, winning by a score of 19 to 13. The second team played Deerfieldl on their floor and were defeated, the score being 18 to 13.

As a preliminary game, two seventh grade teams tried titles. The H. S. Orchestra played during the evening.

DODGE BROTHERS
MOTOR CAR

Winter never fails to bring this car renewed praise.

It is because the starting system and carburetor seem to be almost immune from cold weather troubles. The response is prompt, even on the coldest mornings.

The cord tires, with their safety tread, are also particularly desirable in winter. They not only act as a safeguard against skidding, but greatly reduce the possibility of having to change tires under disagreeable weather conditions.

Close fitting curtains, which open with the doors, enable the owner to drive in comfort the whole year round.

Here is a Big Opportunity For Some Good Business Man In This Community

Within the next sixty days we will appoint an Oakland dealer in this town. We are looking around for the best man to handle our proposition. Naturally, we have got to be particularly careful whom we choose, because an Oakland dealership carries with it such great possibilities that we need a big, broad guage man—a man with vision and resources who is able to make a real success of this real opportunity.

Just what an exceptional opportunity an Oakland dealership offers, is perfectly apparent when you consider these important facts:

1 We are a permanent division of General Motors.
2 We are pioneer builders of light sixes.
3 We build a high grade six which sells at a low price.
4 We specialize on one perfected engine and chassis.
5 We give a 15,000-mile engine performance guarantee.
6 We provide seven distinctive body types.
7 We write an extremely fair selling agreement.
8 We offer the liberal G. M. C. A. plan to finance time paymentss.

Never before has the selling and servicing of motor cars offered such opportunities. 1922 has been a record breaking year and 1923 promises to surpass it.

If you are the right man, we can prove to you how this connection will be permanently profitable and satisfying to you. Write us and we will give you full information, or if you prefer we will send a man directly from the factory.

How They Cure Ivy Poison

An Old Time Specific That Drives It Out in Three Days and Makes System Immune

In sections where Whitmarsh Blood Elixir is known they handle ivy, oak or sumach like so much

You Need Not Fear Poison Ivy After Using Whitmarsh Blood Elixir

garden weeds. This remedy not only drives poison ivy out in two or three days but makes the system immune from further attacks. It also clears away eczema. Old itching scales that have wept and bled for years, red patches that have come and gone and returned year after year—these disappear in two or three days after the first dose of Whitmarsh Blood Elixir and one bottle usually drives it away to stay away. It is a wonderful remedy and if you are troubled with any form of vegetable poison, eczema or other such skin rash, get a $1.00 bottle today of Whitmarsh Blood Elixir. It has been a standard blood remedy for over half a century and is guaranteed to cure the poison of ivy in three days or you get your money back. Whitmarsh Blood Elixir is prepared only by Hart-Shaw-Miller Drug Co., Adrian, Mich., and if your druggist cannot supply you it will be sent prepaid on receipt of price.

The Kids of Long Ago

By JOHN PALMER

Crossways was an "old" town. All the young people had gone into the cities. The group of old men gathered about the corner store sighed, stretched their limbs in the bright autumn weather, and thought of the time when they were boys.

Eli Creagan sighed. "Guess the weather's due to change, boys," he said.

Sam Hollis agreed and stuffed another fill of tobacco into his pipe.

"There's a new feller in town," said old Abraham Cowl. "Wonder where he comes from."

The stranger who approached the little group might have been of any age between twenty and fifty. He had a clean shaven face, long hair, and bright, twinkling blue eyes.

"Swede, I guess," said Eli Creagan.

"Hello, fellers!" said the stranger; and the old men stared at him.

"What's doing in town?"

"Aw, there ain't never nothing doing in this bum hole!" said Sam.

"Let's go fishing!"

They pricked up their old ears. None of them had fished since they were boys.

"I saw a mighty lot of perch and sunfish down in the crick. Get your hats, fellers, and foller me."

Whatever the magnetism of this extraordinary stranger might be due to, they could not help but obey him. In a few moments the three old men were toddling after him down the road as fast as they could go.

"Hey, wait!" called Abraham Cowl. "My old legs ain't as quick as yourn."

"Nothing the matter with your legs—any of you," replied the stranger.

And it was an extraordinary thing, but from that moment none of them felt their rheumatic twinges any more. They hobbled after him as brisk as boys.

When they reached the creek the stranger cut four poles, and, producing string and hooks, and a tin of worms from his capacious pockets, soon had four fishing poles, hooked and baited. At the first attempt Abraham Cowl yelled:

"I got one! I got one!"

And his line came up, with an enormous sunfish at the end.

"I got one!" shouted Eli Creagan; and they all agreed that they had never seen a perch so big before.

Then Sam Hollis fished up a catfish, a monster, and within an hour the banks were covered with fish.

"Had enough, boys?" asked the stranger. "Come on, then Old Man Hodge's apples are ripe. I was looking at them as I came along."

"Say—" began Sam Hollis.

"Just the thing, boys. We'll fill our pockets."

"But—but 'taint right," gasped Abraham Cowl.

"And he keeps a bulldog," said Eli Creagan.

"Aw, come on. Be sports! Are you scared of a bulldog?" the stranger demanded.

Under the influence of this extraordinary man they felt utterly devoid of the power to oppose him. Gathering up their catch and threading them through the gills they all set forth in the direction of Old Man Hodge's orchard.

They arrived puffing, for the stranger made them run all the way. Sure enough, the apple trees were loaded with red, ripe, luscious apples.

"Come on, fellers!" said the stranger, shinning up a tree. And the three followed suit. In a minute they were filling their pockets and taking luscious bites into the fruit.

"Hey, there!"

It was Old Man Hodge running across the fields, a shotgun in his hand. By his side careered a barking bulldog.

In a moment the four were shinning down the tree and running as hard as they could go. After them came the bulldog. The irate shouts of their pursuer grew fainter, the barking of the dog died away in the distance.

Gasping and panting the three old men pulled up in front of the corner store.

"Whew!" said Abraham Cowl. "That sure was nip and tuck, boys! Hi, where's the stranger?"

"Where's my fish?"

"Where are them apples?"

They stared at one another, in bewilderment. Neither stranger, fish, nor apples were to be seen.

"I guess we been dreaming," muttered Abraham Cowl.

"Who was he?"

"Say, I was wondering," said Sam Hollis.

"What's that?"

"Wasn't he the—the sort of kid each of us used to be?"

MERCHANDISING METHODS

that have proven satistory and successful in our effort to make THIS STORE a safe place to trade the year around.

***Exemplified* in appreciation and confidence of the loyal and continued support of our old friends and customers.**

***Endorsed* by the ever increasing new patronage.**

TO our old, as well as new and prospective customers, and for the benefit of those who have forgotten, or may have never seen the announcement of the principles and methods adopted at time of opening and employed in the everyday business of this store, we wish at this time to repeat in the following paragraphs, only more emphatically than before, the business methods, which have stood, and will continue to stand for Honest Quality, Honest Values and fair dealing.

The Policy **Greater selling facilities** gives us greater purchasing power and greater purchasing power means buying for less. Increased volume will reduce our overhead expense and less overhead means we can sell to you on narrower margins of profit. This is to be a store of Standard Values. Sales will be unknown and unnecessary, for merchandise will be marked at "sale prices" 365 days in the year. Right now, and always, our goods will be marked on the very lowest margins of profit—lower than any other store you are apt to come in contact with. At all times prices here will be as low as it is safe for you to pay with security of Service and Satisfaction.

The Service **This store has been arranged with you in mind.** We've increased the floor space and put displays right out in the open to save your time and temper. We've tried to make this store a pleasant place for purchasing or visiting. We've aimed to present a service that's human, friendly and sincere without "airs" or "standoffishness." We realize that Success does not lie alone in attracting customers, but in holding them, and we're in business to make friends as well as sales. Modern fixtures, modern methods of convenience and service make this a comfortable place for you to buy. In short, greater variety and more satisfying selling service at lower prices always.

The Merchandise **Only merchandise of** merit in mode, material and making has been admitted to this store. A quality collection of nationally famed Clothing, Hats, Haberdashery, Luggage and Boys' Wear of very spruce and splendid type. Our aim has been to assemble the rightly priced as well as the rightly styled, backed by our guarantee of Basic Quality and Honest Value. It is not only our effort to elevate standards, also making this store a place where finest apparel may be obtained at any time and at all times at reasonble, reachable prices.

PLANS COMPLETED FOR M. A. C. FARMERS WEEK.

East Lansing, Jan. 25.—With programs completed for the various meetings, and exhibit material groomed for the display booth, plans for the annual Farmers Week at M. A. C., from Jan. 29 to Feb. 2, were finished here this week.

Preparations have been made to receive the largest crowd of farmers and their families which ever gathered for the annual conference. More than 5,000 registered in 1922, and an even larger attendance is expected next week. Farmers Week has grown steadily for the last half dozen years, each crowd exceeding the previous one by a large margin, until the occasion has come to be by far the largest gathering of its kind held in the state.

Thirty farm associations and groups will hold their annual meetings during Farmers Week this year. Addition of the fourteen special associations numbered under the Michigan Improved Livestock Breeders and Feeders Association to the lists of convening groups has doubled the number for the coming conference.

New and interesting exhibits on all phases of agriculture and rural life will be on display in the college buildings, championship livestock being featured especially. Speakers of wide reputation will address the meetings of the general program,—business and politics, as well as agriculture, being represented from the platform.

Special emphasis is being placed on women's exhibits and meetings, a complete program of home economics material being prepared for those who are interested. The college's slogan has been "Bring the Whole Family," and no effort is being spared to provide plenty of entertainment for the wives and mothers, as well as for the men themselves.

TIPTON.

A large crowd attended the Farmer's Institute at the Grange Hall, Saturday afternoon and evening. A fine program was given by state speakers and local talent.

Mr. and Mrs. Wilfred Blair of Wakeman, Ohio, are visiting relatives in this vicinity.

Mrs. H. D. Baker entertained Sunday in honor of Mr. Baker, the affair was a complete surprise. Covers were laid for Mr. and Mrs. G. D. Baker and family, Mr. and Mrs. John Cook and family and Mr. and Mrs. Wm. Jackson. It being near the birthday of Mrs. Jackson also. A fine time is reported by all.

Misses Leola Hardy and Julia Ogden of Ypsilanti were guests of their parents from Thursday until Sunday.

Mr. and Mrs. D. J. VanValkenburg assisted by Mr. and Mrs. Alton Whelan. Mrs. G. D Baker, Mrs. H. D. Baker, Mrs. A. S. Rogers and Mrs. Everett Case installed the Grange officers at Raisin Valley last Tuesday.

Mrs. H. G. Daniels and son Ralph went to Jerome Friday, for a visit with her parents, Mr. and Mrs. Stanley Murrey.

Mr. and Mrs. Lloyd Lewis of Adrian were callers Sunday at the home of Mr. and Mrs. F. E. Derby.

Facts About Optometry

By

KARL A. BRAMAN

Many of the universities and colleges have during the last few years added Optometry to their list of studies. These instruct students in this profession, and prepare them to take the necessary examinations.

The requirements demanded by these institutions before a student will be admitted are very high. Most of them require that a student shall have graduated from high school, and after admission they must study the profession of Optometry from two to four years before they are eligible for graduation.

After graduation a student is not permitted to practice Optometry until he has taken the examination prescribed by the state in which he proposes practising.

SAYS NEWSPAPERS DID IT.

The following article clipped from another paper shows just what newspaper advertising did for one of the baking powder companies. It will do for every other business just what it did for this concern.

The Calumet people used and are using liberal space in the Herald and we are glad to note that they are getting results. Why not follow their example. Foreign advertisers find that the old weekly paper that is read from head-rule to foot-line and over again and then loaned to the neighbors is the paper that brings results in advertising and why shouldn't it? The daily papers are read and thrown away the same evening because another one comes next day. Read what this man says. It's worth thinking about and acting on every week in the year.

Attribute Their Success To Newspaper Advertising

Advocates use of Newspaper Publicity

In an interview today, Mr. Warren Wright, President of the Calumet Baking Powder Company—the largest Baking Powder Company in the World, strongly advocated the use of newspaper advertising, and points to Calumet's success as proof of his statement.

Sales 2 1-2 Times as Much

"Calumet sales are 2 1-2 times as much as any other brand" stated Mr. Wright, "and we attribute this to our lavish use of newspaper space. We believe that the newspaper is the most direct medium we can use in getting our message across to the housewife and we know from our experience covering thirty years, that the housewife will respond to newspaper advertising quicker than she will to any other form of advertising."

Newspapers Protect Readers

"The housewives have confidence in newspaper advertisements because they know that the newspapers set up high standards for their advertisers. It is for that reason that the housewife looks to the newspaper for information on products in which she is interested.

Advertised goods are guaranteed goods. It pays to buy that kind.

AT THE BRADLEY.

Mrs. Castle Again Appears on the Screen.

Mrs. Irene Castle, famous danseuse and actress, appears again on the silver sheet in "Slim Shoulders," which comes to the Bradley theatre, Saturday, January 27th.

It is difficult to estimate in advance the welcome that local theatre patrons will accord this celebrated and popular artiste. Suffice to say that the Bradley theatre will no doubt be crowded to capacity. Whenever she appears in this city Mrs. Castle has always been favored with capacity audiences, whether appearing in person or on the screen, and it is safe to assume, therefore, that "Slim Shoulders" will draw record houses at each performance.

Lewis Stone Seen in a Double Role

Lewis Stone, one of the foremost character actors of the screen, takes the role of John Keith, the hunted man, as well as the part of Derwent Conniston of the Royal Mounted Police in "The River's End," adapted from the novel of the same title by James Oliver Curwood. The picture, which is released through First National will be shown at the Bradley theatre, Sunday, Jan. 28th.

The story calls for thrilling and breathless situations in almost every scene, and, knowing Mr. Stone's ability to play such parts, Marshall Neilan selected him for the double role.

Mr. Stone has had a successful stage career. Many theatregoers remember his splendid acting in his most successful play, "Inside the Lines," which he later used as a film vehicle.

OBITU Y.

Frank W. Satt was born in Lodi township, W tenaw County, August 8, 185 and departed this life January 1, 1923, aged 69 years, 5 mont and 3 days. April 3, 1872 was united in marriage to M. Mary Rogers, to this union were born four boys, Charles and George at home with the aged mother and Arnett and Roy.

They lived for awhile near Lodi, then they moved to a home east of Clinton in Bridgewater township, where they resided a few years. They then moved to Cario, but soon returned to the home east of Clinton where they lived until 1911 when they moved to the village of Macon.

Never a word of complaint was uttered altho Mr. Satterla suffered for years with rheumatism and asthma. With his going we have lost a kind and gentle husband and a loving father.

A few years ago he sought and found the Master and remained faithful unto death.

Mr. Satterla was well and favorably known and his kind smile will be missed by all who knew "Dad."

Funeral services were held from the M. E. Church, Macon, Rev. Grant of Ridgeway, officiating. Burial was made in Macon where he was laid to rest beneath the floral tributes of church and friends.

Pall bearers were Charley and Arnett Satterla, Peter and Lavern Socks, Charles and Emmet McCollum.

Those left to mourn his loss are the wife, the four sons, two daughters-in-law, four grandchildren, two brothers, Bert and Fred Satterla of Howell, besides a host of relatives and friends.

Card of Thanks.

We wish to thank all the neighbors and friends who so kindly assisted us during the death and burial of our dear husband and kind father. We wish to thank especially those who sent the flowers, Mr. M. Williams, Mrs. L. Coller, Miss E. Bancroft and Mr. C. Camburn for the beautiful hymns and Rev. Grant for his comforting words in time of sorrow.

The Man Loved by Two Women

By MYRA CURTIS LANE

After Dolly learned about the other woman she showed no change in her attitude toward her husband. Jim and she had been estranged for years, and they continued estranged.

Nevertheless, it rankled, eating into her very heart and soul. She would lie awake in her room at night with clenched fists, hating, hating—not Jim, but Alice.

She wondered what Alice was like. Because she herself was tall and dark, she pictured a slim little blonde person as the woman who had stolen the remnants of her husband's love from her.

And Jim never suspected that she knew, for Dolly never said a word.

Besides, he was all wrapped up in Alice—had been for years. Little by little, with grim persistence, Dolly learned little details about her. For instance, in the beginning there was that letter that she had found in Jim's old suit. Then there was the address—she found that out by seeing it penciled on a memorandum card. And Alice liked chocolates—she learned that when the bill was sent to their house instead of to Jim's office.

Dolly sent the bill back to the candy store, and it went to Jim's office, she supposed. Jim never knew.

And Dolly never said a word.

But her heart was burning in her, and she had never known before what it meant to hate so bitterly.

Some day, before she died, she would come face to face with Alice.

But it was Jim who died. He fell ill of pneumonia and died five days later, Dolly sitting beside him, holding his hand and kissing his forehead. And with Jim's death something of her former love for him awakened in her again.

It was some time since Jim had been to see Alice. He had been kinder to her, too, of late. She wondered whether he were growing tired of Alice—after all those years.

A letter came from her for Jim the day after he died. Dolly put it away; she could not bring herself to open it. And she rejoiced in her grim fashion that Alice did not share her knowledge that Jim was dead.

But as the letters began to come more and more often—they were forwarded to Jim's office—Dolly began to be troubled. She supposed she would have to let the woman know. She could not leave her in ignorance forever. It was—she swallowed hard—it was fair to Jim.

She went to see her, and found her exactly as she had supposed—one of those slim little blondes that steal men's hearts away. Alice lived in an apartment in a middle-class hotel. Dolly wondered whether Jim paid for it; but she never found that out.

Alice rose to receive her. Her eyebrows were a little elevated; she was trying to put herself on the aggressive.

"My hubsand isn't coming to see you any more," said Dolly.

"Indeed?"

"No. You see, he's dead."

The instant she had said it she regretted it, for Alice took the news as if she were stunned. She dropped in a heap of lace and muslin on the lounge in her boudoir. Dolly stood beside her, at first triumphant, then pitying.

Alice raised her tear-stained eyes—Dolly had never shed a tear when her husband died. "Tell me about it," she sobbed.

So Dolly told her. She even told her to wrest the last drop of bitterness from her heart, that Jim had spoken her name three times before he died, while he was unconscious.

"I don't suppose you know I've known about this for years?"

"Listen to me!" Alice had risen and was confronting her. "Jim loved you more than me!"

"What!"

"It's always the way. Didn't you know? They always go back to the wife in the end. Your husband and I parted forever four days before he was taken ill. I supposed when he didn't answer my letters that he meant it. And he did mean it. You see, I loved him, always loved him, never loved anyone but him. And he loved you more than me, deep down in his heart, although he hardly knew it himself."

And she burst into bitter tears. And with those all Dolly's hate and hardness seemed to dissolve. Gently she took Alice in her arms.

"We both loved him," she said softly.

GOOD NEWS

Many Tecumseh Readers Have Heard It and Profited Thereby.

"Good news travels fast," and the many bad back sufferers in Tecumseh are glad to learn where relief may be found. Many a lame weak and aching back is bad no more, thanks to Doan's Kidney Pills. Our citizens are telling the good news of their experience with this tested remedy. Here is an example:

Mrs. F. Stauffer, 102 E. Kilbuck St., Tecumseh, says: "I have a lot of hard work to do and being on my feet so much, put my kidneys out of order. My sight became affected, so I had to wear glasses. My back got so painful I couldn't stand it. Many times I had to go and sit down. I had dizzy spells, too. Doan's Kidney Pills, purchased at Wright & Son's Drug Store relieved me of this complaint. I willingly recommend Doan's."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Stauffer had. Foster-Milburn Co., Mfrs., Buffalo, N. Y. adv

Safe Investments

Rest assured of this: The greater your chances of gain on any investment, the greater your chances of losing all that you have invested.

This is a poor time to speculate. Good investments usually bear a low rate of interest. That's why the rate is low on farm loans, Liberty bonds, municipal bonds and other like securities. The safer your investment the lower the rate. It pays to be on the safe side, even if the income is low. Our Bank buys and sells bonds, mortgages and other reliable securities in which your surplus funds may be safely invested. Ask us about them.

Unusual Winter Comfort

Buick reputation for anticipating your ideas of comfort for all weathers, performance and utility, with models of advanced design is strikingly upheld in Buick open models.

Examination shows how the thoughtful application of simple, practical methods of sealing curtain and windshield joints against wind, cold and rain has resulted in a welcome degree of winter and early spring comfort you never thought possible for an open car.

Closed Car Luxury

Closed car comfort and driving conveniences are most perfectly satisfied in the luxurious Buick closed cars.

From the driver's seat, set forward and at a most restful angle, every control is at the finger's tip, while on the instrument board attractive dials record each function of the car. The large walnut steering wheel guides the car at its lightest movment through the improved Buick steering gear, and the long gear shift lever can be grasped without bending forward.

COL. ALFRED L. MOUDY GIVES LECTURE.

Under the auspices of the Junior Class, Col. Alfred L. Moudy gave a very interesting lecture on the subject, "The Greatest Achievement of the Centuries," Monday evening at the High School auditorium.

Previous to the lecture the following musical program was given by the Junior class:

Selections by the High School Orchestra.

Violin Duet by Gladys Baker and Doris Wood, accompanied by Maxine Wyrill.

Vocal Solo by Helen Sheldon, accompanied by Miss Edna Taylor.

Selection by the orchestra.

The speaker was then introduced. Col. Moudy is an educator and lecturer, having been a superintendent of schools at one time. He is greatly interested in educational work and his lectures are very popular.

He believes "The Greatest Achievement of the Ages" is the Constitution of America and made an earnest plea that the young people of our country appreciate all it stands for, the liberty we get from it and what it cost our forefathers.

The lecture showed a fine spirit of patriotism and proved Mr. Moudy to be 100 per cent American.

After the lecture the orchestra again played.

FALLS AND BREAKS HIP.

A very painful and serious accident befell Mrs. Horace Eaton, aged 82 years, at the home of her son, Jos. Eaton, east of town.

Mrs. Eaton was sitting in her chair and reached for her slippers on the floor. In some manner she lost her balance and fell to the floor breaking her hip.

Dr. Conklin was at once summoned and reduced the fracture but her advanced age makes the accident a very serious one.

Her many friends will be grieved to hear of her misfortune.

GRANGE MEETING.

The Tecumseh Grange held a meeting at their hall Saturday. A pot-luck dinner was served at noon after which a short business session was held.

C. H. Bramble of Lansing, the Overseer of Michigan State Grange was present and addressed the meeting.

M. E. Lockwood gave a talk on "The Relation of Birds to Man from the Standpoint of Dollars and Cents."

The next meeting will be Saturday, February 10th, and a pot-luck dinner will be served at noon.

HOLDS ANNUAL MEETING.

The Missionary Society of the Presbyterian church held their annual meeting Wednesday afternoon, in the parlors of the church. The annual reports of the secretary and treasurer were read, and also some very interesting letters from some of the members who are away at this time.

The following officers were elected to serve this coming year:

President—Mrs. S. W. Boyce,

First Vice President—Mrs. C. H. Kemp,

Second Vice President—Mrs. James Kennedy,

Secretary—Mrs. E. H. Halladay

Assistant Secretary—Mrs. J. Fred Rector,

Treasurer—Mrs. Hobart Mitchell,

Assistant Treasurer—Mrs. Ellen Bowen,

Secretary of Literature—Mrs. C. A. Slayton,

Treasurer of Flower Fund—Miss Alice Wimple,

Secretary of Missionary Education—Mrs. R. M. Moiles.

At supper time the men came in and a very pleasant time was enjoyed eating a picnic supper. A large attendance was present and all report a splendid time.

SURPRISED IN HONOR OF BIRTHDAY.

Mrs. Homer Whaley was pleasantly surprised Tuesday evening when a party of twelve friends dropped in to spend the evening, the occasion being her birthday anniversary.

A very pleasant time was spent in visiting and music and refreshments were served. Mrs. Whaley received many pretty gifts and many happy wishes for the day.

MONDAY CLUB.

The Monday Club met for their regular meeting Monday afternoon at the Methodist church with a large attendance. The subject was "Chili," and Mrs. Mary Ives was leader. Three very well prepared papers were read by Mrs. S. W. Wyman, Mrs. J. O. Eaton and Mrs. Andrew Wilson, bringing out many interesting facts about this country During the business session the name of Mrs. Edward Perry was voted upon and accepted into membership in the club.

Next week the election of officers will be held. A committee to nominate names was appointed as follows: Mrs. Leon Rosacrans, Mrs. B. J. Pulver and Miss Alice Wimple. A speaker from M. A. C. will be present and give a talk on "Home Economics."

BIRTHDAY PARTY.

Monday was Miss Dorothy Babcock's fifth birthday, and in honor of the occasion she entertained a party of little friends from two to five o'clock.

A pleasant time was spent in games, the first one being a peanut hunt in which Eleanor McCann won the prize.

A two course dinner was served the little folks, the table being attractively decorated in a red and white color scheme. A large birthday cake with five candles on it made the centerpiece.

Covers were laid for Eleanor McCann, Sarah Jane Heilman, Edna Brees, Durwent Snell, Elman Service, George Elliott and Frank Harris.

ENTERTAINS CLASS.

The "Friends Successful" class of the Friends Church were entertained Tuesday evening by the Hensen boys, at their farm home south of town.

A business meeting was held and the following officers elected to serve the coming year:

President—Naomi VanWinkle.

Vice President—Russell Comfort.

Secretary—Elfreda Alderdyce.

Treasurer—Mabel Lockwood.

Entertainment Committee—Eyrcil Van Winkle and Martha Comfort.

A very pleasant time was spent in games and stunts, Eyrcil VanWinkle winning the prize in the potato stunt and Everette Hensen in the bird game. Refreshments were served.

Among those present were Mr. and Mrs. Floyd Baker, Melvin Muhn and Everette Hensen of Adrian and Elwyn Hensen of Cement City.

HOLMES—SOUTHARD.

Mrs. Viola J. Southard of Macon and Fred E. Holmes of this place were united in marriage Friday afternoon, by Justice S. W. Bennett at his office at the city hall in Adrian.

They were unattended and returned to Tecumseh, where they will make their home.

EXPRESSES IT NICELY.

The following few lines are taken from the Hudson Post-Gazette and so aptly express the present day situation as seen by most of us that we herewith give our readers the benefit of it.

Taxation.

Tax the people, tax with care,
Tax to help the millionaire,
Tax the farmer, tax his fowl,
Tax the dog and tax his howl.
Tax his hen, and tax her egg,
And let the bloomin' mudsill beg.
Tax his pig, and tax his squeal,
Tax his boots, run down at heel;
Tax his horses, tax his lands,
Tax his blisters on his hands.
Tax his plow, and tax his clothes,
Tax the rag that wipes his nose;
Tax his house and tax his bed,
Tax the bald spot on his head,
Tax the ox, and tax the ass,
Tax his "Henry," tax the gas;
Tax the road that he must pass,
And make him travel o'er the grass
Tax his cow, and tax the calf,
Tax him if he daes to laugh,
He is but common man, so
Tax the cuss, just all you can.
Tax the laborer, but be discreet,
Tax him for walking on the street,
Tax his bread and tax his meat,
Tax the shoes clear off his feet.
Tax the payroll, tax the sale,
Tax all hard-earned paper kale;
Tax his pipe, and tax his smoke,
Teach him gov'ment is no joke.
Tax his coffins, tax their shrouds,
Tax their souls beyond the clouds.
Tax all business, tax the shop;
Tax their incomes, tax their socks;
Tax the living, tax the dead,
Tax the unborn, before they're fed.
Tax the water, tax the air.
Tax the sunlight, if you dare.
Tax them all, and tax them well,
Tax them to the gates of hell;
But close your eyes, so you can't
see,
The coupon clipper go tax free.

ALFALFA.

ENTERTAINS FOR DAUGHTER

Mrs. John E. Murphy entertained a party of fifteen friends, Friday afternon in honor of the sixth birthday of her daughter, Lucy Ivaletta. The little folks spent a very happy afternoon in games and stunts.

At six o'clock they found their places at the table, and were served a bountiful two-course dinner, a birthday cake being one important feature. The little hostess received many pretty gifts and best wishes for the day.

ENTERTAINS AT "500"

Mrs. Raynor K. Anderson was hostess to a large number of friends Wednesday afternoon at her home on North Union Street.

The afternoon was very pleasantly spent in playing "500," at the close of the games Mesdames J. H. Smith, Floyd Heesen and Mrs. Bessie Armstrong cut for high scores, Mrs. Armstrong receiving the favor and Miss Bess Pulver the consolation. A dainty lunch was served at six o'clock.

Mrs. Frank Lewis of Riverside, California, was an out of town guest surprising her many friends. Mrs. Anderson will also entertain at bridge this afternoon.

A SURPRISE PARTY.

Mr. and Mrs. Albert Benedict were very pleasantly surprised last Saturday evening when over fifty of their friends gathered at their home for a party which had been carefully planned by their daughter, Miss Mildred.

Out of town guests were Rev. C. J. Johns and family of Wellsville, and Sidney Hall of Lansing.

A pleasant time was spent with music, games and visiting after which a pot luck supper was served. When the hour came for leaving all declared they had enjoyed a very pleasant evening.

Dr. Clark will talk over the Free Press Radio in Detroit at 7:15 p. m. (Eastern Standard Time) Thursday, February 1st.

GIVES ILLUSTRATED LECTURE.

Rev. Henry R. Buell gave a very interesting, illustrated lecture, Friday evening at the Maptist church, and it was much enjoyed by all present.

The subject of the lecture was Yellowstone National Park, which is situated in the northwest corner of Wyoming, in the heart of the Rocky Mountains. Tourists now travel in automobiles instead of stage coaches and the pictures showed a tour beginning from the northern entrance at Gardiner, Montana.

One of the first sights is the mammouth Hot Springs, which cover several acres, then the hot spring terraces, the largest one, Jupiter Terrace, which extends 2,000 feet.

Driving on about four miles, one comes to the Golden Gate, which is a rugged pass between two walls, which rise from two hundred feet to three hundred feet above the roadway, and are covered with yellow moss, from which it gets its name.

The Obsidian, or volcanic cliff is a wonderful example of nature, and the road which is built around it was constructed in a novel way. Blasting powder was ineffectual, so great fires were built around it and when heated cold water was dashed on it, breaking it in many pieces.

Driving along there are many geysers to be seen. One of the most interesting is the Giant Geyser, which is the highest geyser in the world, playing two hundred and fifty feet in the air, for a period of one and one-half hour, every seven to twelve days.

There are many other geysers and many beautiful lakes and other wonders of nature to be seen at this park, and the pictures were very natural and beautiful.

THOS. BRIDGES ARRIVES.

It is with pleasure we are able to announce to the public the establishment of the new firm of Braun & Bridges who are to become one of the professional institutions of this city and vicinity.

The purpose of this reading is to acquaint our citizens with Mr. Thomas M. Bridges, who comes to us in his professional capacity as a Director of [illegible] and who comes highly commended and qualified to practice the Undertaking profession.

Mr. Bridges for the past four years has served as Sanitary Officer to the Board of Health at Lorain, Ohio, which statement in itself proves his ability to protect the health of a community he serves. Mr. Bridges is a graduate of the Syracuse N. Y. College of Embalming, the New York State Board of Embalming Examiners, the Ohio and the Michigan State Board of Embalming Examiners.

He has practiced the Undertaking calling for the past 10 years and comes to this city exceptionally qualified to render capable professional service to those who must know the hour of sorrow. We bespeak the sincerest best wishes for this new firm.

WILL ATTEND J-HOP.

The Detroit Sunday papers all carried lists of the invited guests and chaperones for the J-Hop on February 9, and among them we noted the names of Mr. and Mrs. R. S. Moore of Tecumseh, chaperones for Phi Mu Alpha.

It is seldom that one receives such an honor twice in succession, Mr. and Mrs. Moore having been chaperones last year for the same fraternity, and it speaks well for the social ability of our townspeople. They are to be congratulated that they so pleased the young people that they were again requested to be chaperones.

WAKING UP.

According to the Jackson News an all day convention of delegates from various Chambers of Commerce throughout the state will be held at the Prudden Auditorium in Lansing next Tuesday, commencing at 10:30 a. m.

The purpose of this mass meeting is to discuss the subject of taxation and how to relieve the terrific burden that is now bowing the people down with an oppressive load which threatens serious trouble unless relieved soon.

We hope that the local Chamber will be represented by an able delegation and assist in this worthy movement.

LEWIS—BECKER.

Mrs. Gertrude Becker and Chas. Lewis were united in marriage at Jackson, Saturday evening, at the home of the groom's brother, Elmer Lewis, Rev. Ruesink of the Methodist church performing the ceremony. The couple will make their home on the Becker farm south of town.

ENTERTAINS MISSIONARY SOCIETY.

Mrs. Thurman was hostess to the Missionary Society of the Methodist church, at the Hotel Paramount, Thursday afternoon. Eighteen members were present.

Mrs. H. R. Conklin had charge of the devotionals after which Mrs. F. S. Turner took up the program, assisted by Mrs. Lowell Waring. The subject for study this year is "Our Relation to the Negro," and the leader brought out many very interesting points. The percentage of Negroes taking out Liberty Bonds exceeded that of the whites. They did their part well in the World War. A very interesting time was spent in discussion after the lesson.

Mrs. Frank Wright then read the Home Mission Enigmas, and much interest was manifested in the questions.

Mrs. H. R. Conklin will be leader of the meeting next month, which will be held at the parsonage.

THE RIGHT POLICY.

Elsewhere on this page is found a plain statement of "Policy" in one of our popular stores of this city. It is a well known fact that for many years this store (Fred Rosacrans & Sons) has consistently followed the policy of square dealing, honest values and splendid service to their patrons and by this they have built up a big trade that is ever growing and constantly repeating.

The senior Mr. Rosacrans is known as one of the very best buyers in the country and several times each year he goes to the big central markets and "stocks-up" with the latest and best materials obtainable that will please his trade and always with an eye to giving honest values at fair prices. The buying end of such a store is of the greatest importance and a good buyer can supply his store with the latest and best at reasonable prices hence it is not surprising that Fred Rosacrans & Sons have a large trade that sticks by them.

The splendid store service found here is another feature that people thoroughly appreciate and always find it the same. Every assistance possible is given those looking for some particular article to fill their needs and usually if it is in the dry goods line it will be found in the proper quality at the right price at this store.

Most other stores in Tecumseh have been built up on the same lines and now enjoy a big trade made through following these most excellent principles which combined with the publicity given their business through the old home paper has drawn the people toward them through giving splendid values exactly as advertised and of a kind and quality that gives the customer full satisfaction.

Miss Ruth Reed is able to be out again after a week's illness with the grippe.

COLORED QUARTETTE GAVE INTERESTING PROGRAM.

The Twentieth Century Quartette of Adrian, gave a very interesting program Thursday eveniny, under the auspices of the Christian Endeavor Society of the Presbyterian church.

The Quartette was composed of two women and two men, whose voices blended well, making pleasing melody.

The leader, in his introduction, said that if a person desired to study the Negro, study their songs, In them they express their thots and feelings in a way that best shows their life and thoughts.

The quartette rendered many pretty selections and the two soloists parts were much enjoyed. The reader of the group, in a very pleasing manner, read "St. Peter at the Gate."

The closing number on the program, "John Brown's Body," was very well done and greatly pleased the audience.

NOTICE.

The Live Wire Class of the Presbyterian church will hold a Bake Sale, Saturday at one o'clock at Clark's Meat Market. adv

COUSINS MEET FIRST TIME IN 65 YEARS.

Dr. North had a three day visit last week with Mr. Nathan F. Benson of the Ohio Soldiers' and Sailors' Home at Sandusky. These cousins had not met since 1858, since they were boys together in central N. Y. Mr. Benson was with the Army of the Potomac three years and 4 months and he still carries in his hip the bullet the Johnnies shot into him just before his discharge from the service.

The two men trace their ancestors thru the war of 1812 and the Revolution back to war service under Oliver Cromwell in 1649.

ENTERTAINED AT BRIDGE.

Mrs. G. L. Percy and Mrs. C. H. Ives were hostesses to a number of their friends at bridge last Friday afternoon at their home on Maiden Lane.

Primroses and hyacinths made the rooms very attractive with their fragrance and beauty. Four tables were filled for the games. Mrs. R. N. Lowe and Mrs. L. F. Kehoe received the high and low scores and were presented with the prizes A delicious two-course supper was served at six o'clock.

SAFETY + SERVICE

Why Do You Keep Certain Papers?

You have certain documents which you don't wish to lose. They are valuable because they contain the evidence that you own certain property, that your property is insured, that certain sums of money are owed to you, etc.

Are these papers kept where fire connot harm them? Are they safe when you are away from home? Can you find them instantly when you need them? Are they insured?

Answer "Yes" to these questions by keeping your valuables in a Safe Deposit Box in our vault. The cost is only $2 a year and we carry, at no cost to you, $2000 insurance on the contents of your box.

SUPERINTENDENTS TAKE A HAND.

The school superintendents of the towns and cities in this county, with a few exceptions, met in session the other day and passed a very lengthy "Whereas" resolution requesting the Board of Supervisors to again raise the pay of the County Commissioner of Schools to a much higher level.

We do not believe that over three of the entire number who signed the resolutions pay a single cent of taxes in this county and therefore it doesn't matter to them how high the farms and homes are taxed as long as it goes into their pockets and it is well known that there is a direct connection between the county commissioner's office and higher salaries all around. Pres. Burton of the U. of M. wants 7 million for his school also. He draws over $20,000 per year in salary and fees but does NOT PAY A CENT OF TAXES in Michigan so far as we know.

It is pretty well understood by every thinking person that taxes on land and homes must be reduced soon or the farming industry will go broke. Don't these superintendents recognize that their support comes direct from taxes? Their salaries were run up to the very peak during the war and so far they have kept them there.

No one can make us believe that a graduate of a high school is worth $90 per month teaching school. Up to the war time a university graduate teaching in our city schools was only receiving that but by a lavish use of propaganda and raising the scare that there was a scarcity of teachers, the school boards were scared into paying abnormal wages and so far they have been kept there.

The Board of Supervisors was right in reducing expenses by cutting salaries and even the Prosecuting Attorney voluntarily asked to have his salary cut. Again Supt. Griffey of Adrian pointed out very quickly that such a resolution was ineffective and that if the salary was raised, the office is elective and usually the best politician instead of the best qualified man gets the job and so salary cuts but little figure.

Again these superintendents say—"Whereas it does not appear that a suitable person can be secured at the salary offered," therefore the salary should be raised. How do they know that a suitable person cannot be secured at the present salary. There are now five announced candidates for the office and we doubt not but that one of them at least knows more about the proper instruction for grade children and could do a much better job of teaching them than any superintendent that signed these resolutions.

We have got to stop taxes that are eating up the farms and homes and we must commence somewhere at once. We heartily approve of the Board of Supervisors using the pruning knife somewhere and don't believe they missed the mark any in the present instance.

HOLLOWAY.

Services were held Sunday morning at the usual hour at the church. A gentleman from Armenia spoke in behalf of the suffering Christians in Armenia. A very good collection was given to be used in the relief fund. Sunday school was held following preaching services.

The first practice of the vocal class under the direction of A. E. Cole was held Sunday morning immediately following Christian Endeavor. More people who would care to learn are urged to come next Sunday evening.

Charles Gafner has recovered from an atack of la grippe, and is able to be out again.

Miss Ellen Atwell has been visiting with Mr. and Mrs. Herman Atwell in Palmyra.

George Henry is confined to the house with la grippe.

Miss Olive Bloomer is out again after being ill at her home.

Ray Binns entertained George Moore of Ypsilanti recently.

Mr. and Mrs. S. J. Wilson and friends from Tecumseh spent a day recently in Detroit.

Mr. and Mrs. George Hedrick have gone to Hennepin, Illinois, where they expect to remain for the rest of the winter.

Mr. and Mrs. John Gafner entertained recently, Mr. and Mrs. Henry Filter and baby Warren and Rev. and Mrs. Schalkhauser and baby.

Advice From the "Spirit"

By EDWARD LEVINE

"Say, Milly, you remember that rich old sucker I was speaking to you about?" asked Harper. "Been having sittings with the slates, you 'member, for three weeks on and off. Crafty old boy. Swallows everything, but won't give his name. Says the spirits will have to tell him who he is before he's sure. Well, he's coming to our seance tomorrow night.

"You remember my telling you about him, Milly. He's got the kale, and we're going to trim him. I've brought him to the point where he's willing to endow a college for psychical research, if we'll tell him who he is.

"That don't bother me none. We can get around that. I followed him home yesterday, and the rest's going to be simple. Well, he's looking for his daughter. Sure you remember, Milly. The girl left his home years ago—went to the bad or something, and he's been hunting for her ever since. Blames himself. He's sorry. You know the type. Soft. Pulpy. Like a sponge. Wow, how we'll squeeze him!

"You'll be the daughter in Summerland, of course, and you'll materialize in the dim religious light. I'll keep the old music-box going pretty loud so as to help out. Gee, there ought to be a mint of jack in it for us!"

Harper and Milly had been associated for three years in their fake medium game. During that period they had been partners in many cities. They had been exposed, moved on, arrested scores of times, but they had done well out of it.

This, however, promised to be a record killing. The old man's identity would be revealed shortly, when Harper prosecuted his inquiries, and he had as good as promised that donation of ten thousand dollars to the imaginary college. Harper and Milly were in high spirits the following evening.

One by one the guests drifted in. It was an ordinary back parlor, with a cabinet placed against the folding doors. Within the cabinet sat Milly, dressed in white, ready to go into a trance.

Last of all came in the old man. He took his seat in a shadowy corner of the room. Harper stepped to the cabinet and passed Milly the word.

"Did you lamp the old gink?" he asked. "Looks like easy money. You play the game and we'll sure trim him tonight!"

They sang "Shall we gather by the river?" They ceased. Out of the darkness came the faint tones of the music-box.

"That's Joey!" whispered Harper. "Well, Joey, how's things?"

"Oh, all right, all right!" came Joey's voice. "Say, bo, there'll be somethin' doin' tonight!"

"Dear Joey's always a trifle vulgar. He was a bartender in life, you know," whispered a stout lady to her neighbor.

"The Queen of Sheba," announced Harper.

The Queen of Sheba came out of the cabinet, floated round the room, bestowed her blessing, and disappeared again.

After her came Queen Victoria and Mary Queen of Scots, Lucrezia Borgia and Julius Caesar. These historical characters having played their role, deceased friends of those present materialized one by one. At length Harper stepped up to the old gentleman.

"Your daughter's sent word she's coming," he whispered.

With tremulous footsteps the old gentleman made his way to the front of the cabinet, and tried to recognize the lineaments of the figure in front of him.

"You—you're dead, Esther?" he stammered.

"I passed out five years ago," whispered the figure.

He clapped his hand to his breast. "I'll never forgive myself, darling, Esther," he moaned.

"Oh, that's all right, father dear. Everything is forgiven when one gets over here."

"Are you happy, Esther?"

"Yes, Dad. Do you want me to tell your name?"

"No, no!"

"Or how I used to call you Charley?"

"Esther, I believe, I believe. I wanted you back so much, but you always were proud. I always used to say I'd rather see you dead than dishonored. You always ran straight, dear girl?"

"Yes, Dad." There was a sob in the voice. "Dad, listen! Don't give your money to that college. The spirits don't want you to. The advice was given Harper by thoughtless spirits. Give it to—to a home for fallen girls."

"I will, I will, Esther!"

• • • • • • •

Harper faced Milly after the sitting, livid with fury. "You—you—say, whatcher mean?" he stammered.

"I mean I'm through with you and your snide tricks, Harper," said Milly calmly. "And I'm going out now to look for a job."

GIVES PARTY.

The Royal Neighbors gave a card party at their hall Thursday evening, a large crowd being present.

Ten games of progressive pedro were played and first places were won by Mrs. Willard Moon and B. W. Mominee and second by Mrs. Florence Clark and Louis Krabil.

A very pleasant time was enjoyed and after the games, refreshments were served.

IT STARTS PROMPTLY
IN THE COLDEST WEATHER

The behavior of Dodge Brothers Motor Car on zero days is a fair example of its fitness the year round.

You turn the switch, step on the button, and the motor starts—without undue noise or delay.

The reasons are readily understood:

The coordination of the power plant is well nigh flawless. The slightest impulse sets it in motion.

The battery—6-cells, 12-volts—is unusually large.

A high-vacuum carburetor so thoroughly vaporizes the gasoline that it ignites instantly under the spark.

The electrical system is remarkably efficient and cuts to a minimum the usual voltage loss between battery and starter.

Finally, the starter, itself—an admirable example of its kind—is directly united with the engine by a chain drive which is always in mesh—a fact having much to do with the promptness and quietness of its action.

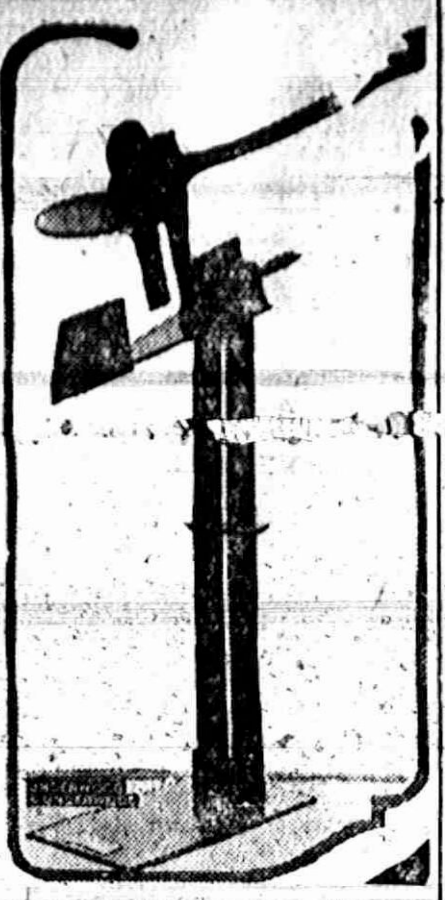
SOVIETS CALL THIS ART



A collection of "Bolshevist art," composed of subjects which have been approved by the Soviets as representing the truly proletarian art and absolutely untouched by the blighting finger of capitalism is to be brought to America and shown in the principal cities. The illustration shows "Construction" by Rodshenko, a disciple of the "constructionist school" that has sprung up in Russia since the revolution.

Eczema Cured In Three Days

Startling Effect of an Old Time Specific That Ends Ivy Poison, Rash and Skin Troubles Like Magic

Perhaps the eczema you have been struggling with is nothing more than ivy or oak poison of years ago

That Old-Eczema of Years and Years Cleared in a Few Days by Whitmarsh Blood Elixir

breaking out every now and then. In many sections where Whitmarsh Blood Elixir is known they cure it in two or three days. Eczema disappears also. It is not an ointment but an internal medicine that seems to find its way to the source and has the magical effect of clearing the skin before you can realize it. There is nothing more utterly foolish than treating skin disease such as itching eczemas and the poison of ivy, oak or sumach by smearing the skin. This is proved beyond question by the action of Whitmarsh Blood Elixir. Get a $1.00 bottle and try it. If it doesn't act in your case take the bottle back and get your money. Whitmarsh Blood Elixir is prepared only by Hart-Shaw-Miller Drug Co., Adrian, Mich., and if your druggist cannot supply you it will be sent prepaid on receipt of price.

Chicago Daily Tribune
THE WORLD'S GREATEST NEWSPAPER

Announces

A BIG REDUCTION IN SUBSCRIPTION RATES

For the Benefit of Readers Receiving The Tribune By Mail

THE CHICAGO TRIBUNE, realizing that its phenomenal success is due in a large measure to the fact that for seventy-five years it has numbered among its readers a large proportion of the residents of farms and small cities who receive The Tribune by mail, announces for their benefit a big reduction in subscription rates effective January 15th, 1923.

The reduction ranges from 1/3 to 1/2 below former rates

In 1917, as a war measure, Congress passed a bill providing for four annual raises in Postal Rates for newspaper subscriptions. As The Tribune had, for many years before, sold its paper to out-of-town readers at less than cost, it felt compelled to add a portion of these postage increases to its subscription rates.

For the past three years The Chicago Tribune has been leading the fight to obtain a reduction in second-class postage rates so that it could reduce to pre-war prices its subscription rates to residents of farms and small cities.

Although every one of the other ten taxes established by the war revenue act of 1917 has been reduced, Congress has not seen fit as yet to reduce the tax on second-class postage.

At the present Postal Rates it costs The Tribune from $3.20 to $6.79 a year *for Postage alone* to send the paper to each subscriber in the States of Illinois, Indiana, Iowa, Michigan and Wisconsin. In many instances this is more than The Tribune's entire subscription price—without considering the cost of the product.

Many of our farmer friends have stated that it required from 10 to 12 bushels of corn to pay for a year's subscription to The Chicago Daily Tribune. The Tribune is anxious to remedy that fact.

TO TAKE ADVANTAGE OF THIS OFFER TEAR OUT COUPON *and*

MAIL AT ONCE!

If you prefer to do so, you may turn subscription coupon below over to your postmaster, publisher, or newsdealer who will forward it to us.

Therefore, without waiting further for Congress to act, The Tribune announces a reduction in subscription rates ranging from ⅓ to ½. This cut in rates will cost The Tribune approximately $200,000.00 each year, but The Tribune will pay the bill in the interest of its many country readers.

New subscriptions to The Chicago Daily Tribune, starting on and after January 15th, 1923, will be accepted at the following rates:

THE CHICAGO DAILY TRIBUNE
(By Mail, Six Days a Week)

These Rates Apply Only to Subscriptions in States of Illinois, Indiana, Iowa, Michigan and Wisconsin. (Cities, Towns and Rural Routes included.)

Period	*Old Rate*	*New Rate*
1 Month	$1.00	$ .50
3 Months	2.50	1.25
6 Months	3.75	2.50
12 Months	7.50	5.00

The Chicago Daily Tribune today enjoys the largest circulation in its history and the largest morning circulation in America—*averaging over 530,000 copies daily.* It will readily be seen, therefore, that the reduction is not made primarily to secure more circulation.

If you wish to receive The Chicago Daily Tribune—with its many wonderful features—regularly, take advantage of these new, low rates now. Mail subscription coupon below. Note that $2.50 will now bring you The Chicago Daily Tribune by mail for six months, or $5.00 for a whole year.

For the benefit of its country readers The Tribune will continue its fight for fairer postage rates.

Facts About Optometry

By

KARL A. BRAMAN

The work of an Optometrist comprises but two duties—the detection of a given error of vision and its correction. But if the Optometrist discovers (as he often does) a condition requiring surgical or medical attention he may advise accordingly.

Being relatively a new profession, Optometry is not appreciated by the public as it deserves to be. It is estimated that in the United States millions of people are constantly in need of the services of an Optometrist. That is, this large number are deficient in a manner that could be rectified by an Optometrist. They possess errors of vision that should receive attention, and in many cases they are not aware of their deficiency.

That indicates the value of Optometrist to the public, as we are speaking of defects of vision that the Optometrist is competent to correct.

To be continued next Thursday. (adv)

GIVE US THE NEWS, BUT—

Newspapers want all the news they can get that's news, but—For the love of Pete please write it so you could at least make out part of it yourself after the ink is dry.

We are not Egyptians neither are we up-to-date on prehistoric hyeiglifics and we can't read the sign writing of the lost tribes. neither are we mind readers enough to fill in what the writer omitted.

We can read almost anything in the English language if given a fair start, but we refuse to throw ourselves into a brain storm by having to stand on our head and read communications through a mirror to get at the writer's thought. Lord have mercy on the editor and his assistants by causing the users of private curleycues for writing to be grief stricken at their awful sin.

If this isn't plain please call at the office and listen to the strain on our vocabulary that won't go through the mails when we get some of those chicken tracks and abbreviated [illegible] with a few punctuation marks for copy. We hope the penmanship teacher does better work with the coming generation or the newspaper game will only be carried on in lunatic asylums.

For John's sake have mercy on the editors of the land.

Miss Marion Harrington is unable to return to her school work at Ypsilanti this semester on account of poor health.

Tired of Being an Outlaw

By MORRIS SCHULTZ

Carney had had enough. He was going back to take his medicine. He was tired of being an outlaw; he wanted to see his people again, take what was coming to him and feel free. Those six months had been terrible ones.

He knew no other job than banking, and he had been out of work nearly all the time; he had been in the bread line; at last he got a porter's job and saved up the fare back to New York to face the music.

He reviewed the circumstances in the train. He had determined for a long time to get away with a few of those stacks of bills that were thrust into the bank's vault on Saturday morning. He had made up a parcel of dummies. He planned to walk out of the bank with the real bills; Kate Egan would meet him at the corner of Broadway and Dey, and he would hand them to her.

Kate was to meet him an hour later at the station, and they were to travel separately to San Francisco. Nobody knew Kate, and even if they caught him, the money would not be found.

Carney carried out his program. At twelve o'clock he walked out of the bank, with the packages in his bag. Kate was waiting for him at the rendezvous. He beckoned her around the corner, stepped into a recess, and handed it to her.

"The 1:15, Kate, old girl," he said.

Kate nodded and left him. An hour later he was pacing the waiting room, looking about him anxiously for Kate. She was nowhere to be seen.

He bought his ticket and went on the platform. From there he scanned all the arriving passengers. Still no signs of the girl.

"Hurry up, sir!"

The train was about to start. Carney entered, and walked through from one end to the other, inspecting everyone aboard. Kate was not there.

She had fooled him! Hot indignation filled him. Kate, whom he had always trusted!

The day after his arrival he got a letter from her at the post office He tore it open eagerly.

"You poor mutt," it ran. "I guess you're feeling sick and sorry for yourself now, aren't you? When you get tired of traveling you needn't come back to me, because I'm through with you."

That was all, and six months of hell had followed, rendered worse—if they could be worse—by the contrast between that outcast life and the life they had planned to lead in the South Seas.

However, Carney read nothing about the theft in the papers. Probably it was not worth reporting in San Francisco. He took a room at a cheap lodging house, and turned round in the streets to see if he was being followed.

• • • • • • •

So he was going back to take his medicine. When the train rolled into the New York terminal he felt an elation that had not been his for all the period of his absence.

When he went into the bank next morning they stared at him as if he had come back from the dead.

"Why, Carney, where've you been?" demanded the cashier sarcastically. "We've all been wearing crape for you"

"Can I see the manager?" asked Carney quietly. He resented the cashier's insult. He glanced back and saw the porter following him slowly, ready to intercept his flight

"I guess so. Walk right in," said the cashier, grinning.

The manager looked up from his desk, where he was dictating letters to his stenographer. He gave a slight start. "Just a minute, Carney," he said briefly.

Carney stood, looking at him. Mr. Meeson had always had the reputation of kindliness. But the bank had lost several thousand dollars; and the best thing that he could hope for was a cotple of years up the river.

"Thank you, that will do, Miss Burroughs." The manager turned to Carney. "Well, Carney, where have you been? You left us in a very unceremonious manner."

The baiting was more than Carney could stand. "I've come back to take what's coming to me," he said, "but I don't want to be kicked." Then, as Meeson looked at him in inquiry, he began to detail the happenings of the six months. He told him about Kate.

"I'm ready for the detective," he said. "Please make it brief. I'm not going to make any trouble."

Mr. Meeson smiled. "I'd steer clear of that woman if you run up against her again, Carney," he said. "I see you haven't found out yet?"

Hope leaped into Carney's eyes. Something, some imperceptible gradation of humor in Meeson's expression encouraged him to hope.

"I didn't know of it till two minutes ago. We didn't know that any thing was wrong, Carney. It was evidently the dummy package you took with you."

BASKET BALL GAMES.

The four high school basket ball teams were all busy last week end. The girls first team played at Charlotte, Friday evening, and the score was twelve to six in favor of Charlotte. The second girl's team played Dundee on the home floor, the score resulting twelve to four in favor of Dundee. The boy's first team played Dundee here, the score being twenty-four to four in favor of Tecumseh, and the second team played the Adrian Reserves on their floor, the score being eighteen to sixteen, in favor of Adrian.

The usual large crowd was present and the Ladies' Band played during intermission.

Where Alleged Victims of Ku Klux Were Found

Here are the first photographs of scenes in the tense drama of real life as it has developed recently down at Mer Rouge, Louisiana. One photograph gives a general view of Lake Lafourche where a mysterious dynamite blast brought to the surface the long-hidden bodies of Watt Daniels and T. F. Richards, two of a party of five kidnaped by masked riders. It is alleged they had fired from ambush on a former mayor of the town, who subsequently also disappeared and later was arrested at Baltimore, Md., and charged with murder. The other photograph shows secret service men and a diver searching for the bodies in Lake Lafourche.

AT THE BRADLEY.

English Star Was Nurse in World War

Mary Forbes, who has a prominent role in John M. Stahl's "The Child Thou Gavest Me," a First National attraction, which will be shown at the Bradley Theatre, Sunday, Feb. 4th, is one of England's stage stars who gave up fame and a career to enter the World War as a nurse. Her services of three years covered work at the front and in the hospitals of Paris and London.

While at the front she was made a captive in one of the Germans' raids, but was fortunate in getting on an early exchange list. Upon her discharge she was decorated for loyal and valiant service.

Dorothy Dalton a Vigilante.

Dorothy Dalton, Paramount star, organizes a vigilance Committee in "The Crimson Challenge," her new picture, which will be at the Bradley Theatre, Wednesday, Feb. 7th. She does this to run a bad gang out of Lost Valley and to avenge the murder of her father. It meant wild riding, shooting and all kinds of exciting action—but that is where Dorothy Dalton excels. Jack Mower plays opposite the star and heads an unusually strong supporting cast.

JAMES S. OSGOOD.

James S. Osgood, son of John and Martha Van Vleet Osgood was born in Lodi, Seneca county, New York, April 11th, 1837. His father died in 1841, and his mother with six small children came to Ridgeway, Lenawee county, Michigan, and purchased a farm of 80 acres, enduring all the hardships of pioneer life. He attended the Ridgeway and Tecumseh high schools.

When a youth he was converted and united with the Methodist church at Ridgeway. Mr. Osgood was also a veteran of the Civil War.

January 1, 1867, he was united in marriage with Susan S. Stewart at Lake Ridge. To this union three children were born, George and Willie, who died in childhood, and Mary Daisy.

In 1869 they moved to Essex, and in 1875 to St. Johns, where he was engaged in the elevator business for thirty years.

He was a faithful member of the M. E. church of this place, taking an active part in all departments of work and was instrumental in the building of the new church, in which he held positions of honor and trust during his life. He also took a great interest in our public schools, serving on the board for several years.

He was a member of the G. A. R. Post, attending the meetings when his health permitted. He was a man of honor and integrity, faithful to all duties and greatly attached to his home, friends, relatives and church.

During the last few months he has often said, "God has been very good to me, and I am ready to go."

He passed away January 9, 1923, leaving his daughter, Mrs. Dr. H. L. Steele, of Detroit, four nephews and ten nieces, the last of the family who settled in Lenawee county nearly 80 years ago.

He made all arrangements for the funeral services which were held in the M. E. church, January 11, conducted by the pastor, Rev. W. E. Doty, and was laid to rest beside his wife in Mt. Rest cemetery.

CHURCH RE-DEDICATED.

The event of the month in Clinton will be the re-dedication of the Congregational church. The original portion of the building was put up in 1844 but a new 30 by 45 ft. addition has been completed during the past few days. The dedicatory services will begin Friday, Feb. 2 and continue nearly a week.

On Friday evening will occur a general church supper followed by a social evening and a business meeting.

On Sunday a. m., Feb. 4th, Rev. C. L. Fisk of Cleveland, District Sec. of Educational Work will preach and in the evening Rev. J. L. Sutherland of Lansing, State Sec. of Home Missions.

Monday evening will be Ladies Night with Mrs. E. R. Latham of Olivet in charge.

Tuesday will be Young People's Day with a banquet for young people at 6 o'clock, followed by an address by E. R. Latham, a former pastor. At 8 o'clock Rev. J. H. Ashley of Pittsburg, Pa., also a former pastor, will speak on S. S. work.

The last gathering on Wednesday evening will be open house for all of the towns people of the church since it was founded, in charge of Mrs. Wayne Carpenter of Clinton.

The addition is designed to provide additional S. S. rooms and increased dining room and kitchen facilities.

Wirt Rowland of Detroit, a former Clinton boy, has been the architect and will be present at the week's services.

Rev. and Mrs. E. W. Miller of Jackson, another one-time pastor and wife, will also be present.

For Sale--Real Estate

One of the best "buys" coming my way in years is a lot with two houses, only 2½ blocks from main four corners, for $1700. Partly modern. Terms.

Another new addition to my list is a dandy home on Michigan Ave., Adrian, for $3100 or will take land in payment.

Another is a dandy residence, all modern, hardwood floors and everything. A new garage. All for $5000. You couldn't build it for twice that amount.

One new addition is a nearly modern home only two blocks from business section for only $2500.

Another is 5 acres in Ridgeway which can be exchanged for a small place in Tecumseh.

Have 60 acres just across corporation line for which owner wants home in town as first payment. Place right up to the minute, on electric line.

Have several calls for small places near and in town. It might be well to list now if you wish to sell this spring as I have a number on the move right now. Don't worry, business is looking better.

MONDAY CLUB ELECTS OFFICERS FOR COMING YEAR.

The Monday Club met in regular session Monday afternoon at the club rooms. The president, Dr. Bredow, presided.

At the business meeting the club went on record as favoring the new child labor law and the Shepherd-Towner act. The nominating committee, with Mrs. Leon Rosacrans chairman, made the following report for officers the coming year.

President—Dr. Pauline Bredow.

1st Vice-President—Mrs. W. D. Reed.

2nd Vice-President—Mrs. C. H. Williamson.

Secretary—Mrs. Dell Cairns.

Treasurer—Mrs. Guy Pocklington.

Corresponding Secretary—Mrs. Ralph Hunt.

Member of the Executive Committee—Mrs. J. N. Satterthwaite.

State Delegate—Dr. Bredow.

Alternate—Mrs. W. D. Reed.

County Delegates—Misses Casey and Bills.

Alternates—Miss Ethel Garlinghouse and Mrs. Fred Dickinson.

The report of the committee was accepted and at the election they were unanimously chosen to carry on the work another year, which speaks well for the work done the past year under Dr. Bredow. The personnel of the officers remains the same with the exception of treasurer and corresponding secretary, they having served the allotted two years.

The program for the afternoon was in charge of Mrs. E. H. Brown and Mrs. Floyd Elliott, Mrs. Brown acting as leader. The speaker from M. A. C. did not arrive but a charming program was improvised for the occasion. An exceedingly interesting report was given by Mrs. Carl Schneider, domestic science teacher of our public schools, on the work being done in that department. The report of the manner in which the cafeteria for the school children is conducted was especially interesting, between 60 and 70 pupils being served each day, all the work being done by the pupills with the exception of washing the dishes. This compares most favorably with other schools as most of them hire all the cooking, etc., done, the pupils planning the menu.

A piano number, "A Country Dance" by Mrs. Wilfred Waldron and Mrs. J. F. Kiskaddon was charmingly rendered and they responded to the hearty encore.

Mrs. Elliott closed the program with a reading on "The Home" which was most instructive.

Satterthwaite Bros. To Sell Business

Long Established Firm Known Far And Wide Will Sell Out. Built Up Enormous Trade Through Square Dealing, Courteous, Affable Treatment Of Everyone And Sincerity Of Purpose.

The business of Satterthwaite Bros. one of the most widely known hardware firms in southern Michigan is offered for sale.

This announcement will be read by thousands who will greatly regret to know that after such long years of faithfully serving the interests of the people in the squarest kind of a way, that this firm will pass on solely because each one has earned many times over all the comforts and pleasures that the remaining years can possibly hold for them.

Probably the best known of these brothers is J. Newton Satterthwaite who has been on the business street of Tecumseh over fifty years and in the hardware business here just fifty years the 17th of March next. A quiet unassuming man of strict integrity, faithful to every trust placed upon him, taking his part in the community life like the true man he is and bringing up his family of two boys and three girls who are among our finest and truest of the younger generation, he has fulfilled every duty of Christianity, citizenship and fidelity to home and country in a manner that every person who ever knew this most estimable man will emphatically confirm. To our mind, he represents the true type of the old school of manhood whereon there is not a blemish to behold, and he retires with the highest respect and well wishes of this entire county while thousands who have gone forth into other parts will say it is truly so.

The other brother has been equally faithful to his trusts and to the high standard of the firm always going higher and by his unflagging efforts and their devotion to each other, each doing his part perfectly and with the greatest care, have they filled their part equally well in making the name of this firm a watchword for honesty, service and affable treatment of all.

It is with regret that we record the intentions of this firm to sell out but that is selfish for each one of these brothers most highly deserve to spend the remainder of their days in the greatest comfort and in doing those things which will but partially reward them for such stalwart characteristics that have always been their watchful purpose and which have so faithful and well served the best interests of home, church, community and our great country, nothing has been omitted. These few humble words but poorly express the sentiment of this entire community.

ANNOUNCES CANDIDACY.

Miss Harriett Whittier who has been a life long resident of Tecumseh and who formerly worked in one of the banks here for several years, announces her candidacy for the office of village treasurer subject to the will of the people at the regular caucus to be held tomorrow (Friday) night.

Miss Whittier is a taxpayer here and her people before her were long residents of Tecumseh, her father being one of the prominent men of the community for many years. Miss Whittier is a very capable lady who can handle the office and give the people the very best of service, and if nominated and elected she will certainly do so.

HAS DONE GREAT WORK.

Supt. C. B. Mize of the local branch of the American Steele & Wire Co. gave us the figures which show that the U. S. Steel Co. and its subsidiary [illegible] which is the local factory, has paid out in pensions to its employees over eight million dollars.

The American Steel & Wire Co. alone has paid out over 236 thousand dollars to its employees in pensions to the aged employees or those disabled in the line of duty. It thus appears that a great humanitarian work is carried on quietly but effectively among its own employees and full credit should be given the company for such a splendid work.

SCHOOLS CLOSED.

The local schools were closed last Wednesday noon for the remainder of the week on account of the prevalance of the grippe forty being absent Wednesday morning.

The building will be fumigated in the mean time and school will re-open next Monday. If those not attending school will run around in the snow and get wet feet, etc. for a few days, there will probably be more absent next Monday. Lets hope everyone will do his best to keep well.

NOTICE.

The Salvation Army will hold a meeting at the DeSpelder Church in Macon Twp., Tuesday evening, Feb. 13th, 1923 at 7 o'clock. Everybody come and hear Adj. Lewis and his band.

Robt. J. Stevenson.

GRANGE MEETING TO BE HELD.

The Tecumseh Grange will meet Saturday in their hall. A pot luck dinner will be served promptly at noon, after which the following program will be given during the lecture hour.

Piano solo—Gwendolyn Boltz.

Anecdotes of the Civil War Days and Lincoln—Amenzo VanValkenburg.

Lincoln's Gettysburg Address.

Music—Mrs. Norman and Mrs. Ted McConnell.

Report of Pomona Grange—Mrs. Mary Ives.

Chip basket to which everyone is expected to contribute.

As business of importance is to come before the meeting, a good attendance is desired.

LINCOLN ANNIVERSARY.

At the Baptist Church, Monday evening, Feb. 12th, the birthday of Abraham Lincoln will be observed. The G. A. R., the Legion, and the various auxillaries are invited to be present.

The following program will begin with some community singing followed by Baptist Male Quartette, "Honor's Call,"—Messrs. Camp, VanValkenburg, Hendershot, Ashley.

Trombone and Cornet duet, "Let us have Peace"—W. G. Waldron and Edward Harper.

Solo, "By the Waters of Minnetonka"—Mrs. R. S. Moore.

Saw Obligato—Rev. Henry A. Buell.

Duet, "I could not do without Thee"—Justin Camp and W. E. Wilson.

Solo, "Open Ye the Gates"—L. R. Waring.

Remarks, "Was Lincoln a Christian?"—H. C. Daniels.

Solo, "My Mission"—Rev. Henry J. B. Marsh.

Solo, "Barbary Fritchie"—Mrs. R. S. Moore.

Moving Picture, "The Highest Law," showing an incident in the life of Mr. Lincoln.

Everybody is welcome. No admission fee.

Short Radio Concert will precede the community singing.

REPUBLICAN COUNTY CONVENTION.

To the Republican Voters of Lenawee County:

The Republican County Committee directs that the County Convention of the delegate representatives of the Republican Party of Lenawee County be held at the Court House in the City of Adrian, on Wednesday, February 14th, 1923 at 1:00 o'clock in the afternoon (Central Standard Time) for the purpose of electing twenty-six delegates to the Republican State Convention to be held in the City of Flint on Wednesday, February 21st, 1923, and for the transaction of such other business as may properly come before the Convention.

Each township is entitled to six delegates, the City of Adrian is entitled to thirty-six delegates, and the City of Hudson is entitled to six delegates.

Delegates shall be duly qualified voters, men or women of their respective townships, cities or election precincts. All who are in accord with the principles of the Republican Party, believe in its declaration of policies, and are in sympathy with its aims and purposes are cordially invited to unite under this call in the selection of delegates to the Republican County Convention.

Dated Adrian, Michigan, February 1st, 1923.

Henry R. Jewett, Chairman,
Emery B. Root, Secretary.

BIG AUCTION SALE.

Elsewhere in this paper appears a full page auction adv. for R. J. Stevenson who will hold one of the biggest sales ever made in this part of the country. Mr. Stevenson offers a large herd of extra fine cattle, horses, mules, sheep, farm implements, hay and grain.

The sale will be held at the farm located 2½ miles north and 2 miles east of Britton on Monday, Feb. 19th. It will be an all day sale and one that will attract buyers from all points on account of the fact that it is an immense sale of materials that are practically new and of stock that is of high grade in every respect. Guy Thompson is the auctioneer.

NO NAME CLUB.

Mr. and Mrs. A. J. Montgomery entertained the No Name Club, Tuesday evening, at their home on East Chicago St. A two course dinner was served at six-thirty after which ten games of progressive pedro were played. High scores were won by Mrs. Lester Rogers and R. A. Heesen.

In two weeks Mr. and Mrs. John Murphy will entertain.

WESTMINSTER GUILD.

Miss Marie Koernig, assisted by Miss Alice Wimple, entertained the Westminster Guild, Tuesday evening. Mrs. Franc Gillespie conducted the devotionals after which Mrs. Floyd Russell gave the report on the chapter for study.

Mrs. Stella Billings very pleasingly sang a negro song and Miss Marie Koernig played two piano solos which were very much enjoyed. Refreshments were served.

They will be entertained in two weeks by Mrs. J. F. Kiskaddon.

DELIVERS ABLE SERMON.

A union service was held Sunday evening at the Baptist Church. The speaker failed to appear so Rev. H. J. B. Marsh gave a very inspiring sermon.

Previous to the sermon a violin solo was played by Paul Beard, accompanied by Mrs. F. C. Dickinson on the organ, and a selection was sung by the Baptist Male Quartette which was very much enjoyed.

Rev. Marsh preached from Hebrews 2:3, "How shall we escape if we neglect so great a salvation?" The adjective great is applied to many things which are not great, but it is the only word in the English language which can be used to express salvation.

Salvation is great because of its great progressiveness. Rome came into such a state of corruptness, they realized it would take nothing short of a miracle to save them. Christ was born and civilization was built up in a way it had never been before. This world will pass through periods of depression, but the day will never be as dark as it was before the birth of Christ.

Salvation is great because of its fraternal spirit. The church is learning to use the words, brother and brotherhood. We are apt to think ourselves above the people of another color, but are learning more and more to call them our brothers and to help them. This is being brought about by Christianity.

Salvation is great because of its simplicity, because it saves, and saves to the uttermost. It does not require an education to accept Christ, the smallest child is able to comprehend its meaning.

Other religions offer no escape from sin, we need Christ in our hearts to bring us out from sin. There is no escape, without Christ.

MRS. HARRIETT MATTIS PASSES AWAY.

Mrs. Harriett Mattis was born May 1845 at Shelarake, Seneca County, New York, and passed away at her home at Tecumseh, February 5 1923, at the age of seventy-eight.

When a small child, her parents moved to Ridgeway and she has since lived around here. She was Miss Harriett Aten before her marriage to Chas. Mattis, who died about three years ago.

She leaves one sister, Mrs. Isaaiah Mattis of Tecumseh and one brother, Frank Aten of Toledo.

The funeral services were held at the Belding Funeral Home, Wednesday afternoon at two o'clock. Rev. H. J. B. Marsh officiating. Burial was made at Brookside

WORK IS PROGRESSING.

The Lenawee Sand & Gravel Co. will start construction on their concrete storage bins within a few days. Contract has been let to Floyd Garrison of Clayton, Mich.

The D. T. & I. railroad expects to break ground for the side track at the plant south of town in a few days. The first shipment of machinery is expected to arrive about March 1st.

Bids are being received for the drilling of the wells for washing the gravel, and active drilling will begin in a week or ten days.

ENJOYS VALENTINE PARTY.

The Friends Christian Endeavor Society held their regular monthly business meeting and social, Tuesday evening at the home of Mr. and Mrs. L. B. Wood on South Evans St.

At the business session it was decided to extend an invitation to the C. E. at Adrian and Raisin Center to come and spend a social evening some time in the near future.

A Valentine social was enjoyed after the business meeting. The fortunes "clipped" by each one were varied and interesting and a fine time was enjoyed "hunting hearts," some proving their ability along this line.

Refreshments appropriate to the occasion were served.

BIRTHDAY DINNER.

John B. Smith celebrated his birthday anniversary Sunday. A large party of friends and most of his family and eight grandchildren enjoyed a fine dinner. A large birthday cake with sixty-five candles on it made a very attractive centerpiece.

The afternoon was spent in visiting and a social time. Mr. and Mrs. Wm. Service of Clinton were among the guests.

ENTERTAINS AT BRIDGE LUNCHEON.

Mrs. F. S. Turner was hostess to a few friends Saturday at a one o'clock luncheon in honor of Mrs. Frank Lewis of Riverside, California.

The guests were seated at small tables, the covers being marked with dainty place cards. Following the luncheon the afternoon was spent in playing bridge at which Miss Phelps and Mrs. H. S. Bredow received the high and low scores and were presented with the honors. The hostess also presented the guest of honor with a dainty guest favor.

EVERYBODY COME.

Another good time dance will be given in the I. O. O. F. hall next Wednesday night Feb. 14th. Everybody come and enjoy yourself. At the dance given two weeks ago, over sixty couples were present and everyone enjoyed the evening immensely.

Coller's orchestra furnishes the music and when this talented aggregation of musicians starts the music, it certainly puts the feet in motion and makes the heart young and gay. No better music to be found in these parts.

Mrs. Geo. Belding who has been very sick with pneumonia is reported much better at this writing.

Christian Church Notes

Despite very much sickness and the very slippery condition of the roads and streets the attendance at the donation was good and the amount received exceeded any previous donation. The amount at the last accounting is a little more than $308.00.

The Dorcas class will hold an all day meeting at the church, Thursday, Feb. 15th. The ladies are asked to come prepared to work. A pot luck dinner will be served. A ten cent exchange will be a feature of the evening.

The song-sermon service postponed from Sunday evening Jan. 28th on account of the illness of the chorister, Mrs. B. T. Craig, will be given next Sunday evening at 7 o'clock. Everyone is urged to attend this service.

Sunday morning the pastor will speak on the subject, "Would Abraham Lincoln join a Negro Lynching Mob?"

M. P. Church Notes.

Regular services Sunday morning and evening.

The members of the Friendly Class spent Thursday at the home of Mrs. A. J. Underwood. The day was spent in sewing for one of their members.

An Easter sale and dinner is being arranged for by the members of the Friendly Class, the date to be announced later.

Four from our church are planning to attend the Sunday School Workers Institute to be held Saturday in Adrian.

Obituary.

Charles Leroy Brown, the son of James Lewis Brown, was born in Adrian, Mich., March 31, 1854. On Dec. 23, 1884 he was married to Miss Barbara Zoller of Rodney, Ont. Soon after their marriage they moved to Britton where he has since resided. To this union were born two sons, Jasper Leroy and Howard James Brown of Detroit. His wife died in June, 1898. On July 24, 1901, he was married to Miss Jennie Derby of Adrian, who with the two sons, one grandson, four brothers and one sister, survive and keenly feel their loss.

Late in December, Mr. and Mrs. Brown went to Detroit to spend the winter with their son, where Mr. Brown passed away Jan. 29. His death came suddenly and was a great shock to his family and friends.

Mr. Brown was a consistent member of the Christian church for a number of years. A quiet home loving man, yet withal a man of strong convictions and had the courage of his convictions. He was a good husband and father and a good neighbor. He will be greatly missed by his family and friends and in his passing Britton has lost one of its best citizens.

The funeral services were held Thursday afternoon at 1:30 at their late home in Britton, the Rev. J. C. DeRemer of the Christian church and the Rev. Charles Bragg of the Methodist Protestant church at Rea, officiating Burial was made in Ridgeway cemetery. The pall bearers were A. W. Lee, W. L. Exelby, A. E. Kniffin and W. B. Swick.

Obituary.

Leroy Palmer, one of the nine children born to Decatur and Elizabeth Palmer, was born in Ridgeway township, March 13, 1859 and passed away Saturday morning at nine o'clock at the age of 62 yrs. 10 mo. 20 da. His death resulted from a week's illness with a severe cold followed by 36 hours of pneumonia. For about a year he has been employed in the home of C. A. Bruce, two miles east of town where he died. He was a nephew of Mrs. Caroline [illegible] of this place. He is survived by four sisters, Mrs. Hattie Dibble of Weston, Mrs. Fannie Plank, Mrs. Caroline Dell, and Mrs. Addie Freeman, from near Bannister and two brothers, Gilbert Palmer of Chatham, Ont. and Charles Palmer of Alma. A short burial service was held Sunday afternoon at the home of Mr. and Mrs. Bruce and on Monday the remains were taken to the home of the sister, Mrs. Dell where the funeral services were held. The remains were laid to rest in the family plot in Eureka cemetery.

Woman's Club Meet.

The Woman's Club met Monday afternoon with Mrs. Gertrude Exelby. Mrs. Mary Hause called the meeting to order and after the business session the program committee consisting of Mrs. Gladys Miller, Mrs. Maud Davis with Mrs. Martha Gorham leader in charge The program was to be "a surprise" and it surely was in every sense of the term and was as follows: Community singing. Roll call in which every member responded to the question. "What I would do if I were a man." (Fortunately no men were around to hear the answers as the way they were scored was a plenty. Reading, Mrs. Maud Davis. Violin and piano duet, Mrs. Gertrude Exelby and Mrs. Gertrude DuBois. Book review, Mrs. Gladys Miller. Vocal duet, Josiah and Maria Doolittle. After the program the committee served ice cream and wafers. The next meeting is Feb 19, at the home of Mrs. Nina Pocklington.

Sam Gibson moved his household goods to Detroit, Saturday, their furniture [illegible].

E. G. Miller is unable towork on account of an attack of the grip.

Mrs. Ira Fraer and children were here from Dundee part of last week visiting her parents, Mr. and Mrs. Frank Sisson.

Sunday guests at Harry Younglove's were Mr. and Mrs. George Younglove of Detroit, and Mr. and Mrs. Sam Gibson, Mrs. Anna McCleery and Mr. and Mrs. Will Gibson and Harold of Macon.

Alex Gibson and Louis Feldman were in Jackson Monday attending the International tractor exhibit and banquet.

Mrs. C. L. Lowe and Miss Luella Haynes of Detroit were week end guests of Mr. and Mrs. G. L. Gripton.

F. V. Lenardson has sold his stock of general merchandise to Lyle DeSermia of Onsted. Mr. Lenardson and his amiable companion have won many friends during their seven years as a merchant here, when he succeeded his father who was a merchant here for 30 years, who regret his going out of business. He states his plans have not been fully completed as to the future as he has had many flattering offers. For the present they will remain with his parents, Mr. and Mrs. O. B. Lenardson. Mr. and Mrs. DeSermia need no introduction to the public. Mr. DeSermia was formerly assistant cashier in the People's State Savings Bank. Mrs. DeSermia, the daughter of Mr. and Mrs. C. J. Smith was born and raised here. We bespeak for them a fine future. They will stay for the present with Mr. and Mrs. Smith.

TIPTON.

Thirty-five friends walked into the home of Mr. and Mrs. Garrett Baker and completely surprised them. The occasion being Mrs. Baker's birthday. The evening was spent in visiting and games. Pop corn and home made candy was served and all departed after spending a most enjoyable evening.

A Good Policy

It is not the policy of This Firm to make sales merely, but to make friends—not to trade in merchandise only—but in good will. We want our customers to feel that in dealing with us, they can at all times be assured of courteous and just treatment.

The foundation of this business lies in the service we render. This is good as far as it goes and quite necessary, but modern business methods must go further than the delivery of a satisfactory article. They must also include the giving of those intangible values which establish a bond of perfect confidence between buyer and seller.

To these ends our business is dedicated.

ENTERTAINS PUPILS.

Miss Alice Whelan entertained her older pupils of the Pink School at dinner Friday evening at her home on West Chicago St. She was assisted by Miss Roma Crampton.

The tables were attractively decorated with hearts in honor of St. Valentine. A large pink heart was the centerpiece and smaller ones marked each place, covers being laid for ten.

A pleasant social time was enjoyed after which they attended the basket ball games at the gymnasium.

HAD A BIG CROWD.

F. F. Adam held his sale on Feb. 1st at the farm and he had one of the big crowds that always gathers when the advertising appears in the Herald. Fully 250 men were present at the sale and everything went in fine shape. It pays to advertise in the Herald for everyone in these parts takes this virile newsy paper and they read the ads. and it don't cost a fortune to advertise in this paper either. Facts About Optometry

By
KARL A. BRAMAN

The economic loss to the nation by reason of visual defects cannot be estimated, but it must be enormous. And the subject deserves more attention than has been given it.

Physical fitness is impossible with any appreciable error of vision. Efficiency is tremendously curtailed in those whose sight is below par. And we repeat, in millions of cases these defects are possessed by indivduals who are not aware of the fact.

This would indicate the necessity for Optometrist acquainting the public with the full scope of their profession, and the advisability of many people who have never done so presenting themselves to the Optometrist for a consideration of their cases.

To be continued next Thursday. (adv)

Progressive Times

This is the day of the forward march. No farmer would now attempt to harvest his wheat with an old-fashioned cradle, nor thresh his grain with an old horse power machine.

There's the new radio outfits, the airplanes, wireless telegraphy, submarines, hydro-electricity, a hundred new things every decade. And in money matters, are we keeping step? Most of us are. We keep a balance at the bank and pay our bills by check, instead of keeping our money somewhere about the house, subject to loss every day. Our modern Bank invites you to do business the modern way.

MORTGAGE SALE.

Whereas, default has been made in the payment of the money secured by a mortgage dated the thirty-first day of August in the year one thousand nine hundred and fourteen, executed by Eugene C. Calkins and Maggie A. Calkins, his wife of Adrian, Michigan, to Commercial Savings Bank of the City of Adrian, Michigan, which said mortgage was recorded in the office of the Register of Deeds of the County of Lenawee, in Liber 161 of mortgages, on page 289 on the 31st. day of August, in the year one thousand nine hundred and fourteen at 2:50 o'clock p. m. And whereas, the amount claimed to be due on said mortgage at the date of this notice is the sum of seven hundred and seventy-four dollars and sixty-seven cents, ($774.67) principal and interest, and including delinquent taxes paid by the mortgagee for the year of 1918, for the year of 1919, for the year of 1920, and for the year of 1921; and the further sum of fifteen dollars as an attorney fee provided by law and stipulated for in said mortgage and which is the whole amount claimed to be unpaid on said mortgage and no suit or proceedings having been instituted at law to recover the debt now remaining secured by said mortgage or any part thereof, whereby the power of sale contained in said mortgage has become operative.

Now, therefore, notice is hereby given that by virtue of said power of sale, and in pursuance of the statute in such case made and provided the said mortgage will be foreclosed by a sale of the premises therein described, at public auction, to the highest bidder, at the east front door of the Court House in the City of Adrian in said County of Lenawee, on the 14th day of April, A. D. 1923, at 10 o'clock (central standard time) in the forenoon of that day; which said premises are described in said mortgage as follows, to wit: Lot No. Eighteen (18) of Adrian Improvement Company's Sub-Division No. One (1), of the west half (½) of the northwest quarter (¼) of Section eleven (11), Town seven (7), South of Range three (3) east in the City of Adrian, Township of Madison, Lenawee County, Michigan.

The Selection of Better Wall Papers

In the perfectly appointed home should be chosen with a view to not only expressing the individuality of the occupant but in keeping with the purpose for which the different rooms are intended.

Our complete stock in YOUR HOME STORE offers an advantage of great importance that you should not overlook.

You would not be fair to yourself in selecting Wall Papers for your downstairs rooms from a small sample. There is only one way to complete satisfaction, and that is to see the goods in the roll or a large sample.

The flat or embossed gold tapestries—the Chintz effects—the various weaves, the blends—the beautiful thirty-inch Poly Chromes, Sanitary papers, oatmeals, should not be selected for any room before seeing the goods in the roll or large sample.

For Sale--Real Estate

One of the best "buys" coming my way in years is a lot with two houses, only 2½ blocks from main four corners, for $1700. Partly modern. Terms.

Another new addition to my list is a dandy home on Michigan Ave., Adrian, for $3100 or will take land in payment.

Another is a dandy residence, all modern, hardwood floors and everything. A new garage. All for $5000. You couldn't build it for twice that amount.

One new addition is a nearly modern home only two blocks from business section for only $2500.

The home of Walter Bailey on North Maiden Lane. Large garden. Much fruit. Splendid neighborhood. One of my best bargains.

All modern, cozy little home on one of best residence streets. $3100 will take it.

If its farms you want, call me up or find me in my office in Masonic Block.

Monday, March 12, A. D. 1923

To the Qualified Electors of the Village of Tecumseh, State of Michigan.

Notice is hereby given that in conformity with Act 126, Public Acts of 1917 as amended, I, the undersigned Village Clerk, will upon any day except Sunday and a legal holiday or the day of any regular or special election or official primary, receive for registration the name of any legal voter in said Village not already registered who may APPLY TO ME PERSONALLY for such registration, or who may make application for registration by mail or messenger, as provided by Act 7, Public Acts of 1919, as amended except that I can receive no names for registration during the time intervening between the Second Saturday before any general or special election or official primary election and the day of such election.

March 3, 1923—Last Day

for General Registration by personal application for said election.

February 3, 1923—Last Day

for Registration by affidavit. See below.

Notice is further hereby given that I will be at my store on Feb. 17 and Feb. 24, A. D. 1923, from 8 o'clock a. m. until 8 o'clock p. m. on each of said day for the purpose of REVIEWING the REGISTRATION and REGISTERING such of the qualified electors in said VILLAGE as SHALL PROPERLY apply therefor.

The name of no person but an ACTUAL RESIDENT of the precinct at the time of registration, and entitled under the constitution, if remaining such resident, to vote at the next election shall be entered in the registration book.

Registration by Mail or Messenger

Under Act 7, Pub. Acts, 1919, as amended, the privilege of absent voters is extended to include registration. They can also register by MAIL or MESSENGER whether absent or not but the affidavit must be received by the Clerk on or before the 10th DAY preceding the THIRD SATURDAY before the election.

HOLDS FIRST CHAPEL EXERCISE.

At the high school the first hour each Monday morning is to be devoted to Chapel exercises under the auspices of the Senior class. The first one was held this week, with Miss Luella Colson as chairman. A Tobacco League man was present and gave a talk on the harmful influence of tobacco.

Dr. H. H. Hammel spoke briefly on the History of Medicine, telling many interesting things about the early practice of medicine.

Miss Alice Heilman and Miss Madaline Boyce played a piano duet which was much enjoyed.

INTERESTING C. E. MEETING.

The C. E. Society of the Presbyterian Church conducted the service Sunday evening, Miss Geraldine Gillespie being leader of the meeting and announced the program. The orchestra played several selections which were very much enjoyed.

John Erwin Anderson, president of the society, gave a report of the work accomplished by their society. They have been organized but four and one-half months, and in that time have doubled their membership, at present their roll being fifty. They have pledged support to the various departments of the church, and are in every way a real live aggressive society.

A two-act play was given, bringing out the value and meaning of "Stewardship." Miss Madaline Boyce took the part of a rich young lady; Miss Alice Heilman the part of a self-supporting young lady and Robert Collins the brother of the young lady who worked.

A budget was worked out and Miss Boyce was persuaded to try that system after realizing how small one hundred dollars for pleasure looked beside sixty-five for benevolences.

A large audience was present and the meeting was very successful and entertaining.

ENTERTAINS CLASS.

Rev. J. F. Kiskaddon entertained his Sunday School class of boys at the Manse, Thursday evening.

A six o'clock dinner was served, covers being laid for Wilbur Boyce, Earl Pennington, Ralph Mull, Festus Davidson, Kenneth Hall, Wendell Cleveland and Harold Davidson.

The evening was spent in music, singing and games and all report a splendid time.

MISSIONARY PICTURES.

Next Sunday evening at the Baptist Church will be shown in moving pictures Missionary activities of various kinds for winning the American Indian from their old traditions to the acceptance of Christianity.

Various methods are introducel and conducted in order to show them the "Jesus Way" is the only and true way. Sixty percent of our Indians have not yet been evangelized. How are you helping?

RADIO CONCERT PROVED VERY INTERESTING.

At the radio concert given at the Baptist Church in connection with the Lincoln program, no wires were strung outside the church. Simply two wires strung across the lecture room and the concert came in very clear and distinct.

Several stations were on at various times and it was a marvel of modern invention to hear orchestras and lectures spoken hundreds of miles away and caught up by a simple wire strung across the room. The Universal Radio Corp. put up the outfit and it was certainly greatly appreciated by the large audience who listened in. Radio is all the rage now and it certainly lives up to its reputation for home entertainment. What's next? Will it be a message from across the great Divide?

MONDAY CLUB DISCUSSES CIVIC PROBLEMS.

The Monday Club met in regular session on Monday afternoon at the usual hour with the President Dr. Pauline Bredow, presiding.

At the business hour a number of bills now before the state legislature were read and the president asked the members to sign the petitions to be sent our representatives expressing the wish that they might vote on these bills favorably.

The program for the afternoon which was devoted to Civic Art, was in charge of Mrs. F. S. Turner. Mrs. Turner reminded the club that it was Lincoln's Birthday and spoke interestingly of him, quoting from his most famous address. She then announced the program as follows: ''Playgrounds," Mrs. John McIntyre; owing to the illness of Mrs. McIntyre, a paper prepared by her was read by Mrs. Morse, it contained many splendid thoughts that would help along this idea. The play ground at Blissfield was cited as a most excellent one and the desire expressed that something along this line might be done for Tecumseh.

"Cleaning Up Our Town," by Miss Marion Bills, if followed out would materially improve our town. She spoke of the detriment of old bill boards, vacant buildings, and scrap iron heaps, and the great beauty that could be accomplished with a little work and the planting of flowers. She suggested that we take the slogan of Omaha, Nebraska, "A Mile of Window Boxes," and note the improvements we could make in our village.

"The Community House" by Mrs. Eugene Rosacrans was of special interest, because of the fact that it has so long been the desire of the club to have one in Tecumseh. Mrs. Rosacrans' paper was so full of good thoughts that we regret that a larger attendance was not present. Her suggestions of locations and what was needed in a Community House brought forth an interesting discussion, and we agree that if at present we cannot have a very expensive one, that one we could add to or subtract from would fill a need for the present. The community rest room being a much needed fact just now.

"War Memorials" was discussed by Mrs. E. T. Armstrong. The paper was timely in that Tecumseh should soon take some action along this line.

The next meeting will be the One-Act Plays under the direction of Mrs. Glenn Tansley and Mrs. F. C. Dickinson at the club rooms Monday afternoon at 2:30 o'clock.

HAS LATEST AND MOST.

Fred Rosacrans & Sons have just received the largest shipment of silk dresses for spring that has ever been shown in Tecumseh at one time.

These dresses are direct from the New York fashion centers and they represent the very last word in style and material. When asked why they bought such a large number for a town of this size, they replied that this is going to be a silk dress season and that by buying in such a large quantity they could get the very best and latest at a price that the people can afford to pay and hence they took a chance.

They certainly are beautiful to look at and the store is crowded with buyers for they know that whatever the Rosacrans guarantee, is just that and more. Its a great chance for the ladies to see the gorgeous creations in all their beauty.

BLIZZARD STRIKES TECUMSEH.

Last Tuesday night old king winter seemed to get a peeve on and struck Tecumseh with a vengeance sending the thermometer down to zero and blowing a hurricane which sent the snow swirling in clouds.

It was a regular old timer and made the people hurry along the streets as though they were half frozen. It sure was a touch of the real thing.

CITIZENS' CAUCUS.

There will be a caucus held at the Council Building, Saturday at 7 p. m. for the purpose of nominating village officers and for the transaction of such other business as may come before it.

Order of Committee.

McIntyre Named For President

People's Caucus Held Last Friday Night. Full Ticket Placed In Nomination. Only Two Changes Made From Last Year. Fifty-Six Voters Out. Only One Contest Develops.

Fifty-six voters came out to the village caucus last Friday night to help place in nomination a ticket for the village election to be held on March 12th next.

There was only one contest for any office and that was for village treasurer. Louis Jones was nominated on the first ballot receiving thirty-five votes to twenty-one for Harriett Whittier.

E. T. Armstrong was named chairman of the caucus which was called to order by Pres. John McIntyre. The call was announced and nominations asked for village president. The name of John McIntyre was placed before the caucus and as no other names were mentioned he was nominated by the usual instruction for a unanimous ballot made by the caucus and cast by the tellers. W. L. Coller was likewise named for clerk and in the same manner E. C. Heilman, E. M. Campbell and Perry Satterthwaite were named for the three trustees.

Mr. Heilman was the only new trustee nominated in the place of Dr. E. E. Hendershott whose term expires this year. The other two are now serving on the council. Although not a large caucus it was a very representative one as caucuses go and about a dozen ladies were out to uphold the ideals of that side of the house.

Lucy Train the retiring treasurer has had the office two terms and was therefore not again eligible this year. W. L. Coller has given such excellent satisfaction in the office of village clerk that no opposition to him was even thought of as far as we could learn. Being always available and giving the people the very best of service has made him a very popular clerk and for this reason he has the united support of everyone.

The fact that much work still remains to be done regarding the paving which the present officers started is doubtless the reason for again returning them to complete the job as they should be much better able to handle it than a new crew and the people would also know whom to give credit for the work.

MAKING GOOD SCORES.

The final evening's assault of the "maples" in the American Legion Handicap bowling tournament resulted in a great change, as was predicted. Scores were a vast improvement over any other night's results.

Russel Blesing showed the way home to the other boys, principally through the putting together of 3 good games for a total of 587. Karl Braman had a relapse and could not stand the pace, finishing in second, after leading early the entire distance. Jack Larsen retained third position being hard pressed by Harry Chiverell, who but for a couple of hard luck games would have finished a good third. Percy Bowen, rolled true to form, being fifth in the line-up. Ernest Church who had been trailing the bunch until last weeks' games, turned in the high three game total of the tournament, getting himself 592 "sticks," enabling him to land in sixth place, followed in order by Ray Crocker, Arthur Brown and Lyman Curtis. The single high game of the series was Larsen's, 217.

Following are the results of those having finished the full 15 games: Blesing 2655, Braman 2598, Larsen 2500, Chiverell 2493, Bowen 2424, Church 2413, Crocker 2388, Brown 2377, Curtis 2354.

FATA—COSCARELLI.

Miss Mary Coscarelli, who is the daughter of Mr. and Mrs. George Coscarellil of this place, became the bride of Paul Fata of Lansing, Sunday at the St. Mary's church at Lansing, Rev. John Rafferty performing the ceremony. They were attended by Mr. and Mrs. Wm. Spagnoli.

The bride's gown was of white satin, and she wore a veil fastened with orange blossoms and carried an arm bouquet of roses. Mrs. Spagnoli wore a gown of white silk crepe and also carried roses.

After the ceremony a wedding dinner was served at their new home, covers being laid for forty. They left for a short eastern trip and on their return will make their home in Lansing, where Mr. Fata owns a confectionary store.

R. N. A. GIVE CARD PARTY.

The Royal Neighbors of America gave a pedro party at their hall Thursday evening. There were ten tables of players and ten games were played, Mrs. Florence Clark and Johnnie Boyd receiving first honors and Mrs. Rollo Wilkins and Ray Pocklington the consolation. Refreshments were served.

They plan to hold another party Thursday (tonight) and each lady is requested to bring a box with lunch for two.

Mr. and Mrs. Seymour Orr of Detroit spent Sunday with his parents, Mr. and Mrs. J. J. Orr.

LYCEUM PLAYERS HERE FRIDAY NIGHT.

The next number on the high school course will be the Lyceum Players who will appear in a one-play-act and musical program. The name of the play is "Sarah Sidesteps" and it is said to be a very humorous article.

The seniors have done a world of good putting on this course for the people this year and everyone should turn out Friday night, Feb. 16th and help make it a great success.

You will enjoy every minute of this funny play and if you don't want to enjoy a hearty laugh every minute, you will have to stay at home. Better arrange to come out and bring the family for a splendid entertainment.

GAVE EXCELLENT PROGRAM.

Rev. Buell deserves great credit for the splendid Lincoln Anniversary program which he put on at the Baptist Church Monday evening. In spite of the bad storm, a large crowd was present and everyone enjoyed the excellent program. Members of the American Legion, G. A. R. and Auxiliary were present.

L. P. Williamson donated the use of a radio and the first number on the program was a radio concert.

With Mrs. Kiskaddon at the piano and Rev. Buell leading, a song fest of patriotic songs was enjoyed. Rev. Buell complimented Tecumseh on its appreciation of good music.

Walter Harper and Wilfred Waldron next played a trombone, cornet duet, "Let Us Have Peace." They were accompanied by Mrs. Harper.

Messers. Camp and Wilson, accompanied by Rev. Buell sang, "I Cannot Do Without Thee."

The next number was a Saw Solo, "I've Found a Friend" by Rev. Buell, who pleasingly responded to an encore.

Lester Waring gave a very pleasing vocal solo, after which H. C. Daniels spoke a few words, expressing his belief that Abraham Lincoln was a "Simon pure Christian."

Rev. Marsh then sang Lincoln's favorite hymn, after which Mrs. R. S. Moore sang, "Barbara Fritchie," in her own original manner. She was accompanied by Rev. Buell.

Pictures were then shown, "The Highest Law," depicting the great heart of Abraham Lincoln. The story was of a deserter in war times, who deserted to see his sick mother. After [illegible] the home, Mr. Lincoln received him at the White House and told him the story and asked a verdict, which was promptly given "Not Guilty." The pardon was written and the boy returned to the rank and made good.

Another film on the history of "Glass Making" was shown, which was very interesting.

EDITORS GETTING SCRAPPY.

According to reports in the Hudson Post-Gazette, editor Stanley Stone had an argument with Fred Bradley over an article which the Post-Gazette carried relative to Durant stock sales and as the conversation waxed warm, the argumentees got closer and closer together until their noses fairly touched at which time it is not related just what happened but the editor says neither warship was ready for the scrap heap after the smoke had cleared away. We would like to see the fuss anyway as both are quite determined athletes.

Editor Schmidt told the "high brows of Morenci" what he thot of them in no uncertain terms in parting farewell after the paper was sold and the new comer said he would not say anything about his numerous predecessors but hoped to bring the paper up to the wonderful standard made by the Allens when they run the paper about twenty years ago. We hope he succeeds.

Tut—tut—boys, you must remember that the dignity and high calling of the press must always be maintained no matter what the provocation, however, if you must scrap do a good job of it and thus maintain the same high standard and due respect for the press. Atta boy.

BUYS BUSINESS IN BROOKLYN.

Mrs. Eleanor Hardenburgh who has long been the bookkeeper at the Webster Anderson Co. has bought a partnership interest in a long established dry goods business in Brooklyn, Mich.

Mrs. Hardenburgh is a very efficent, capable and courteous lady who has made a host of friends in both a business and social way in Tecumseh, and by her pleasant ways and earnest efforts always to please the trade, she has been a great asset to the business of the firm she has so faithfully served.

Knowing the dry goods business so thoroughly she will surely make a splendid success of the venture and her many friends here wish her all kinds of prosperity and happiness.

Miss Ellen Smith spent the week end in Detroit with friends.

Mrs. Elmer Slayton of Adrian spent Friday with friends in town.

The Women's Home Missionary Society of the M. E. Church will meet with Mrs. H. J. B. Marsh, Thursday afternoon, Feb. 22d, at 2 p. m.

JUNIOR PLAY WILL BE A SCREAM.

The Juniors, a bunch of live wires in the local high school, will put on one of the best plays ever seen in Tecumseh on Tuesday and Wednesday nights, Feb. 27th and 28th.

The play is especially fitted for amatuers and as the Juniors have some excellent talent which is working hard to perfect the play, the people will surely see an excellent presentation of as funny and interesting [illegible] presented here.

Now, good people, we must take an interest in these affairs and help our young folks in their worthy endeavors. If we don't we are slackers and pikers right. We keep our schools up at a big expense and we want these young folks to know we are backing their every worthy endeavor and this is just the time when they need our backing in the shape of buying tickets and attending the play. Of course we will all do so cheerfully, for it is said that the Lord loveth a cheerful giver and in this case you are simply being a cheerful liver and it will do your liver good to go and laugh at this splendid play. No more liver pills needed after you have laughed until your sides ache at this funny play. Just come and bring the whole family from baby to grandma, they will all have a good time.

Remember the day and date and plan to be right on hand in the bald-headed row and enjoy the time of your life. Thanks, we know you will.

IS BEING GREATLY IMPROVED.

Lowry's Grocery is undergoing several changes these days which will make it more convenient and greatly improve the interior. The store has been painted and a petition across the back part extended to the ceiling which makes the front part warmer and the back part cooler which gives an ideal arrangement for keeping groceries at the right temperatue.

THEY DON'T DO IT HERE.

Isn't it funny?
That a man who thinks
He is a business man
Will get up in the morning
From an advertised mattress,
Shave with an advertised razor,
And put on advertised underwear,
Advertised hose, shirt, collar, tie,
shoes.
Seat himself at the table and
Eat advertised breakfast food,
Drink advertised coffee or substitute
Put on an advertised hat,
Light an advertised cigar,
Go to his place of business and
TURN DOWN ADVERTISING
ON THE GROUND THAT
ADVERTISING DOESN'T PAY.

—Blissfield Advance.

RECEIVES COMPLIMENT.

Rev. J. F. Kiskaddon has just received a pamphlet devoted to specimen advertising for the Presbyterian Church and in it appeared two ads that the good Pastor had used in his regular advertising in theHerald.

This is a splendid recognition of his ability as an ad writer and also the Herald claims a wee bit for its ability to set it up right. Good for both of us.

WILL OBSERVE DAY OF PRAYER.

The "Day of Prayer" will be observed in the parlors of the Presbyterian Church by the United Woman's Missionary Societies of Tecumseh, Friday afternoon, 2:30, and every body is urged to come. The Societies of the various churches will report concerning the work of their denomination which will be very interesting and instructive.

ENTERTAINS AT VALENTINE PARTY.

Miss Mabel Clark entertained a party of twelve friends at a Valentine party at her home on South Maumee street Monday evening.

Games and contests were enjoyed early in the evening, Albert Marks and Marion Harrington winning the prizes in the guessing contests and Charles Stevenson in the heart contest.

The table was very attractive with crystal candle sticks at each end and a heart box containing [illegible] cake [illegible] dainty luncheon [illegible] hostess.

GIVES A FAREWELL.

Mrs. Eleanor Hardenburgh has resigned her position as bookkeeper at the Webster Anderson after six years of service and goes to Brooklyn the first of the week where she has bought into a business there.

Monday evening the employees and their families gave a farewell party at the store in her honor.

A four course banquet was served at six o'clock after which music and dancing were enjoyed during the evening.

Mrs. Hardenburgh was presented with a handsome gift to remember her friends by. She will be greatly missed by her large circle of friends.

Where the Greater Value Is

YOU step into the driver's seat of your Overland without contortion. There is ample room between wheel and door-jamb. You find standard controls. You ride in greater comfort because of the easy cradling of the Triplex Springs (Patented). It costs you less because of oversize tires, sturdy construction and a gasoline mileage of 25 and better. You take pride in the longer lines, higher hood, lower seats. Drive an Overland and realize the difference.

REGISTRATION NOTICE FOR GENERAL PRIMARY ELECTION.

Wednesday, March 7, A. D. 1923

To the Qualified Electors of the Township of Tecumseh, County of Lenawee, State of Michigan:

Notice is hereby given that in conformity with Act 126, Public Acts of 1917 as amended, I, the undersigned Township Clerk, will upon any day except Sunday and a legal holiday or the day of any regular or special election or official primary, receive for registration the name of any legal voter in said Township not already registered who may APPLY TO ME PERSONALLY for such registration, or who may make application for registration by mail or messenger, as provided by Act 7, Public Acts of 1919, as amended except that I can receive no names for registration during the time intervening between the Second Saturday before any general or special election or official primary election and the day of such election.

Feb, 24, 1923—Last Day for General Registration by personal application for said election.

Notice is further hereby given that I will be at Spitler & Horn Hardware Store on

Feb. 10 and Feb. 17 A. D. 1923 from 8 o'clock p. m. on each of said days for the purpose of REVIEWING the REGISTRATION and REGISTERING such of the qualified electors in said TOWNSHIP as SHALL PROPERLY apply therefor.

The name of no person but an ACTUAL RESIDENT of the precinct at the time of registration, and entitled under the constitution, if remaining such resident, to vote at the next election shall be entered in the registration book.

Registration of Absentee by Oath.

If any person whose name is not registered shall offer and claim the right to vote at any election, and shall UNDER OATH, state that he or she is a resident of such precinct and has resided in the TOWNSHIP TWENTY DAYS next preceding such election, designating particularly the place of his or her residence and that he or she possesses the other qualifications of an elector under the constitution; and that owing to the sickness or bodily infirmity of himself or herself or some member of his or her family, or owing to his or her absence from the TOWNSHIP on public business or his or her own business, and without intent to avoid or delay his or her registration, he or she was unable to make application for registration on the last day provided by law for the registering of electors preceding such election, then the name of such person shall be registered, and he or she shall then be permitted to vote at such election. If such applicant shall in said matter, wilfully make any false statement, he or she shall be deemed guilty of perjury, and upon conviction, be subject to the pains and penalties thereof.

Provision in Case of Removal to Another Precinct

Any registered and qualified voter who has REMOVED from ONE ELECTION PRECINCT of a TOWNSHIP to another election precinct of the same TOWNSHIP shall have the right, on any day previous to election day, on application to the TOWNSHIP Clerk, to have his or her name transferred from the registration book of the precinct from which he or she HAS REMOVED to the registration book of the precinct in which he or she THEN RESIDES. Such elector shall have the right to have such transfer made on ELECTION DAY by obtaining from the board of inspectors of election of the precinct from which he or she HAS REMOVED a CERTIFICATE OF TRANSFER and presenting the said certificate to the BOARD OF ELECTION INSPECTORS OF THE PRECINCT IN WHICH HE OR SHE THEN RESIDES.

Women Electors

The names of all qualified women electors not already appearing on the registration list will be registered, in conformity with the foregoing provisions.

Equipped to Give Quality

To get maximum results cylinder bores should be within one-half thousandth in roundness and absolutely straight and square with the flange.

To maintain this precision and to give our customers the best there is, we have installed a Heald Grinder similar to that used by every motor manufacturer in the country who grinds his cylinders.

Regardless of the make or model of your car you will receive the same attention and get the finest workmanship possible and you make your old motor better than new. Money saved on gas and oil bills will go a long ways toward paying for the regrinding job.

Let us demonstrate its advantages.

You turn the switch, step on the button, and the motor starts—without undue noise or delay.

The reasons are readily understood:

The coordination of the power plant is well nigh flawless. The slightest impulse sets it in motion.

The battery—6-cells, 12-volts—is unusually large.

A high-vacuum carburetor so thoroughly vaporizes the gasoline that it ignites instantly under the spark.

The electrical system is remarkably efficient and cuts to a minimum the usual voltage loss between battery and starter.

Finally, the starter, itself—an admirable example of its kind—is directly united with the engine by a chain drive which is always in mesh —a fact having much to do with the promptness and quietness of its action.

Mr. and Mrs. Osburn Raymond and Wilbur Nixon of Ypsilanti and Mr. and Mrs. Floyd Barber of Adrian spent Sunday with Lee Ferguson and Mrs. Etta Nixon.

The B. Y. P. U. will have a Valentine Social in the church parlors Saturday evening this week. An interesting program has been arranged. All young people are invited to come.

On next Monday night the G. A. R. post room will be open to the public at 7 o'clock p. m. when a Washington, Lincoln and Grant program will be given. All are invited to come.

Frank Fogleson of Jackson has purchased the home of Baron Pennington on South Evans street and will take possession about March first. The Penningtons are moving to their farm at Macon.

The American Legion enjoyed a six-thirty steak dinner Tuesday evening at their rooms. Rev. H. J. B. Marsh was present and gave them a splendid address, after which they held their regular meeting.

Mr. and Mrs. J. K. Waldron entertained last Friday at a six o'clock dinner for Rev. and Mrs. Henry Buell, Mr. and Mrs. Heesen and Lester, Mr. and Mrs. A. VanValkenburg, Mrs. Carrie Bryant, Miss Lyda Burton and Mrs. Crossman of Jackson.

Ira Ashley, who recently sold his farm to the Lenawee Sand & Gravel Co., has purchased the home of W. E. Barrett and will move his family into town as soon as the house is vacated. Mr. and Mrs. Barrett have purchased of J M. Mulvaney the place on East Pottawatamie street known as the Davidson property and after remodeling the same will occupy it as a home, planning to move about March 1st.

A TERRIBLE INJUSTICE.

It was a fatal day for man when the dear ladies persuaded, cajoled, inveigled or hornswaggled her brothers, husbands, sweethearts, etc., into giving the dear sweet ladies and grandmas the power of the vote for—listen, it is now proposed to pass a law to equip every man with a small button hole microphone set in solid steel and tamper-proof with an aerial running up his backbone to his skypiece and—oh, its too terrible to relate—the receiving set is placed on milady's dress somewhere northwest of her clavical and just near enough to her good ear so that she can hear every single solitary syllable that hubby utters the whole live-long day no matter where he is. Gad what a riot it will create if it ever gets the fashion in Tecumseh. Wow, how very real woman's suffrage is getting to be.

LOCAL AND PERSONAL.

Miss Beula Van Antwerp was in Adrian, Saturday.

Martin O'Dell of Clinton called on friends in town Sunday.

Rev. Edward Escolme is spending the week with Mr. and Mrs. Elbert Portis at Caro, Mich.

A. LaVerne Wonders and daughter Helen of Detroit called on Mr. and Mrs. Andrew Wonders, Sunday.

Chas. [illegible] returned Sunday from Canton, Ohio, where he has been on business the past few weeks.

Mrs. S. A. Snellinburger of Jackson spent the week end with her parents, Mr. and Mrs. A. J. Wonders.

The Westminster Guild will meet Tuesday with Miss Grace Gillespie, instead of with Mrs. J. F. Kiskaddon.

LaRoy VanWinkle and Miss Mildred Kremple of Ypsilanti spent the week end with his parents, Mr. and Mrs. R. R. VanWinkle.

The girls and boys first teams went to Hudson last Friday evening to see the basket ball game between Hudson and Monroe. Several car loads of Tecumseh folks drove over also.

The Cafeteria Supper at the Methodist Church, Friday evening was a splendid success. About one hundred people were served and the ladies made $38. The orchestra music was very much enjoyed while the crowd was being served.

ANOTHER PIONEER PASSES AWAY.

Thomas Hanley was born in Limerick, Ireland, Jan. 1st, 1840, died at his late home in Tecumseh, Feb. 9, 1923, aged 83 years, 1 month and 9 days. He came to America when a boy and was brought up by relatives.

At the breaking out of the Civil War he enlisted at Palmyra, N. Y. in the 33rd N. Y. Infantry and served two years. Then he reenlisted in the 18th N. Y. Cavalry, serving as Wagon Master.

In the winter of 1878-9 he was converted at Raisin Valley and became a member there of the Friends Church. On March 3rd, 1880 he was married to Anna Simmons of Philadelphia, Pa. To this union was born one son, William, whose present residence it Ft. Wayne, Ind. For nearly 40 years Mr. and Mrs. Hanley have lived on the corner of Cummins and Adrian streets, Tecumseh. He died trusting in a living Savior as his only hope of salvation. He leaves to mourn his loss his wife, Anna, his son William and family, including his wife Effie and their children, Lucile, Marjorie and William Thomas, with many cousins and friends. Funeral services were held at the Friends Church, Tecumseh, conducted by his pastor, Rev. Edward Escolme ,assisted by Rev. Howard Moore of Ypsilanti. The pall bearers were members of his Sunday School class, Newton Satterthwaite, Albert Comfort, Lorenzo Kenyon, John Wilson, Petter Hensen, Elmer Lockwood and according to his last request was tenderly laid to rest in Brookside Cemetery.

Those from a distance were W. C. Hanley and family, Ft. Wayne, Ind.; Mrs. Elmer Crego and son of Toledo, Ohio; Mrs. David Oriley and four children, William, David, Alice and Mrs. David McHanney and family of Macon; Mrs. Howard Moore of Ypsilant,i Mich.; Mr. and Mrs. Chester Kaynor, Mrs. Leslie Westerman, Mrs. Anna Westgate, Mrs. Louie Harris, Mr. and Mrs. Fred Westgate and Mrs. Orphus Westgate, Mr. and Mrs. Chester Westgate of Adrian.

Card of Thanks.

We desire to thank our friends and neighbors who so kindly assisted us during the sickness and death of our husband and father. To the G. A. R. and T. B. A., the singers, and the ministers for their comforting words, and the beautiful flowers.

Mrs. Anna S. Hanley,
Mr. W. C. Hanley and family.

Sugggstions for Artistic Walls and What Color Does to Us.

Color has a definite effect on people, but we must realize under certain conditions the same color has different reactions.

Red is called an "advancing color" because it makes the room seem small.

Blue on the other hand is a "receding color" and increases its apparent size.

Yellow cheers, and stimulates, and blue quiets.

Then there are tones of colors—you may have a "warm gray" or a cool gray"—

Sometimes a north room is small, so one uses a cool paper to give size.

If your rooms do not suit you Wall Paper can make it right.

Yet Wall Peper nowadays is so reasonably priced that even slender means can readily afford the finest of this arts creations.

Our Display Panels assure satisfaction and pleasure in selecting Wall Paper.

OBITUARY.

Grace E. Rose was born March 18, 1884, at Ogden Station, Mich, and departed this life Sunday, Feb. 4th, 1923, death being due to an accident. At a very early age her parents moved to Tecumseh, where she spent her early childhood schooldays and young womanhood. She was united in marriage to Paul E. Rose, Feb. 23rd, 1907. They lived a short time in Tecumseh moving from there to Napoleon, Ohio, where they made their home until 1914, moving then to Lima, Ohio.

She was a loving and devoted wife, a good neighbor and friend, willing always to do her part at all times especially in times of sorrow or trouble. She was also a devoted sister and daughter and has greatly mourned the loss of her dear mother who preceded her in death six years ago.

When in good health she was an earnest and willing worker in all the different organizations of which she was a member. She united with the First Baptist church of Lima, O. of which she was still a member at the time of her death.

She was also affiliated with the Ladies lodge of the B. of L. F. & E., Mayflower No. 241; the Maccabee and Lincoln Court lodge of The Tribe of Ben Hur. About one year ago her health began to fail her but at the time of her death she was miproving wonderfully.

Mr. Rose's parents have lived with him during the last few months and his mother has given her most tender and loving care to his wife.

She leaves to mourn her loss, her devoted husband, her father, two brothers, one sister, one nephew, besides her other relatives and a host of friends.

Burial was made in Brookside, Wednesday, February 7th.

RIDGEWAY.

Mr. and Mrs. Garrett Baker of Tipton spent Thursday with her parents, Mr. and Mrs. Harry Wood. The occasion being their wedding anniversary, Mr. and Mrs. Wood's 35th and Mr. and Mrs. Baker's 7th.

Mr. and Mrs. Geo Squires, Will Fletcher, Ralph Atcherson and Walter Wagner is reported ill.

Mr. and Mrs. Verle Osburn of Tecumseh spent Sunday with his brother, R. S. Osburn and family.

Mr and Mrs. Lenard Morse attended the Pate-Burton wedding in Adrian, Saturday.

The condition of John Kopke is reported better.

Mrs. May Jones Riggs of New York came for a months 'visit with her parents, Mr. and Mrs. Warren Jones.

Mrs. John Curtiss and children of Macon spent Friday with her aunt, Mrs. Sidney Hathaway.

Mr. and Mrs. Chas Lowe were at Wamplers Lake, Saturday.

Gordon Barry lost a valuable horse, Sunday.

Mr. and Mrs. Jennie Dibble and daughter were dinner guests of Mr. and Mrs. Irvin Barnes, Sunday.

Mr and Mrs. Will Spreeman were in Adrian, Saturday.

Edd Harrison is reported ill.

Mrs. Chas. Barrett spent the week end in Adrian with her daughter and husband, Mr. and Mrs. Gordon Smith.

Mr. and Mrs. John Gray spent Mr. and Mrs. Chas Smith and father, William Beevers of Adrian spent Friday with Mr. and Mrs. Earl Beevers.

VALENTINE, BIRTHDAY PARTY.

Miss Eleanor Reed entertained a party of friends and her teacher, Miss Alma Crockett, at a Valentine and birthday party, Tuesday evening at her home on West Chicago Street, from four-thirty until eight.

Mrs. Reed, assited by Mrs. L. C. Hayden and Mrs. R. K. Anderson, served a two-course dinner at six o'clock. Hearts were used in profusion about the dining room, and centering the table on a large red heart, was a birthday cake containing twelve candles. Each of the twenty guests received a red basket of candy hearts as a favor.

A pleasant time was spent in playing games and music, and Eleanor received many pretty gifts in honor of the occasion. Anna Knight and Charles Knight of Clinton were amog the guests.

NEW SCHOOL PAPER OUT.

The local high school has just issued the first number of their new school paper, The Chieftain.

It is a bright, newsy, six page paper printed on the mimograph and for that reason is not all that could be desired from a mechanical point of ivew but it serves its purpose very well.

The editor-in-chief is Bernice Austin, assisted by Geo. Deery. The other editors are Eleanor Caldwell, Donald Brown, Margaret Turner and Philip Ketcham, assisted by several others reporting for the various departments.

The idea is a good one and the young people will get a splendid training from the work beside it arouses a better school spirit and doubtless will be of much benefit all around.

Hudson H. S. which is our own size publishes an excellent paper and have the work done at the local newspaper office which turns out fine work and the paper therefore is a distinct credit to the schools. Anything worth doing they believe is worth doing well or not at all.

DON'T MISS "CAPPY RICKS."

If you haven't seen Thomas Meighan in his new Paramount picture, "Cappy Ricks," you are the loser. Last showings will be had at the Bradley Theatre, Saturday, February 17th. Don't miss it.

Mr. Meighan's leading woman in this production is Agnes Ayres, a charming screen player. Many capable players contribute to make the photoplay entertaining.

Hall's Catarrh Medicine

Those who are in a "run down" condition will notice that Catarrh bothers them much more than when they are in good health. This fact proves that while Catarrh is a local disease, it is greatly influenced by constitutional conditions.

HALL'S CATARRH MEDICINE consists of an Ointment which quickly Relieves by local application, and the Internal Medicine, a Tonic, which assists in improving the General Health.

Progressive Times

This is the day of the forward march. No farmer would now attempt to harvest his wheat with an old-fashioned cradle, nor thresh his grain with an old horse power machine.

There's the new radio outfits, the airplanes, wireless telegraphy, submarines, hydro-electricity, a hundred new things every decade. And in money matters, are we keeping step? Most of us are. We keep a balance at the bank and pay our bills by check, instead of keeping our money somewhere about the house, subject to loss every day. REGISTRATION NOTICE FOR VILLAGE ELECTION.

Monday, March 12, A. D. 1923

To the Qualified Electors of the Village of Tecumseh, State of Michigan.

Notice is hereby given that in conformity with Act 126, Public Acts of 1917 as amended, I, the undersigned Village Clerk, will upon any day except Sunday and a legal holiday or the day of any regular or special election or official primary, receive for registration the name of any legal voter in said Village not already registered who may APPLY TO ME PERSONALLY for such registration, or who may make application for registration by mail or messenger, as provided by Act 7, Public Acts of 1919, as amended except that I can receive no names for registration during the time intervening between the Second Saturday before any general or special election or official primary election and the day of such election.

March 3, 1923—Last Day

for General Registration by personal application for said election.

February 3, 1923—Last Day

for Registration by affidavit. See below.

Notice is further hereby given that I will be at my store on Feb. 17 and Feb. 24, A. D. 1923, from 8 o'clock a. m. until 8 o'clock p. m. on each of said day for the purpose of REVIEWING the REGISTRATION and REGISTERING such of the qualified electors in said VILLAGE as SHALL PROPERLY apply therefor.

The name of no person but an ACTUAL RESIDENT of the precinct at the time of registration, and entitled under the constitution, if remaining such resident, to vote at the next election shall be entered in the registration book,

Registration by Mail or Messenger

Under Act 7, Pub. Acts, 1919, as amended, the privilege of absent voters is extended to include registration. They can also register by MAIL or MESSENGER whether absent or not but the affidavit must be received by the Clerk on or before the 10th DAY preceding the THIRD SATURDAY before the election.

Affidavit for Registration

GIVES INTERESTING PROGRAM.

The "Day of Prayer" was observed Friday afternoon at the Presbyterian Church by the United Woman's Missionary Societies of town, a large representation being present.

Mrs. Henry A. Buell acted as chairman of the afternoon and the first number on the program was singing, with Mrs. J. F. Kiskaddon at the piano.

Reports of the work of each society were given by a member of each, and some very excellent things have been accomplished.

The papers that were given on Foreign and Home Mission Work and one on Alaska were very interesting and showed much preparation and thought on the part of the reader.

Vocal solos were given by Mrs. J. J. Preston and Mrs. S. Wyman, and were very much enjoyed.

Such meetings are an inspiration to each society and to each individual, and the ladies felt that this meeting was not in vain.

SCHOOL HONORS ASSIGNED.

The assignment of high school honors for graduation have been announced and the valedictory will be given by Miss Alice Heilman, daughter of Mr. and Mrs. E. C. Heilman, while the salutatory will be given by Miss Bernice Austin, daughter of Mr. and Mrs. Verne Austin.

These two young ladies are to be congratulated upon receiving the highest scholastic attainments through their four years of high school work and it represents an honor greatly to be desired. The standings of the two were very close and each ranked very high in their work. The Herald joins in congratulations for such merited attainments.

DeMOLAYS HOLD BANQUET.

The Lenawee Chapter of DeMolays enjoyed a six o'clock banquet at the Masonic lodge rooms Thursday evening. There were seventy-five served, forty of the Adrian DeMolay boys being present.

The DeMolay degree was conferred on the following boys: Ralph Mull, Ralph Field, Phillip Ketcham, Paul Beard, Sherman Waring, Marvin Cummings, Geo. Wilson and the following Britton boys, Jay Curry, Glen Curry, Lawrence Zeluff, Donald Exelby, Russell Brown and Leland Bush.

WESTMINSTER GUILD.

The Misses Grace and Jennie Gillespie entertained the Westminster Guild, Tuesday evening, at their home on North Pearl St.

Mrs. Floyd Russell had charge of the devotionals after which Miss Alice Wimple and others gave reports on the studybook which they are taking up.

An interesting time was spent in telling fortunes and a social time was enjoyed. Refreshments were served.

Mrs. Pauline Bredow will entertain in two weeks.

Citizens' Caucus Names Full Ticket

R. A. Heesen Nominated For Village President. Dr. E. E. Hendershott, Thos. McCann and Ernest Dilsner Named For Trustees. Forty Votes Cast For Treasurer, Harriet Whittier Nominated.

About forty-five citizens of the village gathered at the council building last Saturday night and named a full ticket to oppose the one named last week at the People's caucus.

The meeting was called to order by Dr. E. E. Hendershott and Geo. Hines was made permanent chairman with Mrs. Franc Gillespie, Secretary. Tellers were appointed and everything made right for a real caucus.

The chairman called for nominations for village president and Dr. E. E. Hendershott secured recognition and spoke very eulogistic of his friend and neighbor, Rudolph A. Heesen, as one who could and would fill the office with great efficiency if elected. Mr. Heesen was nominated by acclamation.

The next office was that of Clerk. Someone suggested that W. L. Coller be nominated but the chairman demurred and said we should have a full ticket. Lynn Butrick was named but declined and then Clyde Barber was named. He also did not wish to run but would not refuse the nominatnon so he was named by acclamation.

For treasurer, a contest developed, the only one in the caucus. Two names were put before the caucus, Floyd Freeman and Harriett Whittier. Miss Whittier received 24 votes and Floyd Freeman 16. Miss Whittier was declared the nominee.

The chairman then announced that three trustees would be nominated and mentioned the name of Dr. E. E. Hendershot who he said was left off the "slate" of the other caucus. Mr. Hines spoke very feelingly of Dr. Hendershott and said he knew from experience that he was a very good councilman. The Dr. was nominated by acclamation. Just why the chairman referred to the other caucus having a "slate" when the caucus over which he was presiding nominated the whole ticket except treasurer by acclamation which was exactly what the other caucus did, was commented by several as a bit farfetched but presumably all in the game.

The other two candidates for trustees were named by acclamation and were Ernest Daisher and Thos. McCann. Mr. Arner informed the caucus that Mr. McCann had told him to inform the caucus if his name were presented that he would positively not run for the office and Mr. McCann confirmed this statement after the caucus. However, he was nominated.

For Assessor the name of Geo. Field was mentioned but not placed in nomination and the name of John Boyce was then placed in nomination by acclamation. By the time the caucus was in full swing, fully fifty people were present. The first three on the ticket were named as a committee for next year.

MRS. ALPHONSO SMITH PASSES AWAY.

Josephine Gypsom was born in Niagara County, New York state, May 24th, 1848 and died at her home at Tecumseh on South Union street, Monday evening, February 19, 1923, after a lingering illness of two years, at the age of seventy-four years.

On December 12, 1867 she was united in marriage to Alphonso B. Smith and to this union was born one son, Foster J. Smith. She leaves to mourn her loss her husband and son.

Funeral services will be held Thursday morning at ten o'clock at the home, Rev. Edward Escolme officiating, burial will be made at Brookside.

ENTERTAINS AT DINNER.

Mr. and Mrs. Lloyd Whelan entertained at a six o'clock dinner at their home on South Evans St., Friday evening. Covers were laid for Mr. and Mrs. Faunt Lenardson and Douglas, of Britton; Mr. and Mrs. C. J. Pentecost of Onsted; Mrs. Leora Camburn of Adrian; Fred VanTyne, Mr. and Mrs. Clarence Starkweather and Phylis and Mr. and Mrs. Floyd Billington.

Progressive 500 was played during the evening, first and second honors being won by Faunt Lenardson and Floyd Billington respectively.

ELECTS OFFICERS.

Mrs. Abbott's class of the M. E. Sunday school met with Mrs. Sidney Wilson, Friday evening. A business session was held and plans for the year were talked over and officers elected.

President—Mrs. Ed Braun.
Vice President—Mrs. S. C. May.
Sec. and Treas.—Mrs. Emma Day.

Music and visiting were enjoyed during the evening and refreshments were served.

Mr. and Mrs. Leon J. Waldron of Flint spent Sunday and Monday with his parents, Mr. and Mrs. J. K. Waldron.

CLINTON PAPER GOES TO SIX COLUMNS.

The Clinton paper has dropped back to a six column paper from a seven column. Formerly it has been seven columns to the page but for the last two weeks it has appeared as a six column paper. This eliminates eight columns from the 8 pages and makes it a 48 column paper instead of fifty-six.

Crampton Elected For Two Year Term

E. E. Crampton, Present Superintendent Of City Schools Again Retained By Board For Two Year Term. Has Been In Charge Of Schools Three Years. Salary Is Made Satisfactory To Both Sides.

E. E. Crampton who has been the superintendent of the city schools for the past three years was again elected to a two-year term at a meeting of the board last week.

Mr. Crampton came here from Eaton Rapids and took charge of the local schools following Supt. Reed who is now at Mason, Mich. The local board consists of J. H. Smith, Chas. Burridge, Mrs. John McIntyre, C. F. Patterson and F. B. Wood.

The board felt that Mr. Crampton has made a success of the schools here and found that he was negotiating with another school system so they decided to close the matter up by re-engaging him at once. The board at the request of the state superintendent, passed a resolution to send Supt. Crampton to Cleveland to attend the meeting of the superintendents of the country, with all expenses paid by the district. No other teachers have been elected as yet.

C. F. Patterson, Sec'y. of the Board, also received notice from the state superintendent that the plan to grab off the Primary Money by keeping it in Lansing in the general fund, was dead, but that a new plan was on foot to re-apportionate it on another plan. It will be a great thing for this and other school districts if the state does not get its hands on this money for it simply means dig up that much more in taxes.

ENJOYED EXCELLENT PARTY.

A dinner dance was given last Tuesday evening in Witherell hall by about thirty couples and a most excellent time was enjoyed by everyone.

The couples met at the Cozy Cafe at seven o'clock and after enjoying a very excellent dinner, repaired to the hall for dancing. A five piece orchestra from Ann Arbor furnished the music and it was indeed real music of the finest character both as to its entertaining features and syncopated rythem. The guests certainly enjoyed every minute of the dancing and returned to their homes at a late hour after saying that they would hold another party during the latter part of March.

The hall had been decorated in patriotic colors and made a very stately appearance with its many flags, shields and other emblems of national glory appropriately displayed in charming effects. The good ladies who are responsible for the affair and the men folks who assisted them in carrying out their plans deserve much credit for its splendid success.

The music was never better, the hall never prettier nor the ladies more charming as they danced to and fro than were they last Tuesday evening. And we might add the men folks were never more eager to join in the scintillating scene than then. It was a very pretty party admirably managed and thoroughly enjoyed by everyone.

GAVE EXCELLENT PROGRAM.

The G. A. R. and T. B. A. held a meeting in their hall Monday evening in honor of Washington, Lincoln and Grant. John D. Shull acted as chairman of the meeting and announced the following program:

Singing of America with Miss Maxine Wyrill at the piano.
Prayer—Rev. Edward Escolme.
Duet, "How Betsy Made the Flag"—Misses Naomi Van Winkle and Mabel Lockwood.
Abraham Lincoln—Rev. J. F. Kiskaddon.
Instrumental Music—Miss Maxine Wyrill.
U. S. Grant—Rev. H. J. B. Marsh.
Star Spangled Banner.
George Washington—Rev. H. A. Buell.
Vocal solo—Rev. Escolme, accompanied by Rev. Buell.

It was a program full of inspiration and enjoyment.

BUYS BAKERY.

Chas. Walton former owner of the Purity Bake Shop here has purchased a bakery in Bryan, Ohio, and will move there with his family about March first.

Mr. and Mrs. Walton together with their family have made many friends here during their stay who will regret to have them leave but glad to know they are moving only a short distance away.

Miss Myrna VanVleet returned to her school work at Ft. Wayne, Sunday.

A Big Carnival Is Coming Soon

Four Days Of Fun, Entertainment, Music And Song To Be Given March 14, 15, 16, 17. Vaudeville Show Every Night. Biggest Event Of Season To Be Held In I. O. O. F. Hall.

The biggest event of the season will soon be here. A real genuine dyed-in-the-wool carnival, the only one of its kind in captivity, will be put on at the I. O. O. F Hall on March 14, 15, 16, 17th.

Save your dates for a big time until this event comes along and then all roads and vehicles will lead to Tecumseh I. O. O. F Hall where the big show will be ready to entertain you to your hearts content.

Fun, fun, a car load of it will be here and miles of smiles will be [illegible] around by those who attend this big carnival of fun, music and mirth. You know what an indoor carnival is and that it is just one continuous roar of entertainment from one end of the hall to the other and this one will be the biggest ever staged in Tecumseh so watch your step and see that it carries you to the I. O. O. F. Hall on the above dates.

The affair is in charge of seasoned show men and show girls that know how to stage an affair of this kind and if you miss a single night, you have lost a lot of fun out of your gay young life that can never be replaced so we say get set for the above dates and be on hand for your share of the good things that will surely be here.

ALMONERS' ELECT OFFICERS.

The Almoner Circle met Tuesday afternoon with Mrs. N. A. Howland at her home on South VanPuren street, for their annual February meeting. A business session was held and the following officers were elected:

President—Mrs. N. A. Howland.
Vice-Pres.—Mrs. Harry Moore.
Sec. and Treas.—Mrs. Wm. Fisher assisted by Mrs. Franc Gillespie.

Bert May is recovering from his recent illness with the grippe.

Ralph Bidwell left Monday for his home at San Francisco, Calif.

Nelson Holdridge, of Chicago spent Sunday with his parents, Mr. and Mrs. Clarence Holdridge.

B. Y. P. U. SOCIAL.

The Young People's Society of the Baptist Church enjoyed a Valentine social Saturday evening in the church parlors.

Games and stunts in keeping with the occasion were played. The heart shooting contest was especially interesting, and it was easy to detect who had had practice. Refreshments were served.

SURPRISE.

Mr. and Mrs. Elroy Zimmerman were pleasantly surprised Monday afternoon when a party of twenty-five friends came in with well-filled baskets to spend the afternoon and evening.

A bountiful pot luck supper was served after which progressive pedro was played. A pleasant time was enjoyed by all.

NO NAME CLUB.

Mr. and Mrs. John E. Murphy entertained the No Name Club at their country home Tuesday evening.

A delicious two-course dinner was served after which the evening was spent in playing progressive pedro. Mrs. E. E. Hendershott and Allen Montgomery received high honors.

Coming In Like A Lion

Financially speaking, March will come in like a lion for you if you take advantage of the opportunity to make a good substantial deposit in your savings account at the Lilly State Bank.

A new interest period starts on March 1, but all deposits made within the first ten days of March will be credited from the first.

Don't let your savings account become meek and lamb-like. Keep it up and coming. Better times are ahead and with a growing bank account you can make them count to the limit for your own progress.

HOLLOWAY.

Attendance at church service was small on Sunday on account of the icy roads and severe cold weather. Also much sickness keeps people at home. There were only forty at Sunday school and the collection was $1.35.

The lecture to have been given on Friday evening as one of the numbers on the Lyceum Course was posponed as Professor Henderson was ill and could not come. The date of the number is still uncertain.

On Saturday evening Miss Edna Blouch entertained the members of her Sunday School class, "The Leaders" at Blouch's hall. All who were there reported a good time although some were compelled to walk home as the severe cold caused their cars to "freeze up," and refuse to start. The walking is pretty good anyway.

The Dorcas Class held a meting on Thursday afternoon at the home of Mrs. Bernice Dibble. Eleven ladies atended. The afternoon was spent in sewing. Refreshments were served.

Mr. and Mrs. K. G. Holloway were in Adrian Monday.

IT STARTS PROMPTLY IN THE COLDEST WEATHER

The behavior of Dodge Brothers Motor Car on zero days is a fair example of its fitness the year round.

You turn the switch, step on the button, and the motor starts—without undue noise or delay.

The reasons are readily understood:

The coordination of the power plant is well nigh flawless. The slightest impulse sets it in motion.

The battery—6-cells, 12-volts—is unusually large.

A high-vacuum carburetor so thoroughly vaporizes the gasoline that it ignites instantly under the spark.

The electrical system is remarkably efficient and cuts to a minimum the usual voltage loss between battery and starter.

Finally, the starter, itself—an admirable example of its kind—is directly united with the engine by a chain drive which is always in mesh—a fact having much to do with the promptness and quietness of its action.

Four Reasons Why You Should Buy Your Ford Car This Month

I.

The unprecedented demand for Ford Cars throughout the winter months has taken the entire output of the Ford Plants working at capacity, indicating that the demand this Spring will be far in excess of the number of Ford Cars that can possibly be built.

II.

January was the tenth consecutive month in which retail deliveries exceeded 100,000 Ford Cars and Trucks. Requirements for February, the month when preparations are already under way for Spring business, called for 148,407 Cars and Trucks---More than 24,000 in excess of the number we can possibly produce.

III.

Ford dealers in many parts of the country are already finding it necessary to specify future delivery dates on Ford Products because there are no reserve stocks to draw from

IV.

Your order placed now will protect you against delay or disappointment later on---It is the only way you can be assured of reasonably prompt delivery.

We consider it important to give you these facts, so that if you are planning to purchase a Ford Car, Truck or Fordson Tractor for use this Spring or Summer you can list your order at once and take advantage of our dealer's first opportunity to make delivery.

BUSY WEEK FOR TEAMS.

The boys team played Britton Wednesday on their floor and were defeated by a score of 40 to 3.

The girls first team played a good game Thursday evening on the local floor. The Deerfield girls were good players but our team out classed them, the score resulting 39 to 6 in our favor.

The boys' team played a fast and furious game, Toledo Scott High winning by a score of 39 to 11. Perry's orchestra of Manchester furnished the music for the evening which was excellent.

Friday night the boys first team played at Clayton and were beaten by a score of 49 to 33.

Tuesday evening the boys and girls teams of Morenci played our teams on the local floor and were defeated in both games. The girls' score was 25 to 10 and the boys' 18 to 15. The boys tied three times and had to play half hour over time to decide the winner. The High School orchestra furnished the music.

Equipped to Give Quality

To get maximum results cylinder bores should be within one-half thousandth in roundness and absolutely straight and square with the flange.

To maintain this precision and to give our customers the best there is, we have installed a Heald Grinder similar to that used by every motor manufacturer in the country who grinds his cylinders.

Regardless of the make or model of your car you will receive the same attention and get the finest workmanship possible and you make your old motor better than new. Money saved on gas and oil bills will go a long ways toward paying for the regrinding job.

Let us demonstrate its advantages.

GIVES INTERESTING LECTURE.

The lecture upon missionary work in China, given last Thursday night in the Methodist church by Rev. Harry L. Canright M. D. Medical Missionary was intensely interesting to those who heard it, and it merited a far larger audience than it received.

Dr. Canright has been in Chengtu, West China for thirty years and has seen the Christian community grow from practically nothing to 30,000. He has also seen a great university founded and is at present dean of the faculty. Chengtu is a city of 1,000,000 population in a district containing as many people as the United States. It is the most prosperous part of China and thru the forethought of some of its early rulers in establishing irrigation it has never been troubled with either flood or famine. The city of Chengtu is in about the same latitude as New Orleans and the whole country is semi-tropical in its character. Dr. Canright said that the Chinese trust the United States as they trust no other nation, and as Christian civilization advances, our Chinese trade is likely to be enormous.

HENRY GASSER PASSES AWAY.

Henry Gasser, better known as "Dutch Henry," was the son of Baptist and Katherine Gasser and was born in 1837 in Switzerland.

He left Basel, the capital of Switzerland on April 24, 1867 and four days later left Havre on the sailing ship Trottingham enroute to New York.

He has made his home in Tecumseh for many years, doing odd jobs about town. He was a highly respected citizen and known for his honesty and willingness to work.

He died February 18, 1923 at the home of Mrs. Kate Perrin, after a few days illness with pneumonia. Funeral services were held at the Belding Funeral Home Wednesday morning, Rev. Edward Escolme officiating. Burial was made at Brookside.

WIT AND WISDOM CLUB.

The home of Mr. and Mrs. Chas. Kemp on West Kilbuck street was the delightful gathering place of the Wit and Wisdom club Monday night when Miss Alice Wimple was the assistant hostess.

Dr. E. D. Brown, the club president, called the meeting to order and after a short business session turned the program over to Mrs. Kemp as leader. The officers were Miss Nancy Kyle, president; Mrs. E. D. Brown, secretary; Mrs. F. S. Turner, treasurer; Mrs. Franc Gillespie, club reporter. The president in her address said the club motto was "Not failure but low aim is crime." She assured the club members that they must live up to their motto and stirred them up to valiant deeds in the Woman Rights program.

Then followed a program of great merit in which the notable ladies of the land were impersonated in such a manner as to bring forth the most hearty applause both for their make-up and the subject matter discussed. It was indeed a splendid program and greatly delighted those present.

An hour of jokes and fun followed after which the Kemp family served their guests with ice cream and wafers. The next meeting will be on March 5th at the Rector home.

EXTINGUISHES FIRE.

A defective chimney caused a fire at the home of Ed Mackey on West Pottawatamie street Saturday afternoon. The floor in the upper story caught fire and a small hole was burned in the roof. Chemicals were used to extinguish it before any great damage was done, but with a few minutes more start it would have been difficult to save the house.

REAL ESTATE.

If you want a fine modern home with garage, I have it on W. Logan St.

Another modern house with double garage and double lot on E. Logan St.

Two modern homes on Maiden Lane, location is the best.

I also have a modern home with garage, large garden, located on Kilbuck St.

A cozy cottage of five rooms on E. Pottawatamie St., for cash or easy terms to suit you.

Another nice home with barn and a large lot, reasonable, on Democratic St.

Also two good places on E. Chicago St., and the price right.

A good nine-room house in east part of town for $1200, cash or terms.

On Patterson St. a good slate roof, six room house, cheap if sold quick.

A good list not mentioned, also at all prices and terms. See me.

As to farms I have them listed of one, three, five and ten acres within one mile of town, also have them as large as one hundred and fifty acres to suit you.

Oh yes, a good cottage at Sand Lake, very reasonable for quick sale.

As for rentals I have a modern house newly decorated on West Chicago St. Also one-half house on Shawnee St..

I will be pleased to talk with you or to show you any on my list and to list what you have at 2% commission.

Sec. 1. On the day of any election the polls shall be opened at seven o'clock in the forenoon, or as soon thereafter as may be, and shall be continued open until five o'clock in the afternoon and no longer; PROVIDED. That in townships the board of inspectors of election may, in its descretion, adjourn the polls at twelve o'clock noon, for one hour, and that the township board in townships and the legislative body in cities and villages may, by resolution adopted fifteen days prior to the election and published with the notice of the election, provide that the polls shall be opened at six o'clock in the forenoon, and may also provide that the polls shall be kept open not later than eight o'clock in the evening of the same day.

THE POLLS of said election will be open at 7 o'clock a. m. and will remain open until 5 o'clock p. m., of said day of election.

Dated this 3rd day of February, A. D, 1923.

W. L. Coller,
Clerk of said Village.

GIVES "SARAH SIDESTEPS."

The fourth number of the Lyceum Course was given Friday evening at the High School Auditorium. The Chicago Lyceum Players, a company of four, presented "Sarah Sidesteps," which is a very clever comedy drama.

The story is of the reformer, or the attempt to reform, the wild daughter of a famous professor who was too much absorbed in his studies to give his daughter the proper attention.

The part of Sarah was exceptionally well played, and her nonsense took the audience by storm. The aunt tried her best but seemingly failed to bring about the needed reform.

A poor reporter on the "News" and a "bally Englishman" added to the interest of the play, the sympathy of the audience being with the bashful Mr. Percival who finally succeeded in proposing to auntie.

The saxaphone solos deserve special mention, and the whole program was one of the best on the course.

ANOTHER HUMDINGER.

Another one of those famous Chicken Pie Suppers! Where? At Ridgeway, of course, where they serve the best one in all Lenawee County. It is the Annual Men's Banquet, held this year at the Methodist Basement on Tues. Feb. 27th at 6 p. m.

An excellent program of speeches and orchestral and vocal music will be rendered. A time of exceptional pleasantness is assured all who are fortunate enough to obtain tickets to attend.

MORTGAGE SALE.

Whereas, default has been made in the payment of the money secured by a mortgage dated the thirty-first day of August in the year one thousand nine hundred and fourteen, executed by Eugene C. Calkins and Maggie A. Calkins, his wife of Adrian, Michigan, to Commercial Savings Bank of the City of Adrian, Michigan, which said mortgage was recorded in the office of the Register of Deeds of the County of Lenawee, in Liber 161 of mortgages, on page 289 on the 31st. day of August, in the year one thousand nine hundred and fourteen at 2:50 o'clock p. m. And whereas, the amount claimed to be due on said mortgage at the date of this notice is the sum of seven hundred and seventy-four dollars and sixty-seven cents, ($774.67) principal and interest, and including delinquent taxes paid by the mortgagee for the year of 1918, for the year of 1919, for the year of 1920, and for the year of 1921; and the further sum of fifteen dollars as an attorney fee provided by law and stipulated for in said mortgage and which is the whole amount claimed to be unpaid on said mortgage and no suit or proceedings having been instituted at law to recover the debt now remaining secured by said mortgage or any part thereof, whereby the power of sale contained in said mortgage has become operative.

Now, therefore, notice is hereby given that by virtue of said power of sale, and in pursuance of the statute in such case made and provided the said mortgage will be foreclosed by a sale of the premises therein described, at public auction, to the highest bidder, at the east front door of the Court House in the City of Adrian in said County of Lenawee, on the 14th day of April, A. D. 1923, at 10 o'clock (central standard time) in the forenoon of that day; which said premises are described in said mortgage as follows, to wit: Lot No. Eighteen (18) of Adrian Improvement Company's Sub-Division No. One (1), of the west half (½) of the northwest quarter (¼) of Section eleven (11), Town seven (7), South of Range three (3) east in the City of Adrian, Township of Madison, Lenawee County, Michigan.

REGISTRATION NOTICE FOR GENERAL PRIMARY ELECTION.

Wednesday, March 7, A. D. 1923

To the Qualified Electors of the Township of Tecumseh, County of Lenawee, State of Michigan:

Notice is hereby given that in conformity with Act 126, Public Acts of 1917 as amended, I, the undersigned Township Clerk, will upon any day except Sunday and a legal holiday or the day of any regular or special election or official primary, receive for registration the name of any legal voter in said Township not already registered who may APPLY TO ME PERSONALLY for such registration, or who may make application for registration by mail or messenger, as provided by Act 7, Public Acts of 1919, as amended except that I can receive no names for registration during the time intervening between the Second Saturday before any general or special election or official primary election and the day of such election.

Feb, 24, 1923—Last Day

for General Registration by personal application for said election.

Notice is further hereby given that I will be at Spitler & Horn Hardware Store on

Feb. 10 and Feb. 17 A. D. 1923

from 8 o'clock p. m. on each of said days for the purpose of REVIEWING the REGISTRATION and REGISTERING such of the qualified electors in said TOWNSHIP as SHALL PROPERLY apply therefor.

The name of no person but an ACTUAL RESIDENT of the precinct at the time of registration, and entitled under the constitution, if remaining such resident, to vote at the next election shall be entered in the registration book.

Registration of Absentee by Oath.

If any person whose name is not registered shall offer and claim the right to vote at any election, and shall UNDER OATH, state that he or she is a resident of such precinct and has resided in the TOWNSHIP TWENTY DAYS next preceding such election, designating particularly the place of his or her residence and that he or she possesses the other qualifications of an elector under the constitution; and that owing to the sickness or bodily infirmity of himself or herself or some member of his or her family, or owing to his or her absence from the TOWNSHIP on public business or his or her own business, and without intent to avoid or delay his or her registration,, he or she was unable to make application for registration on the last day provided by law for the registering of electors preceding such election, then the name of such person shall be registered, and he or she shall then be permitted to vote at such election. If such applicant shall in said matter, wilfully make any false statement, he or she shall be deemed guilty of perjury, and upon conviction, be subject to the pains and penalties thereof.

Provision in Case of Removal to Another Precinct

Any registered and qualified voter who has REMOVED from ONE ELECTION PRECINCT of a TOWNSHIP to another election precinct of the same TOWNSHIP shall have the right, on any day previous to election day, on application to the TOWNSHIP Clerk, to have his or her name transferred from the registration book of the precinct from which he or she HAS REMOVED to the registration book of the precinct in which he or she THEN RESIDES. Such elector shall have the right to have such transfer made on ELECTION DAY by obtaining from the board of inspectors of election of the precinct from which he or she HAS REMOVED a CERTIFICATE OF TRANSFER and presenting the said certificate to the BOARD OF ELECTION INSPECTORS OF THE PRECINCT IN WHICH HE OR SHE THEN RESIDES.

Women Electors

The names of all qualified women electors not already appearing on the registration list will be registered, in conformity with the foregoing provisions.

Obituary.

Roseann Anderson was born May 6, 1852 in Antrim County, Ireland, and came to America when 15 years old and made her home for some time in Tecumseh, and Macon, Michigan. On May 18, 1876, she was united in marriage to Robert Taylor of Tecumseh. After marriage they moved to the farm home in Macon township where she had spent all of her married life. This union was blessed with five children, four sons and one daughter. On Nov. 19, 1908 the husband was suddenly called home, and since then she had lived alone. She dearly loved her home and was never satisfied unless there. She was blessed with a rugged constitution and enjoyed the best of health until two weeks ago when stricken with a severe attack of the grip. Soon after she was taken ill she was removed to the home of her daughter where she passed away Tuesday evening, Feb. 13 at the age of 70 years. She was a kind loving mother and will be missed by all who knew her. In childhood she gave her heart to God and united with the Presbyterian church and ever since then had kept faith and had been true to the teachings of her church. She leaves in her immediate family the daughter, Mrs. Maggie Hoagland of Britton, the four sons, Will and John Taylor of Macon, James Taylor of Dundee and Glen Taylor of Cone, three grandchildren and one sister, Mrs. Jennie McLain of Tecumseh.

The funeral services were held Friday at 1 o'clock at the home of Mr. and Mrs. Arthur Hoagland, the Rev. R. C. Powell assisted by the Rev. J. C. DeRemer, officiating. The pall bearers were the sons and Arthur Hoagland and Harry Ruppe. The burial was in Ridgeway cemetery.

Those from away attending the funeral were Mr. and Mrs. Albert Konka and Mrs. Jennie McLain of Tecumseh, and James Taylor of Dundee.

Card of Thanks.

We are very grateful to all who were so kind during the illness and at the time of the death and burial of our beloved mother. We wish to especially thank the pastors, singers and those who sent the beautiful flowers.

The children and grandchildren of Mrs. Robert Taylor.

At the lunch that was beautiful with a birthday cake with candles as a centerpiece, covers were laid for Ronald Beasley, Ned Brown, Robert Custer, Douglas Lenardson, Robert Gibson, Richard Younglove, Lavern Theeke and Thomas Feldman.

Two tickets were named for the coming village offices. Citizens: President, C. F. Brown; Clerk, Alex Gibson; Treasurer Miss Bernice Underwood; Trustees, Chester Pilbeam, B. J. Beasley, Roy Williams; Assessor, Fay Van Nest. Liberty: President, H. F. Temple; Clerk, Thomas Wardle; Treasurer, Miss Lucille Lowe; Trustees, Jas. Anderson, Roy V[illegible]est, Amos Underwood; Asse[illegible] W. B. Swick.

Miss May Cronnon [illegible] of Petersburg is here for a w[illegible] visit with Miss Mable Oliver.

Mr. and Mrs. E. H. Oliver are both sick with the grip.

Mr. and Mrs. H. F. Temple spent Monday and Tuesday in Detroit.

Edgerton Temple is much better and expects to return home from Ann Arbor this week.

Progressive Times

This is the day of the forward march. No farmer would now attempt to harvest his wheat with an old-fashioned cradle, nor thresh his grain with an old horse power machine.

There's the new radio outfits, the airplanes, wireless telegraphy, submarines, hydro-electricity, a hundred new things every decade. And in money matters, are we keeping step? Most of us are. We keep a balance at the bank and pay our bills by check, instead of keeping our money somewhere about the house, subject to loss every day. Our modern Bank invites you to do business the modern way.

PRIMARY ELECTION.

Notice is hereby given, That a GENERAL PRIMARY ELECTION will be held in the Township of Tecumseh, County of Lenawee, State of Michigan, at the Council Building, within said Township, on

Wednesday, March 7th, 1923

for the purpose of nominating by direct vote candidates by each of the several political parties participating therein for the following offices, viz.: One Circuit Judge, One County Commissioner of Schools.

Women Electors. All women who possess the qualifications of male electors are now entitled to vote at all elections providing their names have been duly registered.

THE POLLS of said election will be open at 7 o'clock a. m. and will remain open until 5 o'clock p. m., of said day of election.

Dated this 3rd Day of February, A. D. 1923.

Ivan E. Spitler,
Clerk of said Township.

THE MONDAY CLUB.

The Monday Club met at their rooms last Monday and enjoyed a fine program consisting of two plays and musical numbers.

The first play was under the direction of Mrs. F. C. Dickinson and the characters were taken by Mrs. Hoyt Whelan, Mrs. Clarence Starkweather and Mrs. Fred Sheldon. The costumes were old fashioned and the play thoroughly enjoyed by those present.

The second play was "Banter" and was played by Mrs. Maynard Mulvaney and Miss Marion Bills. It too was greatly enjoyed and shows that we have some excellent talent in Tecumseh for such work.

Mrs. Eugene Rosacrans sang in her delightful way two solos which added much to the enjoyment of the program.

CASPER MARSH DIED AT ANN ARBOR.

Casper Marsh, 10 year old son of John Marsh who lives on Brown Street, died last Sunday noon at the hospital at the U. of M. Ann Arbor.

Early in the summer he was run over by an auto and at first it was thought he would get well and that he was not badly hurt as he recovered so as to be over town and about as usual but soon complications developed and he was sent to the U. of M. hospital for treatment. Two weeks ago he was operated on and since then failed to rally, passing on last Sunday.

The funeral was held Wednesday at 2 o'clock at the Friends Church, Rev. Edward Escolme officiating. Casper was a fine manly boy and a real favorite with everyone who knew him and his untimely passing is extremely regrettable. The family have the profound sympathy of everyone in the city.

For Sale–Real Estate

Have a cozy all-modern home with 2-story barn which can be purchased on terms.

Also have listed the home of Clem St. Louis on West Cummins street. This has barn and good chicken coop and park.

Also don't forget the property of Mrs. Babcock. A fine place going at a low figure.

Another new addition to my list is a dandy home on Michigan Ave., Adrian, for $3100 or will take land in payment.

The home of Walter Bailey on North Maiden Lane. Large garden. Much fruit. Splendid neighborhood. One of my best bargains.

If its farms you want, call me up or find me in my office in Masonic Block.

RECEIVES FINE COMPLIMENT

The Herald is almost daily in receipt of communications or visits from farmers in these parts and from home and business owners here and elsewhere thanking us for the vigorous stand we take against extortionate taxation and the profiteering robbers that are fast bleeding the common people white in this country.

We are proud of this fact and in this connection permit us to say that it is our advertisers, job patrons and subscribers who furnish us the ammunition with which to shell these gangs who are bringing this country dangerously near the parting of the ways.

The money we get from advertising is spent to help fight the battles of you people against extortionate taxation and profiteering. Our advertisers are just like the ammunition runners who bring up the shells to the front line, so good people trade with our advertisers where you get guaranteed goods at a reasonable price and thus help supply us with more amunition to fight your battles. It is the very best thing for your pocketbook both when you buy goods and when you thus help those who help us to fight against those evils which are fast eating the heart out of the country. Read the ads in every issue of the Herald, trade with our advertisers and tell them so. If you do this you are helping us immensely to put up a stronger fight and to hold out against those who would put a gag in our mouth at any cost.

It takes some nerve for any paper to fight against these fellows who stop at nothing to have their way. So good people do your part by trading with our advertisers where you get the most for your money and by which you hold up our hands and furnish us with ammunition to keep up the fight. Thousands are doing this. Let everyone get in the game and pass the word along, that's how he fear of God is put in the hearts f those who would see your childen starve and your families hrown out in the winter snow to ie if they could grab what you ave and get away with it safe-. Now is the time to fight. re you doing your part?

MET SPLENDID RESPONSE.

INCOME TAX FACTS NO. 1.

Revenue officers are visiting every county in the United States to aid taxpayers in the preparation of their income tax returns for the year 1922. Information concerning the date of their arrival and the location of their offices may be obtained by writing the collector of internal revenue for the district in which the taxpayer lives.

Forms for filing returns of individual net income for the year 1922 are being sent to taxpayers who filed returns for the year 1921. Failure to receive a form, however, does not relieve the taxpayer of his obligation to file a return and pay the tax on time, on or before March 15, 1923. The forms, 1040A for filing returns of net income $5,000 and less and 1040 for filing returns of net income in excess of $5,000, may be obtained from collectors of internal revenue and deputy collectors.

Returns are required of every single person whose net income for 1922 was $1,000 or more or whose gross income was $5,000 or more and of every married person whose net income was $2.000 or more or whose gross income was $5 000 or more. Careful study of the instructions on the forms will greatly aid in making a correct return.

Income Tax Facts. No. 2.

In the making of his income tax return for the year 1922. a taxpayer, if single. is allowed an exemption of $1,000. A married person or head of a family whose net income for the year 1922 was $5.000 or less is allowed an exemption of $2,500. The exemption allowed a married person or head of a family whose net income was in excess of $5 000 is $2,000. A head of a family is a person who actually supports one or more persons living in his or her household who are closely related to him or her by blood, marriage or adoption.

An additional credit of $400 is allowed for each person (other than husband or wife) dependent upon the taxpayer for chief support. if such person is under 18 years of age or incapable of self support because mentally or physically defective. A single man whose net income for 1922 was $2 000 and who supports in his home an aged mother would have no tax to pay. but would nevertheless be required to file a return. The fact that a person's income may be nontaxable by reason of the exemptions does not nullify the requirement to file a return if his income was within the prescribed figures—$1.000 if single and $2,000 if married.

The normal tax is 4 per cent on the first $4,000 of net income in excess of the exemptions, and 8 per cent on the remaining net income. The tax may be paid in full at the time of filing the return or in four installments due on or before March 15, June 15, September 15, and December 15.

Facts About Optometry
By
KARL A. BRAMAN

The American Optometrist Association is composed of members in all the states and Canada. It meets in convention once a year, where subjects of importance to the progress of the profession are discussed. Each state has an Optometrical Association of its own, and many cities and towns also, and the members congregate regularly to consider methods by by which they may increase the value of their services to the public by an exchange of ideas.

Thus it will be seen that the scope of Optometry is nation-wide, and the one thought of the individual Optometrist is to enhance his welfare by making his services more and more necessary to the public.

MRS. ISAIAH MATTIS PASSES AWAY.

Helen Aten was born May 2, 1852 at Sheldrake, New York. She came to Tecumseh with her parents when she was four years of age and since then has made her home here.

She was united in marriage, January 1st, 1873 to Isaiah Mattis, and to this union were born three children, Claud Mattis who passed away four years ago, Mrs. Lester Rogers and Chas. Mattis of this place. She also leaves two grandchildren, Myrtle and Mervale Mattis, and a brother, Frank Aten of Cleveland. Her husband passed away five years ago.

Mrs. Mattis was ill with the flu three days and passed away February 21st at her home on North Union Street at ten o'clock p. m., at the age of seventy-one years.

Funeral services were held at the home at ten-thirty Saturday morning, Rev. H. J. B. Marsh assisted by Rev. J. J. Preston, officiating. Burial was made at Brookside.

MAKING SPRING CHANGES.

Spitler & Horn have many inside improvements in their popular store among which is moving the office fixtures to the back part of the store and raising them for greater convenience. This gives them much more space in the front part of the store for display of merchandise.

The Candy Kitchen has installed a fine electric sign in front of their place of business which will light the way to the sweet shop so dear to the hearts of all of us especially in hot weather. This will make a fine improvement and is very attractive in appearance.

Primary Election Is Next Wednesday

Its The Imperative And Patriotic Duty Of Every Voter To VOTE Next Wednesday. Stay-At-Homes Are Imperiling The Country. Come Out And Vote Or The Primary Is Doomed.

Next Wednesday is the Primary Election for the state of Michigan in every county where a contest exists.

In this county there are six candidates for the nomination for county school commissioner on the Republican ticket and only one on the Democratic ticket. It is your duty to come out and vote your choice and help nominate a candidate for this important office.

Tecumseh has a candidate in the person of Miss Bertha M. LaPointe who is the principal of the west branch school and who has had twelve years experience in school work. It is the universal opinion of every person qualified to judge, that Miss LaPointe is one of the best teachers that ever worked in Tecumseh and is eminently qualified for the position she seeks. Miss LaPointe if nominated and elected, will give the county schools the same careful and thorough supervision that she has given in her city work and it is very certain that the country schools would be immensely benefitted by her efforts.

Miss LaPointe is an active member and worker in the Methodist church of this city and also takes an active part in every civic movement that is for the betterment of the community. She is well educated holding a life state certificate and she is just "a natural-born teacher" having that peculiar ability to win the confidence of the children and to succeed in the highest degree in imparting information and in getting them to put forth their very best efforts which naturally gets the very best results.

Patrons, children and educators are a unit in saying that she is certainly eminently fitted for such a responsible position and this being the case we hope that every voter who reads this article will go to the polls and vote for Miss LaPointe and not only that but appoint yourselves, everyone of you, a committee to see that your neighbors, friends, relatives and acquaintances everyone of them whom you can reach, go to the polls and do likewise.

Take an interest in the primaries and vote. The Herald is doing its share to help make the primary a useful instrument and serve the people for whom it was intended instead of the politicians and unless you come out and vote, it is a dead letter and the sooner we go back to the old political boss ridden convention, the quicker the people will be wiped out and a reign of Prince and peasant substituted. Injustices in legislation and laws make for the few to rob the many, is the direct result of YOUR STAYING AT HOME while the gang votes early and late. Come out and vote and contrary to our established custom we ask you to vote for Miss LaPointe as we believe she is not only eminently capable, honest and sincere but that she will give Lenawee County one of the best school administrations we ever had if she is elected.

GIVES FAREWELL.

The Good Cheer class of the Baptist Sunday School gave Mr. and Mrs. Alva Knight a farewell party at the home of Mr. and Mrs. Fay VanValkenburg last Wednesday night.

A very pleasant evening was spent in games and music and they were presented with a gift of silver.

Mr. and Mrs. Knight have been great workers in the Baptist Church and in moving away will be greatly missed by all the departments of the church.

John Bell visited friends at Toledo over Sunday.

Ralph Bidwell returned Saturday from Chicago where he has been on a business trip.

ENTERTAINS MISSIONARY CIRCLE.

The Woman's Home Missionary Circle of the Methodist church was entertained by Mrs. H. J. B. Marsh at the parsonage Thursday afternoon.

The subject of study this year is the Negro and selections of readings and music from negro authors and composers made up the program. Mrs. H. R. Conklin as leader had charge of the meeting.

A paper on the life of Harry T. Burleigh was given by Mrs. Mertie Waring.

A group of songs, "Jean" by Burleigh, "Plantation Lullabys" by Vernon Stevens and "Run Mary Run" were presented by Mrs. S. Wyman.

Another group "Didn't It Rain" by Burleigh, "Lil' Boy" by Neidlinger, "Hush-A-By" by Carrie Jacobs Bond and "The Birth of Morn" by Leoni, were next presented by Mrs. R. S. Moore.

A paper on the life of Paul Lawrence Dunbar was read by Mrs. F. S. Turner.

Mrs. S. Wyman then gave several readings in Negro dialect.

"Negro Rythmic Music" by Mrs. Ella Hodges.

"The Negro's Capacity for Music" by Mrs. S. C. May.

There was a large attendance present and the program was very much enjoyed, showing great preparation on the part of the leader.

JUNIOR PLAY A SUCCESS.

The Junior Class of the local High School put on an excellent play Tuesday and Wednesday evenings, a full house greeting the players each night.

"Nothing But the Truth" was the name of the play and the caste was well chosen. Dale Mominee who took the part of Bob, agreed to tell nothing but the truth for twenty-four hours in order to win a bet of ten thousand dollars for his friend, Margaret Turner. He nearly broke up the family of his partner, Lucian Williamson and Geraldine Gillespie, broke the heart of their guest, Catherine Patterson and spoiled a business deal by telling the purchaser the stock was no good.

The Bishop, Goarge Deery, took the advice of Bob and "yelled" until he received his money back.

Webster Conklin and Ralph Field, as partners, took their parts well and Eleanor Caldwell and Josephine Saums as chorus girls were perfect.

The high school orchestra furnished the music of the evening. Between acts Miss Helen Sheldon sang two very pretty solos, accompanied by Mrs. Edward Harper.

Much of the success of the play was due to the work of Phillip Ketcham, who was business manager. Miss Edna Mackey who assisted back of the scenes, Earl McNeil and Miss Boyce who trained the players and to the various stores of the town who loaned costumes.

BIRTHDAYS HONORED.

Mr. and Mrs. S. C. Cutting entertained at their home on Maiden Lane, Tuesday evening, in honor of the birthdays of four of the party which came in February. A delicious dinner was served after which the guests of honor were each presented with a beautiful ring with an amethyst setting.

Covers were laid for Mr. and Mrs. R. J. W. Bowen, Mr. and Mrs. H. B. Mitchell, Mr. and Mrs. R. M. Moiles and guest, Miss Helen Moiles and Mr. and Mrs. H. S. Waring.

SAYS 2,000 CARS ARE SHIPPED

We are in receipt of the Bradentown Herald from Bradentown, Fla. where our good friend Judge Hosmer is wintering. It is a very newsy paper and full of interesting thoughts for us snow bound fellows who now creep over the icy walks and stoke the furnace with coal at terrible prices. One article states that over 2,000 cars of vegetables have been shipped northward from Bradentown this season.

The Judge will soon be joined by J. H. Smith and wife who are going there to rest for a while and in hopes that Mr. Smith will benefit by the change.

SURPRISE PARTY.

Allen Brooks was given a pleasant surprise at his home on North Maumee street by a party of relatives and friends who came to assist him in celebrating his birthday anniversary Thursday evening.

The evening was spent in playing progressive pedro, Mrs. Andrew Carson ad Jake Mull receiving high honors and Mrs. Garland Gove and Ed Reeves the consolations.

A birthday cake bearing fifty-six white candles in red rose buds was presented to Mr. Brooks by his little grand-daughter, Jean Ellen, a pot luck supper being served. He also received a lovely gift to remember the occasion.

GRANGE MEETING.

The Grange held their regular meeting Saturday evening at their hall and entertained the Sophomore class of the high school.

A very pleasant evening was spent in games and music and refreshments were served. Everyone reports a splendid time.

GIVES INTERESTING LECTURE.

Rev. Hugh W. Rankin of Denver, Colo., a worker on the Presbyterian Board of Sunday School Work, gave a very interesting talk at the Presbyterian Church, Friday evening.

He has been in this work for the past forty years and has had much experience in the Rocky Mountain states. He was acquainted with Theodore Roosevelt during his cowboy days.

The speaker has a wonderful personality and he spoke of the human side of the work among these people, of their characteristics and eagerness to accept bible teaching. There is a great field open to workers in this branch of Christian Work.

MRS. MINERVA PENTECOST PASSES AWAY.

Mrs. Minerva Pentecost passed away Wednesday night at her home in Rome township, at the age of eighty-three years. Death was due to a general breaking down, caused by old age.

She leaves a daughter, Mrs. Ed Hoag, who lives outside of town. Mrs. Pentecost was born and has lived all her life around here.

The body was brought to the Belding Funeral Home where services were held Friday afternoon at two o'clock, Rev. Henry A. Buell officiating. Burial was made at the Mills Cemetery at Franklin.

MONDAY CLUB.

The Monday Club met in their club rooms Monday afternoon for their regular meeting. Mrs. Pauline Bredow, president of the club, acted as leader for the day, and the subject for study was Venezuela.

Mrs. N. A. Howland presented the first paper in a very clever, original poem, telling of "Aunt Minerva" moving to town and joining the "club in readin'." She was assigned the topic Venzeula and after experiencing great difficulty, prepared a very enlightening paper. The poem was well read and showed talent on the part of the author.

Mrs. Bertha Dunn read an excellent paper on the Orinoco River. Mrs. Irving Boltz was unable to be present so Mrs. Bredow read her paper on Trinidad. Both papers were fine and showed thought and study had been put upon them.

The subject for next week is "Art in the Home" with Mrs. E. A. Braman as leader.

GIVES A SURPRISE.

Miss Edla Walton was pleasantly surprised Saturday evening by a party of fifteen friends who came to spend the evening.

A delicious two-course dinner was served after which the evening was spent in music and games. The party was a farewell for Miss Walton who leaves soon for their new home at Bryan, Ohio.

"500" CLUB.

Mrs. F. M. Mulvaney was hostess to her "500" club Thursday afternoon at her home on West Chicago St.

The usual number of games were played after which refreshments were served by the hostess.

Mrs. James Riggs of Oswego, New York was among the guests.

CHOP SUEY SUPPER.

The American Legion have been working on a membership attendance contest, Russel Blesing and Clyde Drewyor being captains of the sides.

Tuesday evening the loosing side, entertained Russel Blesing's side, the winners, at a chop suey supper. Geo. Rathbun gave a talk after supper.

SCHOOL NOTES OF DIST. No. 10

The following pupils were neither absent nor tardy during the month of February: Elmer Phillips, Evelyn Wright, Frederick Burrell, Ilah Kotts, Mildred Wright, Roy Hockstra, Johnny Kotts and George Hockstra.

The perfect spellers for the month were Mildred Wright, Elmer Phillips, Lester Munger, Evelyn Wright, and Louise Lee.

Our school being closed, we could not have our Valentine Box until Monday, Feb. 19.

All grades here made Washington booklets this week.

The eighth grade gave us a splendid program of recitations, dialogues, songs and readings, Tuesday p. m., and then a surprise treat of pop corn balls and candy. The 4th, 5th and 6th grades will give a program in two weeks.

Mrs. R. Elwood, teacher.

SCHREDER—MATHIAS.

Mrs. Ethel Mathias and Willis Schreder were married at the Baptist parsonage at Adrian last Wednesday afternoon by Rev. Thos. J. Hopkins.

After the ceremony they returned to Tecumseh where they will make their home on East Pottawatamie street. They are both well known in town having lived here most of their lives and enjoy a host of friends who wish them much joy. The Herald joins in congratulations.

CATCH FISH WITH POISON

Natives of Borneo Have Peculiar Method of Levying Toll on the Finny Tribe.

Along the tributary streams of the Rejang river, in the independent state of Sarawak, on the island of Borneo, the native Sedowans and Dyaks have a unique method of taking fish, and one much superior to dynamiting. Near the mouth of a creek a barrier of latticework is erected. In this space is left an opening wide enough to permit the canoes to pass through. After the boats go up the stream a net is placed across the opening. From 20 to 30 canoes engage in fishing. When the point is reached where operations are to begin, two small dugouts, which have been towed, are emptied of their liquid contents. This muddy-looking concoction is tuba poison, from the plant cocculus indicus. The poison is made by pounding the root to shreds and then mixing with water in certain proportions known to the fishermen. Quick results are obtained. In about five minutes stupefied fish begin coming to the surface gasping for breath. The numbers increase with every passing minute. Standing up in their canoes the natives spear the helpless fish with great rapidity. In half an hour the boats are generally filled to capacity. How potent the tuba poison is may be realized by the fact that within half an hour after a few gallons have been poured in a good-sized creek fish a mile and a half downstream are brought to the surface in considerable numbers. Where the tuba poison method is good is that the poison does not kill the fish—only stupefies them temporarily. Thus all not taken for food soon are normal again.

CARVED IN ODD MATERIAL

How Canova, One of the World's Great Masters, Started on the Road to Fame.

Antonio Canova, famous Venetian sculptor, first attracted attention by modeling a lion in butter. When nine years old he was placed in the household of a nobleman. His grandfather, a stonecutter, had taught him the rudiments of carving.

One day the nobleman was giving a state dinner. The chief ornament for the table failed to arrive. The host was in despair. The boy set to work on a huge piece of butter and when the nobleman beheld a molded lion he was well pleased. The result was that Antonio was sent to take lessons in sculpture.

For four years he worked at his art in a cell underneath a monastery. At last he produced a statue which sent the art critics wondering. The Venetian senate sent him to Rome to study when he was twenty-three years old.

He hit upon a new and daring style and for a time every one in Rome scorned it. He worked for 20 years in extreme poverty, but at last his work came to be recognized as that of a master.

Moroccan Girls Marry Early.

In Morocco, as in most Mohammedan countries, the native girls are married at an extremely early age, often before they are fifteen, and it is not uncommon for them to have been divorced at twenty.

Divorce proceedings in Morocco merely consist of a friendly talk between the woman's husband and her father.

An arrangement is made by which she returns to her parents, the husband often paying compensation to the father. The same woman will probably soon be married again to another Moor, and will take it all as a matter of course.

Moorish weddings are very interesting affairs. The actual ceremony takes place at midnight, but the celebration lasts for some days, particularly in the case of the better class of Moors. The festivities take the form of much feasting, dancing, music and the firing of salutes from the long native rifles. Friends come from all the surrounding districts, rigged out in their brightest and best attire.

Well-Named Club for Girls.

A group of high school girls recently entered the office of the father of one of their number, a well-known man and a prominent lawyer.

"Well, young ladies," said the legal gentleman in an affable tone, "what can I do for you today?"

Thereupon the elected spokesman told him that they wanted him to help them select a name for their club.

"It is for the building of character," she said earnestly. "No men are to be admitted at any time. We have no use for men," she added with emphasis.

"Then why not call it the Building and Lone Association?"

Specifications for Biological Glass.

The bureau of standards is collecting information from the army, navy, the biological survey, the public health service and manufacturers of biological products concerning the requirements of glass for this purpose and the desirability of preparing standard specifications covering the same. The bureau has already assisted manufacturers of biological products in obtaining glass suitable for their use, but the requests have indicated a possible value for more complete specifications.—Scientific American.

Downfall of the Drama.

An old actor was wont to claim that he had worked with Booth and Barrett, a distinction that got him much consideration wherever Thespians gathered. When questioned about his parts he would always answer: "I did hoof beats." And then add: "The drama has gone to pot." "Why so?" some of the younger generation would indignantly inquire. "Anyone can do the honks, nowadays."

AT THE BRADLEY.

"Smilin' Through" Is As Fragrant As Roses

Two eyes "Smilin' Through" a green lattice!

The black wing of tragedy brushing by a quaint rose garden.

Here is the contrast of light and shade that gives poignancy to romance.

The eyes danced. So did the smiling little feet of Moonyeen.

And Moonyeen, whenever she comes before the camera, wears a sort of golden haze (cast upon her by moonlight and mist—and a clever director) that should surround every woman in love.

Even the little figure of herself that she whimisically sends her lover catches some of this glamour.

Fragrant as roses is "Smilin' Through"—and from the play that simply was born to become a great picture.

And the mist is not all in the eye of the camera, as those who see Norma Talmadge in her latest and best First National starring vehicle at the Bradley Theatre Sunday and Monday, March 4th and fifth, will agree.

"The Headless Horseman"

Will Rogers admits that for the first time in his motion picture career he has come in contact with a distinct novelty. He now can say that he has appeared in the star part of a film production without the usual kiss that occurs during the happy ending. In the production of "The Headless Horseman" or "The Legend of Sleepy Hollow," which will be the attraction at the Bradley Theatre next Saturday, March 3, matinee and evening, and in which he plays the leading role of Ichabod Crane, Will Rogers appears in his first production minus the kiss.

Mrs. Chas Ruthruff of Jackson is a guest of her sister, Miss Bess Pulver and other relatives.

Wm. Palman and son Abraham returned Monday from Alma where they have been conducting a store.

OLD RESIDENT PASSES ON.

Mrs. Henry Smith who has been a life long resident of Tecumseh, passed away last Thursday morning after a short illness due to her advanced years.

Mrs. Smith was born December 23d, 1834 in Bavaria and came to America when eighteen years of age. In 1856 she became the bride of Henry Smith who at that time was operating the old paper mill located near the present power site of the Electric Company.

Mrs. Smith was prominently identified with the years of growth and development of our city and was a woman of noble attainments who never desired prominence but preferred to devote herself to her home and family. She was 88 years of age and leaves three daughters, Mrs. Emma Kloffenstein, Mrs. L. B. Schneider and Miss Elizabeth Smith, together with one son, Geo. U. Smith to mourn their loss.

The funeral services were held last Saturday at the home on Mill St. with Rev. Schwede of Lake Ridge officiating. Burial was made in Brookside.

Thus has another of our old residents answered the call from across the great Divide and gone to join those from whom she has been separated yet a time but soon again to meet the loved ones left for other seasons awaiting the final call to the land where time hath no end.

ATTENDED OPTICAL CLINIC.

K. A. Braman who is one of the most successful opticians in these parts attended the optical clinic held last week at Detroit. This clinic is given under the direction of experts in eye diseases and in the expert fitting of eye glasses.

Mr. Braman is putting forth every effort to keep up to the minute in the latest methods of correctly treating eyes for all manner of eye strain and imperfect vision, hence it is no wonder that many of his customers are coming from distant points to get the benefit of his skill.

OBITUARY.

Casper Jonas Marsh, 9 year old son of John and Nina Marsh, passed away late Saturday evening at the university hospital after a long illness caused from an automobile accident, aged 9 years, 8 months and 5 days. He was born May 12th, 1913 and passed away to the great beyond to be safe in the arms of Jesus on February 17th, 1923.

"Gone, gone loved one,
Gone from our home,
God has recalled thee
To thy heavenly home.
Death's icy fingers
Rest upon thee now,
Still beauty lingers
On thy dear, pale brow.
We miss you, oh we miss you,
But we'll not be parted long,
Our Savior will soon unite us
In our heavenly home."

Card of Thanks.

To those who so kindly assisted us by deed and words of comfort during the illness and death of our loved one, for the comforting words of the pastor, to the singers and to all our friends we wish to express our grateful thanks.

Mr. and Mrs. John Marsh
and sons,
Grandmother, Mrs. Peter Marsh.

Mrs. R. S. Moore entertained Mrs. Chas. Ruthruff of Jackson, Miss Bess Pulver and Mrs. Ella Hodges at Reckner's, Monday.

WILL GIVE SHOW SOON.

The American Legion will give another of their big shows on March 22 and 23d and again the people will be treated to a regular show that will be even better than past performances.

The shows that the Legion have given in the past have been wonderfully successful and pleased packed houses every time hence it is safe to predict that a treat is in store for the show fans when this performance is given.

Facts About Optometry

By

KARL A. BRAMAN

Speaking of the economic value of Optometry, if an Optometrist can at the expense of a few dollars equip a patient with a pair of glasses which will increase that person's value to his employer or to the public or himself, the Optometrist has rendered a service in value out of all proportion to its cost. He has contributed to the public welfare by enhancing the productiveness and maybe increasing the health and happiness of a member of society.

And as the possession of errors of vision is almost universal, and inasmuch as the Optometrist is able to correct them in the vast majority of cases, it will be seen that this profession is an important factor, or can be made an important factor, in the progress of the country.

MORTGAGE SALE.

Whereas, default has been made in the payment of the money secured by a mortgage dated the thirty-first day of August in the year one thousand nine hundred and fourteen, executed by Eugene C. Calkins and Maggie A. Calkins, his wife of Adrian, Michigan, to Commercial Savings Bank of the City of Adrian, Michigan, which said mortgage was recorded in the office of the Register of Deeds of the County of Lenawee, in Liber 161 of mortgages, on page 289 on the 31st. day of August, in the year one thousand nine hundred and fourteen at 2:50 o'clock p. m. And whereas, the amount claimed to be due on said mortgage at the date of this notice is the sum of seven hundred and seventy-four dollars and sixty-seven cents, ($774.67) principal and interest, and including delinquent taxes paid by the mortgagee for the year of 1918, for the year of 1919, for the year of 1920, and for the year of 1921; and the further sum of fifteen dollars as an attorney fee provided by law and stipulated for in said mortgage and which is the whole amount claimed to be unpaid on said mortgage and no suit or proceedings having been instituted at law to recover the debt now remaining secured by said mortgage or any part thereof, whereby the power of sale contained in said mortgage has become operative.

Now, therefore, notice is hereby given that by virtue of said power of sale, and in pursuance of the statute in such case made and provided the said mortgage will be foreclosed by a sale of the premises therein described, at public auction, to the highest bidder, at the east front door of the Court House in the City of Adrian in said County of Lenawee, on the 14th day of April, A. D. 1923, at 10 o'clock (central standard time) in the forenoon of that day; which said premises are described in said mortgage as follows, to wit: Lot No. Eighteen (18) of Adrian Improvement Company's Sub-Division No. One (1), of the west half (½) of the northwest quarter (¼) of Section eleven (11), Town seven (7), South of Range three (3) east in the City of Adrian, Township of Madison, Lenawee County, Michigan.

Back in the days of King Arthur they spent all their time fighting and eating. The more they ate the more they fought.

The reason they fought was that they got so bored looking at bare walls while they ate.

But, seriously, the wall of the room in which we take our meals three hundred and sixty-five days in the year have a lot to do with our peace and happiness and the peace and happiness of our guests.

"Let a little sunshine in" says the song, and who ever sang it the first time was thinking of his dining room. And if you can't do it by raising the shade—do it with Wall Paper—our stock is filled with pleasing patterns at prices you will like.

Regrinding is Vital to Continuous Truck Operation

91 per cent

of the commercial motor manufacturers grind their cylinder bores.

Among them are

Beaver
Buda
Continental
Duesenberg
Erd
Falls
Hercules
Hers-Spill
Hinkley
Lycoming
Midwest
Rutenber
Teetor
Waukesha
Wisconsin

They all use a Heald grinder similar to ours. Let us regrind and bring back the original power and pep.

Trucks that pile up heavy gas and oil bills, that show a lack of pep on grades or in heavy going, that smoke and knock, are laboring under faulty cylinder conditions.

Such vehicles should be hauled off the road, have their power plants knocked down and a thorough inspection made of their cylinder bores.

In nine out of ten cases the cylinders will be found scored and out of round.

This results in far too much clearance between cylinder walls and piston rings and permits gas to escape into the crank case and oil to work up into the combustion chamber.

Trucks are usually worked to full capacity over long shifts. They are required to make hauls that "bleed" them to their last ounce of energy.

Therefore, they should have their cylinders reground and be fitted with new oversize pistons, rings and wrist pins at least once every year.

Regrinding proves to be as economical to the owner of the single car as to the operator of the fleet. To cut your road cost, consult us.

F.O.B. DETROIT

This Astounding Low Price is the final answer to the high cost of farming problems.

With a Fordson one man can do more work easier, and at less expense than two men can do with horses.

With a Fordson you can actually raise more crops with less work, lower costs and fewer hours of work.

With a Fordson you can save money, time and drudgery on every power job on the farm—the whole year around.

Let us give you the proofs of the great savings made by the Fordson. Call, write or phone today.

The regular meeting of the Ladies Aid next Wednesday, March 7. Supper will be served to the public at the supper hour.

Obituary

Mrs. May Holcomb Underwood aged 51 years wife of Webster Underwood of Ann Arbor, died at 4 o'clock Sunday morning at S.t Mark's sanitarium in Detroit where she had been since November for treatment. Mr. and Mrs. Underwood who moved to Ann Arbor three years ago, were former residents of this place. The body was brought here Sunday evening to the home of Mr. Underwood's brother, W. H. Underwood. The deceased leaves besides her husband one son Merl Underwood, a mother, Mrs. Holcomb and brother, Arthur Holcomb of North Adams and a half brother in Indiana. She was a member of the Friendly class of the Methodist Protestant church and of the Eastern Star of Tecumseh. After moving to Ann Arbor she united with the Methodist Episcopal church of that place. She was a talented musician, she and her son often appearing in public with musical selections. Mrs. Underwood was a favorite with all and her death casts a gloom over the entire community. The funeral services were held Tuesday afternoon at the M. E. Church in Ridgeway with burial in the Ridgeway cemetery.

The Goodfellows an organized men's class of the Britton Christian church held their annual banquet at the church Friday evening, February 23, with 94 men present. The members of the Dorcas class served the two course supper. The rooms were prettily decorated in keeping with Washington's birthday and the favors were small red, white and blue hatchets. Miss Mary Strothers, teacher of music in the Britton high school presided at the piano during the serving. The Rev. J. C. DeRemer acted as toastmaster. Solos were given by Prof. L. G Morse of Ridgeway and E. L. Palmer, Harlan Keran, S. E. Laurence, W. R. Kuster, Prof. W. S. Dick, Dr. S. J. Rubely, Ernest DuBois, Clyde Exelby and W. C. Eldred responded with toasts. The speaker of the evening was W. E. Watkins, D. D., of Lima, O., who gave an enthusiastic and forceful address on "The Responsibilities of the Laymen." The program closed with all singing 'Blest be the Tie that Binds" and a closing prayer by the Rev. Grant of the Ridgeway Methodist Episcopal church.

Dr. Theodore Griest Put-in-Bay physician, who with Miss Sylvia Schultz, nurse, were drowned recently when their automobile went through the ice, on Lake Erie, was well known in the home of Mr. and Mrs. A. E. Kniffen, where he with his parents had been guests. Mrs. Minnie Griest, the doctors mother and Mrs. Kniffen were close friends. Mr. and Mrs. Kniffen were indeed shocked when they heard of the accident.

Miss Leona Satterla, who is staying at the home of Mr. and Mrs. A. E. Kniffen was called to her home in Macon Sunday by the illness of her parents, Mr. and Mrs. Roy Satterla.

Mrs. Virginia Rubely of Ann Arbor, spent Sunday and Monday with Dr. and Mrs. S. J. Rubely.

L. J. Britton and family spent Sunday at W. P. Rainey's near Holloway.

Mr. and Mrs. F. V. Lenardson and Douglas went to Tipton, Sunday for a visit with Mr. and Mrs. W. A. Beebe.

Leon Boyd and family of Detroit were Sunday guests of Mr. and Mrs. D. K. Boyd.

Mrs. A. J. Underwood visited Mr. and Mrs. L. E. Osterhout in Adrian, Sunday and Monday.

William Anderson, of Tontogany, Ohio, spent Thursday and Friday with his brother, James Anderson and family.

F. V. Lenardson's have stored their household goods in rooms over Lyle DeSermia's store.

Harold Osterhout, Harold Miller, George Underwood were home from Detroit spending the week end with their respective parents.

Wm. Brisbin went to Detroit Sunday evening for a few days visit with Mrs. Ann Alexander and other relatives.

Ervin Gillett and Wallie Mead and two daughters of Dundee were Sunday guests of William Brisbin and Mrs. Doris Boyd.

A. E. Keran, wife and Miss Frances were in Flat Rock Sunday to see Clarence Buesie, who has been ill with pneumonia. They found him recovering satisfactorily.

Elmer Hintz and wife of Milan were Sunday guests of Harmon Hintz.

Miss Mary Taylor of Ann Arbor and Mr. and Mrs. James Taylor, of Detroit were here Sunday visiting their parents, Mr. and Mrs. John Taylor.

Mr. and Mrs. Louis Feldman and sons Stanley and Thomas spent Sunday with a niece, Mrs. Ella Agner and family of Milan.

"A College Town" is the name of the play the seniors will give.

Mr. and Mrs. Frank Hoagland and Mrs. Henry Bachman spent Friday at Mike Bachman's in Adrian.

Mr. and Mrs. Mike Blouch, of Holloway, were Thursday guests of their niece. Mrs. Charles Gorham and family.

Mr. and Mrs. R. N. Hayward of Montpelier, Ohio, were Sunday guests of Mrs. James Hindes, Mrs. George Chaplain and George Hayward.

Major Young was home from Adrian spending the week end with his family.

Thirteen Carloads of live stock were shipped from here Saturday. Four carloads (three of cattlte and one of sheep) were fattened on the stock farm of T. J. Rixom, three miles east of town. Henry Karcher and J. L. Underwood were the buyers and shippers.

Mr. and Mrs. Clarence Chase, of Tecumseh spent Sunday with Mr. and Mrs. W. E. Van Hook.

The Women's Club will meet Monday, March 5, with Mrs. A. D. Davis instead of Mrs. Gripton as stated last week.

Mr. and Mrs. Charles Myers and Dwight spent Sunday with Mrs. Drury and family in Tecumseh.

Sunday dinner guests of Mr. and Mrs. Fay Wiggins were Mr. and Mrs. G. L. Gripton and family and Mr. and Mrs. James Taylor of Detroit and Clyde Exelby of Morenci.

Mr. and Mrs. George Simpson and son of Deerfield were Thursday guests at Harry Younglove's.

Mrs. Ann McCleery, of Bluffton, Ind. was a Monday and Tuesday guest of Mr. and Mrs. Harry Younglove.

Frank Miller went to Stanton Monday for a few days visit with his parents.

The Neighborhood Pedro club were entertained Monday evening in the home of Mr. and Mrs. W. H. Swick. The usual good time with progessive pedro is reported. Light refreshments were served in conclusion.

P. J. Kissan is home from a stay of several weeks at Michigan City, Ind. Mrs. Kissan is in Bay Port caring for her parents who are ill with influenza.

Billie Boyd is ill again with a relapse of the grip.

Evelyn Adams has been confined to the bed for several days with a severe cold.

Mr. and Mrs. John Harbison and Mrs. Hannah Austin, of Cone, spent Sunday with Mrs. A. D. Cooper and Mrs. Caroline Auten.

Sunday guests of Mr. and Mrs. Fred Miller were Harold Miller, of Detroit, Vere Gill of Adrian, Miss Velma Swick of Evans Lake and Mrs. Blanche Burkholder and daughter Virginia and the Misses Gladys Swick and Leola VanNest.

Rev. J. C. DeRemer has been ill since Saturday with the grip and sore throat. Harlan Keran, a layman, filled the pulpit at the Christian church very creditably at both services Sunday.

Miss Mabel Linton was home from Hillsdale spending Saturday and Sunday with her parents, Mr. and Mrs. David Linton.

Mrs. Eula Avery and Miss Alice Underwood of Ann Arbor were Suday guests of Mr. and Mrs. J. D. Martin.

H. A. Friedlander and wife visited Sunday with Mr. and Mrs. Alf Linn before returning to Detroit.

The family of Alexander Gibson have been ill with the grip. Mr. Gibson who suffered an attack of heart trouble the latter part of the week is again able to be out.

Donald Exelby played basket ball with the Adrian DeMolay team at that place Saturday evening against a Detroit DeMolay team.

Mr. and Mrs. Joe Toth, Hungarians of Macon township, five miles from here were arrested and taken to the county jail last week for ill treating their nephew and niece aged 9 and 10 years, who have been making their home with them for the past two years. They pleaded guilty at their trial Friday held before Justice Bennett, and were each fined. Mr. Toth paid costs of $17.25 and Mrs. Toth $12.60. The children were taken away from them. The complaint was made by neighbors.

Mike Bachman was here Tuesday from Adrian calling on relatives.

Thomas Gettus has been very sick the past few days. It is feared that an operation will be necessary to relieve the trouble.

Russell Smith is to have a sale of farm stock and implements on Saturday, Mar. 3, and soon after that will move his family to Detroit. Lavern Taylor of Palmyra will move to the place vacated by Smith.

RENEWED TESTIMONY

No one in Tecumseh who suffers backache, headaches, or distressing urinary ills can afford to ignore this Tecumseh woman's twice-told story. It is confirmed testimony that no Tecumseh resident can doubt.

Mrs. Alice Burroughs, Pottawatamie St., says: "Less than a year ago I began to feel badly. I sometimes ached all over and had such tired feelings, my energy seemed all gone. My kidneys didn't act naturally and at times my back ached dreadfully. I had known of others in our town who had been helped by using Doan's Kidney Pills for the same trouble, so I went to Wright & Son's Drug Store for a supply. I began taking Doan's and in a few weeks was feeling much better. Now I am free from the aches and pains and feel better in every way. I know that Doan's gave me this benefit and am glad to say that I heartily recommend them, as I know them to be reliable." (Statement given December 3, 19[illegible].)

On May 8, 1920, Mrs. Burroughs said: "The cure Doan's Kidney Pills gave me has proven permanent. I willingly confirm my former statement."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Burroughs had. Foster-Milburn Co., Mfrs., Buffalo, N. Y. —Advertisement.

PEOPLES STATE SAVINGS BANK SAFETY STRENGTH SERVICE BRITTON, MICH.

Progressive Times

This is the day of the forward march. No farmer would now attempt to harvest his wheat with an old-fashioned cradle, nor thresh his grain with an old horse power machine.

There's the new radio outfits, the airplanes, wireless telegraphy, submarines, hydro-electricity, a hundred new things every decade. And in money matters, are we keeping step? Most of us are. We keep a balance at the bank and pay our bills by check, instead of keeping our money somewhere about the house, subject to loss every day. Our modern Bank invites you to do business the modern way.

GIVES CARD PARTY.

The R. N. of A. gave a box social and card party at their hall Thursday evening. The boxes were sold and a social time was enjoyed in disposing of their contents.

Progressive pedro was played during the evening and high scores were won by Mrs. E. M. Brees and B. E. Brees and low by Mrs. Louis Krabill and Oliver Jones. There will be another one tonight.

Mr. and Mrs. Frank Taylor of Britton and Mrs. McCleary of Bluffton, Ind. were dinner guests of Mrs. Jas. Foster last week Friday.

GAVE FINE PROGRAM.

Thursday, February 22nd was fittingly observed at the Colvin school district No. 5, Raisin.

The schoolroom was very prettily decorated with our national colors and at 2:15 the following Lincoln-Washington program was given:

Music on the saw, Rev. H. A. Buell, accompanied by Mrs. John Harwood.

Lincoln's Gettysburg address—Margaret Gregg.

Recitation, "The Name of Washington—Harvey Gray.

Quotations from Lincoln—The school.

Dialogue, "I Would Tell—Five pupils.

Recitation, "Let Us Be Like Him"—Eunice Harwood.

Dialogue, "Ten Dates in the Life of Lincoln."

Reading, "Little Blossom and the President"—Margaret Gregg.

Recitation, "February 22nd"—Mearl Irwin.

Reading, "Lincoln's Favorite Poem"—Teacher.

Dialogue, "Washington's Life" Four boys.

Recitation, "A High Resolve"—Leslie Aebersold.

Recitation, "Something Better"—Faye Biehl.

Recitation, "My Valentine"—Raymond Aebersold.

Dialogue, "In Memory of Washington"—Seven pupils.

Recitation, "The Good Old Times"—Gordon Gove.

Recitation, "Tis Splendid to Live So Grandly"—Ruth Biehl.

Address, "Washington" — Rev. H. A. Buell.

Presentation of the framed pictures of Washington and Lincoln to the school. as a gift from the teacher—Mr. Brazee.

Response—John Harwood, director.

Music—Rev. Buell and Mrs. J. Harwood.

A surprise treat—enough for all, a gift from Mrs. Wallace Bryan, was greatly appreciated.

Both pupils and patrons felt that the afternoon had been pleasantly and profitably spent and lessons in patriotism taught that all will remember.

GIRLS WIN, BOYS LOSE.

The Tecumseh girls played a winning game Friday night at the local gym, against the Hastings girls. The teams were well matched and the score ran even for the first quarter when our girls started making baskets and continued through the game, winning by a score of 23 to 14.

The boys second team played a losing game with the Monroe team. With practice this team will be good, as there are some good players on it. Harold Sisson refereed this game. The score was 8 to 6.

The high school orchestra, led by Mr. Wilcox, furnished the music for the evening, and the usual crowd was present. The enthusiastic crowd of students led by Duncan nearly raised the floor with their yells at times, and this greatly encouraged the players.

The first boys' team played the Ypsilanti team at Ypsilanti and lost by a score of 18 to 6.

WIT AND WISDOM CLUB.

The Wit and Wisdom Club was entertained Tuesday evening at the Rector home on South Maiden Lane street. Mrs. F. D. Rector was leader of the evening and the subject was John Burroughs. The following program was given and very much enjoyed.

Piano duet by the Misses Madaline Boyce and Alice Heilman.

"Childhood and youth of John Burroughs,"—Mrs. Chas. Kemp.

The girls at this time responded to an enchore.

"Manhood of John Burroughs,"—Rev. H. J. B. Marsh.

"John Burroughs' last Portrait,"—Mrs. F. D. Rector.

Saw solo—Rev. Buell, accompanied by Mrs. F. S. Turner.

In response to roll call the name of noted scientists were given.

The club will meet in four weeks with Mr. and Mrs. S. Wyman.

DANCE AT I. O. O. F. HALL WAS SUCCESS.

The dances given at the I. O. O. F. Hall on Wednesday nights have been a great success both financially and socially.

The good ladies having these affairs in charge headed by Mrs. John Sherman on the arrangement committee have worked hard to make them most enjoyable from every point of view and also to make them a financial success and both of these have been accomplished in a very generous measure. Everyone who goes to the I. O. O. F. Hall for the dance has a good time and that's why so many go.

Village Election Is Next Monday

Two Tickets In The Field. No Contest Developed Yet On Any Particular Issue. Light Vote Probable. Financial Report Printed Last Week.

Next Monday is Village Election and unless something develops which is unknown at the present time there will probably be a light vote out. Although there are two tickets in the field there is no particular issue and very little excitement is probable.

John McIntyre and R. A. Heesen head the respective tickets and both are very well known in this city having lived here many years and both have many friends and supporters. All three of the present trustees are up for re-election, Perry Satterthwaite and E. M. Campbell on the People's ticket and Dr. Hendershott on the Citizen's ticket. The new candidates for trustees are E. C. Heilman on the People's ticket and Ed Berry and Ernest Daisher on the Citizens' ticket, all well known and prominent citizens. Louis Jones and Harriet Whittier will contest for Treasurer, both being well known here. Mr. Jones is a man of family and has long been a hard working citizen who has done his part to educate his two girls who are now in high school and to help along every worthy cause in the village, he is a very deserving man in every respect.

The financial report of the village compiled by W. L. Coller the present village clerk was printed last week and it was a most complete and instructive report from every angle. It was carefully compiled and shows that Mr. Coller keeps his books in such a manner that any person can tell in a moment just how every fund stands. The books balanced with those of the treasurer exactly and this shows that Mr. Coller keeps his books very accurately and further he is a most affable and obliging man with whom to do business, being ready at all times to give any person who calls for it, all the information desired concerning the running of the village business. When water rents are to be paid he is always found in his store and citizens never have to wait until he can be located. Mr. Coller certainly has made an ideal clerk and one in whom the village officers and citizens have the greatest confidence for his efficient management of the village books. He is a candidate for re-election against Clyde Barber.

CLARK—GILMORE.

A very pretty wedding was solemnized Thursday afternoon at four o'clock when Miss Beatrice Gilmore became the bride of Alvin Clark of Manchester at the home of the bride's parents, Mr. and Mrs. Clarence Gilmore on East Shawnee street. Rev. J. J. Preston performed the ceremony, using the ring service. The bride's sister, Miss Julia Gilmore acted as brides' maid and Wesley Silkworth of Manchester was best man.

The bride wore a beautiful gown of navy blue canton crepe and the brides' maid was gowned in blue crepe de chene.

After the ceremony, a three course wedding dinner was served by Miss Edna Taylor and Mrs. Harold Treat. The table was centered with an attractive bouquet of narcissus. Only the immediate relatives were present.

The couple went on a short wedding trip and after the 15th will be at home at Manchester, where Mr. Clark is in business.

Mr. and Mrs. Karl Braman are moving into the Dewey house on West Chicago St.

Mr. and Mrs. Gale Stewart and E. A. Atkinson of Toledo were guests of Mrs. E. G. Stewart, Sunday.

RAY BINNS IS NOMINATED.

Ray Binns of Holloway was nominated for County Commissioner of Schools yesterday with Miss LaPointe running a close second. Mr. Binns led by about 200 votes in the entire county.

Miss LaPointe received 385 votes out of 421 cast in Tecumseh which shows how highly she is appreciated here. It was indeed the highest compliment possible to pay her.

The Big Carnival Starts Next Week

Held In I. O. O. F. Hall Every Evening March 14, 15, 16, 17. Games, Stunts, Sensational Thrills And Big Dance Wednesday Night On The Bill. Roaring Vaudeville Show Every Evening.

All roads will lead to Tecumseh next week beginning Wednesday night, March 14 and each evening thereafter until Saturday night when the biggest indoor carnival ever seen in these parts will be put on in the I. O. O. F. Hall.

The show is in charge of experienced management who promise the people that it will be a thriller every evening and that if you go the first night you will be there every night thereafter.

The big program starts off with a dance in Witherell hall, just below the I. O. O. F. Hall, on Wednesday night while in the hall above there will be games, stunts, vaudeville shows and everything that can be imagined for the entertainment of everyone from grandpa to the baby. Don't leave anyone at home for grandma will laugh just as hard as Bill the kid, so make your plans to come early and we know you will stay late once you get a taste of this panorama of fun, frolic and foolishness all mixed into such a pleasing program of entertainment that you will be glad for once that you are able to stand so much mirth and merriment all at one time without injury to your laughing box.

At any rate, you will be the sorriest one in town if you don't lay aside your cares of life for these evenings and join the gang of merry-makers at the I. O. O. F. Hall and inhale so much of the joy of life that you can go another whole year strong in the belief that life is sure worth living.

MONDAY CLUB DISCUSS ART IN THE HOME.

The Monday Club held their regular meeting on Monday afternoon at the club rooms with the president, Dr. Pauline Bredow presiding.

At the business meeting the delegates to the District Meeting which will be held at Lansing next week were appointed as follows: Dr. Pauline Bredow, Mrs. Guy Pocklington and Mrs. R. S. Moore.

The afternoon was devoted to "Art in the Home" and proved an exceedingly interesting one. The President acted as leader for the afternoon.

"Literature in the Home," by Mrs. B. J. Pulver dealt mostly with children's literature and covered the ground from infancy with the charm of stories, rhymes and pictures for the little ones to the more serious literature. She recommended that every mother familiarize herself with John Martin's Blue Book, which contained a list of good books most suitable for children.

"Picture and Home Decorating" by Mrs. Fred Dickinson, was illustrated by pictures from the best artists. She considered the three essentials of the best home decorating to be those that would give physical and mental comfort, restfulness and interest. A home always expresses the personality of the occupants, therefore it should be given the most careful study in its arrangement.

"Music for the Home" was discussed by Mrs. R. S. Moore who illustrated her talk with the victrola and selections from the piano by Mrs. F. B. Wood and with two very charming voice numbers, "Beneath Thy Window" and the "Little Pink Rose" by Mrs. Joseph Hanna, with Mrs. Edward Harper, accompanist.

Mrs. Moore deplored the fact that Tecumseh did not demand artists when purchasing their records. That in these records was an education in music itself, but they were rarely found in the stores here because the public does not buy them. She discussed the March list of records showing what wonderful things were offered the public from the best artists in the world, and urged that in making purchases one buy the best instead of the jazzy records which are flooding the country.

A vocal number the "Song of India" by Mrs. R. S. Moore was beatuifully rendered, Mrs. F. B. Wood accompanying.

At the next meeting a talk will be given by Miss Hessell of the State Board of Health, this will be in addition to the regular program.

March nineteenth will be "Grand Opera" evening when Tecumseh will be offered a rare treat in music. This meeting will be held in the evening at the high school.

Mr. and Mrs. Carl Light of Ft. Wayne, Ind. came Tuesday to make their home here. Mr. Light will assist at the Purity Bake Shop.

Mrs. Ella James Died Suddenly Sunday

Expired at Frank Street Home After Da'ys Illness; Was Aged 70 and Was Native of Lenawee.

Mrs. Ella James, aged 70 years, died at 6:30 o'clock Sunday evening at her home, 874 Frank street, in Adrian. She had not been well for the last two weeks but had been seriously ill only for a day.

Mrs. James, who was before her marriage Miss Ella Underwood, was born in Palmyra township and lived there until her marriage to the Rev. Harvey S. Widney. They moved to Illinois, residing at La Harpe and other cities in that state for a number of years. Mr. Widney died August 11, 1887.

Mrs. Widney and her children returned to this county and lived in Adrian until about 17 years ago when she was married to Alfred James who died a few years later.

Mrs. James continued to carry on the insurance business here until last July when failing health prompted her to sell it to Mrs. Franc Gillespie. Mrs. James was a very cultured lady, who leaves a legion of friends to mourn their loss.

Mrs. James went to Adrian last November and since then has made her home with her daughter, Miss Harvella Widney.

Mrs. James was active in church and club work all her life. She was a member of the Order of the Eastern Star and of the Monday Club. She was president of the Monday Club for two years, was actively interested in it, and was largely responsible for its upbuilding. She also belonged to to the Presbyterian church.

She is survived by two daughters, Miss Harvella Widney, who lives at home, and Miss Elizabeth Widney of Toledo; one son, Edward U. Widney of Cleveland, and two brothers, [illegible] Underwood of Palmyra and William Underwood of Detroit.

NO NAME CLUB.

Dr. and Mrs. [illegible] Hendershott entertained the No Name Club, Tuesday evening at their home on West Chicago street.

A six o'clock dinner was served after which the usual number of card games were played. Honors were carried off by Mrs. R. A. Heesen and John Murphy.

SPEAKER FAILS TO APPEAR.

Despite the hard snow and a large number of counter events, a goodly number of citizens turned out to the commerce club banquet last Tuesday night and enjoyed one of the best dinners yet put on.

The dinner was prepared by Mrs. Russell Thurlby and the sixty-eight present all voted it most excellent. The speaker scheduled for the evening did not appear but an impromptu program was given and the business session held as scheduled.

A nominating committee consisting of John Nyland, George Rathbun and H. H. Hanna were sent out to nominate the board for the ensuing year and they reported the same one as last year. The selection was affirmed and the same officers will again act.

A committee was appointed to find out if the merchants wanted the Wednesday night shows again for the coming year and they will report later on. The committee consists of D. F. Wright, Geo. Isaacson and Ivan Spitler.

The board of control will again be W. L. Jones, H. S. Temple, Leon Rosacrans, Lester Rogers and J. M. Artman.

What Good is Your Bank to You?

As the chief financial institution of any community, it should be helping you to make and save money.

If it isn't, then both you and your bank are to blame.

Let's get together today and talk this over.

Tecumseh State Savings Bank

There Is Still Time!

If you act promptly, there is still time for you to make your savings earn full wages for you.

A new interest period started at the Lilley State Bank on March 1, but all money deposited in savings accounts during the first ten days of March will draw interest as from the first.

Plan to make a substantial deposit at once. Savings accounts at this bank draw 4% interest, compounded every three months. Your savings will work for you here instead of lying idle.

Plan to make 1923 a record year. There is still time if you start at once. Come in today!

WHAT IT COSTS TO BOND.

The following article taken from the Detroit News shows just where the state stands on its several bond issues and what they will amount to for interest and principal when paid off at maturity.

Perhaps it may serve to enlighten us a bit on what is means to vote for bonds and also how it is making the legislature squirm to meet them and keep up current expenses. It is very plain to see that taxes are not going to be revised downward very soon.

LANSING, Mich., Feb. 26.—The bonded debt of the State at the present is $61,550,000. The bonds are of three kinds: Soldier's bonus, $30,000.000; highway, $28,050,000; war loan, $3,500,000.

The $28,050,000 highway bonds are part of the $50,000,000 issue which the electors authorized at the general election in April, 1919. The balance of the $50,000,000, it is reasonably certain, will be issued within the next two years and the bonded debt will then be $83,500,000.

Sinking fund requirements to meet the interest and principal on these bonds form one of the big problems confronting Gov. Groesbeck and the Legislature.

By next Thursday, March 4, it is estimated that there will be in the soldier's bonus sinking fund $1,800,000; in the highway sinking fund, $1,750,000, and in the war loan fund, $700,000, a total of $4,250,000.

The Governor has had data compiled showing the amount that will have to be raised each year for interest payments, and for the sinking fund, up to 1945, when the last bond matures. According to this data, the total for interest and sinking funds is $99,455,859.70 for the $61,550,000 now outstanding, and $113,913,957.47 when the entire $50,000,000 highway bonds shall have been issued.

MICHIGAN AUDUBON SOCIETY

Being a member of the Michigan Audubon Society, I am taking this opportunity to let those who would like to join the society know the addresses of the officers of the Society: Pres., Mrs. Edith C. Munger, Hart Mich.; vice-pres., A. D. Moore, South Haven, Mich.; sec'y. and treas., Miss Geneva Smithe, Ypsilanti, Mich. The executive committee are Mrs. Edith C. Munger, Hart, Mich.; Mr. Albert Stoll Jr., Lansing, Mich.; Sec'y. State Conservation Commission, Theodosia H. Hadley M. S., Kalamazoo, Mich.; Prof. T. L. Hankinson, State Normal College, Ypsilanti.

To join this Bird Saving Society it only cost you $1.00 and you will be well paid for the good it will do. There are only four members here in Tecumseh and I would like to see fifty. This society is doing wonders in the conservation of birds and every new member makes it that much easier to make Michigan safe for its wild life. There are about fifty towns represented in Michigan in the bird-conservation propaganda and with this number working during the winter months it will mean the saving of thousands of our birds which you know are now few in this community.

Later I will give you what the society thinks of the English Sparrow, hawks, owls, kingfishers, robin, and the bob white. In the meantime come in and I will send in your name as a new member to Michigan's club of "SAVE THE BIRDS" Audubon Society.

ECONOMIZING IN SALARIES.

(Communicated)

In a recent issue of the Herald. you gave as your opinion that a student just out of high school is not worth $90 a month for teaching, also that the salaries of our county officials are too high, commending our present prosecutor for having said in the last campaign that if elected he would go before the board of supervisors to ask them to lower his salary.

You are probably right when you say that a student just graduated from high school is not worth $90 a month for teaching; an amount more nearly fair to all at the present time would be $60 a month for a girl and $70 or perhaps $75 a month for a boy, at least the first year.

As concerns what would be, the interests of all considered, fair compensations for our different county officials, is a debatable question, and the ideas of one are just as legitimate as those of another. Few will perhaps exactly agree about what the salaries to be paid ought to be, all depending on the different view points. It should however not be over-looked in the case of elective offices, under which head teachers may properly be placed, that those filling them are in consistant uncertainty as to how long their jobs are going to last. In the case of a teacher, with a few exceptions, the hiring is done annually; and in the case of an official township, county, state, village, or city—the interval between elections is a matter of only a year or a few years.

This being the case, the average person of intelligence will undoubtedly be fair enough to concede that their pay should be somewhat higher, and that the only thing left us to do, is to "grin and bear it," or see to it that these positions are turned into life-tenures. By doing this we should indeed be justified in demanding the pay lowered, as then uncertainty of tenure and the periodic cost of election would be cut out.

H. P. Hensen.

Tecumseh, Mich.,
Feb. 26, 1923.

(The author of the above article is mistaken regarding his statement that we advocated the lowering of salaries for our county officials. We did not say that but directed our remarks explicitly to the salary of the county commissioner of schools and graduates of our high schools. Mr. Hensen evidently misread that part of the article and thought it applied to all county officials. Further we don't know how much Mr. Hensen makes off his farm but do not believe he makes a salary of $75 per month for labor after expenses are paid to say nothing of the interest on his investment).—The Editor.

Eczema Result of Ivy Poison

Opinion Points to Ivy, Sumach and Oak as Origin of Most Eczema and Skin Rash

In thousands of cases where they had treated so-called eczema with the usual ointments and failed, they got immediate relief and a total disappearance of the scales, itch and redness in two or three days with Whitmarsh Blood Elixir. So it appears that after all much of the eczema is nothing but ivy poison and with this wonderful specific you can get rid of it in two or three days. The remedy has been well known in many sections for over fifty years as an internal blood medicine and its action is quite wonderful.

Poison Ivy Sumach or Oak Cured in Three Days
This is How Whitmarsh Blood Elixir Clears Face

If you have been treating eczema for years get a $1.00 bottle today of Whitmarsh Blood Elixir and if it fails to bring relief take the bottle back and get your money. Whitmarsh Blood Elixir is prepared only by Hart-Shaw-Miller Drug Co., Adrian, Mich., and if your druggist cannot supply you it will be sent prepaid on receipt of price.

Has This Ever Happened to You?

When your neighbor passes your Rolled-Rice on the hill with his Henry don't you feel like a German Mark?

How to Avoid the Trouble

This would not happen if your cylinder bores were straight and round and properly fitted with new rings and pistons. Round holes means good compression and this can only be obtained by regrinding and fitting with new pistons and rings.

Not only will there be a loss of power when your cylinders are worn, but also a loss of gas and oil together with those annoying carbon troubles. Remember also that an old motor reground and refitted is better than when new for its is seasoned and will stay put.

We are fully equipped to handle this work and would be glad to explain all of the advantages, quoting you the exact cost.

Mr. and Mrs. Eugene Yarick have moved into the north apartment of Mrs. Robert Owens house recently vacated by Mr. and Mrs. K. A. Braman.

MAY START DANCING CLASS.

The Misses Marvel Garnsey and Florence Early of Adrian who conduct a studio of Dramatic Art and Dancing in Adrian were in Tecumseh last Monday to arrange for a dancing class for high school students if a sufficient number can be obtained to insure its success.

These young ladies will be in Tecumseh next Friday afternoon and wish to meet all high school students who are interested in a dancing class in the ante-room of Witherell Hall at 4 o'clock Friday (tomorrow) for the purpose of organizing a clas. if possible. If interested be on hand at the appointed hour.

VILLAGE ORDERS SCRAPER.

At a council meeting held at the council building last Monday night a resolution was passed ordering a light two-horse scraper for use on the village streets to cost about $200.

This will take the place of the heavy four-horse scraper which required two teams and three men to operate and the saving in one team and one man will soon pay for the scraper beside it was claimed they are just the thing for putting the streets in order.

The regular routine of bills were presented and ordered paid and final arrangements made for the coming village election next Monday.

GIVEN A FAREWELL PARTY.

Mr. and Mrs. Alva Knight were given a farewell party Friday evening at the Baptist Church parlor. There were about fifty B. Y. P. U. members and friends of the church present.

Games and stunts were enjoyed and a short program was given, each number responding to an enchore.

MORTGAGE SALE.

Whereas, default has been made in the payment of the money secured by a mortgage dated the thirty-first day of August in the year one thousand nine hundred and fourteen, executed by Eugene C. Calkins and Maggie A. Calkins, his wife of Adrian, Michigan, to Commercial Savings Bank of the City of Adrian, Michigan, which said mortgage was recorded in the office of the Register of Deeds of the County of Lenawee, in Liber 161 of mortgages, on page 289 on the 31st. day of August, in the year one thousand nine hundred and fourteen at 2:50 o'clock p. m. And whereas, the amount claimed to be due on said mortgage at the date of this notice is the sum of seven hundred and seventy-four dollars and sixty-seven cents, ($774.67) principal and interest, and including delinquent taxes paid by the mortgagee for the year of 1918, for the year of 1919, for the year of 1920, and for the year of 1921; and the further sum of fifteen dollars as an attorney fee provided by law and stipulated for in said mortgage and which is the whole amount claimed to be unpaid on said mortgage and no suit or proceedings having been instituted at law to recover the debt now remaining secured by said mortgage or any part thereof, whereby the power of sale contained in said mortgage has become operative.

Now, therefore, notice is hereby given that by virtue of said power of sale, and in pursuance of the statute in such case made and provided the said mortgage will be foreclosed by a sale of the premises therein described, at public auction, to the highest bidder, at the east front door of the Court House in the City of Adrian in said County of Lenawee, on the 14th day of April, A. D. 1923, at 10 o'clock (central standard time) in the forenoon of that day; which said premises are described in said mortgage as follows, to wit: Lot No. Eighteen (18) of Adrian Improvement Company's Sub-Division No. One (1), of the west half (½) of the northwest quarter (¼) of Section eleven (11), Town seven (7), South of Range three (3) east in the City of Adrian, Township of Madison, Lenawee County, Michigan.

ENTERTAINS GUILD.

Dr. Pauline Bredow assisted by Miss Mary Whitlock entertained the Westminster Guild, Tuesday evening at the home of the former on West Chicago street.

The devotionals were conducted by Miss Grace Gillespie, the president. Dr. Pauline Bredow gave the report on the first half of the chapter for study and Mrs. Fred Marsh on the latter half. An interesting article was read by Miss Leila Weurthner. Many points of interest were brought up during the questionaire on the first two chapters.

During the business session it was decided to hold the next meeting next Monday evening at the home of Mrs. F. C. Dickinson.

PROSPERITY COMING FAST SAYS FORD.

Henry Ford who is perhaps the best known American and in position to speak authoritatively on business affairs throughout this country says that 1923 will be a very prosperous year for everyone and that a new era of business prosperity is just around the corner.

Thats good news from Henry who farther says that the Ford Co. has 60,000 more orders for cars for March than they can possibly manufacture. He says that this prosperity is not alone in the auto field but will be wide spread. We hope he knows.

A fellow said the other day that he knew Henry very well but he was not sure if Henry knew him or not. Perhaps this may be the case with prosperity for the rest of us but we do believe that business will take on a decided boom during the present year as everything indicates it now.

Carl Schneider has purchased the old McNair property on West Chicago street where Mrs. Smith and Mr. and Mrs. Ralph Hagadorn now resides.

MORE EFFICIENCY NEEDED.

One of the things Supt. Crampton learned while down at Cleveland last week enjoying himself at the Taxpayers expense while his salary of \$16½ per day went on as usual, was that our schools are 50% efficient. We believe it although they cost the home owners something like \$40,000 here in Tecumseh every year.

While Crampton was absent the school bulletin was issued and in it someone takes a little fling at the Herald. We presume the article was inspired by Principal French who is also drawing a princely salary for what he does and the Herald believes he could much better give his attention to improving the inefficient work over there if he is able, than criticising the Herald.

ELECTS OFFICERS.

There were fifty in attendance at the C. E. business meeting and social Tuesday evening at the Presbyterian church.

A pot luck supper was served after which a business meeting was held and the following officers elected to serve the coming year;

President—John Erwin Anderson
Vice-President—Robert Collins.
Treasurer—Donald Brown.
Recording Secretary—Madaline Boyce.
Corresponding Secretary — Geraldine Gillespie.

Miss Mildred Boyce and Rev. J. F. Kiskaddon were present. A social time was enjoyed.

WILL GIVE LECTURE.

Dr. F. A. Poole of the State Health Dept. will give a lecture at the high school auditorium next Monday night under the auspices of the Parent-Teachers' Assn.

His subject will be unfits, misfits and keepfits. Everyone is invited. There will be a movie show at the same time for both children and grown-ups. The lecture will be at 7:30 p. m.

Mr. and Mrs. Barzy Wood of Sylvania, Ohio, were week end guests of his brother and wife, Mr. and Mrs. L. B. Wood.

Mr. and Mrs. Laverne Russell returned last Saturday from Bay City where they were called by the death of Mrs. Russell's brother.

Herbert Haviland spent the week end at White Pigeon with his wife and her parents. She returned with him after a few weeks visit.

The country roads are fast becoming thawed up under the influence of the warm spell and unless colder weather sets in will soon be bottomless on the cross roads where little gravel has been used.

Rev. Howard Moore of Ypsilanti preached an excellent sermon at the Friends Church Sunday evening. Previous to the sermon a vocal duet was given by Miss Naomi VanWinkle and Mabel Lockwood.

Clark Gallup has installed a new Delco Lighting System in his garage and will hereafter use it for his own power and lighting in the garage. It is a very neat plant and runs perfectly on kerosene for fuel.

The K. of P. held their regular meeting Thursday evening, which was also Past Chancellor's night. Third rank work was conferred upon Dr. C. E. Moorman. A delicious chicken pie supper was served to one hundred twenty-five.

Leon and Eugene Rosacrans left last Tuesday for Grand Rapids to attend the convention of the State Retailers' Association. Leon Rosacrans is on the program for Tuesday afternoon at which time he will give an address on credit systems. This is a distinct honor for our townsman and a fitting recognition of his ability as a progressive business man.

Longevity

Quality goods speak for themselves. A lady called the other day and purchased a mop stick, she remarked it was to replace one that she had purchased of us thirty- eight years ago and had been in regular service ever since.

However no reference was made to the rolling pin purchased at about the same epoch.

We recently took in exchange a used Round Oak heater and still in servicable condition, it has been in use since eighteen seventy two.

It is always a satisfaction to know that merchandise has been meritoriously servicable. Our stock today is still maintained on this same efficient basis.

Friends here will regret to learn that John Garlinghouse of Napoleon fell in the kitchen of his home and struck against a table in such a manner as to break his collar bone. He will be laid up for some time though he is doing well at this time.

The Monday Club held a sew meeting Wednesday afternoon at the club rooms. Thirty garments were nearly completed and some garments were purchased so about fifty garments will be in the shipment to the Michigan Children's Home at St. Joseph, Mich.

Once more our streets have been practically cleared from ice and are fast assuming normal appearance. The balmy weather of last week put a touch of spring in the air that made everyone glad the long winter was drawing to a close.

Travelers from up state say that the snow lies eight and ten feet deep across the whole of northern Michigan and that when it goes there will doubtless be heavy freshets and should it go with a rain there will be great damage to property along the rivers.

Frank Sutton has arrived with his family and taken up quarters in the Hotel Paramount for the present. Mr. Sutton is a former resident of Tecumseh and has spent much of his life in South America in the interests of the Baldwin Locomotive Works. He will have charge of the Puritan Sand & Gravel Co. while here.

Braun & Bridges are completing the decorations in their furniture store and have added a very neat lattice railing to the stairway leading to the second floor which they will use as a part of their display rooms. The store is fast taking on the appearance of a modern up-to-the-minute furniture store of quality where one can find on display the latest modes and designs in furniture of all kinds.

HEARS FROM THE NORTH.

Mrs. Henrietta Yarick, president of the Rebekah Assembly of Michigan, is in receipt of an interesting letter from a former Tecumsehite whose home is now in Dawson, Yukon Territory.

The writer, Mrs. Adelaide P. Currie, says: "Your Yuletide greeting sent to our Jurisdiction affected me greatly. My mother, born Sylvia Cornell, (adopted Patchen) three miles out of Tecumseh on a farm was married to John Petitt and resided on the homestead for a few years, later moving to Jackson where my father was connected as manager with a large music store at that place.

In later life they moved to San Diego, California, where both have since passed away. I have heard a great deal of Tecumseh, Clinton, Adrian and other towns near you.

I would be glad to hear more about the Rebekah Order in Tecumseh and will be pleased to tell you more of our little band—the farthest north, with one exception—Fairbanks, Alaska.

I am a Past Noble Grand of Yukon Lodge, Number One, and my husband is a Past Grand Master of Dawson Lodge, Number One, I. O. O. F."

This is one of the Brooder Houses on Whelan's Egg Farm. Where one of the Simplex Brooder Stoves has been in use for ten years and as good as new. I have a new roosting device that the Baby Chicks seem to fall in love with and at 7 to 10 days old they will begin to go on to roost. With this device they grow faster and in six weeks they are ready for broilers. I give it free with every Brooder Stove sold.

"SPRINGTIME" IS COMING.

Thats right in more ways than one. "Springtime" is the name of the big musical farce to be put on by the American Legion, March 22d and 23d at the Bradley Theater.

Over 100 musical stars in the caste composed of the best talent Tecumseh has and that is a guarantee of a snappy ringing show that will tune you up with all creation.

It's as full of fun and frolic as a watermelon is full of juice and the whole bunch will be there all dressed up and all fussed up and the way they will sing and dance will sure entertain you up to the limit. You remember them don't you. We'd give the price of admission right now to hear Geo. Rathbun do a song and dance skit or see Dr. Hammel tell 'em in stage language how to save the King's daughter or something else, and those girls, Oh, we never knew they grew 'em so beautiful until we saw what a little make-up can do. Yes the whole crowd of musical artists together with the dignity of the state and the funny comedians will be right there to entertain you and take our word they will do it.

Just forget you have any worries on March 22d and 23d and drop into the Bradley and you will be thrice glad you are alive. That's it, you've guessed it, we will all be there.

OBITUARY.

Mrs. Mae Holcomb-Underwood was born April 19, 1872 in North Adams, Moscow Township, Hillsdale County, Michigan. She passed away Feb. 25, 1923 at St. Mark's sanitarium in Detroit, aged 50 years. She lived the first 23 years of her life, at the place of her birth and there she was united in marriage to Webster Underwood of Britton. To this union were born two sons, Verl who passed away in 1900 at the age of three, and Myrl, who with the husband and father survive.

She was a talented musician and together with her son of ten took part in public gatherings. She was active in church work and during her residence here belonged to different societies in the Methodist Protestant church. She was for several years a member of the Eastern Star of Tecumseh, transferring her membership to Ann Arbor three years ago when she and her family moved to that place. She also united, at that time, with the Methodist Episcopal church of that place. Her example, even from early girlhood has been worthy of emulation, as she always did all that she could for her Heavenly Master. She leaves besides the husband and son, her mother, Mrs. Holcomb, and brother, Arthur Holcomb, of North Adams, and a half-brother, in Indiana, together with a large circle of relatives and friends.

The funeral services were held Tuesday afternoon at two o'clock at the Methodist Episcopal church in Ridgeway, the Rev. Stalker of the Methodist Episcopal church in Ann Arbor officiating. Mrs. Leon Exelby sang. The pall bearers were Chester Pilbeam, Everett Exelby, Guy Pocklington, Earl Taylor, L. J. Britton and Charles Lowe. The burial was made in Ridgeway cemetery.

Those from away attending the funeral services were Mrs. Holcomb and son Arthur, of North Adams; Miss Phena Palmer, Mrs. Anna Campbell, Miss Helen and Jay Lowe, Mrs. Ida Babcock and son of Detroit; Mr. and Mrs. G. J. Underwood and Miss Alice of Ann Arbor; and Michael Bachman of Adrian.

Card of Thanks.

Words cannot express the gratitude we feel towards those who were so kind during our recent bereavement. We would especially thank the pastor and singers for their words of comfort and the different orders, societies and friends for their sympathy extended through flowers.

Webster Underwood,
Myrl Underwood.

MORTGAGE SALE.

Whereas, default has been made in the payment of the money secured by a mortgage dated the nineteenth day of January in the year one thousand nine hundred and fifteen, executed by Eugene C. Calkins and Maggie A. Calkins, his wife of Adrian, Michigan, to Commercial Savings Bank of the City of Adrian, Michigan, which said mortgage was recorded in the office of the Register of Deeds of the County of Lenawee, in Liber 161 of mortgages, on page 387 on the 20th day of January in the year one thousand nine hundred and fifteen at 9:50 o'clock a. m. And whereas, the amount claimed to be due on said mortgage at the date of this notice is the sum of one hundred and eighty-four dollars and fifty-eight cents, ($184.58) principal and interest and including delinquent taxes paid by the mortgagee for the year of 1918, for the year of 1919, for the year of 1920, and for the year of 1921; and the further sum of fifteen dollars as an attorney fee provided by law, and stipulated for in said mortgage and which is the whole amount claimed to be unpaid on said mortgage and no suit or proceedings having been instituted at law to recover the debt now remaining secured by said mortgage, or any part thereof, whereby the power of sale contained in said mortgage has become operative.

Now, therefore, notice is hereby given that by virtue of said power of sale, and in pursuance of such statute, made and provided the said mortgage will be foreclosed by a sale of the premises therein described, at public auction, to the highest bidder, at the east front door of the Court House in the City of Adrian in said County of Lenawee, on the 14th day of April, A. D. 1923, at 10 o'clock (central standard time) in the forenoon of that day; which said premises are described in said mortgage as follows, to wit: Lots. No. Eighteen and Eighty-one (18) & (81) of Adrian Improvement Company's Sub-Division No. One (1) of the west one-half (½) of the northwest quarter (¼) of section eleven (11), Town seven (7), South of Range three (3) east in the City of Adrian, Township of Madison, Lenawee County, Michigan.

Two Holstein heifers, a valuable Holstein bull and a shoat were smothered under a straw stack which tipped over on them early Friday morning at the Lenard Exelby farm, one and one-half miles northwest of town. The bull was the property of a neighbor, Millard Cheever. The accident happened at a time when the rest of Mr. Exelby's herd were in the barn, or the result might have been more serious. They had eaten a large hole in the stack thus undermining it and this together with the ice and the straw made the top heavier than otherwise. The straw was removed as quickly as possible by Mr. Exelby, and neighbors who came to his assistance but too late. The animals were all dead before they could be reached.

DO YOU KNOW WHY
THE GEAR-SHIFT IS DIFFERENT?

The design of Dodge Brothers gear-shift takes into consideration the natural inclinations of the driver.

To start, you throw the lever forward. To reverse, you pull the lever backward. And when the car is running in high gear—which is about ninety per cent of the time—the lever is in a forward position, out of the way, where it does not interfere with passengers, robes, or luggage.

Moreover, the transmission, developed and patented by Dodge Brothers, is so designed that the countershaft—used in intermediate speeds and in reverse—is disconnected when the car is in high. There are no gears in mesh. Power is transmitted directly from clutch to rear axle.

This exclusive feature prevents the loss of power through friction, reduces gear-box noises and eliminates a vast amount of wear.

That is why the gear-shift of Dodge Brothers Motor Car *is different*.

COMMUNICATION.

The Junior class, wishing to show its appreciation to the eleven members who put on the splendid play "Nothing But the Truth," on Feb. 27th and 28th gave them, the directors, managers, and assistants a banquet Wednesday evening in the domestic science rooms. A two course dinner was served, followed by a program of toasts and music. Much merited praise was given to each member of the play cast for the excellent manner in which he played his part. Although this was their first appearance on the stage, they handeled the situations so cleverly that the audience forgot they were amateurs.

SCORES RUN HIGH.

The field was small but the scores were large in the American Legion sweepstakes bowling tournament Monday evening.

Some of the boys must be following Dr. Coue's theory, for they certainly "mowed 'em down" without regard for the pin setter's feelings. Ernie Church carried off the lion's share of the honors, turning in a 241 game, the highest yet rolled. This won the first game. Blesing's 203 the second and Jack Smith's 222 the third. The latter game was by far the best rolled this winter. Harry Chiverell was second with 216, Blessing third with 206, Larsen fourth with 204 and Brown fifth with 198, a total of 1046 pins which would make the best of them travel to beat. Following are the points for those having rolled the full amount of games, others not being counted at all: Chiverell 41, Brown 39, Smith 38½ Blesing 36, Church 33, Curtis 32½, Larsen 32.

F. S. Bell was a business caller in Toledo, Wednesday.

PROBATE NOTICE.

STATE OF MICHIGAN, The Probate Court for the County of Lenawee.

At a session of the probate courth for the county of Lenawee, holden at the probate office in the city of Adrian, on the 24th day of February, in the year one thousand, nine hundred and twenty-three.

Present, Hon. Harry L. Larwill, Judge of Probate.

In the matter of the estate of ROSE A. TAYLOR, deceased.

On reading and filing the petition, duly verified, of Margaret M. Hoagland, daughter of said deceased, praying that administration of said estate may be granted to Joseph W. Wiggins, or some other suitable person.

It is ordered that Monday, the 26th day of March next, at nine o'clock in the forenoon, be assigned for the hearing of said petition.

And it is further ordered, That a copy of this order be published in the Tecumseh Herald, a newspaper printed and circulating in said county of Lenawee, for three successive weeks previous to said day of hearing.

HARRY L. LARWILL, Judge of Probate.

GIRLS' TEAM BEATS CHARLOTTE.

Our girls played the Charlotte girls Friday evening at the local gym. The teams were well matched and the game was an exciting one, resulting in a score of 13 to 11 in favor of Tecumseh.

The second boy's team played Deerfield and were beaten by a score of 23 to 2.

The boy's first team played Hastings on their floor and were also beaten, the score being 17 to 11.

This was the last scheduled girls game and next week they go to the tournament at Adrian. The boys play their last scheduled game next week with Eaton Rapids.

ENTERTAINS CLASS.

Miss Kyle's class met with Mrs. H. S. Waring, Tuesday evening, a goodly number being present. Following the regular business session was a short and especially nice program:

Vocal solo by Mrs. Billings.

Violin solo by Miss Doris Wood, accompanied at the piano by Miss Maxine Wyrill.

Piano solo by Miss Wyrill.

Roll call, current events and guessing contest finished a very pleasant evening.

The next meeting will be Tuesday, April 10th at Presbyterian church parlors, with gentlemen invited to a pot luck supper.

Mrs. Peter Hensen is caring for Mrs. John Jensen who is ill.

HOW TO VOTE YOUR OWN DESIRES.

Many people at the coming village election next Monday will NOT vote as they want to because they will fail to do those things that are necessary to correctly register their sovereign will.

If you read the following carefully and follow it you WILL vote as you desire. If you wish to vote a straight ticket all you need to do is to put a cross in the circle at the head of your ticket and deposit it with the officials. You have then voted a straight ticket and for every man on that ticket.

However, if you wish to split your ticket, that is, vote for part on one ticket and part on the other, you should put a cross in the circle at the head of your ticket just the same as before and THEN go over on the other ticket and put a cross before the name of every man on that ticket for whom you desire to vote. In the case of trustees, you can vote for ANY THREE whether their names are opposite or not, but you must put a cross in the squares before their names and CROSS OFF the names of the three you do NOT wish to vote for. In other words no trustee runs against any other one. It is the three out of the six who get the highest vote that are elected whether their names are opposite or not.

Remember in the case of trustees if you split your ticket, put in the square before the name of each of the three you desire to vote for a cross and scratch out the names of the remaining three. You have then voted correctly and your vote will be so counted. Remember again YOU CAN VOTE FOR ANY THREE whether their names are opposite or not by following the above instructions. Come out and vote and see that everyone else does the same, its the only way our American institutions and government can be saved from going the way others have gone to an untimely end. To vote is your duty.

WILL GIVE ANNUAL DINNER.

The American Legion will give their annual dinner at the high school the last week in March, probably on Friday night. Col. A. H. Gansser will be the speaker and he certainly fills the bill whereever he goes.

This is a community dinner and it is hoped that everyone will take an interest and help along the good work of the Legion. It will be a program worth hearing.

SOME SHOOTER.

An item appeared in the Michigan Daily, the campus paper of U. of M., stating that Robert Moore captured an all-campus foul shooting championship by shooting a total of 76 in 100 tries which was 7 points over his nearest rival. He also made 24 out of 25 baskets. His fraternity, the Phi Nu Alpha, came out second in the basket ball tournament in which there were sixty entries.

Dale Bowen also played in the basket ball games.

THE REAL TRUTH.

We listened in the other night to a lecture given in New York by a man of national reputation and this is what he said. "We do not see things as they are but as we are."

He took for illustration the well known fact that if a bell be rung in a vacuum that it did not ring even though the clapper swung to and fro and struck the sides of the bell violently. There was no sound. It was still. The sound is in us not in the bell. When the waves produced by the bell come to our ears through the medium of the air we hear the bell because the sound is in our mental make-up not in the bell.

Also when there are eyes to see, the flowers are a riot of color and beauty but when no eye is present there is no color. The blind are in darkness and the gorgeous beauty of the earth is not in existence for them.

To those void of smell, there's no atar of roses or the sweet scent of the violet. No odor is in the air, it does not exist for those in whom the machinery of smell is inoperative.

It is true that we do not see things as they are but as we are. If we are not in tune with nature, we do not see or hear nature as it it but as we are. To those who are racked with suffering, nature does not seem to be filled with beautiful music, gorgeous colorings and sweet odors. As we are so does nature appear to us.

This is a most wonderful lesson and from it we learn that to educate our senses to respond correctly to nature is the greatest achievement of man and that when we do this perfectly, we shall know as we are known and all the innermost secrets of mother earth will be unfolded to us.

Then will petty jealousies, envy, hatred and all the malevolent feelings of man due to his imperfect understanding be removed and Heaven will be before us. Until then we see things not as they are but as we are.

Miss Mary Snedecor is spending a couple of weeks in Chelsea, at the Methodist Home.

ENTERTAINS CLASS.

The Friends Successful Class of the Friends Sunday School were entertained Thursday evening at the beautiful country home of A. A. Comfort.

A pleasant time was spent in games and music after which refreshments were served.

Among the guests were Amos Wilson and Miss Betts of Blissfield and Everette Hensen of Adrian.

WHAT WE WANT.

The other day we noticed a farmer whom we know well, bringing his wheat into Tecumseh and he sold it at Gratz' Mill. He took home a load of feed and said he could get seven cents a bushel more for wheat here than he could get in Adrian so hauled it here.

This farmer lives over by Wolf Creek and hauls fourteen miles to market his grain with Gratz because he pays more for good wheat, and lastly the farmer bought his feed much cheaper of Gratz than he could get it at the Adrian mills. That is good for Tecumseh and the Gratz Mill deserves the best support Tecumseh can give them don't you think so? If you don't then you are one of those dyed-in-the-wool knockers that hates yourself and the rest don't care what you think. Good for our home mills, you are town builders and everyone should know it, and the way to appreciate it is to use the flour made right here in Tecumseh every day in every way, etc.

SAYS SUPPLY IS LOW.

At the meeting of the council last Monday night, E. M. Campbell chairman of the water committee who knows about our water supply, pointed out that the wells at the city pumping plant were barely supplying the water needed for domestic consumption and that the water users are increasing all the time.

Mr. Campbell also pointed out that the pumps which have been in use for many years are nearly worn out and that very soon something must be done to insure a more adequate supply of water.

Sometime ago the Herald gave out the information that in case of a big fire we did not have enough water in sight to fight it with and this was confirmed by several of the council and again it was suggested that an electric emergency pump be installed at the electric plant and with its suction end in the flume, it could be cut into the water system and shut off by a valve so that it need never be used except when an emergency arose when we would have an ample supply to fight any fire that might develop, and it would not endanger our drinking water as analysis shows this water is germ free.

It appears that the council knows these conditions fully and the fire chief and water superintendent both confirm it as the best and only means to prepare us for only what good fortune prevents viz: a disastrous fire. It is a well known fact that should a fire break out that calls for five or six leads of hose, we would be helpless and without water in a very few hours so it seems that the imperative and urgent duty of the council is to act and install such a pump before a terrible loss is sustained through negligence. We hope they will do so and we are sure the people will heartily approve it.

Facts About Optometry

By

KARL A. BRAMAN

How much are the public actually in need of Optometry?

What percentage of people would be better from a health and efficiency and dollars and cents standpoint for consulting the Optometrist?

What undesirable results of school children would be better for an optometrical examination and becoming equipped with glasses?

What defects of vision are the most common, and how can the public most readily be brought to a realization of their need for interviewing an Optometrist?

These and other subjects will be discussed in future articles. We suggest that you follow them regularly.

To be continued next Thursday.

Republicans Name A Full Ticket

H. H. Hanna, Named For Supervisor, Ivan Spitler For Clerk And Chas. Snedecor For Treasurer Without Contest. Allen Brooks Named For Highway Commissioner Over Fay VanValkenburg.

The republicans of Tecumseh Township held their regular annual caucus at the council building last Thursday night and nominated a full ticket for the April election.

One hundred thirty-one votes were cast for commissioner of highways which shows that a healthy interest was manifested in this office at least. The contest was between Allen Brooks, the present incumbent, and Fay VanValkenburg. On the first ballot Mr. Brooks received 81 votes and Van Valkenburg 50 which nominated Mr. Brooks for a second term.

For supervisor, H. H. Hanna was nominated without contest as was Ivan Spitler for clerk and Chas. Snedecor for treasurer. It seems these officers have given excellent satisfaction and they were unopposed for nomination.

For overseer of highways, a contest developed with three candidates, Wm. Gibson, J. V. Ferman and Chas. Harper. After three ballots Mr. Ferman was nominated.

For constables John Sherman, John B. Smith, Ed Prichard and W. J. C. Hastings were nominated without contest. This insures that the inhabitants of Brownville will have excellent protection during the coming year and all evil doers should beware with this coterie of watchful citizens upholding the majesty of the law.

The good people of Brownville were out in force and it certainly does one good to see the citizens turn out to the caucuses and take an active part. It is just what the times need and if more would come out it would be better still.

F. J. Temple was chairman of the caucus and R. K. Anderson, Sec'y. George Rathbun and Mrs. Abbott acted as tellers.

GIVEN A SURPRISE.

Mrs. L. Buler was pleasantly surprised Monday evening when Mrs. Temple's Dependable Class of the M. E. church came with well filled baskets to help her celebrate her birthday anniversary.

A bountiful pot luck supper was served after which a social evening was enjoyed in music and visiting.

MERRY-GO-ROUND CLUB.

Mr. and Mrs. B. J. Pulver and Dr. and Mrs. E. E. Hendershott entertained the Merry-Go-Round club at the home of the former Tuesday evening.

The decorations were in green, honoring St. Patrick. A two-course dinner was served after which cards were played.

High scores were won by Mrs. R. N. Lowe and G. B. Garlinghouse, second high score by Mrs. John Nyland and Fred Dickinson. Mrs. Fred Dickinson was consoled with a pair of green ear-rings and R. A. Heesen with a clay pipe.

Legion Show To Be A Roaring Comedy

Big Cast Of Over One Hundred Dainty Dancers And Snappy Songsters Will Entertain With Frolicsome Fun. You Are A Dead One If You Miss It. Bring Along Your "Opry" Glasses—You'll Need 'Em.

If the good people of this city and vicinity don't get their money's worth at the big Legion Show that is coming next week, March 22 and 23 then its because they are deaf and blind for either one will fill the bill to the extent of human endurance. If you don't believe it, just go and then drop in and tell us where we were wrong or right for we know the latter will be your judgment.

Gosh, we just accidently dropped in at rehearsal the other evening and what we saw and heard told us that when the big beauty chorus comes out, that Tecumseh's bald headed aristocrats will be seen scrambling for their "opry" glasses as they never did before. And what we saw was enough to make us order tickets close in so that no one could possibly get in front of our line of vision.

No use talking low visibility to us or any other of those army terms for we know that either our eyesight is taking on a new lease of life or else that chorus is certainly more than ordinarily handsome and we will stake a week's subscription to the warwhoop that you will say our judgment is right when you see it.

And the songs and dances, whew, but they have the snap and jingle and we certainly did enjoy the parts that floated our way. At any rate if you want to see a first class home talent show that is a show, just get your seats early for "Springtime," March 22d and 23rd.

MONDAY CLUB.

The Monday Club held their regular meeting Monday afternoon at the club room in the M. E. church. Mrs. Lena Jones acted as leader for the program.

During the business session the name of Mrs. Culver D. Wilcox was presented and voted into membership. Mrs. Guy Pocklington resigned as delegate to the federation meeting at Lansing and Mrs. John Orr was appointed to take her place.

Announcement was made of an amendment to the constitution to be voted upon in two weeks raising the dues from $1 to $1.50 for active members and from $1.50 to $2 for associate members.

A very interesting lecture was given by Miss Molita Hutzel of state board of health. After this two papers were given, "The Monroe Doctrine" by Mrs. Geo. Sanford and "South American Heroes" by Mrs. William Waldron.

The club voted to continue their membership in the state federation and in the General Federation.

The next meeting will be held at the High School auditorium on Monday evening at 8:30 p. m. Each member has the privilege of inviting three guests. It will be a musical program of Grand Opera under the leadership of Mrs. R. S. Moore and Mrs. F. B. Wood.

ROYALLY ENTERTAINED.

The members of Mrs. Abbott's class of the Methodist Sunday School and their husbands were entertained at the home of Mr. and Mrs. Ed Braun on South Maiden Lane, Friday evening. Although it was a stormy night, there was a good attendance, about fifty being present. The rooms were prettily decorated in a green color scheme which was carried out in the refreshments.

This was the first meeting under the new officers and the president called the meeting to order and a short business session was held during which the class voted to change the name of the class to the Dorcas Class. After this the following program was given:

Reading—Mrs. Ed Perry.

Music—Wilfred Waldron and Ed Harper, accompanied by Mrs. Waldron.

Reading in Irish brogue—Rev. H. J. B. Marsh.

Readings—Dr. C. E. Moorman.

The remainder of the evening was turned over to the men who organized a Men's Bible Class of younger men. They elected the following officers: president, Ed. Braun; vice-president, Ed Harper; secretary, Dr. C. E. Moorman; treasurer, S. C. May. They adopted for a slogan, "Watch Us Grow During the Go To Sunday School Campaign."

After refreshments were served, some time was spent in visiting. All departed at a late hour feeling that the evening had been well spent.

Heesen Elected Village President

Beats McIntyre by 121 Votes. Dr. Hendershott, E. C. Heilman and Perry Satterthwaite Elected Trustees. Six Hundred Twenty Seven Votes Cast. Louis Jones Elected Treasurer and W. L. Coller, Clerk.

A regular village election occurred last Monday when 627 voters registered their imperial wills on the choice of village officers for the ensuing year.

R. A. Heesen was elected village president over his opponent, John McIntyre, by a majority of 121 and henceforth for the ensuing year will be Hizzoner and receive the complaints of the multitude together with a very modest stipend therefor. At any rate no one will have to guess where Dolf stands on the question before the house.

Bill Coller again ran off with the honors polling the highest vote of anyone on either ticket or a total of 472. It must be Bill hasn't many friends in this village who appreciate the manner in which he has conducted the office for the past three years. At any rate he is a regular vote getter when it comes to election.

For treasurer, Louis Jones won over Miss Whittier by 27 votes and will therefore collect your taxes for the coming year. Dr. E. E. Hendershott polled the highest vote for trustee with E. C. Heilman second and Perry Satterthwaite third, consequently these gentlemen together with the three now sitting will guide the destinies of our village for the ensuing year.

Geo. Field won easily over John Boyce for assessor and he will again tell you what your property should be assessed at. It was a well managed affair all through and the various campaign managers can be congratulated upon the triumphs of their candidates, if they were elected. We have heard of no hard feelings and guess the village will grow and prosper just as usual under the new regime and those who enjoyed a smoke on the electees are well repaid for hanging around until the west precinct finally got the vote counted according to Hoyle or some other judge of perfectly fair contests. Spring election is now the order of the day.

SCHWARTZ—PALMAN.

A wedding of very pretty appointments was solemnized Sunday evening at six o'clock, when Miss Goldye Palman became the bride of Abe A. Schwartz, at the home of the bride's parents, on W. Pttawatamie street.

Dr. Berrie of Detroit played the wedding march while the bridal party took their places. The bride was attended by her two cousins, Miss Sarah Goodman of Indianapolis and Miss Doris Sholtz of Chicago. Morris Palman of Chicago acted as best man. Rabbi Hirschman of Detroit performed the ceremony using the ring service.

The bride was charming in a white beaded georgette crepe gown, white satin slippers, bridal veil and wore a corsage bouquet of white roses and lilly of the valley. After the ceremony Mrs. Berris pleasingly sang, "Oh Promise Me."

The rooms were attractively decorated with palms, ferns and cut flowers.

A six course wedding dinner was served, covers being laid for eighty guests. Large bouquets of carnations centered the tables.

The happy bride received sixty-three telegrams of congratulations which caused much merriment when read. Dancing was enjoyed during the evening.

Miss Palman is the daughter of Mr. and Mrs. Wm. Palman of this city who are in business here. She attended Tecumseh High School and graduated here, since then she has been assisting at her father's store and in this way has made many friends who all extend their best wishes to them.

Mr. Schwartz is from St. Louis, Mo., but has been in business with his uncle, J. Berris, at Adrian, for sometime.

They left on a short wedding trip to Chicago and on their return will make their home in Adrian.

Guests were present from Chicago, Detroit, Toledo, Adrian, Pittsburg, St. Louis, Tulsa, Oka., Hammond, Indiana and Indianapolis.

ENTERTAINS FOR BIRTHDAY.

Mrs. Ed Harper entertained at a six o'clock dinner at her home on North Maiden Lane, Monday evening in honor of her husband's birthday anniversary.

Lighted candles in crystal candle sticks were placed at each end of the table and a birthday cake with lighted tapers on it centered the table. Covers were laid for nine. A pleasant evening was spent in visiting and music.

ENTERTAINS "500" CLUB.

Mrs. W. F. Raymond entertained her "500" club Thursday afternoon at her home on North Oneida St. The usual number of games were played after which refreshments were served by the hostess.

The club will meet in two weeks with Mrs. James Cupples.

BIG CROWDS COME TO INDOOR CARNIVAL.

Last Wednesday night the I. O. O. F. Hall was taxed to capacity with the big crowds who came to enjoy the indoor carnival now going on and which will continue tonight, Friday night and Saturday night.

The dance in Witherell Hall was a huge success, the floor being full of dancers and interested spectators crowded the side lines. It was one of the most enjoyable events of the season and if you are not attending this big indoor carnival you are missing one good time.

The vaudeville show was a scream and the games, stunts and thrills provided are a source of great delight to old and young. Everything is on the bill that should be there to make the event one grand roaring round of continuous fun and frolic. Its worth going miles to see and you can bring the whole family and the neighbors with the assurance that they will all be highly entertained. Come on for the big carnival now in full swing.

THE ALMONER CIRCLE.

The Almoner Circle is now in its tenth year, and bears the distinction of being the only organized charity in town. Through the support and generosity of our friends outside the circle we have been able to do many good deeds for the unfortunate, and have plans for larger work in the future. To this end we are placing boxes in a few public places about town, bearing the words, "He who giveth to the poor lendeth to the Lord," and we hope our friends will like the "Investment" sufficiently to enable us to provide noonday lunches at the school cafeteria for several children, and shoes and underwear for others, any donations of clothing or bedding will also be acceptable, and placed where there is greatest need.

BOTH TEAMS WIN.

Tecumseh won both their basket ball games last Friday. The girls won in the tournament at Adrian from the college girls by a score of 47 to 9 which was a very decisive victory which places our girls in the race for the cup.

Next week Friday they will play Morenci at Adrian and if they win this game they will be in the finals for the county championship. A large crowd accompanied them to Adrian.

The boys played Eaton Rapids on the home floor and won by a score of 22 to 19. The closeness of the score made it a very exciting game to watch and the fans enjoyed it immensely.

JOLLY SIXTEEN.

Mrs. W. H. Powell entertained the Jolly Sixteen club at her home west of town, Wednesday evening.

Progressive pedro was played during the evening and high scores were won by Mrs. Ed Everett, and Mrs. Jack Smith and Mrs. Oscar Lidke was consoled. After the games refreshments were served.

Mrs. Willis Schreder was given a miscellaneous shower by the ladies of the club and received many pretty gifts.

Mrs. Ed Everett will entertain in two weeks.

DEMOCRATS NAME FULL TICKET.

The democrats met at the council building last Friday night and named a full ticket for the coming township election.

For supervisor, Lewis Kehoe was nominated, for clerk, Mrs. Franc Gillespie, for treasurer, Martha Nye, for highway commissioner, Milburn Keyser, for justice, S. P. Hosmer, board of review, Geo. J. Kempf, constables, John McCaughen, Donald Smith, Wallace Shurtz and Chas. H. Bennett. For overseer of highways, Paul Bowen.

TO HOLD ROUND TABLE.

A library Round Table meeting for the librarians of Lenawee and Washtenaw counties will be held at the Tecumseh Public Library, Wednesday, March 21st. It is expected that addresses will be given by Mr. Emerson of the Jackson Public Library, Miss Havens of the Hudson Public Library and Miss Jewell of the Adrian Public Library.

This is the first time this meeting has ever been held here. Sessions will be held both morning and afternoon.

Mrs. Fay Anderson and daughter, Mary Eleanor of Chicago are guests of her parents, Mr. and Mrs. J. D. Shull.

SAFETY + SERVICE

67 Years of Studyiny Your Needs

In 67 years the Lilley State Bank was established by a group of men with definite ideas and ideals regarding the kind of banking service which was needed by the people of Tecumseh and Lenawee County.

Today, after 67 years, these ideals are just as vigorous as ever; and they are backed by a rich fund of practical experience obtained right here in Tecumseh.

This experience assures you of sound, capable management; it enables us to serve you more fully because it has shown us the particular needs of this community; it promises safety for your money because it embraces a record of proved trustworthiness.

specific or antidote for these poisons and does it in two to three days. And what is of more importance these poisons do not come back, they do not break out again as is usually the case, as the action of the remedy appears to utterly destroy the nature of the poison. This is remarkable as thousands suffer year in and year out, in fact it is held that the poison will return for seven years. It is generally conceded that much of the itching eczemas on hands and face are nothing but ivy or sumach poison. Facts About Optometry

By

KARL A. BRAMAN

Authorities agree that approximately forty percent of the public are always in need of an eye service. This does not include those who are already wearing glasses. That means that four in every ten people are deficient visually to an extent that would justify their consulting the Optometrist.

Of course a great many of these are people who have reached an age when their eyes naturally begin to lose their power for focusing for close work. But many thousands of younger folks are handicapped tremendously because of defective vision.

And as before stated, the regrettable feature is the fact that many of them are unaware of their condition.

To be continued next Thursday.

MORTGAGE SALE.

Whereas, default has been made in the payment of the money secured by a mortgage dated the thirty-first day of August in the year one thousand nine hundred and fourteen, executed by Eugene C. Calkins and Maggie A. Calkins, his wife of Adrian, Michigan, to Commercial Savings Bank of the City of Adrian, Michigan, which said mortgage was recorded in the office of the Register of Deeds of the County of Lenawee, in Liber 101 of mortgages, on page 289 on the 31st. day of August, in the year one thousand nine hundred and fourteen at 2:50 o'clock p. m. And whereas, the amount claimed to be due on said mortgage at the date of this notice is the sum of seven hundred and seventy-four dollars and sixty-seven cents, ($774.67) principal and interest, and including delinquent taxes paid by the mortgagee for the year of 1918, for the year of 1919, for the year of 1920, and for the year of 1921; and the further sum of fifteen dollars as an attorney fee provided by law and stipulated for in said mortgage and which is the whole amount claimed to be unpaid on said mortgage and no suit or proceedings having been instituted at law to recover the debt now remaining secured by said mortgage or any part thereof, whereby the power of sale contained in said mortgage has become operative.

Now, therefore, notice is hereby given that by virtue of said power of sale, and in pursuance of the statute in such case made and provided the said mortgage will be foreclosed by a sale of the premises therein described, at public auction, to the highest bidder, at the east front door of the Court House in the City of Adrian in said County of Lenawee, on the 14th day of April, A. D. 1923, at 10 o'clock (central standard time) in the forenoon of that day; which said premises are described in said mortgage as follows, to wit: Lot No. Eighteen (18) of Adrian Improvement Company's Sub-Division No. One (1), of the west half (½) of the northwest quarter (¼) of Section eleven (11), Town seven (7), South of Range three (3) east in the City of Adrian, Township of Madison, Lenawee County, Michigan.

FASHION IN HORSES' TAILS

Odd Designs That Have Been More or Less Popular at Various Periods of History.

Horses' tails have been subjected to curious changes of fashion. In the time of the Stuarts the English coach-horse's tail was worn long and flowing, and was cut square. It was adorned with ribbons on gala days, and strapped up in a leather case in winter weather; thus a certain harmony was preserved between the wig of the master and the tail of his horse.

By the time of George II a short wig and a pigtail had taken the place of the flowing curls in which the cavaliers of Charles I and the rakes of Charles II's court delighted.

The brilliant idea occurred to Lord Cadogan, a cavalry officer of that period, to reduce the tails of his dragoon horses to a short dock. Possibly this was done with the view of saving his soldiers the trouble of cleaning those long tails and avoiding the nuisance of splashes uniforms and accoutrements must have received from such hair streamers. Or it may be that the debased taste of the age made him think the appearance of his regiment was really improved by bobbed tails. That is a question which history does not decide.

The next step was to turn bobtails into plugtails by cutting all the hair from the last two or three inches of the dock. Having thus succeeded in disfiguring the hindquarters of dragoon horses, some individual devised the additional barbarity of cropping their ears.

INDIANS AS WOOD CARVERS

Many of the American Aborigines Were Experts, as Specimens Still in Existence Show.

It has been pointed out that the chief reminder of our aboriginal life is the woodwork and bone carving of the Indians of the Pacific Northwest. While the cities of that region are enterprising and important centers of industry, and while the inhabitants of many Indian reservations have adopted the latest farming methods and have become prosperous agriculturists, there remain some primitive workers whose wooden products have the same quaint appearance as those of their ancestors generations and generations ago.

When they possessed no better tools than stone axes and bone handled implements, before the white man had brought his iron instruments to this country, these Indians were experts at their chosen profession. With their crude implements they cut planks four feet wide by ten feet long from a tree. Many specimens of their carving in wood, bone and ivory show considerable skill. Their canoes, hewn from a single log, were 50 feet in length, as a rule, and caused great astonishment among the first Europeans that came to this country.

Queer Uses for Gold.

To the ordinary uses to which gold is put the natives of India add a number that are curious. According to a bullion report of Messrs. Samuel Montagu and company, gold in the form of thin leaf is swallowed in India for medicinal purposes.

A frequent form of piety is to regild the domes of religious buildings, and such operations can easily absorb £10,000 or more. Sovereigns with a shield on the obverse side are in constant request.

An inquiry as to the ultimate use of some thousands of pounds revealed the curious fact that a rajah of queer taste had imported them to form a center to each pane in the windows of his palace.

As a contrast to the savings of France, which are utilized to promote the trade of the world, those of India are buried or hoarded.—London Tit-Bits.

Dampness Harms a Piano.

Most people know that a piano should never stand in a draught; but it is not always possible to place the instrument in an ideal position. A piano is frequently regarded as a piece of furniture, instead of a somewhat delicate arrangement of fine wire and hammers which are very susceptible to changes of temperature. Damp is the greatest enemy that confronts the piano, but if the lid is raised frequently, and allowed to remain open for a time a current of air can circulate inside. Damp also causes the hammers to swell, which, in turn, makes the keys hard to depress. It is never advisable to have a valuable piano in a cold room in winter for more than a day or two at a time; and if possible a small oil stove should be placed near to it for an hour or so each day, if it is not desirable to light a fire occasionally.

Artistic Masterpieces.

The "Last Judgment" is a superb fresco painting by Michelangelo (1475-1564), on the wall opposite the entrance to the Sistine chapel in the Vatican at Rome. It is 60 feet high and 30 feet wide, and was completed in 1541, after a labor of eight years. The painting contains nearly 300 figures, and presents "a confused mass of naked bodies in the most violent attitudes and most admired disorder, and excels chiefly in energy of expression." The "Last Judgment" has been much injured by dampness, but more especially by the smoke from the incense and altar candles.

Fra Angelico, Andrea Orcagna, Fra Bartolommeo, and Peter Paul Rubens, among others, have left masterpieces in this same subject.

An Unfair Exchange.

"Dinah, are you married?"

"Yes, ma'am. I'se now makin' my fo'th experiment."

"Have you had four husbands?"

"Well, ma'am, two of 'em didn't stay long enough for me to say I had 'em. Dey just gimme deir names an' took whut money I had in de house."—Birmingham Age-Herald.

GAVE HIM ODD NICKNAME

Oliver Morton Was Long Known Among Colleagues as the "Devil on Two Sticks."

"The Devil on Two Sticks" was a nickname given to Oliver P. Morton, American senator. For many years he was affected by a dangerous and probably incurable disease. He visited Paris for the best medical advice, and submitted to the moxa treatment. It relieved him considerably, and doubtless prolonged his life, but did not restore the paralyzed legs. He was compelled to use a walking-stick in each hand. In the ordinary course of debate in the senate for the last few years he generally read and spoke in a sitting posture, the courtesy of his brother senators admitting that position. When dealing with questions of national importance he spoke standing, supporting himself against his desk and on one of his canes, but sometimes against a standing support, consisting of an iron standard surmounted by a small wooden reading desk.

During the fierce partisan debate in the senate near the close of the Civil war, and especially while the reconstruction measures were being discussed, he was a stalwart and excessively pugnacious fighter on the Republican side, and earned the appellation of "The Devil on Two Sticks."

BETTER NOT REMOVE MOLE

No Matter What Process Is Employed, Operation Is Likely to Have Grave Results.

Birthmarks are due to an overgrowth of the blood vessels at one spot in the skin. There are two kinds, the raised and the flat. The raised is the easiest to handle. The "strawberry mark," as it is called, is a reddish raised spot, appearing in the forehead or between the eyes of a new baby. There are several treatments for this, of which the best is radium. It should be romoved soon after the appearance, as it leaves practicaly no scar while the child is still young. Any adult, however, with a strawberry mark which was not removed in infancy may safely undergo the same treatment with success.

Moles are really a form of birthmark and are due to an overgrowth of the pigment-forming cells of the skin. A mole is a potentially dangerous blemish. Many dermatologists use the electric needle, radium and freezing on moles, but all of these are dangerous because they may remove only the upper part and stimulate the rest to further growth. This results in the most malignant form of cancer and invariably causes death.—The Delineator.

Sugar Trees.

It has been suggested that in all probability the bears were the first to locate and patronize trees that furnish sugar, the animals breaking down great branches to obtain the sweet material. The Indians were also in the secret that a rare kind of sugar might be had for the gathering from the Douglas fir in the dry belt of British Columbia and eastern part of the state of Washington.

The sugar output from this source varies. That it develops at all seems to be the result of atmospheric conditions. Firs growing on the northern and eastern slopes have proved to be the best sugar producers.

Certain qualities possessed by this tree sugar proclaim it a valuable article in chemistry and in medicine. It is hardly likely, however, that the white man will ever eat fir sugar to any extent, since the supply is limited, and every Douglas fir in the dry belt has more orders than it can fill.

Use of Blotting Paper.

According to the Encyclopedia Britannica, blotting paper is of early date, being mentioned under the date 1465. It was a coarse, gray, unsized paper, fragments of which have been found among the leaves of Fifteenth century accounts where it had been left after being used for blotting. Early in the Sixteenth century blotting paper must have been in ordinary use, for it is referred to in W. Horman's "Vulgaria" (dated 1519) as follows: "Blotting paper serveth to dry wet writing, lest there be made blots or burrs." The same authority states it is remarkable that, in spite of the comparatively early date of this invention, sand continued generally in use, and even at the present day continues in several countries in fairly common use as an ink absorbent. There appears to be no record as to who first used blotters.

Preferred the Cash.

Youngsters that come in contact with the public become most worldly wise. Johnny shined shoes and knew the ways of the world from intimate, and sometimes bitter experience. One day a prosperous-looking old gentleman stepped up into the shine stand. He eyed Johnny with a friendly interest.

"Young man, you look like a bright, intelligent young fellow," he remarked.

Johnny looked up at him unimpressed.

"Say, mister," he retorted, "I've had that line pulled on me before. What I want to know before we go any further, is this a cash shine or when I get through will you pat me on the head and tell me I'll be governor some day?"—Kansas City Star.

Polite Posterity.

"We must not forget that George Washington was the father of his country."

"True," replied Senator Sorghum. "But so many fathers get a whole lot of kind words and mighty little obedience."

Prominent Man Speaks Plain Facts

"A Strong Pull, A Long Pull And A Pull Altogether" Won Every Race. United Efforts Win Every Battle With Publicity For Artillery. Community Slackers Please Do Not Read This Article.

Napoleon said, "he feared three newspapers more than a hundred thousand bayonets,' and Napoleon knew what he was talking about.

Why did Napoleon make such a remark. Because he was a man of thought, and he knew people and he also knew that the newspaper was the greatest institution on earth to spur the people into action, and he feared their united action.

Three newspapers more than a hundred thousand bayonets is a wonderful compliment to the power of the press, when said by a man like Napoleon who knew bayonets better than most of us know our grandfather. Napoleon was a genius to organize and command men. He would have made Henry Ford look like two cents had be turned his genius into the industrial work instead of into organizing armies.

Napoleon feared three newspapers because he knew that newspapers are read by the people and the publicity given every subject made men think, form opinions and above all it threw them into united action. That is just what newspapers are for. To discuss topics of community interest, chronicle the comings, goings, and doings of the people and be a clearing house for all timely and interesting information.

People pay to get this and the editor who gives them reliable information on all these subjects is doing his bit to help the world along. Newspapers are the publicity departments of every business in the community. In the larger cities the big stores hire men at big salaries just to prepare the copy of their store news for the newspaper. They work it over, think it over, and prepare it in the best possible way to catch the eye and thought of every reader.

The publicity department is the most important part of their sales organization. Just as Napoleon feared three newspapers, so the big stores know that their sales news is the making or breaking of their efforts to acquaint the people with their line of goods and to further MAKE A MARKET for them. Did you like the first banana you ate? Did you like the first chew of plug you took? Very few did and yet the constant users of these articles run into the millions. Someone MADE A MARKET for them, now they are in almost universal demand.

People are educated by newspapers. They are made to think by them just as any text book is studied in school to make us think and act. The newspaper is not anything in itself but is a carrier of thought, a mere receptacle wherein the thought of the times is gathered and sent to your homes for your use as a member of society. And no person ever thinks of going without his newspaper any more than he could get along without food or clothes for no one cares to be ignorant of the community doings and the actions of his representatives who are making laws by which he is to be governed (and taxed out of all proportions to the benefits he receives). No wonder Napoleon feared three newspapers if he expected to put over a modern tax system.

Every man who runs a store wherein he offers things for sale to the people of his community is vitally interested in what the people are thinking about in his community. He must have their attention partly centered on what he offers for sale and the more attention he gets, the bigger his sales and the more prosperous his business.

Lazy business men can well say with Napoleon, "I fear what the people are thinking about, meaning if they are thinking about what someone else sells his own trade will grow less and less. He may well know that if they are thinking about what he sells, then his business will prosper.

Sitting down in a community and waiting for business or hoping to get a part of what some else brings to town, is being a community slacker and even if you have a business cinch (a line that no one else handles) you will soon find that someone else will sooner or later grab up your opportunity ably assisted by the newspaper and you will have killed the goose that laid the golden egg.

A good newspaper in a community is one of its most valuable assets because it is the publicity end of that community and it does a work that no other agency can do. The more active it is, the better it is. The more it discusses affairs of importance and helps to form public opinion toward community uplift making it a better place in which to live our lives of prosperity and enjoyment, the better it is. You don't have to agree with it in all things. No community ever did fully agree on anything. Its this intelligent and courteous disagreement that brings out the best for all of us.

No one man has the right opinion on everything. If he is right a majority of the time he is mighty smart and a great asset to any community. The trouble with small communities, too many of the people of limited ability think they are right all the time but the more they travel and see big things, read and become acquainted with the immensity of this old world, the less they think they know. It at once dawns on them, that the mind of mere man is very small and there is lots to learn.

If you have a business that is worth while, it is just as necessary for you to tell it to the people as it is for Montgomery-Ward to do so. Those who give their store news to the buying public will find it is the biggest part of their sales department. The country paper is the biggest asset that country business has. If you are not a booster for your home town paper, yu ought to move to Tipton where they haven't any or to Deerfield where they had one but let it die. You are not big enough for a progressive town like Tecumseh or the rest of them where a majority want a live energetic community where everyone does his part. If you have grown rich on big profits selling to people that some progressive firm brought into town by advertising while you kept still, you are a COMMUNITY SLACKER and you ought to be found out and asked to move where the rest are the same kind and cobwebs cover the door.

1923 holds prosperity for everyone who is a live wire and willing to do his part toward boosting the WHOLE community, not merely his own selfish business. And those who won't do their part toward helping to extend our trading influence and bring in more people and give them better service and lower prices and thus establish this as a splendid trading point, are genuine community SLACKERS and they may well say with Napoleon, I fear the people will see I am not a booster, that I never use the newspaper to tell them of the merits of my line, that I want them to come to town and come in and ask me if I carry what they need, that I never guarantee any of my goods to them through the paper so they can't tell me of it if they are not good, that I don't have to carry up-to-date-goods which cost me more because I don't advertise them and maybe I can work off some of my old stuff at bigger profits, that I am not a community boster but just a selfish, greedy grabber who wants to ride along on the band wagon that some of the rest pull. I want to grab the benefits but I DON'T want to help earn them.

Tecumseh is 90% boosters and that is a mighty fine showing. None better, few as good and thats the gospel truth. Now if for 1923 we could just raise that percentage to about 95% what a glorious thing it would be. Almost perfect and everyone pulling on the tugs. Wouldn't the old band wagon roll along with ease and carry its load of joy like an Irishman at a royal wedding? Well, lets make the effort to put it across and don't forget that its publicity that turns the trick. Big business knows it and uses it effectively. Why not little business use their own weapons and win. Think of it and act wisely.

MORTGAGE SALE.

Whereas, default has been made in the payment of the money secured by a mortgage dated the nineteenth day of January in the year one thousand nine hundred and fifteen, executed by Eugene C. Calkins and Maggie A. Calkins, his wife of Adrian, Michigan, to Commercial Savings Bank of the City of Adrian, Michigan, which said mortgage was recorded in the office of the Register of Deeds of the County of Lenawee, in Liber 161 of mortgages, on page 387 on the 20th day of January in the year one thousand nine hundred and fifteen at 9:50 o'clock a. m. And whereas, the amount claimed to be due on said mortgage at the date of this notice is the sum of one hundred and eighty-four dollers and fifty-eight cents, ($184.58) principal and interest and including delinquent taxes paid by the mortgagee for the year of 1918, for the year of 1919, for the year of 1920, and for the year of 1921; and the further sum of fifteen dollars as an attorney fee provided by law and stipulated for in said mortgage and which is the whole amount claimed to be unpaid on said mortgage and no suit or proceedings having been instituted at law to recover the debt now remaining secured by said mortgage, or any part thereof, whereby the power of sale contained in said mortgage has become operative.

Now, therefore, notice is hereby given that by virtue of said power of sale, and in pursuance of such statute, made and provided the said mortgage will be foreclosed by a sale of the premises therein described, at public auction, to the highest bidder, at the east front door of the Court House in the City of Adrian in said County of Lenawee, on the 14th day of April, A. D. 1923, at 10 o'clock (central standard time) in the forenoon of that day; which said premises are described in said mortgage as follows, to wit: Lots. No. Eighteen and Eighty-one (18) & (81) of Adrian Improvement Company's Sub-Division No. One (1) of the west one-half (½) of the northwest quarter (¼) of section eleven (11); Town seven (7), South of Range three (3) east in the City of Adrian, Township of Madison, Lenawee County, Michigan.

Dated January, 17 A. D. 1923.

A Room to Live In

When grandma was married the decoration of the "parlor" was easy.—Hair cloth chairs, a square piano, closed of course, a "what-not" with knick-knacks and breakables, a great couch, shell on the mantel. The shades carefully drawn down to save the carpet.

And now—when grand-daughter is married—she spends a day or two in the shops and presto—a room to linger in, a room to entertain her friends in, a room TO LIVE IN, no magic at all, merely the science of decoration.

She begins with the wall paper, the logical medium for decoration—logical because of the infinite range it presents for making all her dreams of charm and grace and comfort in her home, a glorious reality.

Come to us with your DECORATIVE PROBLEMS and by all means see our papers.

FUNERAL OF JAMES RILEY.

[illegible] passed away March 14th at the home of his daughter, Mrs. Andrew Hiler at Defiance, Ohio, at the age of eighty-one years.

November 4, 1864 he was united in marriage with Ann Mooney. In July 1872 he came to this country and located in Tecumseh, his wife joining him one year later. He made his home here until the death of his wife twelve years ago, when he went to Defiance, Ohio, and has since lived with his daughter.

He leaves one son, James P. Riley of Toledo; four daughters, Mrs. Peter Zumsteg of Iowa, Texas; Mrs. James Noone, of Kalamazoo; Mrs. Chas. Deerey of Tecumseh and Mrs. Hiler of Defiance, Ohio. There were also 12 grandchildren.

Funeral services were held at St. Dominic's church at Clinton, Friday morning at nine-thirty, burial was made in Clinton cemetery. The Rev. Father J. W. Rottach officiated. James Moone, Andrew Hiler, Ford VanDusen, Thos. McCann, Wm. O'Rilley and David McHaney acted as bearers.

Relatives from away attending the funeral were: Mr. and Mrs. James Riley and daughter, Miss Helen of Toledo; Mr. and Mrs. James Noone and daughter, Patricia of Kalamazoo; Mr. and Mrs. Andrew Hiler of Defiance, Ohio; Mr. and Mrs. Ford VanDusen and Miss Grace Riley of Adrian and Mrs. Bertha Riley of Detroit.

ROBERT STRETCH PASSES AWAY.

Robert Stretch, a former Tecumseh resident, passed away at the home of Mr. and Mrs. Wm. Cook at Holloway, Saturday night at nine o'clock, at the age of eighty-five years. He is well known here, having lived here until a short time ago when he moved to Detroit, where he has resided until about two months ago, when he and his wife came to live with Mr. and Mrs. Cook.

The remains were brought to the Belding Funeral Home, Sunday, and funeral services were held there Tuesday afternoon at two o'clock, Rev. Edward Escolme officiating. Burial was made in Brookside.

The bearers were R. A. Heesen, R. S. Moore, James Lowry, John Mahaney, Geo. U. Smith and John Sherman.

GIVES INTERESTING PROGRAM.

The program at the chapel exercises Monday morning at the High School was very interesting. The first number was a vocal solo by Miss Beatrice Kempf. The various physical training classes gave some of the exercises they have been learning. A fancy dance was given by Miss Verna Howard. Marion Jones, Teressa Deerey, and Sylvia Sanderson danced the highland fling. Miss Maxine Wyrill played a pleasing piano solo and accompanied Miss Doris Wood who played a violin solo.

HAVE AN IMMENSE SHOWING

Fred Rosacrans & Sons have put on one of the biggest showings of new spring Easter time fashions ever shown in Tecumseh. They have brought out a bran new stock of the very latest creations in ladies and misses suits, skirts, dresses and yard goods that simply must be seen to be appreciated and you know you are always welcome to look over the new arrivals in this store whether you buy or not.

Old winter is gone, thank goodness, and spring is right here with Easter only ten days away so you just must drop into this headquarters for all that new and nifty in ladies wear and see for yourself just how beautiful the new spring creations are. It will do you good to see the mammoth stock they are [illegible] remember that [illegible] ting the latest and best of them always—that is their unalterable policy and that is why their trade is growing steadily to large proportions. Drop in and see for yourself, its the store with the friendly dependable service.

BIRTHDAY PARTY.

Mary Audrey Smith entertained eight little friends Friday afternoon in honor of her eighth birthday at the home of her parents on West Logan street.

Green and white were used as a color scheme, honoring St. Patrick. A birthday cake with eight green candles in green rosebud holders centered the table.

Games and music were enjoyed and the little hostess received many nice gifts to remember the occasion.

JEWELL—POLEY.

Wm. Jewell and Miss Blanche Poley were united in marriage Saturday evening at the Methodist Church parsonage at Adrian, by Rev. Earl R. Rice. They were attended by Mr. and Mrs. Orson Poley of Adrian, a brother of the bride.

Both young people are well known in town. Mr. Jewell was in the world war. They returned to Tecumseh after the ceremony and will make their home here.

"Carry On"

In Life's battle, victory is to him who carries on, sticks to it, and saves.

Success is never measured by a man's income, rather it is measured by the proportion of that income he puts aside; not by what he spends but by what he keeps.

Carry on. Keep faith with yourself, and if you would reach an objective worth while, save and save now.

MONDAY CLUB PRESENTS AN EVENING PROGRAM OF GRAND OPERA.

The Monday Club was hostess to a large company of their friends on Monday evening, when they presented one of the most delightful musical programs under the leadership of Mrs. R. S. Moore and Mrs. F. B. Wood, for which they are noted.

The musical days of the club are always looked forward to, for Tecumseh has some unusual talent in this line and on Monday evening they arranged a program of Grand Opera, which would have been a distinct credit to a much larger town.

The numbers were so well arranged and so charmingly given that what was said of one number would equally apply to all. Certainly the artists never appeared to better advantage or responded to the encores more graciously than they did on this occasion. The program could well be repeated in our own city or elsewhere.

Dr. Pauline Bredow as President of the club extended greetings and announced that the health clinic would be held on Thursday and Friday of this week at the Public Library.

Mrs. Fred Dickinson announced the program giving a sketch of each number that added to the interest.

The first three numbers were taken from the Opera of "Il Trovatore" by Verdi, and were as follows:

Piano duet, "Favorite Airs,"—Mrs. F. S. Turner and Mrs. C. H. Williamson.

Vocal solo, "Fierce Flames Are Soaring"—Mrs. S. L. Wyman.

Vocal duet, "Home To Our Mountains"—Miss Edna Taylor and Mr. Seymour Babcock.

From the Opera, "Robin Hood" by De Koven:

Vocal solo, "The Armorer's Song"—Lester Waring.

From the opera, "Tosca" by La-Puccini:

Vocal solo, "Love and Music"—Mrs. Eugene Rosacrans.

From the Italian opera, meaning the Strolling Players:

Vocal solo, "On With the Play"—Mr. Fred Dickinson.

From the Opera, "Traviata" by Verdi:

Vocal solo, "The One of Whom I Dream"—Mrs. R. S. Moore.

Vocal duet, "Soon Shall We Dearest Leave Paris Forever"—Mrs. Eugene Rosacrans and Mr. Fred Dickinson.

From the opera "Samson and [illegible]

[illegible]

From the Opera, "Tannhauser"

Vocal solo, "O, Thou Sublime Sweet Evening Star"—Mr. John Keeney.

Piano duet, "The Festal March"—Mrs. F. B. Wood and Mrs. Ella Hodges.

Each singer responded to an encore either repeating their selection in part or by a separate number. The two solos by Mrs. R. S. Moore and Mr. Fred Dickinson were given in Italian.

Accompanists for the vocal numbers were Mrs. F. B. Wood, Mrs. Ella Hodges and Miss Edna Taylor.

ENJOYS PROGRAM.

The St. Patrick's Celebration that was held at the Baptist Parsonage by Rev. and Mrs. Buell Thursday eve of last week was a great success. Although it rained very hard all evening there was a delightful company that gathered.

The weather and others things interfered with the program that had been arranged, but Mrs. C. H. Williamson and Mrs. Frank S. Turner furnished a piano duet which was greatly enjoyed.

Miss Edna Taylor played the piano while the pastor rendered several selections on the saw, much to the delight of the friends.

After a pleasant social time, refreshments were served.

AUTO LAUNDRY.

Big Musical Comedy Wih 100 Local Talent Artists At Opera House Tonight And Friday Night. It's A Whirlwind Of Dainty Dances, Catchy Songs, Artistic Acting, And Pretty Girls.

The big musical hit of the season is on at the Bradley tonight and Friday night, March 22 and 23, and you should get your seats at once if you have not done so already for the house will be packed to the doors to see this show.

Tecumseh has some of the best local talent show girls and boys that ever pranced before the footlights and the people will be there in full force to see this big musical comedy full of the latest hits of the season and the beauty chorus is so [illegible] that the bald headed row [illegible] already sold out and the entire supply of alibis in the city has been exhausted for reasons to [illegible] in. It's a hummer and [illegible] take.

The American Legion boys always have given the people their money's worth and more at every show they have put on and this one is the best of all if we are any judge of pulchritude when seen at its best and music that hath charms together with songs and steps that put the pep in pedal extremities that have long since ceased to keep step to the music of other days. [illegible] a real show that will make you forget high taxes and every other form of annoyance known to present day life and Mayor [illegible] together with other dignitaries of state and even the village [illegible] has reserved seats as close as propriety will allow and they may be seen at divers times [illegible]hing up their "opry" glasses with an eye to overcoming their failing eyesight due to lack of practice in viewing the lassies from the front row.

The whole town will be there both nights so you better look to it that you have your seats reserved or you may have to sit in the fifth row back in the "roost" and that would be a catastrophe worth complaining about should it happen when you are out with Jane for the first time. Come on one and all; forget your troubles and see "Spring[illegible] in all its glory right here [illegible] and you will see through [illegible] glasses for the next sixty [illegible]. So say we all.

[illegible] REMOVAL [illegible]

J. Lester Coller, proprietor of the Sunbeam Studio, Music and Art Store, will hold one of the biggest removal sales ever held in Tecumseh. He has bought the east store building now occupied by the Webster Anderson Co. who are to move into one store building and he has announced a removal sale of mammoth proportions.

Mr. Coller has a store packed full of the very highest grade of pianos, victrolas, musical instruments, typewriters, sewing machines, pictures and art material of every name and nature. He also has a big line of all of the accessories that go with this business and in order to save the expense of moving it, he has announced a cut price that means just what it says and he has cut the prices clear to the bottom being satisfied to get cost out of them in order to save the expense of moving.

So good people this is your one great chance to buy anything in the lines he carries at an enormous saving. Read his big ad on page three and see for yourself what he has to say, and remember this is not stuff bought somewhere for a sale, it is first class new up-to-the-minute merchandise of the highest standard and he will stand right back of every article he sells.

We do not hesitate to say that you can get the biggest bargains here that you have ever seen in the lines he carries for he must sell or move it which is a very costly process since so much of it is highly finished articles that must not be marred or fragile material that is easily broken, hence he has put the price at rock bottom in order to save this expense. Now is your chance so take advantage of it.

ENJOYABLE PARTY.

Another dinner dance was given Tuesday evening which was attended by twenty-two couples. The delicious two-course dinner was served at Reckner's. White hyacinths centered each table and the other decorations were carried out in a green and white color scheme.

The party then went to the Witherell hall where the orchestra from Ann Arbor furnished the music for the dance. The evening was a very enjoyable one.

These parties add much to the social life, and while the crowd was small, it was, not due to the lack of interest but because the week has been a very busy one. It is hoped that another one will be given in the near future.

NOTICE.

Circle Number One of the Methodist Church will be entertained by Mrs. Robt. J. McCoy, at her home on South Pearl street, Friday afternoon at 2:30 o'clock.

UNION SERVICES AT BAPTIST CHURCH.

The churches of town are uniting in a series of union services in observance of lent. The first meeting was held Sunday evening at the Baptist Church. An inspiring song service was led by a union choir. The ministers of the town were present and each had some part on the program.

Rev. Henry A. Buell preached the sermon, taking as a text Genesis 49:10. As this season of the year approaches, people begin to talk about the man we call Jesus. He is the man who is prophesied in the old testament in many places, and if a person is interested enough to study up these prophesies, he will find it a study worth while.

The first prophesy and the one most generally known is, "The seed of the woman shall bruise the serpents heel." We all know this has been fulfilled inJesusChrist. He spoke of many other prophesies throughout the old testament, all foretelling the coming of Jesus Christ and his ministry.

We sometimes think if we could see Jesus on our streets and hear his sermons, we would believe him. But if a stranger came along and told us our religion was all wrong and told us of another belief, we would not be apt to accept it at once, but would be liable to cry crucify him, as the people of old did.

He spoke very effectively of the death of Christ on the cross and what it means to us. He urged us to remember that the little we can do to show our appreciation for this, is all too small. One very real way to show it is by attending the meetings each evening.

In spite of the cold weather a large audience was presnt and enjoyed the fine sermon by Rev. Buell.

WINNERS ENTERTAINED.

The Junior Department of the Presbyterian Sunday School have been working on a contest for the past three months. Miss Rena Kempf's class won and so were entertained Friday evening at the church by the other classes. There were thirty-three pupils present and they were chaperoned by Mrs. Leon Rosacrans, Kenneth Hall, Miss Mable Openlander, Miss Rena Kempf, Miss Madaline Boyce and Miss Mildred Boyce.

A pleasant time was spent in music and games after which a delicious banquet was served. Miss Openlander's class had charge of the decorations and the table was very attractive with a color scheme of green and white.

Mrs. Rosacrans' class arranged the program which was as follows:

Piano solo—Catherine Wood,
Recitation—Julia Anderson.
Vocal solo—Barbara Williamson
Recitation—Doris Hoag,

Grace Mary Ketcham very pleasingly told a story.

The winners were presented with a prize by Julia Anderson. Everyone reports a splendid time.

LENTEN SERVICES.

Much interest is being manifested in the Lenten Services being held at the Baptist church each evening this week. There have been large numbers present at each service and a good spirit has been in the meetings.

Monday evening Rev. Edward Escolme preached, taking as a theme "Christ our Mediator." He pictured very vividly the position of Christ between God and man. The only way of access to God is through Jesus Christ. Previous to the sermon a vocal duet was given by Rev. Buell and Rev. Escolme.

Tuesday evening Rev. J. F. Kiskaddon preached, using as a subject, "Our Peace with God." The same God that created nature created us. He is willing to forgive our sins and to give us peace if we ask. We often fail to do the asking, and thus fail to have peace. A vocal solo was given by W. S. Dickinson, accompanied by Mrs. Ella Hodges.

Wednesday evening, Rev. H. J. B. Marsh preached. His subject was "The Unique Personage and His Mission." He pointed out many interesting things in the life and ministry of Christ.

The meetings next week will be at the Presbyterian church each evening at seven thirty, the ministers of town taking their turn in bringing a message. Special music will be given at each service and the people of the town are urged to take an interest in the meetings and to attend whenever possible.

SKINNER—SHELDON.

Miss Gertrude Sheldon and Harold Skinner surprised their friends by announcing their marriage. Both young people are well known in town. Mrs. Skinner is the daughter of Mr. and Mrs. Sheldon and Mr. Skinner is the son of Mr. and Mrs. Chas. Skinner. They will make their home in Toledo.

NOTICE.

The Presbyterian Missionary Circle will meet in the church parlors Friday afternoon, March 30th at 2:30 o'clock.

Mrs. Robert Stretch is critically ill at the home of Mr. and Mrs. Wm. Cook at Holloway.

Mrs. Vern Harrison left this morning for Flint where she will spend the week with her daughter, Mrs. L. H. Fagan.

MRS. LUCINDA WELCH PASSES AWAY.

Mrs. Lucinda Welch passed away Wednesday morning at seven o'clock at her home on West Pottawatamie street after an illness of a few weeks, at the age of seventy-six years. She has been a resident of Tecumseh the most of her life and was a familiar figure on our streets. She was a faithful member of the Friends church with which she has been affiliated for many years.

She leaves a stepson, Deck Welch of Adrian and a nephew, Ralph Smith of Morenci.

Funeral services will be held at the Friends Church, Friday afternoon at 2 o'clock, Rev. Edward Escolme officiating. Burial will be made in the Raisin Center cemetery.

ELECT OFFICERS.

The "Light Bearers" class of the Presbyterian church held their annual meeting Thursday evening at the church parlors, their teacher Mrs. S. W. Boyce was present.

A business meeting was held and the following officers were elected to serve this coming year: president, Genevieve Austin; vice-president, Esther Mackey; secretary, Sadie Beevers; assistant secretary, Anna Graff; treasurer, Hazel Beevers; Assistant treasurer, Rosana Kempf; birthday secretary, Margaret Murphy.

There are eight girls from the west side of town and eight girls from the east side of town in this class and for the past six weeks they have been having an attendance contest. The east side as loosers entertained the winners at a banquet. The tables were very pretty with their green and white decorations and a royal banquet was served the winners.

Music and singing helped to make the evening a pleasant one.

BRIDGE CLUB ENTERTAINED.

Mrs. Chas. Bidwell entertained her bridge club Thursday afternoon at her home on North Union street. A pleasant afternoon was spent in playing bridge after which refreshments were served.

Mrs. Fay Anderson of Cincinnati, Ohio, was among the guests.

SURPRISE IN HONOR OF BIRTHDAY.

Mrs. F. D. Rector's Sunday School class, "The Helpers" met with Mrs. B. J. Rector, Saturday, March 17th for their annual meeting and to celebrate the eightieth birthday of their teacher, the meeting being a complete surprise to her.

A bountiful picnic supper was served at six o'clock, after which the meeting was called to order by the vice-president. Devotionals were held after which birthday sentiments were given by several members. Rev. Kiskaddon read a poem entitled, "My Birthday" by Whittier.

The following officers were then elected, president, Mrs. Wilson; vice-president, Mrs. Halladay; secretary, Alice S. Wimple; treasurer, Mrs. Clarkson, work committee, Mrs. Shurtz, Mrs. Holdridge, and Mrs. Bowen. Mrs. Rector received many birthday cards, books and flowers.

MORENCI GIRLS WIN CHAMPIONSHIP.

The semi-final games of the county tournament were played at Adrian College, Friday evening. A large enthusiastic crowd of Tecumseh folks were present and did their best with cheers to help our team win.

Our girls put up a good fight but were beaten by a score of 14 to 9, in favor of Morenci. This left Morenci and Hudson to play off the championship, which was played Saturday night, Morenci winning the county championship.

Modell Owens received the honor of being the best jumping center in the county, Margaret Turner of being the best guard and the cheer cup was awarded Tecumseh for their ability to cheer the loudest.

ENTERTANS AT BRIDGE.

Mrs. Louis Schneider entertained her bridge club at her home on the corner of Union and Pottawatamie streets, Wednesday afternoon. The usual number of games were played after which refreshments were served.

The club will be entertained by Mrs. Ralph Smith in two weeks.

SAFETY + SERVICE

A Checking Account Means Stability

Like the man who owns his farm or home, the man with a checking account establishes himself as a responsible business man and a leader in the business life of the community.

In addition, checking accounts offer a convenient way of settling bills, they protect against loss, and constitute unquestionable receipts for all money paid out.

Women, as much as men, will find it desirable to maintain checking accounts at the Lilley State Bank. Come in and talk it over with one of our officers.

193 1-2 Eggs Per Hen Per year

LeClair Whelan, a Poultryman, of Tipton, Mich. certainly makes a strong bid for championship honors for his flock of White Leghorns. The 100 hens averaged 193½ eggs per bird for a whole year, a great record for so large a flock and for such a long time.

If any one doubts this record let me say right here that this egg sheet shows figures were kept from November 1, 1921 until November 1st, 1922. You can see at a glance that they are year around layers. He has flock after flock, from 20 to 100 and 250 birds that are never let out of the house the year around, that average from 183 to 167 eggs per bird. There are several reasons for this high record. The fowls were bred right, were fed right and were handled right. It is not the pen of five birds that counts, it is the whole flock that we are looking for. Whelan has 300 hens under Government Supervision where you can secure hatching eggs at a very reasonable price. The flock is never let out of the laying house. Write for information.

R. E. Wilmoth and family and Mr. and Mrs. Harold Wilmoth, all of Jackson.

The Young People's Class of the M. E. church met at the home of Herbert Gilmore for their regular business meeting. They, with two other classes of the Sunday school, were royally entertained at the close of the business session by Mr. and Mrs. Gilmore, Herbert's parents.

The following Maconites were entertained by Mr. and Mrs. Earl Lindsley of Tecumseh at a 6 o'clock dinner on St. Patrick's day, Messrs and Mesdames Clare Rhoades, Raynor Kerr, Carl Auten and Raynor Scudder.

Funeral services of Mr. John Gordon, who died from a relapse following the "flu," were held at the farm home on Tuesday with interment in the Bond cemetery.

Mr. and Mrs. Delos Biddle, Mr. and Mrs. John Koebbe, Mr. and Mrs. Lewis Coller, Mr. Lawrence Camburn, Miss Ethel Lindsley, attended the funeral of Mrs. Carrie Biddle April which was held on Saturday afternoon at the Saline M. E. church.

The following clipping taken from a Eustis, Florida paper, will be of interest to many in this vicinity. "Mr. and Mrs. George Snauble of Clinton, Mich., who are spending their first winter in Eustis have received news that their great grand-daughter has been named in honor of Eustis, her full name being Eustis Flora Jeffrey. Upon learning of the arrival of the little lady Mrs. Snauble immediately wrote to her granddaughter, Mrs. Whitney Jeffrey of Clinton, asking that the baby be named in honor of this beautiful city with which both she and Mr. Snauble have fallen so completely in love, and suggested the above name." It is the sincere wish of all that the little lady will live to visit the city for which she is named.

Are you sure that those eczema rashes and scales or those red itching patches that come back to

We Get Poisoned in Childhood by Ivy, Oak or Sumach and Never Realize It

bother you are anything more than ivy poison that attacked you when young? In many sections where they use Whitmarsh Blood Elixir they pay no more attention to poison ivy, oak or sumach than to a rosebush as this remedy is a specific for those poisons. Its action is wonderful. In two or three days at the most, the itching is gone, the red spots are dried up, the poison has been driven from the system and it doesn't come back. It is the most remarkable blood remedy ever discovered and clears away eczema that no kind of ointment or other treatment could touch. It finds its way to the source and is certainly specific in its action. Get a $1.00 bottle today and try it. If it fails get your dollar back. Whitmarsh Blood Elixir is prepared only by Hart-Miller Drug Co., Adrian, Mich., and if your druggist cannot supply you it will be sent prepaid on receipt of price.

NATURE TELLS YOU

As Many A Tecumseh Reader Knows Too Well.

When the kidneys are weak, Nature tells you about it.

The urine is nature's index.

Infrequent or too frequent passage,

Other disorders suggest kidney ills.

Doan's Kidney Pills are for disordered kidneys.

Tecumseh people testify to their worth. Ask your neighbor.

Thomas Langton, retired farmer, W. Chicago St., Tecumseh, says "I had kidney complaint awfully bad and suffered with my back. My kidneys acted irregularly and were unnatural. I used Doan's Kidney Pills purchased at Wright & Son's Drug Store and they strengthened my back and regulated the action of my kidneys."

The above statement was given July 27, 1916 and on May 3, 1920, Mr. Langton said: "Since endorsing Doan's Kidney Pills I have used them several times. If thru taking cold, I have noticed a return of the trouble, Doan's have never failed to give me relief."

MORTGAGE SALE.

Whereas, default has been made in the payment of the money secured by a mortgage dated the thirty-first day of August in the year one thousand nine hundred and fourteen, executed by Eugene C. Calkins and Maggie A. Calkins, his wife of Adrian, Michigan, to Commercial Savings Bank of the City of Adrian, Michigan, which said mortgage was recorded in the office of the Register of Deeds of the County of Lenawee, in Liber 161 of mortgages, on page 289 on the 31st. day of August, in the year one thousand nine hundred and fourteen at 2:50 o'clock p. m. And whereas, the amount claimed to be due on said mortgage at the date of this notice is the sum of seven hundred and seventy-four dollars and sixty-seven cents, ($774.67) principal and interest, and including delinquent taxes paid by the mortgagee for the year of 1918, for the year of 1919, for the year of 1920, and for the year of 1921; and the further sum of fifteen dollars as an attorney fee provided by law and stipulated for in said mortgage and which is the whole amount claimed to be unpaid on said mortgage and no suit or proceedings having been instituted at law to recover the debt now remaining secured by said mortgage or any part thereof, whereby the power of sale contained in said mortgage has become operative.

Now, therefore, notice is hereby given that by virtue of said power of sale, and in pursuance of the statute in such case made and provided the said mortgage will be foreclosed by a sale of the premises therein described, at public auction, to the highest bidder, at the east front door of the Court House in the City of Adrian in said County of Lenawee, on the 14th day of April, A. D. 1923, at 10 o'clock (central standard time) in the forenoon of that day; which said premises are described in said mortgage as follows, to wit: Lot No. Eighteen (18) of Adrian Improvement Company's Sub-Division No. One (1), of the west half (½) of the northwest quarter (¼) of Section eleven (11), Town seven (7), South of Range three (3) east in the City of Adrian, Township of Madison, Lenawee County, Michigan.

TOURNAMENT ENDS.

The American Legion Sweepstakes bowling tournament ended Monday evening with Arthur Brown the winner by a large margin. Harry Chiverell finished second, and R. Blesing a close third, followed by Ernest Church, Lyman Curtis and Jack Smith who were bunched with only one point separating them. John Larsen brot up the rear.

It was a scramble affair right down to the last game, the five men following the leader, all having excellent chances to finish in the select three. Chiverell put the cinch on second place with the fine total of 242, the largest score of the tournament, beating Ernest Church's 241. R. Blesing put on his good clothes and turned in his best evening's work getting a first, second and third, which enables him to reach the small end of the money. Church had nothing to talk about but his one big game, while Curtis ran in streaks too much to keep up the pace, falling from third to fifth. Smith improved more than any of the others and if another match were to be run would undoubtedly give the leaders a battle.

Attendance has been good thru both tournaments, several of the boys whose scores do not show, not being able to finish the full fifteen games.

Following are the results along with total pins collected by each: Brown, 71—2681; Chiverell, 66—2665; Blesing, 64—2584; Church 58—2515; Curtis, 57½—2456; Smith, 57—2447; Larsen, 48½—2423.

OBITUARY.

Sarah Sophia Mason was born at Ellisburg, Jefferson County New York, August 22, 1837. She came to Franklin Township, Mich. with her parents when she and her twin sister were less than two years old.

Her father, Rev. Thos. L. Mason was one of the early circuit preachers and with her mother was identified with the Wesleyan Methodist Church in its early organization. The Mason home in Franklin was well known in the days preceding the Civil War as one of the stations on the underground railway for the escape of negro slaves to Canada. Aunt Laura Haviland was a frequent visitor to the Mason home.

Mrs. Daniel's grandfather, known as Col. Dobbins, was an active participant in the war for American Independence. Mrs. Daniels was the last surviving member of a family of twelve children, three brothers were engaged in the struggle for the Union, two of them made the supreme sacrifice.

Mrs. Daniels received her early education at the country schools later being a student at the Raisin Valley Seminary and also at the Wesleyan Academy at Leoni; following her school-days she was for sometime a teacher in the public schools of this part of the state. On March 9, 1865 she was married to Harrison C. Daniels, a veteran of the Civil War, and a native of Franklin Twp.

In 1871 the young couple united with the Methodist Episcopal Church at Tipton, transferring their membership to Tecumseh when they took up their residence here in 1900.

On March 9 of this year Mr. and Mrs. Daniels celebrated the fifty-eighth anniversary of their wedding. Eight years ago they had the privilege enjoyed by few people of celebrating their Golden Wedding in a complete family reunion of three days duration.

The passing of this good soul is mourned by a loving husband, four children, seven grandchildren and four great grandchildren. Strict honesty and frankness mingled with kindness and sympathy for those with whom she associated and with humanity at large were her chief traits. Her character and ideals for their worth and beauty are reflected in the devotion of her children, family, neighbors and friends.

Born to Mr. and Mrs. Geo. Finnegan, Monday night, a son.

DODGE BROTHERS TOURING CAR

As Spring days approach, the demand for Dodge Brothers Touring Car mounts swiftly.

Dodge Brothers one problem, at present, is not how many Touring Cars they can sell, but how many they can build.

Never was public approval of Dodge Brothers product more obvious, and never was it more richly deserved.

Improvements, rarely spoken of but constantly being made, have brought the car to a state of perfection which can only be described as remarkable, even for Dodge Brothers.

Every part which takes a major strain is built of chrome vanadium steel. Many more pieces of alloy steel are used in vital parts than normal wear requires.

MORTGAGE SALE.

Whereas, default has been made in the payment of the money secured by a mortgage dated the nineteenth day of January in the year one thousand nine hundred and fifteen, executed by Eugene C. Calkins and Maggie A. Calkins, his wife of Adrian, Michigan, to Commercial Savings Bank of the City of Adrian, Michigan, which said mortgage was recorded in the office of the Register of Deeds of the County of Lenawee, in Liber 161 of mortgages, on page 387 on the 20th day of January in the year one thousand nine hundred and fifteen at 9:50 o'clock a. m. And whereas, the amount claimed to be due on said mortgage at the date of this notice is the sum of one hundred and eighty-four dollers and fifty-eight cents, ($184.58) principal and interest and including delinquent taxes paid by the mortgagee for the year of 1918, for the year of 1919, for the year of 1920, and for the year of 1921; and the further sum of fifteen dollars as an attorney fee provided by law and stipulated for in said mortgage and which is the whole amount claimed to be unpaid on said mortgage and no suit or proceedings having been instituted at law to recover the debt now remaining secured by said mortgage, or any part thereof, whereby the power of sale contained in said mortgage has become operative.

Now, therefore, notice is hereby given that by virtue of said power of sale, and in pursuance of such statute, made and provided the said mortgage will be foreclosed by a sale of the premises therein described, at public auction, to the highest bidder, at the east front door of the Court House in the City of Adrian in said County of Lenawee, on the 14th day of April, A. D. 1923, at 10 o'clock (central standard time) in the forenoon of that day; which said premises are described in said mortgage as follows, to wit: Lots. No. Eighteen and Eighty-one (18) & (81) of Adrian Improvement Company's Sub-Division No. One (1) of the west one-half (½) of the northwest quarter (¼) of section eleven (11), Town seven (7), South of Range three (3) east in the City of Adrian, Township of Madison, Lenawee County, Michigan.

Dated January, 17 A. D. 1923.

In the home medicine cabinet
The Priceless Ingredient is essential

IN most homes there is a small cabinet where home remedies are kept. For use in your home, we recommend Squibb's Pure Household Products, including Squibb's Bicarbonate of Soda, Squibb's Epsom Salt, Squibb's Cod Liver Oil, Squibb's Sodium Phosphate and Squibb's Castor Oil. Each of these products contains *The Priceless Ingredient*—the honor and integrity of the maker—Squibb.

Because Squibb's Bicarbonate of Soda is exceptionally pure it is practically free from the usual bitter taste. Squibb's Cod Liver Oil, Squibb's Epsom Salt and Squibb's Castor Oil, because of their purity, are not only more efficacious, but more pleasant to use than the ordinary product.

Keep your medicine cabinet well stocked against sudden emergencies. You can find no better place than this store to purchase household products, perfumes, soaps, toilet and rubber goods, fine candies and stationery.

M. P. Church Notes.

Regular services Sunday morning and evening. A sermon appropriate for the day will be given Sunday morning.

The Easter exercises will be held Sunday morning at regular church hour. The offering as usual will be for Foreign Missions. An interesting program has been prepared.

The Women's Foreign Missionary Society held an instructive and pleasant meeting Saturday afternoon with Mrs. R. C. Powell. Mrs. Lavern Smith announced the program which consisted of papers by Mrs. Simon Gould, Mrs. Lavern Smith, Mrs. Charles Gorham and Mrs. Theodore Betz. Mrs. L. J. Britton and Mrs. Leon Exebly accompanied by Mrs. Dewey Sturdevant sang appropriate selections. The Missionary Tea, that was served by the hostess, was enjoyed by all. The silver offering, taken for the benefit of the Michigan M. P. Missionary in China amounted to $8.06.

Christian Church Notes

There were 110 at Sunday school Sunday.

The pastor suggests that each one bring an offering representing some real self denial as an Easter offering to ge given to Foreign Missions. This offering to be brought Easter Sunday morning.

The prayer meeting committee of the Junior C. E. is meeting this Thursday evening at the home of Harlan Keran to appoint the leaders for the next three months.

Next Sunday morning (Palm Sunday) the pastor's subject will be "Christ the King."

Sunday evening the chief feature of the service wil be a dramatic monologue entitled, "The Governor." This will be something new and different.

The mid-year meeting of our conference, the North Western Ohio, will be held at Spencerville, Ohio, April 3, 4 and 5th. Several of our denominational leaders will be present to lead in instruction.

Obituary.

Donald Eugene, the 17 months old son of Mr. and Mrs. Byron Covell, passed away Thursday afternoon at 5 o'clock, after a two week's illness of scarlet fever, and other complications. He is survived by his parents, one sister, Mrs. Sadie Miller, and three brothers, Roy and Ray Covell, all of Northville and Harold Covell at home. The funeral services were held Saturday morning at 10:30 at the home and were private. The sister and brothers were here from Northville for the funeral services. The bereaved family have the sympathy of the entire community in this their sad hour.

Women's Club Notes.

The Women's Club held an agreeable meeting Monday afternoon at the home of Mrs. Gertrude DuBois. Mrs. Mary Hause, president had charge of the meeting. Mrs. Jennie Smith was elected president and Mrs. Julia Giesy, vice president to fill the vacancies caused by the resignation of Mrs. Hause who will soon move to Clinton. Fifty-six ladies were present. The offering of $2.35 was to go for the Carleton Memorial Fund

At the roll call members responded with their choice of subjects they wished to have for next year. The program, "Child's Culture" was announced by Mrs. Myrtle Taylor. Able papers were given by Mrs. Sadie Lawrence, Mrs. Hazel Kuster, Mrs. Stella Palmer, Mrs. Martha Gorham and Mrs. Jennie Smith. Mrs. Doris Exelby sang a solo and Mrs. Ella Gripton and Mrs. Martha Gorham a duet. A fine meeting.

A goodly number of our citizens were in Ypsilanti for the basket ball tournament held Thursday evening and Friday and Saturday. For the Thursday evening game Britton drew a blank and did not play. Friday morning they played Dundee and were defeated 22 to 17. This defeat placed them consolation series. On Friday afternoon they played Deerfield and won 19 to 13. Saturday morning they played Chelsea and won 37 to 19. On Saturday afternoon they played Farmington, who had been victorious over them twice before and again lost, the score standing at 20 to 16.

Rev. and Mrs. J. C. DeRemer were genial entertainers Saturday afternoon to the members of the Bible Class, and their husbands, honoring their mother, Mrs. Nancy Nason, who soon was to leave for her hme in Fairfax, Penn. The afternoon quickly passed in social conversation, after which a pot-luck supper was served. Mrs. Nason has been spending the winter here.

Mr. and Mrs. C. B. Exelby were called to Detroit last week to look after the family of her niece, Mrs. Margaret Nivison, while she was absent for the funeral of her brother-in-law, B. C. Udell, at Kenosha, Wisconsin. Mrs. Udell, who was Miss Alice Borden was well known here having lived for sometime with her aunt, Mrs. C. B. Exelby and husband. She is a graudate of the Britton high school of the class of 1910. Mr. Udell passed away very suddenly, death being caused from rheumatism, following the flu, which went to his heart. Mrs. Udell and baby, Jeanne, as soon as she is able will return to her father's home in Boulder, Colorado.

Mr. and Mrs. Carl Heintz have a little son, born Wednesday.

Thomas Gettus and William Lockwood, neighbors living within a mile of each other, are in the U. of M. hospital recovering nicely from operations which were performed Friday and Saturday.

Mr. and Mrs. Fred Nixon have returned from Florida and will visit relatives here for a few days before going to their home in Traverse City.

REGISTRATION NOTICE.

For Biennial Spring Elecion and Annual Township Election, Monday, April 2, A. D. 1923

To the Qualified Electors of the Township of Tecumseh, County of Lenawee, State of Michigan.

Notice is hereby given that in conformity with Act 126, Public Acts of 1917 as amended, I, the undersigned Township Clerk, will upon any day except Sunday and a legal holiday, or the day of any regular or special election or official primary election, receive for registration the name of any legal voter in said Township not already registered who may APPLY TO ME PERSONALLY for such registration, or who may make application for registration by mail or messenger, as provided by Act 7, Public Acts of 1919, as amended except that I can receive no names for registration during the time intervening between the Second Saturday before any general or special election or official primary election and the day of such election.

Mar. 24, 1923—Last Day for General Registration by personal application for said election.

Mar. 7, 1923—Last Day for Registration by affidavit. See below.

Notice is further hereby given that I will be at Spitler & Horn's Hardware Store the third and fourth Saturdays before said election to receive the Registration Bock and Register Electors on MARCH 10th and MARCH 17th, A. D. 1923, from 8 o'clock a. m. until 8 o'clock p. m. on each said day for the purpose of REVIEWING the REGISTRATION and REGISTERING such of the qualified electors in said TOWNSHIP as SHALL PROPERLY apply therefor.

The name of no person but an ACTUAL RESIDENT of the precinct at the time of registration, and entitled under the constitution if remaining such resident, to vote at the next election shall be entered in the registration book.

Registration by Mail or Messenger

Under Act 7, Pub. Acts 1919, as amended, the privilege of absent voters is extended to include registration. They can also register by MAIL or MESSENGER whether absent or not but the affidavit must be received by the Clerk on or before the 10th DAY preceding the THIRD SATURDAY before the election.

Affidavit for Registration.

State of Michigan, County of........)—ss. I,..................being duly sworn, depose and say that I am a citizen and a duly qualified elector of the......Precinct of the Township of.... ....in said County of ....and State of Michigan; that my postoffice address is...................... (R. F. D. A Question Answered

Question: Who is the most benefited by the money you earn?

Answer: You ARE, if you save it, OHTERS ARE if you spend it.

No doubt about the truth of that answer. Then why not profit by the money you earn, by making a small deposit regularly at our Bank? Others are doing it and are profiting by it. The same plan is open to you. Your deposit will be safeguarded. Why not get in line so you may obtain permanent benefit from your earnings?

An Addition to Our Line

In offering to you the Waterloo Boy, we believe we have selected the most practical, economical and reliable farm tractor on the market. The Waterloo Boy has been a success on farms for more than five years. Its ability to give you real service has been demonstrated fully.

JOHN DEERE
WATERLOO BOY TRACTOR

The Waterloo Boy is a three-plow tractor—the most economical and practical size to use. A special manifold, built to gasify the kerosene, converts this fuel into the proper condition for complete combustion. All the fuel is turned into power. The spark plugs are not fouled. Cylinders remain free from carbon. The lubricating oil is not diluted.

The two-cylinder, heavy-duty engine furnishes full 12 H. P. on the drawbar, and 25 H. P. on the belt. The Waterloo Boy handles a three-bottom plow under practically all field conditions, pulls a 26-inch separator and does other field and belt work in proportion.

The simplicity of the Waterloo Boy makes a special appeal to its owners. Every part is easy to get at and easy to adjust or repair. You don't have to be an expert to care for a Waterloo Boy.

In its construction, the Waterloo Boy is especially strong and rugged. Its gears are heat-treated, steel cut. Its frame is of channel steel, strongly braced. Twelve Hyatt Roller bearings, heavy-duty type, carry the drawbar and belt loads, and reduce friction to the minimum.

The Waterloo Boy is dependable. You can count on it to take care of your farm power jobs, both drawbar and belt, in a practical and efficient manner. It gives you the kind of power that means the most to you—the kind you want.

The first time you are in town, come into the store. We want you to see the Waterloo Boy.

JOLLY SIXTEEN.

Mrs. Ed Everette entertained the Jolly Sixteen club at her home on East Kilbuck street Wednesday evening.

All members were present and a pleasant time was spent in playing cards, high scores being won by Mrs. Jewett Whelan and Mrs. Willis Schreder. Mrs. Guy E. Belding was consoled.

After the games refreshments were served and a social time was enjoyed. The club will be entertained in two weeks by Mrs. John McIntyre.

Three Hours Service

12 to 3 O'clock

GOOD FRIDAY

ST. PETER'S CHURCH

People of all denominations will attend.

Subject, "The Seven Words on the Cross." Each "word" will be the theme of a twenty-minute service which will be complete in itself. You are invited to attend as many of these as you can.

UNION SERVICE SUNDAY.

The union service was held Sunday evening at the Presbyterian church. Mrs. S. W. Boyce and Mr. Wilbur Boyce sang, "Light at Even-tide," which was very much enjoyed.

Rev. H. J. B. Marsh gave the sermon of the evening, using as a text, "Whosoever shall confess me before men, him also will I confess before my father which is in heaven. But whosoever shall deny me before men, him will I also deny before my Father which is in heaven."

He developed the text by a series of questions. We ask young people what profession they plan to make their life work. They give various answers, as the legal profession, medical, engineering, teaching, and some will reply shamfacedly, the ministry. Some object to calling the ministry a profession, but in its highest sense it is a profession. Why are people ashamed to admit taking up this profession?

Often in a social gathering the question of hobbies comes up. Some people are interested in literature, others in art and artists, scientific discoveries, social questions, and then some will say their chief interest in life is to bring men to God. Why does this put a damp, if not wet blanket on the conversation?

Of what are men ashamed? Christ's character? Robert Ingersoll once said Christ was the only perfect man that ever lived. His life calls for respect and honor. Are we ashamed of His death? People honor heroes who risk their lives to save someone from fire, flood or some other peril. Is not Christ worthy of honor for dying for the sins of this world?

Are we ashamed of His teachings? The teachings of forgiveness is found in no other religion. Are we ashamed of His company? Truly he mingled with the lowly, but with the greatest as well. Ask such men as Lincoln, Pershing, Washington, and some of the great church leaders what the guiding principle in their life was, and they will reply, the teachings of Christ.

There is a day coming when we will be glad to have Christ know us, when we stand before the judgment throne. We will not be sorry for the good we may have done through loving Christ. Let us live with this thought in mind.

There was a large audience present and everyone enjoyed the splendid sermon by Rev. Marsh.

MEN DID IT.

The baked fish supper held at the Methodist Church last Saturday evening was a decided success. It was put on by the Men's Bible Class and the men did it all—so to speak.

The room was decorated with potted lillies from the store of Braun & Bridges and it certainly was very pretty. The menu of baked fish and the accompainiments that make up a most delectable supper was prepared and served by the men and it was a supper worth going far to enjoy.

Perry's orchestra favored the diners with splendid music and the whole affair was carried out with a view of giving the people service and drawing them together under congenial conditions and they certainly did it.

Get Rich Quick

Yes. Of course we've all had visions of coming into sudden wealth,—of getting rich quick.

But it's the sad experience of most of the get rich quick folks that they get poor quick.

Now, here's a thing to remember. This bank,—it's officers—are impartial judges. They are trained to analyze and 'size up' investments.

So the next time a vision of sudden wealth is presented to your eyes, come in and talk it over with us. We'll advise you to the best of our ability and chances are that if you take our advice you won't lose, at least.

Springtime Play Was Great Success

Local Talent Entertained Packed House Two Nights. Entire Caste Showed Excellent Training And Artistic Ability. Play Was One Of The Best Ever Given Here.

The local talent show entitled "Springtime" was given at the Bradley Opera House last week Thursday and Friday nights under the auspices of the American Legion and each night saw the house packed to capacity.

The play was pronounced by all to be the best ever given by local talent. It was not intended to be anything but a tuneful catchy musical comedy and it filled the bill completely. The music was most excellent and the entire play went along in that pleasing rollicking manner so much appreciated by those who go to be entertained.

Kenneth Lowry as the leading male character was a scream for he seemed to be exactly cut out for just such a performance and he surely filled the requirements. Ken seems to be perfectly at home before the footlights and the way he capered through his part would be a distinct credit to a professional.

Dr. Hammel was just as good as ever in his part and he always puts the pep and ginger into the play that makes it appear as realistic as the imagination can conceive. The Dr. is a natural actor and his work always insures a snappy movement that takes with the audience immensely.

Fred Dickinson and Lillian Kennedy in their parts were as excellent as it is possible to conceive non-professional acting and singing to be. Their musical numbers were superfine and the big audience certainly appreciated their work.

Mrs. Bess Hanna and Mrs. Chas. Hanna were splendid in both their acting, and the former in her singing appealed to the audience most graciously. In fact, the work of Mrs. Hanna was spoken of in the highest commendation for the most excellent manner in which her part was so delightfully taken. It added greatly to the entertainment of the evening and made the whole show move with exceptional ease and grace.

"Curly" Babcock was just as good as ever, and his singing and acting is always expected to be good and he never disappoints his audience. His side partners were a bit new at the business and stepped carefully but the audience enjoyed every one of their numbers greatly.

Glenn Tansley looked exactly like an English clergyman and you could almost hear the big pipe organ when he appeared to tie the eventful knot.

Mrs. Louis Limbert took her part strenuous enough to please everyone and the four girls who did a memory dance were excellent and the audience showed their appreciation by demanding an enchore furiously. The entire caste showed careful training and there was never a hitch in the play from first to last.

Geo. Rathbun in his specialty was just as good as ever and delighted the audience by his droll and "colorful" rendition of songs and jokes that took the audience by storm.

Tecumseh certainly has most excellent talent when it comes to putting on a musical comedy and in the short space of two weeks can give the people a regular show that would please anyone but a genuine grouch and that is why the Legion always draws a packed house.

We haven't room enough nor vocabulary big enough to discuss the merits of each individual who took part but it was the unanimous verdict of the people that it was the best show ever given by local talent in this town and there has been some good shows put on at that.

DR. WM. RADER LECTURES.

The final number of the Lyceum course which has been put on by the High School seniors, was given Monday evening. Dr. William Rader delivered his famous lecture on "The Making of a Man."

He told of the influence of enviornment and heredity upon people. They both play a great part in the lives of individuals, but if they are not all they should be, we can live above them. Young people must have an education now-a-days, if they would get ahead in the world. The demand is for educated men and women.

The numbers on the course have all been exceptionally fine, and the class is to be congratulated for giving Tecumseh people a chance to hear the best.

AN HONOR WORTH WHILE.

In a recent issue of the Michigan Tradesman there appeared an article giving the address in full which was delivered by our townsman, Leon Rosacrans, at the meeting of the State Retail Dry Goods Assn. at Grand Rapids.

The picture of Mr. Rosacrans was inset in the article and the article highly complimented by men of state and national reputation for its thought content and the admirable manner in which the address was given. Its an honor worth receiving from such a strong paper as the Michigan Tradesman.

HELD INTERESTING PROGRAM.

Wednesday, March 21, a library round table meeting for this district was held at the Tecumseh Library under the direction of Miss Genevieve M. Walton, librarian of the Michigan Normal College and chairman of the round table committee of the State Library Association.

The morning was spent in inspecting the local library and in informal discussion of library matters.

At noon the session was adjourned for dinner at Reckner's restaurant at which the librarians were joined by several of Tecumseh's club ladies who are especially interested in the welfare of our public library and its relation to the study clubs of the town.

Miss Walton presided over the afternoon session and opened the program with a talk on the subject, "What is a Library Round Table?"

This was followed by a general discussion on the topics, "Relation and Support of the Town to the Library" and "Co-operation between the Library and the Club Women."

Miss Jewell of the Adrian Library then spoke on "A Live Problem" which proved to be the problem of establishing a county library system in Lenawee county. Less than one-half of Lenawee's population have access to a pubic library, though since 1917 we have had a state law authorizing the establishment of county libraries in Michigan. The matter will be presented before the county federation of women's clubs at its next meeting.

Miss Mamie Havens of the Hudson library [illegible] gave a talk on, "Some Recent Books of Specific Value," following which Mrs. Esli Morden, of Adrian, gave a review of one of the recent novels. Much interest was added to these talks by an exhibit of the books mentioned together with many others found especially useful and papular in the libraries.

MONDAY CLUB.

There were [illegible] present at the regular meeting of the Monday Club in their club rooms Monday afternoon. The subject was "The Andes" and the leader was Mrs. Mary Whitelock. Mrs. Jennie C. Law Hardy read an interesting paper on the subject of a "Tourist's Camp for Tecumseh." This was followed by discussion.

Mrs. Norman McConnell read a paper on "Racial Characteristics" and in the absence of Mrs. Lillian Owen, Miss Mary Whitelock read a paper prepared by her on "Scenis Characteristics." Both papers were well prepared and enjoyed by the club.

During the business session the amendment to raise the dues from one dollar to one dollar and a half for active, and from two to two and a half for associate membership, was voted upon and carried unanimously.

At the close of the meeting Dr. Pauline Bredow gave a brief report of the state convention at Lansing which she attended last week.

The meeting next week will be led by Dr. Pauline Bredow and Rev. F. W. Purdy of Dundee, Mich. will be present and give an illustrated lecture on South America, using a series of stereopticon views. Rev. Buell and Rev. Marsh will also be on the program with musical numbers.

On April 9th a one o'clock luncheon will be served at the club rooms to the members only. Mrs. Chas. Mattis will do the catering and the charges will be sixty cents a plate.

The following committees have been appointed: waiters to be in charge of Mrs. Floyd Heesen; decorating committee, Mrs. Paul Bowen, Miss Suzane Casey, Miss Ethel Garlinghouse; tables and dishes, Mrs. Leon Rosacrans, Mrs. Frank Turner. Mrs. Geo. Church, Mrs. Frank Snell and Mrs. Andrew Wilson.

SPLENDID IMPROVEMENT TO BE MADE.

An improvement of great importance to the business district will be made at the Bradley Opera House by F. H. Guy, the owner.

Mr. Guy has let the contract to Geo. Kempf to build a two story building in front of the present building extending to the sidewalk with a fourteen foot canopy over the sidewalk.

This will make two store rooms and a lobby entrance to the opera house of splendid appearance. The addition will be two stories high and rooms finished above for such use as needed.

This will make a very imposing appearance and add greatly to the appearance of our Main St. beside furnishing two more store rooms for the business district. Mr. Guy is to be congratulated upon his spirit for improvement of his property.

CO-OPS WILL CONTINUE.

By a majority of over 100 the Co-Operative Association voted to continue business. This will be good news to many interested in the success of this business institution, which is doing excellent work in the community.

MRS. B. HURRY PASSES AWAY.

Phoebe Adelle DuBois was born in Mason, Mich. August 26, 1851. Her father, Rev. Robert DuBois was a minister in the Detroit Conference of the Methodist Episcopal church and died when Adelle was but eight years of age. She was educated in the Ann Arbor schools and taught school until her marriage to Barzillai Hurry, March 12, 1874. Mr. and Mrs. Hurry lived on a farm in the western part of Franklin township until 1880 when they bought the G. D. Perry farm four miles west of Tecumseh.

They had four children, Clarence B. now of Washington D. C.; Charles D. of Montclair, N. J., now traveling in the Holy Land; Harriett A. secretary of the Y. M. C. A. in Grand Rapids and Robert B. who died September 19, 1886.

Mrs. Hurry's mother made her home with them until her death, April 21, 1902. Mr. and Mrs. Hurry lived on the Perry farm until the fall of 1901 when they bought the present residence on Pottawatamie street. Mr. Hurry died September 16, 1918 and altho Mrs. Hurry kept the home, much of her time has been spent with her children.

She had been spending the past winter in Sarasota, Florida and was very happy to have escaped the severe cold of a northern climate and was very well until this last illness. She died Monday evening March 26th, her son Charles being with her.

The body will be brought here for burial, funeral services being held at the home Friday afternoon at 3:30.

Mrs. Hurry was a devoted wife and mother and much beloved by all who knew her.

EASTER PROGRAM AT THE PRESBYTERIAN CHURCH.

The following program will be given at the Presbyterian Sunday School, Sunday morning at ten o'clock:

Selection by the orchestra.
Song by the school.
Song by the Primary Department.
Song by the Girl's chorus.
Recitation—Mervil Mattis.
Exercise by the Primary Department.
Selection by the orchestra.
Song by the Junior Department.
Solo by Bernice Kempf.
Song by the Primary Department.
May Pole, under the direction of Geraldine Gillespie.
Closing song by the school.

BANQUET FRIDAY NIGHT.

On Friday evening at the High School a banquet will be served at six thirty o'clock under the auspices of the American Legion.

A program of splendid interest to the townspeople at large will be furnished by the Legionaires. Col. A. H. Gansser and Senator Norman B. Horton will be present and give addresses. Music will be furnished entirely by the Legionaires.

Mrs. Russell Thurlby will cater for the supper which will be 60c a plate and she will serve one of her usual good dinners.

All men are invited to be present at the supper but if you can not come to the supper, come at eight o'clock to hear the speeches.

FINANCIAL REPORT IN THIS ISSUE.

Elsewhere in this issue of the Herald will be found the full financial report of the township of Tecumseh.

This report was prepared by Ivan E. Spitler, Clerk of the Twp. and it shows in detail just where the money was received and how it was spent together with all balances. It is a very carefully prepared report and was thoroughly checked by the township board as to its correctness.

Mr. Spitler is to be congratulated upon making out such a complete and accurate report and the town board upon presenting it to the taxpayers in full through the medium of the Herald. Full publicity in tax matters certainly gives the people no cause to complain of not knowing where their money goes.

"500" CLUB.

Mrs. James Cupples entertained her "500" club Thursday afternoon at her home on North Pearl street. There were five tables of players and the usual number of games were played. Ten guests were present.

Aftr the games dainty refreshments were served by the hostess. The club will be entertained in two weeks by Mrs. Frank Nyland.

RECEIVED RECORD TELEGRAM.

The Herald was in receipt of a record telegram as far as length is concerned showing how every motor car company in the state is opposing the two cent gas tax as injurious to the people's pocketbook as well as to the motor industry. They urge the Governor's weight tax of 70 cents per hundred as the right basis of taxation.

We don't care which they do as they will get us someway whether it be by taxing the right foot or the left one makes but little difference, so don't worry just wait and see which foot the tax is on but also remember it will be on one or the other as long as Evans et al goes up to help frame our laws.

However, it will be good for us because in a few years, we will get our share publishing mortgage sale foreclosures but it will be hard on all of us combined when the crash comes.

DR. WM. E. BURTTESS.

Word has recently been received here of the death at his home in St. Clair, Mich, on the 11th inst. of the above named prominent physician, well known in Tecumseh, aged 75 years. He leaves a wife and two daughters.

193 1-2 Eggs Per Hen Per year

LeClair Whelan, a Poultryman, of Tipton, Mich. certainly makes a strong bid for championship honors for his flock of White Leghorns. The 100 hens averaged 193½ eggs per bird for a whole year, a great record for so large a flock and for such a long time.

If any one doubts this record let me say right here that this egg sheet shows figures were kept from November 1, 1921 until November 1st, 1922. You can see at a glance that they are year around layers. He has flock after flock, from 20 to 100 and 250 birds that are never let out of the house the year around, that average from 183 to 167 eggs per bird. There are several reasons for this high record. The fowls were bred right, were fed right and were handled right. It is not the pen of five birds that counts, it is the whole flock that we are looking for. Whelan has 300 hens under Government Supervision where you can secure hatching eggs at a very reasonable price. The flock is never let out of the laying house.....Write for information.

W. S. CAVANAUGH FOR COUNTY SCHOOL COMMISSIONER.

As democratic candidate for the office of County School Commissioner, respectfully requests the voters of the county to consider his qualifications for the office, and if they can conscientiously do so, cast their ballot in his favor at the election next Monday. I feel that I am well qualified to fill this position and submit the following record of my activities in school work for your consideration.

I am a graduate of the Michigan State Normal school, studied one year at the Valpariso university and one term at the Michigan Agricultural college. I have taught school one year in Indiana and seven years in Illinois, being principal of the North Kankakee High School for two years and principal of the Anthon High School for one year.

I have lived in Lenawee County for the past sixteen years during which time I was principal of the Hudson High School for two years, superintendent of the Britton High School for three years and superintendent of the Weston High School for six years.

Compare these qualifications with those of my opponent in this election, and if it meets with your approval, your support at the election next Monday will be most highly appreciated, and I assure you that if elected I shall do all in my power to conduct the business of the office in such a manner as to justify your trust in me.

Yours most truly.

How They Cure Ivy Poison

An Old Time Specific That Drives It Out in Three Days and Makes System Immune

In sections where Whitmarsh Blood Elixir is known they handle ivy, oak or sumach like so much garden weeds. This remedy not only drives poison ivy out in two or three days but makes the system immune from further attacks. It also clears away eczema. Old itching scales that have wept and bled for years, red patches that have come and gone and returned year after year—these disappear in two or three days after the first dose of Whitmarsh Blood Elixir and one bottle usually drives it away to stay away. It is a wonderful remedy and if you are troubled with any form of vegetable poison, eczema or other such skin rash, get a $1.00 bottle today of Whitmarsh Blood Elixir. It has been a standard blood remedy for over half a century and is guaranteed to cure the poison of ivy in three days or you get your money back. Whitmarsh Blood Elixir is prepared only by Hart-Shaw-Miller Drug Co., Adrian, Mich., and if your druggist cannot supply you it will be sent prepaid on receipt of price.

ANOTHER TECUMSEH CASE

It Proves That There's A Way Out for Many Suffering Tecumseh Folks.

Just another report of a case in Tecumseh. Another typical case. Kidney ailments relieved in Tecumseh, with Doan's Kidney Pills.

Hiram Cahill, locomotive engineer, 409 Evans St., Tecumseh, says: "Doan's Kidney Pills certainly do just as represented and I can recommend them highly. Three years ago I was laid up for eleven weeks in a terrible bad shape with kidney trouble. My back nearly had me wild with pain; every time I moved, sharp pains would catch me right across the kidneys. I had no control over the kidney secretions and many nights was obliged to get up as many as six times to pass the kidney secretions. They were highly colored and otherwise unnatural. I doctored, but got no relief until I bought three boxes of Doan's Kidney Pills from Wright & Son's Drug Store. This remedy reached my case at once and these three boxes cured me."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Cahill had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

MORTGAGE SALE.

Whereas, default has been made in the payment of the money secured by a mortgage dated the thirty-first day of August in the year one thousand nine hundred and fourteen, executed by Eugene C. Calkins and Maggie A. Calkins, his wife of Adrian, Michigan, to Commercial Savings Bank of the City of Adrian, Michigan, which said mortgage was recorded in the office of the Register of Deeds of the County of Lenawee, in Liber 161 of mortgages, on page 289 on the 31st. day of August, in the year one thousand nine hundred and fourteen at 2:50 o'clock p. m. And whereas, the amount claimed to be due on said mortgage at the date of this notice is the sum of seven hundred and seventy-four dollars and sixty-seven cents, ($774.67) principal and interest, and including delinquent taxes paid by the mortgagee for the year of 1918, for the year of 1919, for the year of 1920, and for the year of 1921; and the further sum of fifteen dollars as an attorney fee provided by law and stipulated for in said mortgage and which is the whole amount claimed to be unpaid on said mortgage and no suit or proceedings having been instituted at law to recover the debt now remaining secured by said mortgage or any part thereof, whereby the power of sale contained in said mortgage has become operative.

Now, therefore, notice is hereby given that by virtue of said power of sale, and in pursuance of the statute in such case made and provided the said mortgage will be foreclosed by a sale of the premises therein described, at public auction, to the highest bidder, at the east front door of the Court House in the City of Adrian in said County of Lenawee, on the 14th day of April, A. D. 1923, at 10 o'clock (central standard time) in the forenoon of that day; which said premises are described in said mortgage as follows, to wit: Lot No. Eighteen (18) of Adrian Improvement Company's Sub-Division No. One (1), of the west half (½) of the northwest quarter (¼) of Section eleven (11), Town seven (7), South of Range three (3) east in the City of Adrian, Township of Madison, Lenawee County, Michigan.

Facts About Optometry

By

KARL A. BRAMAN

Country and city children need the Optometrist. Country and city grown-ups need him. All men and women who reach middle life should assist their eyes with glasses when they read, sew or do other close work.

Then there is a large class of people whose eyes are almost or quite normal, but whose work throws strain upon the eyes, who should get the help of glasses during working hours.

The above further discloses the value of Optometry to the public, or rather the public need of the profession.

Mr. Finch said they had had a heavy snow there last winter and that the snow banks were still visible until one reached the Illinois line. Both returned well and enjoyed their visit greatly.

Mrs. James Kent has sold her property on Maumee St. to John Youngs.

Miss Dorothy Clark went to Detroit Tuesday to spend the rest of the week with Mr. and Mrs. R. J. VanWinkle.

HENRY WAGNER.

Henry Wagner was born in Germany in 1846, and died Friday, March 23, 1923, at his home in Tecumseh, at the age of 77 years. He came to America when 17 years of age, and has made his home in Tecumseh for the past thirty years.

He enlisted with Co. G. 60th Ohio and served one year and a half during the Civil War.

In 1872 he was united in marriage with Miss Mary Seeling. To this union was born five children, Carrie Wagner who died in 1903, Miss Phoebe Wagner of Tecumseh, Misses Mary and Ada Wagner of Detroit and Wm. H. Wagner of Sioux City, Iowa. There was also one grand-daughter and three grandsons. Mrs. Wagner passed away in 1915.

Mr. Wagner had been in failing health for some time, with hardening of the arteries, but had been confined to his bed but a few days.

Funeral services were held at the home Monday afternoon, Rev. J. F. Kiskaddon officiating. Burial was made at Brookside. John D. Shull, Erwin Anderson, J. N. Satterthwaite, Wm. Bennett, Henry W. Sweet and Alva Spayde acted as pall bearers.

Those from away attending the funeral were, Misses Ada and Mary Wagner, Mr. and Mrs. L. R. Liford and Miss Clara Morden of Detroit; Wm. H. Wagner of Sioux City, Iowa; Mrs. Luella Reiser, Mrs. Welten McGill, Edward Piso and Grant Ulrich of Napoleon.

CARD OF THANKS.

To the friends and neighbors who assisted us in the sickness and death of my dear wife and to the friends who favored us with their presence and flowers on the day of the funeral, we the entire family thank you.

BASE BALL LEAGUE FORMED.

A tri-county base ball league has been formed between the towns of Milan, Dundee, Tecumseh, Clinton, Manchester and probably Adrian.

A definite code of rules and forfeits have been posted to insure the success of the same for the entire summer season. W. L. Jones went to Milan last week and met with representatives from the other towns and formed a regular league which will insure a series of fast games with an object to play for.

We believe this is an ideal way of handling the base ball games and that it will prove attractive and hotly contested so that the fans will enjoy a season of games that will give them all the excitement one should have in this quiet age.

Mrs. Ralph Smith entertained her bridge club Tuesday afternoon at her home, on North VanBuren street. After the games refreshments were served by the hostess. Mrs. Gene Rosacrans will entertain the same club in two weeks.

BIRTHDAY DINNER PARTY.

On [illegible] day of spring, March 21st, Mr. and Mrs. Seeby Wyman of North Pearl street, entertained fourteen little ladies in honor of the tenth birthday of their daughter, Alice Elizabeth. It was also the birthday of one of the little guests, Virginia Boyd.

They spent a merry afternoon with music, games and stunts and at five-thirty, a dinner was served. The dining room was beautifully decorated in yellow and white and the only lights were from candles. Each little girl cut her own birthday cake. Tiny chickens were the favors.

Many lovely gifts were left for Virginia and [illegible] remembrance of the happy occasion. It was a celebration long to be joyfully remembered.

R. N. Lowe has just received a crate of luscious oranges from our good friend Wm. Eccles who with John Freeman spent the winter in Florida and is now on his way home driving back by auto. Mr. Lowe was very generous with his neighbors many of whom are now eating Florida oranges.

MORTGAGE SALE.

Whereas, default has been made in the payment of the money secured by a mortgage dated the nineteenth day of January in the year one thousand nine hundred and fifteen, executed by Eugene C. Calkins and Maggie A. Calkins, his wife of Adrian, Michigan, to Commercial Savings Bank of the City of Adrian, Michigan, which said mortgage was recorded in the office of the Register of Deeds of the County of Lenawee, in Liber 161 of mortgages, on page 387 on the 20th day of January in the year one thousand nine hundred and fifteen at 9:50 o'clock a. m. And whereas, the amount claimed to be due on said mortgage at the date of this notice is the sum of one hundred and eighty-four dollars and fifty-eight cents, ($184.58) principal and interest and including delinquent taxes paid by the mortgagee for the year of 1918, for the year of 1919, for the year of 1920, and for the year of 1921; and the further sum of fifteen dollars as an attorney fee provided by law and stipulated for in said mortgage and which is the whole amount claimed to be unpaid on said mortgage and no suit or proceedings having been instituted at law to recover the debt now remaining secured by said mortgage, or any part thereof, whereby the power of sale contained in said mortgage has become operative.

Now, therefore, notice is hereby given that by virtue of said power of sale, and in pursuance of such statute, made and provided the said mortgage will be foreclosed by a sale of the premises therein described, at public auction, to the highest bidder, at the east front door of the Court House in the City of Adrian in said County of Lenawee, on the 14th day of April, A. D. 1923, at 10 o'clock (central standard time) in the forenoon of that day; which said premises are described in said mortgage as follows, to wit: Lots. No. Eighteen and Eighty-one (18) & (81) of Adrian Improvement Company's Sub-Division No. One (1) of the west one-half (½) of the northwest quarter (¼) of section eleven (11), Town seven (7), South of Range three (3) east in the City of Adrian, Township of Madison, Lenawee County, Michigan.

A Springtime Suggestion

Whatever you have in your rooms, think first of the walls, for they are that which make your home your HOME, and if you do not make some sacrifice in their favor you will find that no matter how richly furnished otherwise, your rooms will lack that attractive "first impression" so much to be desired.

A well selected pattern of wall paper and a suitable color scheme obtained by the use of Sherwin Williams Enamels and Paints will bring to your home that sense of refinement so much to be desired.

If a better paint than Sherwin Williams was manufactured we would surely sell it, and if we could show a better selection of Wall Paper than we have we would surely do so.

Come in and tell us of your plans for your spring "clean-up" and see the effect of the new color scheme we have worked out in re-decorating our store.

Mrs. Frank Arnold was driving on the stone road about four miles out of town Tuesday afternoon, when the blanket blew in her face and the car went into the ditch. She was hurt but slightly on one hand but the car was very badly smashed.

The Lenten services which have been held in the Presbyterian church each evening this week have been well attended. The different ministers of the town have taken turns in preaching and special musical numbers have been given each night.

Our Constant aim and endeavor is to please you with our modern Service.

ATTENTION VOTERS.

We all know that it is Michigan law that a township treasurer can hold the office only two years in succession.

The first year is always hard and it is fair to assume that any treasurer will do better work the second year.

It has been customary in old Tecumseh ever since Adam was a yearling, to allow each succeeding treasurer, without regard to party, to serve one full term of two years. In order that this time honored custom may not be broken, your vote and assistance is respectfully solicited and will be highly appreciated.

As voters we need to remember two things:

First, we must vote on election day without regard to weather—we cannot vote the next day.

Second, best wishes never elected anybody. It requires votes to elect.

Can I depend on you to remember? Yes? All right. Thank you.

Very sincerely—Yours for better service.

C. H. Snedecor,
Township Treasurer.

MISSIONARY SOCIETY ENTERTAINED.

Mrs. Robt. J. McCoy entertained the Methodist Missionary Society, Thursday afternoon at her home on South Pearl street. There was not a very large attendance but the meeting was an interesting one.

Mrs. H. J. B. Marsh was leader and many interesting points were brought up in the consideration of the subject of the Negro race. This was mite box opening day, and a nice sum was realized for the work of the missionary cause.

For Sale--Real Estate

All modern home on Maiden Lane. Has two story barn and new furnace. Terms.

One of the best bargains placed in my hands lately is the Waldron homestead west of town. The fine farm of 118 acres is on the market at a very low figure and I can give immediate possession. 22 acres wheat; 20 acres hay and much fall plowing done.

A partially modern house with garage just three blocks from center of town for $700. Beat it if you can.

Greenfield property on North Union at $800. Small home with large garden.

Mrs. Mattis' old home on East Logan is also cheap for $800.

Mrs. Isaiah Mattis' property on North Maumee is also to be sold at a low figure to move at once. Nearly modern.

The Babcock home on North Maiden Lane is another bargain. Well built and recently re-decorated throughout.

Two-family house on North Pearl can be sold at a figure which makes it a fine investment. Always rented.

Then on up to some of the prettiest homes in town for from $4,000 to $10,000.

Then for rent—have an all modern house two blocks from business section. Barn and garage. Also five rooms in best residence section.

But don't forget that windstorm policy which you realized last week should be looked after at once.

WONDERFUL STATESMANSHIP.

According to the reports in the state papers, the politicians who were elected on a platform of reduction of taxes have finally agreed on a most wonderful piece of legislation to the effect that Michigan shall have a fixed limit on property tax. Ohio has such a tax and it works because the state is not in the hands of the politicians. Their law limits the tax on country property to 17 mills and in the city to 11 mills and they raise more money than we do. Funny isn't it but not so funny when you fellows pay your taxes. What will you do about it? Anything except go to hear Groesbeck et al and whooper up for the whole crowd?

The new law now proposed by our statesmen like Chas. Evans, proposes to limit the tax on property to what? Ye Gods to what? To just 2% MORE than we are now paying. And right here in Tecumseh we are paying 4.4 percent right now. In the country we are paying more than 3% so what a wonderful relief we will get in such a law. It must be the people are what the politicians say they are to let such a piece of legislation put blinders on them.

Wonder when the people will wake up. Pres. Burton of the U. of M. wants 7 MILLION and more for the university. What for? So we can say we have the biggest school in the world. Fine thing IF it wasn't going to bankrupt the farmers and homeowners to do it. Why should we be taxed out of existence to educate students from China to Africa so we can brag about having the biggest school in the world?

We believe in education that IS education but not in taxing the basic industry of the land so high that we are on the road to certain bankruptcy and the whole crowd will go along when the crash comes and don't forget it. If such schemes of taxation are statesmanship, then the sooner we get rid of such statesmen and send some hard-headed fighters to the legislature the quicker we will divert disaster.

There are some splendid men in the legislature who are fighting to get rid of exactly this danger but they are in the minority and the majority seem heedless of the cry of the oppressed; and the oppressed have not been hit hard enough so that they can muster up courage to vote out of office those who have been responsible for this wave of extortionate taxation right here in Michigan. They can't see it yet though they feel it except those who have a pull somewhere with the assessor or can hide out their property and sometime they will find that they too are engulfed in the crash for no particular industry can escape if the basic one of farming goes.

You can work and scheme and transfer from one pocket to the other but in the end this legislature will pile on a few millions more to the tax burdens of the home owners and farmers which hits the merchants just as hard. No use to say anything until the people wake up and are willing to come out and vote. As long as they stay at home and whine so long will they have more to whine about.

Some say what can we do? Others say we can't do a thing. Well, if our forefathers who died at Bunker Hill had had the same spirit as that, we would still be flying the British flag. If the men who died at Gettysburg and Shiloh had had the same spirit, we would be two nations today instead of one grand and glorious country. If the boys who fought the fever in Cuba had had that spirit, Spain would still be starving that people to death, and if the boys who held a "rendezvous with death" in the Argonne and Belleau Woods had had the same spirit, the black eagle of Germany would now rule the world. Its the spirit of our forefathers that keeps the stars and stripes floating over the grandest country the sun ever shone upon. We have the best and grandest form of government the world ever saw and its our duty to keep it so. We must "carry on" the Glorious Flag tossed to us from "Flanders Field" and we must correct the evils that are the result of political mistakes or crookedness by using the ballot just as effectively as the boys who fought the wars did the bayonet. We must and will stand by the glorious deeds of our heroes and the work of men like Lincoln and Washington will never die. We must preach and teach the gloriousness of our constitution and its justice to all, and we must use the ballot effectively to purge out those who do not or cannot measure up to the responsibility of putting that same constitution into force and effect which insures every man, woman and child over whom the flag floats, equal justice and equal opportunity to enjoy life, liberty and the pursuit of happiness as those brave men wrote into our constitution in 1776 and which has been defended so gallantly ever since.

Wake up, think and vote, will wipe out the political evils quick and restore equality, justice and the pursuit of happiness to its original form and meaning as set forth by the greatest document on earth, the Constitution of the grand old U. S. A.

COUNTRY WEEKLIES BEST.

J. O. Lehman, publisher of the Plain City Advocate, commented as follows on the address of Mark W. Felber, advertising manager of the Firestone Tire and Rubber company of Akron, which was delivered at the recent meeting of the Buckeye Press association at Columbus:

"Mark W. Felber of the advertising department of Firestone Tire and Rubber Co. told the publishers of the country newspapers of Ohio that their advertising rates were not as high as they should be, and he further said, 'If any of you will go home and raise your rates 25 per cent our company will be willing to pay it.' Of course Mr. Felber did not mean that the rates should be raised for his company's advertising and not for that placed by others in the same paper.

"Here is a man who places $1,250,000 a year in advertising who says that in proportion to the money spent he gets better results from an ad in a paper like the Advocate than he does in a nationally distributed weekly which he mentioned. Our local merchants might think this over."

MRS. CYNTHIA ANN HOAG PASSES AWAY.

Mrs. Cynthia Ann Hoag was born at Flushing, Long Island, February 25, 1846, and died at her home in Tecumseh, March 28, 1923 at 6:20 a. m., at the age of 76 years. 3 months and 3 days. She had been ill but a few days with pneumonia.

She came to Michigan in the early 60's with her parents, Geo. W. and Margaret M. Smith, settling in Raisin, later going to Petersburg, Mich. She came to Tecumseh over fifty years ago, and has since made her home here. Mrs. Hoag has followed the tailor trade for over forty years, working for J. M. Jones all the time he lived in Tecumseh.

Surviving are one son, Geo. W. Hoag, and family, and two cousins, J. D. H. Cornelius of Adrian, Mich., and Mrs. Carrie Fitz-Randolph Rudy of Petersburg, Va.

The funeral will be held at the Belding Funeral Home Friday afternoon at one o'clock in charge of the Rebekah Lodge, Rev. H. J. B. Marsh officiating. Burial will be made at Brookside.

MRS. WM. B. SMITH PASSES AWAY.

Miss Caroline Stebbins was born in Dover Township in 1838. She was married to William B. Smith in 1868. Their married life was spent in Adrian and Raisin Twp. Mr. Smith died two years ago, and since that time Mrs. Smith has lived in Tecumseh.

She has been a faithful member of the Methodist Episcopal church for a number of years.

Last Thursday morning after suffering from a complication of ailments, consequent upon her advanced age, and also a recent attack of the grippe, she passed away to the land where pain, sickness and sorrow trouble us no more.

She leaves three sons, Ernest Smith of Rollin, Elmer Smith of Los Angeles, and Harrie Smith of Tecumseh, one daughter, MissEdith Smith of Tecumseh. Also two sisters, Mrs. T. N. Bird of Chicago and Mrs. J. I. Fuller of Toledo and one brother, Wm. Stebbins of Chicago.

Funeral services were held Saturday afternoon at the home, Rev. H. J. B. Marsh officiating. Burial was made at Raisin Valley.

AT THE BRADLEY.

Flirting Doesn't Pay, Norma Talmadge Proves

Girls, it doesn't pay to flirt!

That's one lesson Norma Talmadge sets forth in her big dramatic screen spectacle, "The Eternal Flame," which will be the First National attraction at the Bradley Theatre, Sunday and Monday, April 1st and 2nd.

The vanity of the coquette is the cause of the downfall of the Duchess of Langeais, played by Miss Talmadge in "The Eternal Flame." For even during the penitent mood of the General de Montriveau following his censure of the Duchess in the belief that she had been laughing at his love, she sees an opportunity to bring her conquest fully before a rival, Madame de Serizy, in a scene wherein he kneels abjectly before her begging forgiveness for his lack of faith.

"All the Brothers Were Valiant"

If you would forget for a brief and delightful hour all about taxes and how your mother-in-law acts and about the grease spot on the front of your new gown and the ripped place you found in your new glove and how the man next door practices his slidding trombone just step inside the Bradley Opera on Saturday evening, Mar. 31st, and allow yourself to slip under the spell of "All the Brothers Were Valiant." Try it and see for yourself.

CELEBRATES 89th BIRTHDAY.

Sunday was the 89th birthday anniversary of Mrs. Elizabeth Beekman, Mrs. Wm. Powell's mother. In honor of the occasion Mrs. Powell served a birthday dinner, covers being laid for Mr. and Mrs. Frank Schemp and daughter Evelyn and Mrs. Nancy Mudgett of Jackson, Mr. and Mrs. Wm. Woerner, Mr. and Mrs. Earl Woerner and Miss Lila Brandt of Adrian, Mr. and Mrs. Ed Everette and Mr. and Mrs. Oscar Lidke.

A pleasant afternoon was spent in visiting. Mrs. Beekman received many cards and gifts.

BUY COAL EARLY IS ADVICE OF U. S.

Washington, March 27.—Federal Fuel Administrator S. R. Wadleigh Tuesday afternoon urged retail coal dealers throughout the country to stock up during the spring and summer months with sufficient fuel for next winter. "The experience of the past winter," Wadleigh said, "would seem to demonstrate clearly and forcibly the expediency of domestic consumers obtaining their next winter's supply of fuel during the spring and summer months."

BIRTHDAY PARTY.

Mary Eleanor McCann was eight years old Saturday, and that afternoon she entertained a party of little friends. A pleasant time was spent in games and music, after which a peanut hunt was enjoyed. Mary Audrey Smith received the prize for finding the most and Majel Jones for finding the least.

The dining room was prettily decorated. Each guest received a little cup of easter eggs as favors, and each had a small cake with eight candles centering the table. The little hostess received many pretty gifts.

Those present were, Mary Audrey Smith, Durwent Snell, Majel Jones, Sarah Jane Heilman, Eugene Skinner, Dorothy Babcock, Catherine Kent, Norma Skinner, Lucile Owen, Mary Louise Artman, Emily Mathias, Elman Service, Marion Whelan, Glendola Whelan, Thelma Pocklington and Edna Brees.

MILLIONS OF YEARS OLD

Interesting Speculation as to What Really Are the Most Ancient Things on Earth.

Writing of the oldest thing in the world, an English antiquarian says: "I would say that from a geological point of view the igneous or fire-fused rocks composing the mountain ranges of Norway and Scotland easily hold the first place, as being among the oldest matter on the surface of the globe, dating considerably before the rock-masses which went to build up the lofty mountain chains of the Alps, Andes and Himalayas. Specimens of such rocks may be seen in the excellent museum of mineralogy in Jermyn street. From a biological standpoint the remains of primitive seaweeds and shellfish, preserved as fossils in the early stratified rocks, represent the most ancient forms of life on earth. These are to be seen in the British museum. Lastly, the most venerable remains of human agency are represented by the stone implements of prehistoric man, first discovered and recognized as such by the famous French savant, Boucher de Perthes, in the river-drifts and gravels of the Somme. Specimens of these rude weapons and tools are on view in almost every museum."

Garibaldi's Love of Animals.

George Macaulay Trevelyan, author of an old book about the Italian patriot, tells this story about his love of animals:

"The tenderest of the brave, he took thought not only for men and women, but for the joys and sufferings of animals. Ever since the day when, as a child, he had cried over the wounded grasshopper, he was brother to every living thing. He could not endure that a bird should be caged, nor allow an animal to be struck in his presence. It pained him even to see flowers plucked, or a bough wantonly broken.

"During his dictatorship in Naples, in 1860, he spent, in trying to remedy the condition of the cab-horses, much time which others thought he should have given to tasks of government in time of crisis; and in the following year, when he was the most famous man in Europe, he thought it natural to go out at night in the rain to seek a strayed lamb among the rocks and brushwood of Caprera."

Spiders Mostly Deaf and Dumb.

Whether insects can hear is a disputed question. Early writers say this sense would seem to be highly developed in spiders and certain other insects because some species not only make musical sounds but also are great lovers of music. However, no truth can be accredited to those old romantic stories in which the hero, confined in a dungeon, charmed spiders with sweet music and prognosticated weather by observing their behavior.

Recent experiments show that spiders are not only deaf, but most of them are dumb, only a few being able to make sounds. Much has been written about the sense of hearing in insects, but critics still contend that it has never been demonstrated beyond a doubt that any insect can really hear.

ENTERTAINS NO-NAME CLUB.

Mr. and Mrs. R. A. Heesen and Mrs. Ella Glover entertained the No-Name Club Tuesday evening at their home on West Chicago St. A six o'clock two-course dinner was served. The tables were very pretty with baskets and chickens carrying out the Easter idea, and some beautiful plants were attractively placed about the rooms.

There were five tables of guests and ten games of progressive pedro were played, Mrs. Guy Belding and Thos. McCann winning high scores and Mrs. John Murphy and Lester Rogers winning low scores.

Mr. and Mrs. Thos. McCann will entertain the club in two weeks.

McCLURE TO BE RE-APPOINTED.

It is reported that Henry McClure has again been re-appointed post master at Tecumseh without examination.

In last week's Herald we printed the announcement that an examination would be held here the same as it was at Adrian and will be at Hudson and other places. This information was obtained at the Post Office and from the Government bulletin which was sent us scheduling such an examination.

However, Congressman Michener informs us that inasmuch as Mr. McClure was recommended by quite a few prominent people of Tecumseh, his name was again sent in without waiting for an examination.

Mr. McClure has made an excellent post master and thus far we have not heard of any other candidates but it would be too late for them to get a hearing if there were owing to the great rapidity of action on the part of Congressman Michener.

VESPER SERVICES WERE VERY EXCELLENT.

The Vesper Services held at the Presbyterian Church last Sunday evening were attended by a very large audience and were especially delightful throughout.

The program with one exception was given as printed in the Herald last week and each number was greatly enjoyed. The artists on the program never appeared to better advantage and the services were solemnly beautiful throughout.

The church was most beautiful with lillies, roses and ferns in abundance on the platform and lighted candles so placed as to add greatly to the effectiveness of the decorations.

It was one of the finest services ever held in Tecumseh.

MISSIONARY MEETING.

The Missionary Society of the Presbyterian church held their regular meeting at the church parlors Friday afternoon. Mrs. R. M. Moiles was leader and the subject was "Mormonism."

A short business meeting was held and plans were made for the Presbyterial meeting which is to be held May third and fourth.

An interesting program was given as follows: A talk on Mormon principles and their Practices, by Mrs. H. E. Mitchell; vocal solo, "Sweet Easter Lillies" by Elizabeth Kidman; current items by Mrs. Andrew Wilson and Mrs. C. H. Kemp, and a paper on the history of Mormons by Mrs. Geo. Kidman. There was a large attendance and everyone enjoyed the splendid program.

Before You Invest---Investigate

BEFORE you invest your hard-earned dollars in Stocks and Securities of any kind, would it not be well to investigate thoroughly?

If the Securities offered to you by strange stock salesmen will not stand the searchlight of an unbiased investigation the chances are they are not the kind of investments that you should make.

This bank has made arrangements to furnish you with accurate information on all kinds of securities, having access to the reports of several reliable agencies and also the use of a large statistical library on investment securities.

We make no charge for this service.

Gansser and Horton Address Big Crowd

Tecumseh Favored With Splendid Banquet And Excellent Addresses By Local Post of American Legion. Michener And Evans Also Present. Dinner Was Great Success.

Over one hundred members of the American Legion and citizens gathered at the high school gym last Friday night to attend the annual Legion banquet and listen to a most interesting program.

A six-thirty dinner was served by Mrs. Russell Thurlby, and it certainly was a most enjoyable feed and served to the "queen's taste" by boys from the high school. Mrs. Thurlby is to be congratulated upon the excellent dinner prepared and which was highly enjoyed by everyone present.

An orchestra composed of local talent played during the evening which added greatly to the entertaining features of the program. At the conclusion of the eats, H. H. Hanna, Commander of the Post, introduced Senator Norman Horton as the first speaker who announced his subject as "Taxation." The Senator spoke briefly of the desires of the present legislature to do real constructive work in providing the necessary funds for carrying on the work of the state with the least possible resort to increasing the direct taxes. He said this was a difficult matter and that all legislation was not the will or wish of any one individual but the consolidated efforts of the whole membership. He spoke briefly in favor of the two cent gas tax and very carefully mentioned the proposed income tax (which was voted down by the people last fall). The Senator seemed to realize the present burden of taxes on the farmer and home owner but did not present any definite program or plans for its decrease.

The next speaker introduced was Senator Gansser who spoke at some length on various topics. The Senator is a very entertaining speaker but like the first one, he mentioned only the immediate efforts of the legislature to raise the necessary funds in the most "painless way possible." He favored the two cent gas tax on gas but did not commit himself on other questions to any great extent. The Senator then took up the question of adjusted compensation for the Legion men and strong advocated such a measure in Congress often paying his respects to Congressman Michener who was an interested listener.

The Senator paid a most glowing tribute to Capt. Milburn Hawkes, one of his captains in the world war who made the supreme sacrifice gallantly fighting for his country in France. We have never listened to a higher tribute paid to one of our heroes than Col. Gansser fittingly placed to the memory of Capt. Hawkes who so heroicly gave his life for his country. It touched the hearts of every listener to the uttermost and the record of this gallant true American was engraved eternally upon the hearts of every one who listened to this well merited eulogy. It was indeed a fitting monument to this ideal American builded in the hearts of men and from which it will never be effaced.

Congressman Michener of Adrian was present as also was Representative Chas. Evans of Tipton and a delegation from Adrian and Monroe. Only members of the Legion spoke to the big audience and these men certainly entertained those present and gave them some most excellent thoughts to carry home. The entire affair was well planned and carried out with distinct credit to the organization.

The community singing was led by Wade L. Jones in his usual rousing style and everyone there joined in with a will which made the old gym resound with good old familiar airs. It was an inspiration to the speakers as well as to our visitors and showed that Tecumseh is right there with the pep.

MRS. ELLA M. STRETCH PASSES AWAY.

Mrs. Ella M. Stretch was born in Tecumseh in 1861 and passed away at the home of her sister, Mrs. Wm. Cook, at Holloway, Thursday, March 29, 1923, at the age of sixty-two years. Her maiden name was Ella. M. Slater. Death came after a long illness with tuberculosis.

Robert Stretch, her husband, passed away two weeks ago at the home of Mr. and Mrs. Cook. They had made their home in Detroit until a few months ago when they came to the Cook home.

She leaves one brother, Frank Slater of this place, one sister, Mrs. Wm. Cook of Holloway, and one son, Roy Snell, of Jackson.

Funeral services were held at the Belding Funeral Home Saturday afternoon at three o'clock, Rev. J. F. Kiskaddon officiating. Burial was made at Brookside.

REV. F. W. PURDY OF DUNDEE ADDRESSES MONDAY CLUB.

The last regular meeting of the club year was held on Monday afternoon at the club rooms.

At the business meeting matters of importance were discussed and voted upon, with final reports of the officers. The coming year's study was decided upon and a miscellaneous program with departmental work will doubtless prove an interesting one.

The program for the afternoon was a very fitting one to close the year's work. The president, Dr. Pauline Bredow presided. The address of the afternoon was given by Rev. F. W. Purdy of Dundee, Mich., who spoke on "The Future of South America." Dr. Purdy was fully conversant with his subject having spent many years in that country. The use of the stereopticon which showed pictures of the country and maps that pointed out the geographical features added much to a very interesting talk.
